Kansfield, Director of Library Services, Colgate Rochester Divinity School/Bexley Hall/Crozer Theological Seminary and St. Bernard's Institute, 1100 Mary Blvd, Lafayette, LA 70503. USL is an equal opportunity, affirmative action employer.

ASSISTANT UNIVERSITY LIBRARIAN FOR SYSTEMS AND PLANNING. The University of Arizona Library seeks applicants to fill a new position in systems and planning. The person filling this vacancy will have responsibility for continuing development of an integrated online system, as well as responsibility for more general planning activity, including chairing the Library's Planning Council, participating as a member of the Administrative Group and directing/coordinate existing automated services. The AUL for Systems and Planning reports to the University Librarian. This new division of the library will have, initially, a small staff but is expected to grow quickly with a possible significant increase in size next fiscal year. Applicants must have an MLS from an ALA-accredited library school as well as five years professional experience in large, academic libraries. Ability to communicate clearly in both written and oral forms is essential. Preference will be given to persons with degrees and/or experience in computer/information science, planning, systems, and related disciplines, as well as to persons with successful supervisory experience or experience in technical services. Salary range: $35,000-$45,000 annually and the position is open immediately. Application deadline is November 15, 1984. Librarians at the University of Arizona have Academic Professional status with privileges equivalent to the teaching faculty, twelve-month appointments (eligible for continuing status), 22 days annual vacation, 10 university holidays, and several health care and retirement plans. To apply send a resume, including the names of three references, to: W. David Laird, University Librarian, A349 Main Library, University of Arizona, Tucson, AZ 85721. The University of Arizona is an EEO/AA employer.

ASSISTANT LIBRARIAN FOR TECHNICAL SERVICES, the Ambrose Swasey Library of Colgate Rochester Divinity School/Bexley Hall/Crozer Theological Seminary and St. Bernard's Institute, Rochester, New York. Responsibilities include original cataloging, staff supervision of acquisitions, cataloging serials and binding, some supervision of student assistants. Requirements: MLS from an ALA-accredited library school; knowledge of modern European languages (sufficient for cataloging purposes); knowledge of LC classification and subject headings, AACR 2, MARC formats, and OCLC terminal; background in theology or religion desirable; programmatic skills expected. Salary range: $17,000-$19,000; good fringe benefits. Send letter of application, resume, and the names/addresses of four references to: Norman J. Kansfield, Director of Library Services, Colgate Rochester Divinity School/Bexley Hall/Crozer Theological Seminary and St. Bernard's Institute, 1100 South Goodman Street, Rochester, NY 14620. An equal opportunity, affirmative action employer.

ASSOCIATE DIRECTOR OF UNIVERSITY LIBRARIES

Case Western Reserve University

University Libraries, an ARL member, is composed of Sears and Freiberger Libraries and is the largest unit in the Case Western Reserve University library system, housing the collections in the Humanities and Social and Behavioral Sciences, Engineering, Science, Management, and Music. The collection contains over 1,500,000 items (bound volumes, government documents, and microforms) and includes over 7,000 current serial subscriptions. The staff includes 33 professionals and 44 non-professionals.

The responsibilities of this newly-created position will include: coordination of the activities of the Public Services (including collection development), Technical Services, and Administrative units; participation in the development and preparation of grant proposals; development of an effective research sharing program, both within and without the University; working with the Director on the development of long-range budget, space and automation plans for the University Libraries.

Qualifications for this position include a graduate degree in library science from an accredited ALA library school; active involvement in and commitment to research, publishing, and professional activities; indepth knowledge of academic library organization and functions, including library automation; and substantive administrative experience preferably in a comparable academic research institution. Minimum salary: $35,000.

Send letter of application, resume, and names of three professional references to: Mary DeVocht-Berges, Department of Human Resources, Case Western Reserve University, 10900 Euclid Avenue, Cleveland OH 44106, by November 1, 1984.

Case Western Reserve University is an affirmative action/equal opportunity employer.

