ACCESS SERVICES DIVISION HEAD. ISU's Milner Library seeks an innovative, service-oriented leader to manage circulation services, print and electronic reserve, interlibrary loan, document delivery, storage, and building security with a staff of 12 career FTE employees. This library faculty member will evaluate workflow, procedures, and policies of service units; maintain and apply current knowledge of copyright and intellectual property issues; work general reference desk for occasional weekend hours; participate in library and university governance; pursue scholarship and service to fulfill tenure requirements. Qualifications: ALA-accredited master's, 2nd advanced degree, 2 years' experience in automated circulation systems, 3 years' supervision, excellent communication skills. Salary: $37,600 at assistant professor, plus $2,400 administrative stipend. Standard benefits. Start: July 1, 2000. To apply: By February 1, 2000, submit letter of application, resume, and names of three references to: Access Services Search Committee, Attn: Cheryl Elzy, Dean of University Libraries, Milner Library, Illinois State University, Campus Box 8900, Normal, IL 61790-8900. For more on Milner Library, contact our website at www.mib.isu.edu. Illinois State is an affirmative action/equal opportunity university encouraging diversity.

ASSISTANT LIBRARIANS. The University Library seeks professionals to join its team-based, innovative, flexible, user-oriented organization. The Library is committed to continuous learning, increasing client self-sufficiency, fostering diversity in the campus environment, and furthering its own cultural transmission, educational, and preservation roles. The Fine Arts and Humanities Team announces a search for four Assistant Librarians in the following areas: Music (Job #15519), Interdisciplinary (Job #15520), English & American Literature (Job #15521), and Media Arts (Job #15522). These positions require a master's degree in Library/Information Science (MLS) from an ALA-accredited institution. Activities include selection of information resources, library education and course-related instruction, in-depth reference and consultation services, liaison with faculty, assessment and evaluation of information and service needs of customers, general reference services, training and supervision and Library-wide responsibilities. In addition, the Digital Library Initiatives Group is recruiting for an Assistant Librarian. This position requires an MLS from an ALA-accredited institution, a master's degree in Management Information Systems, or another relevant field of study. Only applicants with an MLS degree may be considered for this position. The selected candidate will have two years' experience in public service, and a willingness to apply for the position of assistant librarian. The successful candidate will provide leadership in the selection, budgeting, and implementation of major digitalization initiatives; establish evaluative criteria from which priorities may be determined, policies developed, and performance measures specified; and establish the technical architecture supporting the Library's transition to digital services. For complete duties, responsibilities and qualifications, see the Human Resources website at http://www.hr.arise.isu.edu. The hiring range for all five positions is $35,460-$44,157 DOE. To apply, send a cover letter citing position title discriminatory references. Applicants should be aware that the terms faculty rank and status vary in meaning among institutions.

Contact: Christopher Becker, Classified Advertising Manager, C&RL News Classified Advertising Department, ACRL, American Library Association, 50 E. Huron St., Chicago, IL 60611-2795; (312) 280-2513; fax: (312) 280-7663 or (312) 280-2520; e-mail: crlnewsads@ala.org.

Policy: ALA policy requires that organizations recruiting through ALA publications or placement services comply with ALA anti-discrimination policies. Policy 54.3 states that "ALA is committed to equality of opportunity for all library employees or applicants for employment, regardless of race, color, creed, sex, age, physical or mental handicap, individual lifestyle, or national origin." By advertising through ALA services, the organization agrees to comply with this policy.

### Salary guide

Listed below are the latest minimum starting figures recommended by state library associations and the North Carolina State Library for Professional library posts in these states. These recommendations are intended for governmental agencies that employ librarians. The recommendations are advisory only, and ALA has not adopted recommendations for minimum salaries. For information on librarian salaries, job seekers and employers should consider these recommended minimums, as well as other salary surveys (such as the survey in the October 15, 1989, issue of Library Journal, the ALA Survey of Librarian Salaries, the annual ARL Salary Survey, or the annual CUPA Administrative Compensation Survey) when evaluating professional vacancies. For more information, contact the ALA Office for Library Personnel Resources.

ASSISTANT/ASSOCIATE LIBRARIAN
ARIZONA STATE UNIVERSITY WEST

Life Sciences/Nursing Librarian. We seek an individual who can plan, deliver, and assess research support and instruction for diverse students, faculty, and staff. Responsibilities include developing innovative approaches to research assistance, collection development, and delivery of services in an organization committed to electronic resources and access. This position provides assistance for complex research inquiries, collaborates with faculty in the design of instructional/learning opportunities, and promotes the integration of information competencies into the curriculum. The position carries subject assignments in life sciences and nursing.

ASU West Library is a team-based organization. Librarians individually and collaboratively develop programs, services, and web-based resources and select electronic and other materials. This is a continuing-appointment (tenure) eligible position; scholarship and participation in service activities are expected.

ASU West Library is in the initial phases of implementing new models of service built on desktop delivery, customizable user interfaces, and information literacy. The Library makes extensive use of electronic systems and resources and spends more than $1m annually for collections and access. Visit our web site for additional information: http://www.west.asu.edu/asuw/campus/lib/libinfo.html

General Information about ASU West: ASU West, a component of Arizona State University’s multi-campus plan vision, offers junior, senior, and graduate level research-based courses in the arts and sciences, business, education, human services, nursing, and women’s studies. The campus is committed to advancing educational, economic, cultural, and social development of the community. Located in the northwest Phoenix metropolitan area, ASU West serves 5,000 students with an expected growth to 10,000 students at its beautiful new campus. Please visit our web page at: http://www.west.asu.edu

Required Qualifications: An ALA-accredited MLS. Experience with: a networked computing environment; database searching; web search engines; web page development; development and/or delivery of technology-based instruction; reference service; a variety of computer applications and information formats. Demonstrated skill in communication, critical thinking, and/or problem solving. Relevant experience or formal education in the life sciences or nursing.

Preferred Qualifications: Post-MLS professional experience. Experience in: development of electronic delivery of services; selection of electronic resources; project/program development, management, or assessment. Evidence of working knowledge in a variety of web page authoring tools; Spanish language ability. Experience in or demonstrated commitment to a team-oriented environment. Understanding of academic institutions and higher education issues.

Rank and Salary: Assistant/Associate Librarian, salary commensurate with experience and rank; $32,000 minimum for Assistant Librarian.

Deadline for Applications: Applications must be received by February 15, or by the 1st or 15th day of each month thereafter until the position is filled.

To apply: Submit letter of application addressing background and experience relevant to the qualifications; current resume; and names, addresses, telephone numbers and e-mail addresses of four professional references to: deg farrelly, Chair, Life Sciences/Nursing Librarian Search Committee, ASU West Library, P.O. Box 37100, Phoenix, Arizona 85069-7100. ASU West is an EO/AA employer.

