48
At the ACRL program on Thursday, June 29, John S. Galbraith, chancellor, University of California, San Diego, will speak on some current issues of academic libraries as seen by an administrator.

The Advisory Committee on Cooperation with Educational and Professional Organizations plans to invite a dozen organizations to send representatives to meet with the committee and other librarians for a luncheon on Monday, June 26.

The College Libraries Section program on Friday, June 30, from 2:00 to 6:00 p.m. will deal with Non-Western Resources, including a discussion by faculty members on the approaches to teaching non-western studies, with comments by libraries on library implications.

The Junior College Libraries Section and the American Association of Junior Colleges will cosponsor a conference at the University of California, Los Angeles, June 21-24, to be concerned with problems of junior college library development. Administrators and librarians are expected to participate. The ALA conference program on Friday, June 30, 12 noon-4:00 p.m. will focus on personnel needs for junior college librarians. A tour of libraries is being planned for Tuesday afternoon, June 27.

The Rare Book Section Preconference to be held at Stanford, June 22-24, will cover "techniques for special collections," including methods of disposing of duplicate or unwanted material, exhibition techniques, and valuation and appraisal.

The Subject Specialists Section program on Wednesday, June 28, 4:30 to 6:00 p.m. will be provided by the Agriculture and Biological Sciences Subsection on the National Library of Medicine’s approach to information network and network structure.

The Art Subsection is planning meetings for Friday and Saturday, June 30 and July 1. The Law and Political Science Subsection on June 30 will discuss the interests and future activities of its members.

"Trends in Budgeting for Academic Libraries" will be the subject of the University Libraries Section’s program on Wednesday, June 28, 8:30-10:00 p.m.