October 1984 / 509
ASSISTANT SPECIAL COLLECTIONS LIBRARIAN, University of Nevada, Las Vegas. (Search reopened.) Special Collections contains materials pertaining to Southern Nevada, the gaming industry, culinary arts, and the UNLV archives. Responsibilities: acquire, arrange, describe, and provide access to Nevada manuscript collections and archival records of UNLV; develop the Nevada collection; participate in the reference desk and exhibit schedule of the department; and perform other duties as assigned. Qualifications: an ALA-accredited degree and formal archive and/or manuscript training required; effective communication skills; ability to establish and maintain harmonious working relationships with co-workers, donors, and patrons; and to organize, analyze and plan efficiently essential; experience in processing archives, personal papers, or U.S. political or historic manuscripts preferred; advanced subject degree in U.S. history or political science desired. Minimum salary: $17,000. Faculty status, 12-month appointment, 24 days vacation, fringe benefits. Send letter of application, resume, names, addresses, and phone numbers of three references by October 31, 1984, to: Mary Dale Deacon, Director of Libraries, University of Nevada, Las Vegas, 4505 Maryland Parkway, Las Vegas, NV 89154. The University of Nevada, Las Vegas is an equal opportunity, affirmative action, Title IX, 504, 402 employer.

ASSOCIATE UNIVERSITY LIBRARIAN FOR PUBLIC SERVICES
Arizona State University

The Arizona State University Libraries are seeking candidates for the newly created position of Associate University Librarian for Public Services. The successful candidate will report to University Librarian Donald E. Riggs, be responsible for the leadership and management of all public service units, and participate in overall library planning and policy formulation.

Required qualifications include an ALA-accredited MLS degree; successful administrative experience at the department head level or above in public services in a university library; a minimum of seven years' progressively responsible experience in an academic/research library; demonstrated leadership qualities; strong analytic, communication and interpersonal skills; experience in creating and implementing new public service programs; knowledge of the latest issues and trends in academic librarianship; knowledge of bibliographic instruction and online systems; evidence of university service, research and/or participation in professional associations. Preferred experience: fiscal, personnel and other administrative responsibility in two or more public service areas; supervision of a large staff; involvement in both undergraduate and graduate programs in an ARL library.

Arizona State University and Its Libraries: ASU's mission is to continue development as a major research university and to become competitive with the best public universities in the nation. Toward that end, the Libraries have experienced dynamic growth during the past five years, adding 55 new positions and increasing the materials budget from $1.7 million to the current $3.1 million. A new science and engineering library was occupied in 1983, and the other libraries are being remodeled. The Libraries are creating a total online integrated system using Tandem hardware and Data Phase software. Collections total 1.8 million volumes and 1.6 million microform units. Of the 243 FTE staff, 127 are employed in public services. Membership is held in ARL, CRL, AMIGOS, and OCLC. The total budget is $7 million. ASU, with 40,000 students, is the nation's 6th largest university and is located near Phoenix, the nation's 9th largest city.

Salary: $40,000 minimum, depending on qualifications. TIAA-CREF or state retirement plan; annual paid leave of 22 days' vacation; 12 days' sick leave and 10 holidays; tuition remission for employee and family at all three Arizona universities. Librarians serve on university governance committees and are eligible for continuing employment status and sabbatical leave.

Applicants must include documentation or evidence of specific qualifications and short statements (no more than 2 pages each) concerning (a) their philosophy of public service and (b) what new public service programs they have implemented and are interested in implementing. Send letter of application, resume, supporting documents, and a list of four recent references to: Constance Corey, Assistant University Librarian, Hayden Library, Arizona State University, Tempe, AZ 85287. A copy of the complete position description is available upon request. Recruitment will remain open until the position is filled. To ensure consideration, applications should be received by October 29, 1984, when review will begin.

ASU is a committed equal opportunity, affirmative action employer. Minorities are encouraged to apply.