ARIZONA STATE UNIVERSITY WEST
INSTRUCTION LIBRARIAN
University of Northern Colorado

The University of Northern Colorado seeks applicants for the position of Instruction Librarian & Assistant Professor of Library Science, position number C&RL News 4266. Required: Master's degree from an ALA-accredited Library School; experience in a college, university, or research library appropriate to the position. This is a term track position. The position reports to the Head of Instructional Services. Responsibilities include developing and delivering library orientations, course-specific instruction sessions, and teaching information literacy credit course. Develops print and electronic instructional and promotional resources including web pages and tutorials. Must have strong interpersonal skills and the ability to identify and respond to instructional needs. Salary commensurate with experience and qualifications. Starting date is February 21, 2000 (negotiable). The position is contingent upon the approval of the University of Northern Colorado Board of Trustees. All application materials will be accepted until March 1. Send letter of application highlighting candidate's suitability, resume and the names, addresses, telephone numbers of three references to: Shannon McGinnis, Human Resources, The University of Arizona, 111 South Michigan Avenue, Chicago, IL 60603; aic.jobs@artic.edu; fax: (312) 857-0141. Review of applications will begin February 25, 2000. Send letter of application,
Dean of Library Services
The American College of Greece

The American College of Greece invites applications for the position of Dean of Library Services, effective August 1, 2000.

The American College of Greece is the oldest and largest independent, American-sponsored educational institution in Europe. Today it enrolls approximately 8000 students in three divisions: Pierce College, a six-year high school; the Junior College, awarding Associate Degrees; and Deree College, a four-year undergraduate college offering instructional programs across a wide spectrum of Arts and Sciences and Business Administration, accredited by the NEASC. The American College of Greece is nonsectarian and nonprofit.

The Dean of Library Services is based at the Deree College Learning Center, a handsome and modern facility housing a collection of over 50,000 volumes and well equipped with information technology, and also oversees the smaller collections of the other two divisions at their respective locations. The Dean is responsible for the supervision, operations, policies, and procedures of the library system.

The Dean should have appropriate professional training and extensive experience in Library management, including conversance with contemporary technologies. International experience will be an advantage but is not required. Particular challenges of the position will be to oversee a major increase in the collection and an expansion of the electronic services.

Applications including a resume, cover letter and references should be sent to:

Dr. William McGrew
VP for Strategic Planning
The American College of Greece
6 Gravias Street, Aghia Paraskevi
Athens 15342, Greece

LIBRARY DIRECTOR
Cardinal Stritch University

Cardinal Stritch University, a Catholic, Franciscan, coeducational institution, the second largest private institution in Wisconsin, whose main campus is located in a suburb of Milwaukee, seeks an individual to assume the position of Library Director. The successful candidate will be an energetic, creative librarian who will provide strong, forward-looking leadership and effective management for a service-oriented library.

Requirements: MLS from an ALA-accredited library school; minimum of five years experience and significant leadership in an academic library; excellent written and oral communication skills; good understanding of the needs of a scholarly community; well informed about library automation, information technology applications and instructional services, having an informed vision of “the library of the future.”

Desired Additional Qualifications: A second master’s degree in a liberal arts field; teaching experience at the college level; and evidence of continued professional development.

Salary and benefits are competitive and commensurate with qualifications and experience. Nominations and applications, including resume and the names/addresses of three references should be submitted to:

Dr. Marna Boyle
Chair, Library Search Committee
Cardinal Stritch University
6801 North Yates Road
Milwaukee, WI 53217

Equal Opportunity Employer

COORDINATOR OF LIBRARY INSTRUCTION. Washington State University, Pullman, Washington. Available immediately. WSU Libraries seek candidates who are leaders, enthusiastic about teaching, and work successfully in a team environment. Our expanding and innovative instruction program supports the university’s writing-across-the-curriculum objectives, collaborates with multiple university departments and programs, provides Internet classes, and offers a credit course in research and information literacy. Program emphasis includes developing models for teaching and learning information access skills as part of the university’s “Virtual Campus” Initiative, which seeks to infuse new technologies and teaching methods into the campus-wide curriculum. Specific Responsibilities: Provides direction, planning and coordination to deliver a creative and effective library instruction program. In cooperation with instruction librarians, library faculty, and teaching faculty, this individual will develop, design, and implement instructional programs, methods, and materials incorporating a variety of technologies. Teaches information literacy to lower and upper division undergraduates, graduate students, and other clientele. Serves as a resource for library colleagues participating in innovative Interfaces; experience with resource sharing consortia. This is a tenure-track, 12-month calendar year position. Review of applications will begin on March 1, 2000, and continue until position is filled. Submit a resume and cover letter to: William O’Malley, Search Committee Chair (Log# 141034CRL), University of Rhode Island, P.O. Box G, Kingston, RI 02881. The University of Rhode Island is an AA/EOE and is committed to increasing the diversity of its faculty, staff and students. Persons from under-represented groups are encouraged to apply.

COORDINATOR OF BIBLIOGRAPHIC SERVICES & SYSTEMS. Assistant/Associate Professor, University Library. Required: Graduate degree in librarianship from an ALA-accredited institution; minimum of five years of progressively responsible professional experience in academic library technical services, including some experience at the supervisory level; knowledge of and experience with library automated systems and services; excellent verbal, written and interpersonal skills; knowledge of standards, issues and trends in acquisitions, technical services, digital library initiatives, metadata, electronic publishing and copyright. Preferred: Proven managerial and leadership experience; knowledge of Inno-

Qualifications: Required: ALA-accredited degree; demonstrated commitment to library public service and instruction; demonstrated relevant teaching experience; excellent interpersonal and communication skills; ability to work effectively in a collegial environment. Preferred: Experience developing, coordinating, promoting, and assessing instructional programs; familiarity with current theory, practices, and issues related to library instruction; administrative and supervisory experience; experience in the application of new technologies to instruction. Salary: From $40,000, commensurate with qualifications and experience. Rank: Librarian 2; faculty status. Other benefits: TIAA/CREF, broad insurance package, 22 days vacation and 12 days sick leave per year. Application review begins: March 10, 2000. Send letter of application, resume, and names of three references complete mailing addresses, telephone numbers, and e-mail addresses to: Bonny L. Boyan, Washington State University Libraries, P.O. Box 645610, Pullman, WA 99164-5610. WSU Libraries’ home page is: http://www.wsu.lib.wsu.edu. WSU is an EEO employer. Protected group members are encouraged to apply.

DIRECTOR OF THE LIBRARY
Indiana University Southeast invites applications and nominations for the position of Director of the Library. IU Southeast is a regional campus of the Indiana University system, located across the Ohio River from Louisville, Kentucky, with a student body of about 5,700. Responsibilities of Director include overall administration of IU Southeast Library, budgeting and financial management, personnel management, strategic planning, and advocacy of the Library. Director reports to the University’s Executive Vice President and to the Office of the Vice President for Academic Affairs. Director's schedule requires at least one evening a week as well as participation in a weekend rotation. The Social Sciences Librarian conducts library instruction sessions, serves as liaison to one or more academic departments, prepares web pages and other bibliographic resources, participates actively in collection development, provides staff training, and performs other duties as assigned. Reports to the Head of Outreach and Instruction Services.

REQUIRED QUALIFICATIONS: ALA-accredited MLS; working knowledge of reference sources, both print and electronic; good oral and written communication skills; good interpersonal skills; ability to work successfully in a team environment; and a strong commitment to public service.

PREFERRED QUALIFICATIONS: 1-2 years of general reference experience; a bachelor’s or master’s degree (or appropriate experience) in the social sciences (psychology, sociology, etc.); teaching experience; experience using technology in an educational or library setting; experience with Microsoft Office, electronic databases, and web page development.

SALARY AND BENEFITS: Commensurate with experience. Benefits include TIAA/CREF, paid medical insurance, 20 days vacation and 14 paid holidays.

CONTACT: Applications received by March 15, 2000, will receive first consideration. Applicants should submit a letter of application, resume, and the names, addresses, telephone numbers and email addresses of at least three current professional references to:

Human Resource Services
Political Science Bldg.
University of Richmond
Richmond, VA 23173

collegial leadership style, and qualifications for appointment to faculty tenure-track position. Candidates should also have a creative and coherent vision of the role of the library in the swiftly changing academic environment; a breadth of practical library experience encompassing both public and technical services; and demonstrated participation in campus life and community activities. Salary competitive, dependent on qualifications and experience. To apply, send letter of interest, curriculum vitae and three current letters of reference to: Library Director Search Committee, c/o Human Resources, Indiana University Southeast, 4501 Grant Line Road, Box 99-32, New Albany, IN 47150. Review of applications begins March 15, 2000, and will continue until position is filled. IU Southeast is an Affirmative Action/Equal Opportunity Employer.

EDUCATION SERVICES SPECIALIST/LIBRARIAN
Duke University Medical Center Library is seeking an enthusiastic and innovative individual for the position of education services specialist/librarian. Responsibilities include planning, coordinating, and developing educational programs; developing instructional materials and working collaboratively with faculty in developing educational resources. Specialized duties will reflect needs of Library and the skills and experience of the selected candidate and may focus on one of these areas: instructional/educational technology applications; informatics and information management training; or evidence-based medicine. Minimum starting salary $35,300. A full job description, including qualifications and how to apply, is available at http://www.mc.duke.edu/mlclibrary. Review of applications will begin February 15. Applicants should send their resume and the names of three references to: Eric Albright, Duke University Medical Center Library, Box 3702, Durham, NC 27710. EOE/AA.

ELECTRONIC RESOURCES ACCESS SPECIALIST
The University of Iowa Libraries is seeking a professional cataloger to provide leadership and expertise for defining and supplying appropriate access to the Libraries’ electronic collections. The incumbent will supervise electronic resources cataloging and database maintenance, and create original MARC cataloging records and non-MARC metadata records for electronic resources. The candidate should hold a MLS degree, have knowledge of MARC format and relevant standards, and experience in electronic resources cataloging and database maintenance. The University of Iowa Libraries is a member of the University of Iowa Libraries, a member of the Iowa Electronic Library, and provides web-based cataloging services. Salary $27,000-$32,000. Review of applications will begin March 15, 2000. Send letter of application and resume to: Dean of University Libraries, University of Iowa, Iowa City, IA 52242-1279. The University of Iowa Libraries is an Affirmative Action/Equal Opportunity Employer.
HEAD OF REFERENCE AND INSTRUCTION

Carleton College
Laurence McKinley Gould Library

The Laurence McKinley Gould Library is a vibrant center of the intellectual and cultural life of the campus, and serves a significant educational role in a college community committed to excellence in learning and teaching. We seek an experienced, talented and energetic Head of Reference and Instruction to join us in developing an imaginative, student-centered liberal arts college library program. Beginning in the fall of 2000, we are planning a major expansion of reference and instructional services. A major feature will be an experimental program of information literacy that is completely integrated into the curriculum of the college.

This newly created position represents a unique opportunity to provide creative leadership, working in collaboration with an exceptional group of librarians, faculty and students, in building a dynamic set of sophisticated information resources and services. As a member of the library’s management team, you will participate in library-wide policymaking, planning, and administration.

Carleton’s library has an outstanding undergraduate collection and a talented staff of 26. Information about the library can be found at http://www.library.carleton.edu. Carleton College is a highly selective, residential, non-sectarian liberal arts college offering degrees in 33 fields of study and seven interdisciplinary programs to 1,850 men and women. Carleton is consistently ranked among the nation’s top liberal arts institutions. It is located in the historic town of Northfield, Minnesota, 45 miles south of Minneapolis and St. Paul.

RESPONSIBILITIES: The Head of Reference and Instruction provides leadership in planning, implementing and evaluating information services. Works closely with faculty and college administration in defining and achieving the college’s goals for information services and information literacy. Supervises 4 or more reference librarians, participates in teaching both students and faculty. Oversees reference collection development and participates in strengthening and extending a liaison program which, in partnership with colleagues in academic computing, provides a high level of computing and information support to faculty campus-wide.

QUALIFICATIONS: Experience in developing, evaluating and managing effective programs of reference and instruction. Excellent teaching skills and broad familiarity with reference resources and trends and issues in academic information services. Minimum of 5 years of academic library management experience. Sophisticated supervisory skills, including supervision of librarians; good listener; sensitive and supportive approach to personnel management. Ability to view issues from a library-wide perspective, foster teamwork and esprit de corps, and stimulate cross-functional collaboration. Strong interpersonal skills and ability to formulate ideas clearly in both written and spoken form. ALA-accredited MLS. Strong background in using and in implementing access to a wide range of electronic resources, and a solid grounding in the world of books and scholarship. Demonstrated ability to work effectively with faculty and students in interpreting and advancing the work of the library in support of learning and teaching. Strong experience and skills in evaluating and implementing information technology applications, and in collaborating with academic computing operations in a campus setting. Advanced degree in an academic discipline preferred; college library experience desirable.

Salary and fringe benefits highly competitive. For further information on salary and fringe benefits, contact Bonnie Jean Mork, Director of Human Resources, (507) 646-4175.

To apply, please submit a letter of application and resume, along with the names, addresses, email, and phone numbers of three references. Review of applications will begin February 29, 2000, and continue until the position is filled.

Materials should be sent to:

Samuel Demas

The University of Scranton, located in northeastern Pennsylvania near the Pocono Mountains, is a highly selective Catholic and Jesuit institution of 4,800 students. The University is committed to liberal arts education and offers strong professional and pre-professional programs. Review of applications will begin March 15, 2000. The search will remain open until the position is filled. Applications: Interested candidates should submit a letter of application, list of 3 references, and current vita to: Charles E. Kratz, Library Director, Harry & Jeanette Weinberg Memorial Library, The University of Scranton, Scranton, PA 18510-4634. The University of Scranton is an AA/EEO employer/educator.