BUSINESS/ENGINEERING LIBRARY, ASSISTANT DEPARTMENT HEAD. Developing and implementing innovative information services for the faculty and students of the Amos Tuck School of Business and the Thayer School of Engineering at Dartmouth College will be the challenge of the person selected to fill this position. The individual we are seeking will be capable of working as part of a team providing information services in a technologically sophisticated library environment utilizing the Dartmouth online catalog; RUN, OCLC; online database vendors such as BRS, Dialog, I.P. Sharp, Dow Jones, and Nexis; as well as microcomputers. Under the general direction of the Business/Engineering Librarian, the Assistant Business/Engineering Librarian's responsibilities include supervision of the interlibrary loan assistant, participation in collection development, consultation with faculty to determine instructional and research needs and the provision of reference services including bibliographic instruction and online searching. Feldberg Library has a staff of three professionals and five staff and is one of eight libraries in the Dartmouth College Library system. Qualifications: ALA/MLS, educational background in one of the fields of business, engineering, or economics, a minimum of three years of post MLS experience in an academic or special library and online database searching experience in bibliographic and numeric files are re-
Applications or nominations should be submitted in writing to: Box 35, Butler Library, Columbia University Libraries, 535 West 114th Street, New York, New York 10027. Deadline for applications is October 26, 1984.

An equal opportunity, affirmative action employer.
ties include supervising the copy cataloging by student assistants; serving on a catalog information desk; active participation in establishing policies and procedures for the Catalog Department. The Middle Eastern Catalog Librarian reports to the Head of the Catalog Department and serves as a department liaison to the Oriental Studies Collection. The University of Arizona is a member of OCLC through the AMIGOS network. Automated methods of cataloging non-roman materials are being explored. Requirements include: ALA-accredited library degree; working experience in a research library with AACR2, LC classification, and LCSH; experience with OCLC or a similar utility; ability to transcribe using LC romanization tables. Primary language skill should be Arabic. Ability to catalog materials in Hindi, Urdu, Persian and Pushto is also desired. Professional librarians at the University of Arizona are academic professionals and voting members of the faculty have, 12-month appointments, earn 22 vacation days a year, and 12 days of sick leave. The beginning professional salary is $16,500; a higher salary can be negotiated depending on qualifications and experience. Send letter of application, resume and names of three references by November 30, 1984, to: W. David Laird, University Librarian, University of Arizona Library, Tucson, AZ 85721. The University of Arizona is an EEO/AA employer.

CIRCULATION LIBRARIAN. Responsible for supervising general circulation, reserves, and interlibrary loans. Directs staff of 4 full-time and 2 part-time non-professionals, and 35 student assistants. Schedules may include some evening and weekend hours. Requires an ALA-accredited MLS, and appropriate supervisory experience. Collection management experience and familiarity with automated library systems desirable. Salary: $16,500 plus depending on experience. Send letter of application, resume, and the names, addresses, and telephone numbers of 3 references by November 15, 1984, to: Mary J. Cronin, Director of Libraries, Loyola University of Chicago, 6525 N. Sheridan Road, Chicago, IL 60626. Loyola University of Chicago is an equal opportunity, affirmative action employer.

COLLECTION DEVELOPMENT LIBRARIAN. University of Arkansas at Little Rock. Responsible for selection of all formats of materials to support curricula; coordination of selector activity; coordination of planning and analysis of collection development and collection management policies and procedures. Participates in budget allocation; collection evaluation; use and user studies; policies and decisions regarding storage, weeding, conservation, and serials management. Some night and weekend work should be expected. Prefer strong academic background in history; archival experience; serials management; demonstrated skill in oral and written communications; and ability to work effectively with all levels of library employees, donors, patrons, and faculty members. Requirements include ALA/MLS and three years of post-MLS reference or collection development experience with upper-level academic materials and services. Minimum salary: $20,000. The position is open now. Position is faculty-rank, tenure-track, 12-month, full-time position with good fringe benefits including up to 6%-matched TIAA/CREF. Send resume and names of three references with their current titles, addresses, and phone numbers who have observed human relationships and professional abilities to: Library Search Committee, c/o Kathy Essary, Chair of Recruitment Committee, University of Arkansas at Little Rock, 33rd and University Ave., Little Rock, AR 72204. An EEO/AA employer.

The University of Nevada, Las Vegas is an equal opportunity, affirmative action, Title IX, 504, 402 employer.

OPERATIONS MANAGER for Online Automated Library System, shared by 18 public, academic, and system libraries serving 24 central Illinois counties. Self-sufficient with strong people skills to administer automation program under RSA executive committee. 3–5 years experience with online automation applications required. Bachelor’s mandatory, master’s preferred in LS or equivalent desired. Must own automobile. Extensive travel essential. Home office in Peoria metropolitan area. Salary: $25,000–$35,000 plus benefits. Applications by December 1, 1984. Send letter of application, resume and names, addresses, and phone numbers of three references to: Travis E. Tyer, President, Resource Sharing Alliance of West Central Illinois, 515 York, Quincy, IL 62301, telephone (217) 223-2560. An EO/AAA employer.