Head of Cataloging: Washington State University, Pullman, Washington. Available immediately. Lead cataloging beyond tradition. Put your knowledge to good use in a leadership position emphasizing database creation, high productivity, effective access to library collections, collaboration, and creative problem solving. Under the direction of the Assistant Director for Technical Services, this position serves as Head of Cataloging and Principal Cataloger. Responsibilities include management of the Bibliographic Control Department, liaison with public services, staff training, monitoring of workflow, assuring quality access to library materials, and insuring a productive environment that values quality and quantity. The Bibliographic Control Department is responsible for cataloging, marking, and some ILS database maintenance functions, and employs 3 catalog librarians and 13 classified staff. Tenure-track position at ARL member library. Required: ALA-accredited degree. Five years of original cataloging experience in a large library setting; knowledge of authority control; knowledge of traditional cataloging tools (AACR2, LCSH, etc.); experi-
WEB DEVELOPMENT LIBRARIAN

Georgia State University

Georgia State University (GSU), a dynamic urban university in downtown Atlanta, is seeking a Web Development Librarian to create a library website that is the "portal of choice" for the faculty and students of GSU. This position will have overall responsibility for the design, development, and maintenance of the Library’s public and internal websites; provide leadership in defining and creating innovative web-based services; engage in staff training in the development of new Internet resources; serve within the Systems Department office team.

RESPONSIBILITIES: Develops, manages, and coordinates library website content and format, working closely with web authors, public service departments, and Special Collections/Archives. Trains and assists library faculty and staff in use of web development software and provides training and documentation in creating and maintaining Internet resources. Develops and maintains internal library databases. Provides technical expertise and assists with the integration of web-based resources into library instruction, online tutorials, collection development, and reference services. Investigates emerging technologies, tests new software, and experiments with new strategies for optimizing the development and use of Internet resources, including OCLC’s CORC project. Pursues digitizing initiatives. Develops guidelines, standards, and procedures for web development. Assesses software and strategies for meeting the library’s strategic goals.

REQUIREMENTS: ALA-accredited master’s degree in library science, electrical engineering or information science or equivalent. Experience in an academic institution. Strong technical skills, including knowledge of and experience in web design. Effective oral and written communication skills. PREFERRED: Additional degree and/or experience in computer science. Experience as trainer or consultant. Experience using web programming languages and scripting.

AVAILABLE: Immediately.

SALARY AND RANK: $43,000–$50,000 for twelve months commensurate with qualifications and experience. Appointment at faculty rank, on a contract renewal basis.

TO APPLY: Send letter addressing above. Include resume and names, addresses, and phone numbers of three references to:

Carmen Newton
Human Resources Officer
Georgia State University
Pullen Library
100 Decatur Street SE
Atlanta, GA 30303-3202

Materials received by March 15, 2000, will receive priority consideration. For more information, please visit our website at www.lib.gsu.edu.

Georgia State University is an equal opportunity educational institution/affirmative action employer strongly committed to cultural diversity.
HEAD, ACQUISITIONS DEPARTMENT
Rutgers University Libraries

Rutgers University Libraries invites nominations and applications for the position of Head, Acquisitions Department. The successful candidate will be responsible for central acquisitions of all library materials and end processing for materials cataloged centrally; Rutgers Libraries materials budget is approximately $41,751 dependent upon experience and qualifications; record of accomplishment in acquisitions management and experience using an automated acquisitions system preferably SIRSI; Scholarly record and service in professional associations. See the complete position profile on our website at http://www.libraries.rutgers.edu/ under “News and Events”.

Candidates applying by February 21, 2000 will receive first consideration. Submit resume, cover letter, and names of three references to: Sandra Troy (APP #135), Libraries Personnel Officer, Rutgers University Libraries, 169 College Ave., New Brunswick, NJ 08901; FAX 732-932-7637; e-mail stroy@rci.rutgers.edu.

Rutgers, the State University of New Jersey, is committed to affirmative action & equal opportunity.

INFORMATION SYSTEMS LIBRARIAN

Informations Systems Librarian is an affirmative action/equal opportunity employer.

Responsibilities: UNLV Libraries is seeking a service-oriented librarian, at the assistant professor rank, for the position of Information Systems Librarian. The successful candidate will help coordinate the UNLV Libraries’ websites and the evaluation, development, and implementation of the Libraries’ future electronic information resources and digital initiatives. The successful candidate will assist in tracking current and future information technologies, initiatives, and services; provide staff assistance and/or training with common desktop applications, and assume other responsibilities as assigned. The successful candidate may work regular hours at one or more public service desks. This position will report to the Head of the Library Systems Unit. Qualifications required: MLS or equivalent from an ALA-accredited program or international equivalent; excellent oral, written, and interpersonal communication skills; knowledge of electronic information resources; knowledge of microcomputer applications in libraries; demonstrated aptitude for learning new technology; evidence of creative application of information technologies to meet user needs; familiarity with HTML. Qualifications preferred: Proven documentation skills; experience with multimedia applications and technologies; experience with database creation, publishing, and management in a shared or web-based environment; experience with Web authoring and scripting languages/standards such as SGML, DHTML, VRML, XML, CSS, CGI, PERL, and/or JavaScript; experience with Internet communications tools and applications; reference services experience. Salary range: This is a tenure-track position. Salary is commensurate with qualifications and experience. The University has an excellent fringe benefits package. The setting: UNLV is Nevada’s largest comprehensive, doctoral-degree-granting institution with 22,500 students and more than 700 full-time faculty. The UNLV libraries are comprised of the main James R. Dickinson Library, the Curriculum Materials Library, the Architecture Studies Library, and a soon-to-be constructed Music Library. Construction on a new main library, the Lied Library, began in early 1998. This 300,000-square-foot, $51 million facility will include an Information Commons and a fully wired four-classroom Collaborative Learning Center. For additional information, see the UNLV website at http://www.unlv.nevada.edu/ Application deadline & details: Send letter of application, resume, and the names, addresses, telephone numbers and e-mail addresses of three professional references to: Megan Pocht, Chair, Information Systems Librarian Search Committee; James R. Dickinson Library, University of Nevada, Las Vegas; 4505 Maryland Parkway, Box 457001, Las Vegas, NV 89154-7001. Review of applications begins March 7, 2000, continues until the position is filled. For further information concerning Indiana University: http://www.indiana.edu/iub. Indiana University is an affirmative action/equal opportunity employer.

SPECIAL COLLECTIONS AND PRESERVATION LIBRARIAN

Oberlin College

Coordinates special collections and preservation programs in an outstanding college library.

REQUIRED: Sound liberal arts education, academic library experience; knowledge of rare books and special collections, preservation and conservation techniques, and preservation program administration; demonstrated supervisory ability; excellent communication and interpersonal skills; strong service orientation; planning and organization skills; commitment to professional development.

Oberlin College combines a leading undergraduate college of arts and sciences with a music school of national prominence. The college has a long history of leadership in educating women and minorities and actively seeks a racially, ethnically, and culturally diverse staff and student body. The library contains over 1.2 million volumes; is a fully automated, active member of OhioLINK; and provides access to a wide array of electronic resources. Competitive salary, excellent fringe benefits.