REFERENCE LIBRARIAN, Primary responsibilities include general reference desk work, bibliographic instruction to both graduate and undergraduate students, some selection responsibilities and evening/weekend reference duty. Some online searching is involved as well as production of bibliographies for general use. Academic experience is desirable. Requirements: MLS from an ALA-accredited library school; good written and oral communication skills; willingness to deal with the public and to cooperate with fellow employees; preference given to those represented by a union. Starting salary: $12,000, rank and tenure eligibility: salary minimum $15,000. TIAA/CREF. Send resume and names of three references to: Kathy Essary, Chair, Library Search Committee, University of Arkansas at Little Rock, 33rd and University, Little Rock, AR 72202. An EEO/AA employer.

REFERENCE LIBRARIAN. Cluster Undergraduate Library, University of California, San Diego. Assistant Librarian: $20,316–$25,992, or Associate Librarian: $24,828–$35,748. (This salary to be increased by 3.8% effective January 1, 1985.) Available January 1, 1985. As a branch of the Library system of the University of California, San Diego, the Cluster Undergraduate Library provides basic library services for students in the four colleges on campus. The Undergraduate Library presently possesses an up-to-date, highly selective collection of 90,000 volumes and 500 serial titles in all fields. Works in close association with the other librarians in the unit; provides service reference at reference desk 8–19 hours per week (including some evening and weekend hours); performs database searching and computer searches for reference support; prepares subject bibliographies, orientation leaflets and guides to use of the library resources; makes classroom presentations; coordinates the library instruction program; conducts library tours and orientations; serves as a lecturer in Contemporary Issues 50, a 2-unit course on information and academic libraries (once a year); and recommends library materials for acquisition in various humanities disciplines (literature, art). UCSD librarians participate in librarywide planning activities and instructional services programs and are expected to be active professionally. Qualifications: MLS from an ALA-accredited library school; one year work experience in a sales related activity associated with computerized systems; comprehension of computerized reference services; and the ability to effectively communicate, both verbally and in writing, with a broad spectrum of individuals. Preference given to those represented by a union. Starting salary: $12,000, rank and tenure eligibility: salary minimum $15,000. TIAA/CREF. Send resume and names of three references to: Jacqueline Coolman, Personnel Librarian, University of California, San Diego, Library, C-075-H1, La Jolla, CA 92039. UCSD is an affirmative action, equal opportunity employer.

REFERENCE LIBRARIAN, PHYSICAL SCIENCES/ENGINEERING. (Entry level.) Search extended. Duties: Provides comprehensive reference assistance, with emphasis on the physical sciences and engineering, from a centralized reference collection. Prepares bibliographies and guides to the literature for the use in staff training and in classroom instruction. Assists with bibliographic instruction and academic libraries (once a year); and recommends library materials for acquisition in various humanities disciplines (literature, art). Experience and ability to develop innovative services and relate harmoniously with users and staff. Preferred: Academic background in the physical sciences or engineering required. Second master’s degree in science-related field or two years of pro-professional library experience preferred. Experience with online systems of bibliographic data retrieval desirable. Salary $16,000, $16,500 with second master’s degree. Closing date for applications: November 1, 1984, or until suitable applicant is found. For additional information and to apply, contact: Susan S. Lyle, Head, Personnel Operations, University Library, Texas A&M University, College Station, TX 77843. Telephone (409) 845-8111. An EEO/AAA employer.