A full position description and information about Oberlin and the Oberlin College Library is available at: http://www.oberlin.edu/library/search.html

To ensure consideration, send letter of application, resume, and names of three references by February 15, 2000, to:

Oberlin College Library
Mudd Center
Oberlin, OH 44074

AA/EOE
INFORMATION LITERACY LIBRARIAN/COORDINATOR
INFORMATION LITERACY PROGRAM

http://www.plattsburgh.edu
Plattsburgh State University of New York
Library & Information Service

The Division of Library & Information Services at Plattsburgh State University invites applications for a newly created Information Literacy Librarian position. This position is responsible for the continuing development of Plattsburgh's outstanding information instruction program that began in 1979. The core feature of the current program is a required one-credit component of General Education. The integration of information literacy across the curriculum is presently a key initiative in the College's strategic plan. This position will play a leadership role in program planning and implementation. The successful candidate will bring experience, energy, and vision to the collaborative work of infusing information literacy concepts and skills throughout the college curriculum.

The Information Literacy Librarian joins a team of librarians currently engaged in an active and diverse information literacy program that is already experimenting with new integrated information literacy approaches. This is an exciting opportunity to develop and shape a new program in conjunction with other campus initiatives, including a review of General Education, a growing emphasis on instructional technology, and an expanding distance learning program. This position also participates in the core responsibilities of librarians: instruction, reference desk service, collection development, and programmatic group work. Successful candidates will have an interest in integrating information technologies and a willingness to participate with new distance learning programs.

REQUIRED QUALIFICATIONS: A master's degree from an ALA-accredited institution or foreign equivalent. Academic library experience that includes a minimum of four years of active participation in an information literacy/library instruction program; demonstrated ability to assume a leadership role in information literacy; demonstrated knowledge of current information literacy theory and practice; demonstrated success as an instructor of information literacy; commitment to group decision making; thorough familiarity with academic environments; successful experience in working with classroom faculty; outstanding interpersonal, communication, and organizational skills.

PREFERRED QUALIFICATIONS: Experience with planning and implementing an information literacy program; experience with group work; scholarly contributions to the literature of information literacy; active involvement in professional information literacy activities.

SALARY & BENEFITS: $40,000 minimum, academic rank commensurate with experience; tenure-track position.

Applications will be reviewed beginning immediately and will continue until position is filled. Please submit cover letter, resume and names and addresses of three references to:

Chair, Search Committee (PJ# 2360-CRLN)
c/o Human Resources
Plattsburgh State University of New York
101 Broad Street
Plattsburgh, NY 12901-2681
Fax: (518) 564-5060

Applications from women and minority candidates are especially welcomed. Plattsburgh State University of New York is an affirmative action, equal opportunity employer.
CONSULTING LIBRARIANS
Three Positions
Cornell College

The Russell D. Cole Library is redesigning its program to create a team of librarians who will collaborate with faculty toward an integrated information literacy program to prepare students for an information society. We seek librarians with a passion for teaching and service, enthusiasm for interaction with faculty, initiative and creativity, and skills in reference and collection development with an increasing emphasis on electronic resources. These librarians are members of the professional leadership team in a collegial environment, hold faculty rank, and may have opportunities for teaching in areas of expertise. Some reference work is required of all librarians, including one evening per week and occasional weekends.

Consulting Librarian for the Social Sciences (full-time, 12-month appointment) collaborates with faculty in the social sciences to design and deliver instruction integrated into course expectations; develop and manage the collection; and provide reference and bibliographic service. Additional responsibilities include oversight management of government documents, general reference service, and oversight of interlibrary loan services.

Preferred qualifications: ALA-accredited master’s degree. Outstanding interpersonal, communication, teaching, and problem-solving skills. Understanding of emerging electronic and print information resources relevant to the social sciences. Strong skills in accessing information via online systems. Strong skills in teaching. Evidence of initiative, creativity, service ethic, ability to prioritize based on organizational goals. Academic background in the social sciences required.

Consulting Librarian for the Arts and Humanities (full-time, 12-month appointment) collaborates with faculty in the arts and humanities to design and deliver instruction integrated into course expectations; develop and manage the collection; and provide reference and bibliographic service. Additional responsibilities include management of College archives and general references. Since the Cole Library serves the local community as its public library, this librarian will oversee coordination of programming for the public.

Preferred qualifications: ALA-accredited master’s degree. Outstanding interpersonal, communication, teaching, and problem-solving skills. Understanding of emerging electronic and print information resources relevant to the arts and humanities. Strong skills in accessing information via online systems. Strong skills in teaching. Evidence of initiative, creativity, service ethic, ability to prioritize based on organizational goals. Academic background in the arts and/or humanities required.

Consulting Librarian for the Sciences (half-time, 9-month appointment) collaborates with faculty in the sciences to design and deliver instruction integrated into course expectations; develop and manage the collection; and provide reference and bibliographic service.

Preferred qualifications: ALA-accredited master’s degree. Outstanding interpersonal, communication, teaching, and problem-solving skills. Understanding of emerging electronic and print information resources relevant to the sciences. Strong skills in accessing information via online systems. Strong skills in teaching. Evidence of initiative, creativity, service ethic, ability to prioritize based on organizational goals. Academic background in the sciences required.

Send letter of application, resume, three letters of recommendation, copies of credentials and transcripts to:

Ann Opatz
Assistant to the Vice President for Academic Affairs
Cornell College
600 First Street West
Mt. Vernon, IA 52314-1098

Consideration of applications begins March 1, 2000.

Cornell College is an EO/AA employer and encourages applications from women and minority candidates.
in managing historical collections in an archives, library museum or historical agency. Preferable qualifications include strong background in archival research methodology with demonstrated skills in oral and written communication, and library reference experience desirable. Interested candidates should send a letter of application, resume, and three current letters of reference to Dr. John P. Kondelik, Director of Libraries, Albion College, KC 4692, Albion, MI 49224. EOE. Applicant screening will begin February 15, 2000. Projected start date: July 1, 2000.