RESOURCE DEVELOPMENT LIBRARIAN, SOCIAL SCIENCES. Search extended. Duties: Responsible for collection development activities in the social sciences disciplines, including selection of materials for active collection; evaluation of collection; and interchange of materials in specific area (selected annually) of the total collection. Responsible for monitoring of funds associated with collection development activities. Works closely with approval plan personnel in refining approval plan profiles. Works closely with teaching faculty in social science departments to develop plans for the library's collection. Required: MLS, or equivalent, from an ALA-accredited institution. Experience in developing automation plans; preparing statistical reports for online database services; coordinating use of an IBM PC; planning and organizing library instruction programs; and developing advanced approaches to library instruction that might include in-class user database searching, computer-assisted learning and video productions. Performs subject specific reference duties in appropriate reference area, including some evenings and weekends, performs database searching and collection development as appropriate. Appointment: Assistant or Senior Assistant Librarian (tenure-track), twelve-month, $1502–$2406/month, depending upon qualifications. Generous benefits package. Send letter of application, resume and list of three references, postmarked by October 16, 1984. Submit a letter of application, enclosing a resume and a list of references to: Jacqueline Coolman, Personnel Librarian, University of California, San Diego, Library, C-075-H1, La Jolla, CA 92039. UCSD is an affirmative action, equal opportunity employer.
ASSISTANT LIBRARIANS. The Papua New Guinea University of Technology, Matheson Library. Applications are invited for two posts of Assistant Librarian in the information center for Papua New Guinea and the South Pacific. Duties of the approximately 150 academic staff, the Library holds 60,000 volumes and is

SERIALS, ASSISTANT DEPARTMENT HEAD. Dartmouth College Library is seeking qualified applicants for the newly created position of Assistant Head for the Serials Department, one of four Bibliographic Control Departments responsible for the technical services functions for the library system of eight libraries. The Serials Department coordinates and maintains the acquisitions, bibliographic control and binding operations for the entire centrally received serials collection of 19,000 titles. Under the general direction of the Serials Librarian, the Assistant Serials Librarian is directly responsible for supervising the bibliographic control activities of the department and coordinating bibliographic control activities for serials performed in other technical service areas with the bibliographic control operations of the Serials Department. Provides administrative assistance to the department head and contributes to the planning and management of the department and bibliographic control. Qualifications: Required are an ALA/MLS, a minimum of three years post MLS experience in an academic or research library, some of which must have been in serials cataloging or serials acquisitions; experience with RLIN or another automated system; and familiarity with AACR2 and MARC formats and cataloging conventions. Salary: $17,760, faculty rank, twelve-month tenure-track position. Salary and benefits:Up to $85/month paid on health, life, and disability insurance package; 87.3% of Social Security paid for first $16,500 of salary; choice of retirement plans available including TIAA/CREF, tax-deferred annuity program available; no state or local income taxes; 10.5 month appointment; faculty rank; 14 state holidays. Closing date for applications: November 1, 1984, or until suitable applicant is found. For additional information and to apply, contact: Susan S. Lytle, Head, Personnel Operations, University Library, Texas A&M University, College Station, TX 77843. Telephone (409) 845-8111, An AA/EOE employer.

SOCIAL SCIENCES BIBLIOGRAPHER. University Center at Binghamton Libraries seeks a Bibliographer/Information specialist to work as one of two social science subject specialists in the University Library, a research library with holdings of over 1,000,000 volumes. The Library uses RLIN, Geoac, and OCLC for bibliographic information and services. Responsibilities include book selection in the core disciplines of sociology, economics and political science; faculty liaison; and reference/consultation services in the Social Sciences. The Librarian will have the opportunity to help define the role of the library in the Information Age. The Library has network affiliation with the Research Libraries Group and New York State 3R’s. Qualifications: ALA/MLS, advanced degree in a Social Science; knowledge of two Western European languages (German desirable); two-three years experience in information services in a research library; familiarity with online databases. Minimum salary: $19,000 with liberal fringe benefits. Appointment level and salary commensurate with experience. Submit letter of application, resume, and three references by October 22, 1984, to: Recruitment Committee, Library Administrative Officers, Glenn G. Bartle Library, University Center at Binghamton, Binghamton, NY 13901. EO/AAE.

SUPPORT AND TRAINING SPECIALISTS. OCLC, Online Computer Library Center, Inc., has immediate openings for Support and Training Specialists within our Marketing and User Services Division. The two position openings will provide support and training for OCLC Automated Serials Control and Acquisitions components of the Online system. Responsibilities include developing instructional programs and materials to support networks’ training efforts, and presenting training workshops to promote effective use of the systems. The Acquisitions position will also function as coordinator for OCLC’s new DX (Direct transmission) capability. The positions require an MLS degree, three years of library experience, demonstrated experience in one of the OCLC Online Subsystems (preferably Serials Control including Union Listing, or Acquisitions), and demonstrated verbal and written skills. Minimum starting salary for both positions is $19,151 annually. OCLC offers an excellent benefits package. Interested parties should submit their resume complete with education, experience, and salary history/expectations to: Employment Representatives, OCLC, 6565 Franz Rd., Dublin, OH 43017. OCLC is an equal opportunity employer.

TECHNICAL SERVICES LIBRARIAN (search reopened). Enthusiastic, creative, creative, collaborative, energetic, and dedicated MLS sought to supervise cataloging and acquisitions services in an LRC. Experience or training in OCLC highly desirable. Interested in computer applications in the LRC essential. Position will include some public services activities and involvement in college-wide activities. Salary: $15,000, excellent benefits. Position requires some travel. Submit letter of application, resume, and three references to: Ann Scott, Assistant Director for Administrative Services, Kansas State University Libraries, Manhattan, KS 66506; position available January 1, 1985. Kansas State University is an equal opportunity, affirmative action employer.

ASSISTANT LIBRARIANS. The Papua New Guinea University of Technology, Matheson Library. Applications are invited for two posts of Assistant Librarian in the Matheson Library's Cataloging Section. Serving a student body of 1,100 and approximately 150 academic staff, the Library holds 60,000 volumes and is adding 10,000 volumes a year. It serves as the major technological information center for Papua New Guinea and the South Pacific. Duties of the
 posts include: original cataloging, revision of records procured from the
Australian MARC Records Service, and the retrospective conversion of catalog
records. Limited evening and weekend duty in public services will also be
required. Applicants must hold either a Degree in Librarianship or a Degree
in another subject and an internationally recognized professional
qualification in librarianship. The posts require familiarity with DDC19,
AACR2, ISBD and Library of Congress subject headings. Preference will be
given to applicants with experience in automated cataloging systems. Salary:
Assistant Librarian I: K12,920 per annum; Assistant Librarian II: K14,385 per
annum. (K1 = US $1.0806.) Level of appointment will depend upon
qualifications and experience. Initial contract period is for three years.
Benefits include a gratuity of 24% taxed at 2%, appointment and repatriation
fares, recreation leave fares for staff member and family after 18 months of
service, settling-in and settling-out allowances, six weeks paid leave per
year, education fares and assistance towards school fees, free housing, salary
protection plan and medical benefits schemes are available. Further
information is available from the University Librarian, Mr. S.A. Patchett, at
the address below. Detailed applications (two copies) with curriculum vitae,
together with the names and addresses of three referees should be received by
October 15, 1984, by the Registrar, PNG University of Technology, Private
Mail Bag, Lae, Papua New Guinea.

ASSISTANT PUBLIC SERVICES LIBRARIAN. Permanent tenure-track faculty
appointment available January 1. Duties include general reference service,
library instruction, online database searching, selection of reference
materials, and support of other public service functions as needed. Schedule
will include some evening and occasional weekend hours. Requires
ALA-accredited MLS, minimum 2 yrs. previous professional experience; ability
to interact with students and faculty in a variety of subject areas essential.
Salary $17,000 minimum plus liberal faculty benefits including relocation
assistance. Send resume and three recent references to: Robert L. Burr,
Director, Crosby Library, Gonzaga University, Spokane, WA 99258.