MONOGRAPHS ORIGINAL CATALOGER. (Search reopened) Division/Department: Collection Services/Cataloging. Purpose and Scope: The Monographs Original Cataloging Section of the Cataloging Department is comprised of the Head and 2.5 FTE librarians plus student assistants. The Monographs Original Cataloger is responsible to the Head of the Monographs Original Cataloging Section for performing original cataloging of monographic materials in all languages and subjects. Materials handled may include electronic resources and other media. Materials are processed for the Main and Science Libraries, some laboratory collections, and off-campus research facility libraries. Monographs Original Catalogers serve as resource persons for monographic cataloging within the Department and in other areas of the Libraries. The University of Georgia Libraries participates in GIL, a state-wide interconnected implementation of the Endeavor Voyager system. The Libraries is a member of CONSER and participates in NACO, SACO, and OCLC's Enhance Program. The Cataloging Department has 11 professional and 10 support staff positions and catalogs over 40,000 books, serials, microforms, and nonprint materials yearly. For a full description of duties, visit www.libs.uga.edu/humres/monocat.html. Qualifications: ALA-accredited MLS; knowledge of AACR2 and LC classification and subject headings; ability to work with a broad range of subjects; competency in one or more modern European languages (German or Russian preferred); familiarity with automated cataloging systems; ability to function as a contributing

One of nine University of California campuses, the University of California, Irvine, is nestled in 1,489 acres of coastal foothills, five miles from the Pacific Ocean, between San Diego and Los Angeles. The full position descriptions, instructions on how to apply, and information about the Libraries and the University are available at http://www.lib.uci.edu/about/libvac.html, or request a copy by e-mail to kaufman@uci.edu or by confidential fax to (949) 824-1288. Applications received by February 15, 2000 will receive first consideration, but applications will continue to be accepted until the position is filled.

The University of California, Irvine is an equal opportunity employer committed to excellence through diversity.

University of California, Irvine
Associate University Librarians

The University of California, Irvine Libraries are recruiting for three Associate University Librarian (AUL) positions to complete the senior administrative team. The University Librarian, Gerald J. Munoff, is seeking innovative, creative, flexible, and knowledgeable executives to join an enthusiastic staff in building a research library of excellence for a young and rapidly-growing university ranked nationally in the top universities. The campus of 19,285 students and 1,010 faculty is planning to grow by 50% in the next ten years. The AULs have an unusual opportunity to actively participate in shaping the quality and character of the campus and the excellence of the Libraries.

All three positions are responsible library-wide for collaborative leadership, management, and decision-making. Each position also has an individual area of responsibility, currently defined as AUL for Collections and Access Services, AUL for Research and Instructional Services, and AUL for Technical Services. Changes in assignments may be made based on qualifications and interests of appointees and in response to an analysis of organization in which the AULs will play a leading role. Positions require a graduate degree in library science from an ALA-accredited institution and substantial related experience. The salary will be commensurate with qualifications and experience within a range of $70,000 - $105,000.

The University of California, Irvine, is an equal opportunity employer committed to excellence through diversity.
REFERENCE LIBRARIANS: TWO POSITIONS

University of Missouri-Rolla

The University of Missouri-Rolla is seeking qualified applicants to: (1) Provide comprehensive reference services for print and electronic resources in a centralized library which has a strong science and engineering focus; (2) Participate in an active library instruction program; and (3) Serve as liaison to selected departments for acquisitions and specialized information services. Some evening and weekend hours are required.

Required: ALA-MLS. Demonstrated strong commitment to delivering quality public service. Experience with library computer applications, including HTML, the Internet, and other information technologies. Experience in a computer-intensive setting and ability to work in a demanding, rapidly changing environment. Reference experience in an academic library, including the ability to conduct effective reference interviews.

Desired: Experience in meeting user information needs, especially in scientific and engineering disciplines. Experience in library and electronic resources instruction. Degree in sciences or engineering. Knowledge of emerging information technology trends.

UM-Rolla is one of the four University of Missouri campuses and the state’s premier technological campus. The University offers engineering and science degrees through the doctoral level and undergraduate degrees in the liberal arts. UM-Rolla has earned a national reputation for quality education. Eight professionals and seventeen support staff serve 4,500 high-ability students and 350 faculty. The collection includes over 375,000 volumes and 1,400 periodical subscriptions, with an increasing emphasis on electronic resources. Innovative Interfaces ILS. The library website is www.umr.edu/~library.

Salary/Benefits: $28,000 minimum for 12 months. 28 vacation days per year, vested retirement after five years, and partial tuition assistance. Dental and medical insurance and other benefits are also available.

To apply: Send letter of application, resume including names, addresses, telephone numbers, and e-mail addresses of three professional references. Please include how your interests and experience can contribute to the responsibilities of this position.

Human Resource Services
Attention: #R-51056 / #R-52927
UM-Rolla
1870 Miner Circle
Rolla, MO 65409-1050

Completed applications received by March 15, 2000, will be given first consideration. Review will continue until positions are filled.

UM-Rolla is an AA/EEO employer. Members of minority groups and persons with disabilities are encouraged to apply.
Cornell University's Albert R. Mann Library invites applications for the following two positions:

**METADATA LIBRARIAN**

Responsible for organizing access to the growing number of networked information resources and cataloging materials in a variety of formats. Evaluate and analyze models for organizing networked information and help devise and implement solutions. Provide recommendations on the types of metadata required for effective access to electronic publications, track developments on metadata standards, and facilitate access to resources through original cataloging for a variety of formats. Actively participate in the library's research and development efforts and in local and national discussions relating to providing access for Internet resources.

**Required qualifications:** demonstrated interest in the issues and standards related to metadata, cataloging, and information retrieval. Desired qualifications: previous cataloging experience, working knowledge of one or more foreign languages.

**INSTRUCTION COORDINATOR**

Administer the library's instruction program, determine specific information management workshops to be taught, work with faculty to develop effective instruction sessions, and coordinate assignment of instructors from the professionals in the library. Provide quality reference, one-on-one consulting, and instruction in information management. Develop expertise in existing and emerging technologies for information delivery as well as lead and/or participate in other innovative research projects. The individual is one of a team of 8 librarians reporting to the Head of Public Services.

**Required qualifications:** demonstrated interest in instruction, with strong public speaking and presentation skills.

**Qualifications for both positions:** Required: ALA accredited MLS or equivalent graduate degree. Strong communication, analytical, and interpersonal skills, including the ability to work within a team setting. Solid facility with personal computers, information retrieval software, and information technologies. Interest in innovation and commitment to professional development. Desired: some work experience in an academic setting; subject knowledge in agriculture, life sciences, social sciences, or business/economics. Salary commensurate with qualifications and experience.

**Environment:** Albert R. Mann Library provides innovative information services for the 21st century and has achieved national renown for its digital library (http://www.mannlib.cornell.edu). The Albert R. Mann Library's collection of agricultural, life sciences and related social sciences materials serves the College of Agricultural and Life Sciences, the College of Human Ecology, and the Division of Nutritional Sciences at Cornell. Mann Library holds almost one million items in its collection of print, microform, and digital materials. Mann Library's principal user population numbers almost 10,000 and includes undergraduates, graduate students, faculty, researchers, and staff. Mann Library is the second largest of 19 libraries that together constitute the Cornell University Library.

**Applications:** Requested by March 15, 2000, but accepted until the positions are filled. Send cover letter, résumé, and the names, phone numbers, and addresses of three references to: Susan Markowitz, Director, Library Human Resources, 201 Olin Library, Cornell University, Ithaca, NY 14853-5301. Informal, preliminary applications will be accepted electronically (sem2@cornell.edu) with signed copy to follow.

Salary range: $32,940 - $44,196 per year based upon qualifications. Send cover letter, resume and names and addresses of three professional references to Janice H. Dost, 447 Doe Library University of California, Berkeley, CA 94720-6000.