HEAD, AUTOMATED SYSTEMS DEPARTMENT. (Position redefined). New department,
reporting to Associate Director for Technical Services and Automation.
Responsible for: managing department staff (1 prof. and 1 para-prof.);
coordination of the library's bibliographic and administrative systems,
including DataPhase ALIS II system (Data General MV8000 minicomputer), and 11
IBM PCs for administrative systems; developing comprehensive plans for systems
operations; developing specifications and coordinating recommendations for new
hardware and software; developing functional specifications and overseeing
programming or software purchase; developing systems security plan; overseeing
routine departmental operations; working with automation vendors; conducting
studies of proposed and existing systems; coordinating acceptance testing;
assisting other departments in implementing systems and developing policies,
procedures, and user documentation; assisting library department in training
of automated systems; coordinating telecommunications (networking)
requirements related to automation operation. Qualifications: The following
are preferred: experience in implementing automated systems within a library
(including bibliographic maintenance, acquisitions, serials control, online
catalogs or circulation); knowledge of current library and general hardware
and software; ability to deal effectively with operational changes affecting
systems, and library staff; analytical skills and the ability to provide
creative and comprehensive solutions to problems; library and automation
experience, as well as knowledge of the MARC formats, OCLC, and bibliographic
control techniques; organizational flexibility; good oral and written
communication skills; ability to work well within a large organization;
ability to design and implement research studies; proven supervisory and
managerial skills; a record of professional development; knowledge of programming principles and the ability to revise programs (preferably MIIS/MUMPS); knowledge of or experience with analysis methods; sensitivity to the concerns of a research library. ALA-accredited MLS or MS in computer/information science required. Environment: University Library Services, serving the 20,000 students of both the academic and medical campuses, employs the DataPhase ALIS II system for circulation and acquisition; plans are underway to use ALIS for the online catalogs, an authority and serials control. The database now contains over 375,000 bibliographic records. Microcomputers are used for word processing, statistics, budgeting, database searching, etc. The materials expenditures for 1984/1985 is $1.94 million. Salary: $25,000 minimum, depending on qualifications. Applications: Submit resume and the names and phone numbers of three current references by November 15 to: Arnold Hirshon, Associate Director for Technical Services and Automation, Cabell Library, Virginia Commonwealth University, 901 Park Avenue, Richmond, VA 23284. Virginia Commonwealth is an equal opportunity, affirmative action employer.

AUTOMATED SYSTEMS DEPARTMENT LIBRARIAN. Reports to the head of this department. Responsibilities: Assist in the coordination of the library's bibliographic and administrative systems, including DataPhase, ALIS II system (Data General MV8000 minicomputer), and eleven IBM PCs for administrative system; write specifications for new hardware and software; write programs; evaluate software requests; perform acceptance testing; assist in implementation and in training of automated systems; assist in maintenance of computer hardware; write and maintain documentation; coordinate maintenance with service vendors. Qualifications: The following are preferred: experience with automated systems in libraries (including bibliographic maintenance, acquisitions, serials control, online catalogs or circulation); knowledge of current library and general hardware and software; analytical skills; knowledge of the MARC format, OCLC, and bibliographic control techniques; good oral and written communication skills; record of professional development; knowledge of programming principles, and the ability to write programs in at least one high-level language (preferably MIIS/MUMPS); sensitivity to the concerns of a research library; ability to work well independently; ALA-accredited MLS or MS in computer/information science required. $19,000 minimum salary, depending on qualifications. See above advertisement for application details. Deadline: November 15.

BIBLIOGRAPHIC INSTRUCTION LIBRARIAN (Readvertisement). Major responsibility is to direct and expand the Library instruction program. This includes the formal instruction, self-instruction, and faculty outreach programs. Other responsibilities are to serve in a support capacity to the primary online search librarian, share in Reference Desk schedule (daily, evening, weekend), and collection development. Requirements: ALA-accredited MLS, science or engineering degree or significant course work or experience, and good interpersonal and communication skills. Position available immediately. Initial screening of applications will begin November 1, 1984. Minimum salary for this classification is $15,300; however, qualified candidates displaying previous related work experience or special qualifications may negotiate a salary within the first quartile of the salary range. Please send letter of application, resume, and names of three references to: Mr. Lee J. Lebbin, Library, Michigan Technological University, Houghton, MI 49931. Applications accepted until position is filled. Michigan Technological University is an equal opportunity educational institution, equal opportunity employer.

BIBLIOGRAPHER FOR LITERATURES OF WESTERN EUROPE AND LATIN AMERICA. (Readvertisement.) The University of California, Santa Cruz, is seeking a
service-oriented bibliographer to develop its collections in French, German, Italian, Spanish, and Latin American literature, and history and social science of Latin America. Serves in the Collection Planning Section and participates in formulating collection policies and procedures. Provides general and specialized reference service. Qualifications: MLS or equivalent; fluency in French or Spanish with a strong working facility in the other language and with working facility in German and Italian desired; graduate level knowledge of a major European literature, French strongly preferred; a thorough understanding of scholars' research needs and of the organization and accessibility of the relevant literature; broad interest in the humanities and social sciences, and interest in working with both undergraduate and graduate students. Assistant Librarian ($20,316-$25,992) or Associate Librarian ($24,828-$35,749). Application deadline: November 15, 1984. Send resume and names of three references to: Katherine Beiers, Assistant University Librarian, Personnel, University of California, Santa Cruz, CA 95064. An equal opportunity, affirmative action employer.