Deadline for receipt of applications: March 1, 2000. EOE/AAE.
TWO POSITIONS—SEARCHES EXTENDED
HEAD, ELECTRONIC RESOURCES PROGRAM
HEAD, LIBRARY AUTOMATION DEPARTMENT

Nimitz Library
U.S. Naval Academy

The Nimitz Library, United States Naval Academy, is extending the timetable of its searches for the following two positions.

1. HEAD, ELECTRONIC RESOURCES PROGRAM. As leader in the development and maintenance of the Library’s electronic information resources, the incumbent will, with input from the nine other librarians in the Reference Department, and working closely with the Head of Reference and Head of Library Automation: plan, design, and coordinate access to electronic resources; develop procedures and tools for effective use of such resources; teach applications to faculty, students, reference librarians, and other library staff; recommend hardware, software, budget, training, and staffing requirements to support use of electronic resources.

As a reference-bibliographer, the incumbent will provide general reference service (including some evening and weekend hours), and also carry out collection development responsibilities, specialized reference assistance, and instruction in conjunction with one or more academic departments.

2. HEAD, LIBRARY AUTOMATION DEPARTMENT. As leader in the development and maintenance of the Library’s systems for electronic information access and delivery, the incumbent will, with input from other Library units, be responsible for the: planning, coordination, and execution of the Library’s automation budget; procurement, implementation, and maintenance of the Library’s computer systems’ hardware and software; staff training associated with such systems; maintenance and operation of the Library’s Innovative Interfaces online system; supervision of the other 2.5 FTE in the Library Automation Department.

We are seeking individuals who will accept the challenge of working in an extraordinary environment that includes engaged faculty, high-performing and highly motivated students, and impressive information technology resources, including a web-based catalog and a Library Intranet. For both positions, the GS-12 salary range is $51,204–$66,654.

The Naval Academy is the Navy’s undergraduate college, with 4,000 students, more than 500 civilian and military faculty, and 19 major fields of study in three academic divisions (eight in Engineering, seven in Math & Science, and four in Humanities/Social Sciences). It produced three Rhodes Scholars in the 1990s. The Nimitz Library has a staff of 41 FTE (including 18 professional librarians) and some 520,000 volumes of books and periodicals, plus government documents, microforms, extensive holdings in Special Collections & Archives, and numerous subscriptions to web-based electronic resources and CD-ROMs.

Located in Annapolis, the capital of Maryland and “the sailing capital of America,” the Naval Academy is 30 miles from both Washington, D.C. and Baltimore, in the beautiful Chesapeake Bay area.

For additional information about these positions, including desired qualifications and new application procedures, consult the Library’s home page (http://www.usna.edu/Library). Applications must be received or postmarked no later than February 25, 2000, in order to be considered. Individuals who have already applied for either position will remain under consideration and do not need to reapply. Send application materials to:

Dr. Richard Hume Werking
Director, Nimitz Library
U.S. Naval Academy
Annapolis, MD 21402

The Naval Academy is an affirmative action, equal opportunity employer.
Assistant Director

The Sarah Byrd Askew Library of William Paterson University seeks a creative, experienced and goal-oriented librarian to be part of the management and planning team in a dynamic, state-of-the-art library. The Assistant Director for Resource Management reports to the Director of Library Services and is responsible for the overall management and supervision of a fully automated technical services unit, which includes acquisitions, cataloging, processing of library materials, serials and document delivery. The primary function of this position is to provide leadership in planning, implementing and evaluating departmental operations and services and setting goals, developing initiatives and establishing priorities in these areas. Oversees staff development; prepares and manages unit budget and statistical reports as necessary. Primary liaison with OCLC and PALINET. Participates in collection development activities and user education programs.

ALA-accredited MLS and five years professional library experience in progressively responsible positions; second master's degree or ABD status or an additional five years experience or the equivalent combination of education and experience required. Demonstrated proficiency in technical services area including substantial knowledge of cataloging and authority control; three years administrative experience, including supervisory experience with library professional and support staff; preferably in an academic library. Thorough knowledge of online integrated library systems (preferably DRA), bibliographic utilities and networks and experience with budget management. Outstanding analytic and problem solving skills for initiating plans and carrying out projects. Evidence of strong communication and organizational skills, and the ability to work with all personnel in a collaborative team environment.

Salary Range: $51,705-$77,563 with a comprehensive benefits package. This is a 12-month, tenure track appointment; second master's degree or ABD required for tenure. For more information about the Library: http://www.wpunj.edu

Applications will be accepted until position is filled. Please forward letter of application, resume and a list of three references to: Norma Levy, Director of Library Services, Drawer CRL, William Paterson University, Sarah Byrd Askew Library, 300 Pompton Road, Wayne, NJ 07470.

WILLIAM PATRICK UNIVERSITY
WAYNE, NEW JERSEY
An Equal Opportunity Institution Committed to Diversity

Library. Send letter of application, resume, and the names, addresses, and telephone numbers of three references to: Chair, Reference Librarian Search Committee, S.E. Winberrry Library, Florida Atlantic University, 777 Glades Road, Boca Raton, FL 33431. Application must be postmarked no later than March 30, 2000. Florida Atlantic University is an Equal Opportunity/Access/Affirmative Action Institution.

SOCIAL SCIENCES LIBRARIAN. Western Kentucky University seeks applications for the position of Social Sciences Librarian in the Department of Library Public Services of University Libraries. This is a tenure-track faculty position. Western Kentucky University is a state-assisted comprehensive university offering a broad array of master’s degree programs and two cooperative doctoral programs, located in Bowling Green, a growing city one hour north of Nashville. University Libraries has migrated to the Endeavor Voyager library management system, participates in the Kentucky Virtual Library program and has designed extensive web-based services (www.wku.edu/Library). Required: ALA-accredited MLS, a sub-
ject master's/doctorate in the social sciences, familiarity with electronic reference tools, including Internet resources. Preferred qualifications include successful public services and collection experience; reading knowledge of French, German or Spanish; and excellent oral and written communication skills. Research and publication are required for promotion and tenure. Duties: Selection and management of collections in Broadcasting/Journalism, Communications, Psychology and Sociology; serving as the liaison with faculty for assigned departments; providing research instruction covering print and electronic resources; providing reference assistance; oversight of the Periodicals Reading Room; and maintaining awareness of new technology. Anticipated starting date: May 1, 2000. Salary: $52,472-$51,100. Candidates should submit a letter of application and resume along with the names, addresses and telephone numbers of three professional references to the Department of Human Resources, Wetherby Administration Building, Room 42, Western Kentucky University, 1 Big Red Way, Bowling Green, KY 42101-3576. To ensure full consideration, applications must be filed by March 1, 2000. Internet URL: http://www.wku.edu/Dept/Support/HR/. Online application available. Women and minorities are encouraged to apply. Western Kentucky University is an Affirmative Action/Equal Opportunity Employer.

TECHNICAL SERVICES COORDINATOR. One full-time, tenure-track faculty position (9-month appointment with summer work optional) in L. Manderino Library, California University of Pennsylvania, at the rank of Instructor or Assistant Professor. Salary range: $31,748 to $51,714. Employment date: August 2000. See library homepage at: http://www.library.cup.edu. Compensation: Salary is commensurate with education and experience. The Pennsylvania State System of Higher Education salary scale applies and includes excellent fringe benefits. Essential work functions: Work under the direction of the Dean of Library Services. Primary responsibilities of this position are to oversee the workflow in Acquisitions and Cataloging Departments, which entails the expedient purchasing and processing of all library materials—monographs, serials, audiovisual materials, etc. In addition, the individual is responsible for the structure and accuracy of the library’s bibliographic database (the library uses the Endeavor Voyager modules for cataloging, acquisitions, and serials). Specific duties are as follows: coordinate and provide leadership in the area of collection development; participate in the planning, implementation, and documentation of goals, policies, workflow, and procedures for Acquisitions and Cataloging Departments; oversee fund accounting; keep abreast of the continual changes in software technology and devices; manage the library’s book approval plan with responsibility for its relevance to the university’s curricula; coordinate the work of two librarians and five support staff. Work at the reference desk, as assigned, including evening and weekend rotations. Participate in departmental/university/system-wide committee assignments and additional duties as specified by the Collective Bargaining Agreement. Participate in professional organizations. Work on specific projects as assigned. Position requirements: A master’s degree in Library Science from an ALA-accredited institution; strong microcomputer skills; previous academic library experience; ability to establish and articulate policy and procedures and oversee workflow in the technical services units. Coordinator will work closely with library administrators. Position qualifications: Experience with an established model of collection assessment, knowledge of trends, ability to establish and articulate policy and objectives, and evaluate outcomes is required. Experience in acquisitions, familiarity with technical services, and relevant supervisory experience preferred. Minimum three years’ experience preferred. All positions: Full-time, twelve-month faculty rank appointment. Salary commensurate with qualifications. Excellent benefit package, including TIAA-CREF. ALA-accredited MLS and excellent communications skills are required. Send letter of application, resume, names/e-mail addresses of three professional references to: Loretta O’Brien-Parham, Director of University Libraries, Harvey Library, Hampton University, Hampton, VA 23668.
DIRECTOR OF INSTRUCTIONAL RESOURCES. Moorhead State University, Moorhead, Minnesota. Position begins July 1, 2000. Salary range $72,565-$97,267, depending on qualifications and experience. Position responsibilities include administering the Library and providing leadership and management to the University's library, audiovisual, instructional TV and instructional technology services. The Director reports directly to the Vice President for Academic Affairs and has supervisory responsibility for approximately thirty employees. The Library has a budget of approximately $2 million a year, and is part of both local (Tri-College) and regional (PALS and Minitex) consortia. Moorhead State University is one of seven four-year institutions in the Minnesota State Colleges and University system. The University has over 7,000 students enrolled in 70 degree programs, 16 graduate programs, and 19 areas of licensure preparation. Required qualifications include the following: ALA-approved master's degree in Library/Information Science and a subject master's degree or specialist degree or Ph.D.; a minimum of three to five years successful academic library administration/supervision; experience as a reference librarian; experience in developing and administering AV/TV, including instructional television and distance education; ability to provide leadership in Instructional Technology; leadership experience with emerging technologies in an academic setting; record of successful personnel administration and budget preparation and management; effective skills in interpersonal relations, oral and written communication, and analytical and decision-making processes; a commitment to collaborative decision-making and staff development; ability to represent the University and the University's instructional resources to external constituencies. Also desirable: Ability to secure external funding; experience in long-range planning; experience with collective bargaining; teaching experience. To Apply: Send a letter of interest, résumé, a completed Standard Application Form (accessed at the website listed below), copies of graduate transcripts and names of five references (including current addresses and daytime telephone numbers) to: Dr. Virginia Klenk, Chairperson, Search Committee, Moorhead State University, 1104 Seventh Avenue South, Moorhead, MN 56563; Telephone: (218)236-2764; fax: (218)287-5037; e-mail: schaffer@mhd1.moorhead.msus.edu; vacancy website: http://www.moorhead.msus.edu/vacancy; Instructional Resources Director website: http://www.moorhead.msus.edu/acadserv/director.htm. Review of completed files will begin on February 15, 2000 and will continue until position is filled. Successful candidate must be legally authorized to work in the United States on the day employment begins. Moorhead State University is an affirmative action, equal opportunity employer and educator.

HEAD, YRL BIBLIOGRAPHERS GROUP. The Bibliographers Group within the UCLA Library's Charles E. Young Research Library seeks an innovative librarian who will have broad administrative responsibility for the operations of the department. Responsible for managing and providing leadership in the development and management of collections in the humanities and social sciences. The Head has responsibility for collection development in one or more areas of history and possibly other subjects within the humanities and social sciences. Management and administrative responsibilities include: overseeing all personnel matters for a staff of 11.5 FTE; monitoring and reconciling the operations budget; allocating and managing a materials budget of approximately 2.1 million dollars; directing strategic planning and carrying out of unit goals; and representing the interests and views of the department on administrative advisory committees. Qualifications: Administrative or supervisory experience in collection development in a research library or demonstrated ability to administer a department of professional and support staff devoted to collection development and management. Graduate level study, or equivalent experience, in the humanities or social sciences. Collection development experience in one or more areas of history. Experience in selection and management of electronic resources and knowledge of current trends in information technology as they apply to collection management and development. Thorough understanding of research needs and organization of scholarly literature. Reading knowledge of at least one foreign language. Ability to work well in a changing environment. Excellent English communication and interpersonal skills and ability to work with staff, students, and faculty of culturally diverse backgrounds. Commitment to professional development and service. Research level knowledge of Anglo-American history preferred. Background will normally include a professional degree from an accredited library and information science graduate program. Salary Range: $40,248-$68,112 plus Monthly Administrative Stipend: $350. Anyone wishing to be considered for the position should write to: Karen Murray, Administrative Specialist, Charles E. Young Research Library, UCLA, 11334 YRL, Box 951575, Los Angeles, CA 90095-1575. Candidates applying by February 28, 2000, will be given first consideration. For full description of duties and qualifications and application procedures, see website: www.library.ucla.edu/admin/staffserv/openposn.htm.
ENCompass
and Voyager
A Smart Combination

en[compass]. First, Voyager gave you integrated management capabilities for your library’s print collection. Now Endeavor Information Systems Inc. introduces ENCompass — the next step in software for the electronic world. Created for today’s digital library, ENCompass takes advantage of new technology and standards (like XML, EAD, and Dublin Core) to describe, index and search a variety of electronic resources. Smartly designed to work in tandem with Voyager, ENCompass lets you integrate all of your resources, no matter what their location. Digital or print — now your users can have it all.

Endeavor Information Systems Incorporated
Smart Design. Solid Decision.