DIRECTOR OF LIBRARY AUTOMATION. Dartmouth College Library is seeking qualified candidates for the position of Director of Library Automation. Responsibilities include planning, analysis, design and implementation of computer support systems for library operations; pursuing and developing experimental systems, such as the online catalog, serials receipt control, and circulation; coordinating library automation programs with national and regional efforts, such as RLG/RLIN and NELINET; preparing grant applications and pursuing other sources of funding for computer support of library operations; and hiring, training and supervising library automation staff of 3 programmers. The successful candidate will have a proven effective management style and the ability to communicate equally well with the library personnel and the personnel in the campus computer center. Qualifications: master's degree in computer science, information science, or library science, with at least 5 years of progressively responsible experience with library automation systems and computer programming are required. Prior experience in the design and implementation of library automation programs and with other library departments highly desirable. Experience with UNIX highly desirable. Salary and rank commensurate with experience and qualifications, with a minimum salary of $27,000. Dartmouth College is an AA/EEO/M/F employer. Please send resume to: Phyllis E. Jaynes, Director of User Services, 115 Baker Library, Dartmouth College, Hanover, NH 03755, before November 15, 1984.

HEAD CATALOG LIBRARIAN. Seek energetic growth-oriented professional for permanent tenure-track faculty appointment available December 1. Responsible for overall management of WLN-based cataloging unit processing approx. 10,000 titles/year; perform original cataloging with emphasis upon business, technology, and social sciences; supervise 1 professional and 3 support staff. Requires ALA-accredited MLS, knowledge of a Romance language, minimum 2 years previous experience in a professional position involving original cataloging, use of a bibliographic utility, and supervision. Salary $17,000 minimum plus liberal faculty benefits including relocation assistance. Send resume and three recent references to: Robert L. Burr, Director, Crosby Library, Gonzaga University, Spokane, WA 99258.

HEAD OF CATALOGING (search reopened.) Reports to the director of library. Supervises 1 professional, 1 paraprofessional, 3 technicians, and 5 student assistants. Coordinates all cataloging activities using OCLC, LC classification and AACR2 rules. May be asked to teach an undergraduate cataloging course. Minimum requirements: MLS from an ALA-accredited institution; 4 years cataloging experience with two years in a supervisory
position in an academic setting. Automated cataloging experience preferable.
Minimum salary: $23,000. Arkansas State University is located in Jonesboro,
near Ozark recreational areas and Memphis, Tennessee. TIAA/CREF, 20 days' vacation on a 12-month contract, and group insurance. Send letter of application, resume, and names of three references to: Bill Hansard, Library Director, P.O. Box 2040, State University, AR 72467. Applications accepted until a candidate is found. An equal opportunity, affirmative action employer.

HEAD OF READER SERVICES. Responsible for a progressive program of course-
related bibliographic instruction, online searching, and reference services and collection. Also responsible for circulation and interlibrary loan. Participates in collection development. ALA-accredited MLS, 3-5 years supervisory, reference, BI and online searching experience. Demonstrated strong leadership, management and communication skills, with an active public services orientation. Minimum salary: $20,000. Apply by November 9 to: Paula Warnken, Director of Libraries, Xavier University, 3800 Victory Parkway, Cincinnati, OH 45207. Xavier is an affirmative action, equal opportunity employer.

HEAD, TECHNICAL SERVICES. Lead, guide and direct technical services with
heavy emphasis on cataloging, including copy/revision/original in OCLC
environment. Required: ALA/MLS; 5 yrs. cataloging, with 3 under AACR2 in
OCLC (or equivalent); successful supervision of cat/tech services operation;
thorough knowledge of AACR2, LCSH, MARC, national cataloging standards. Desired: science cataloging, science undergraduate, library automation. Hiring salary: $28,000-$32,000. Resume, application letter, statement (500 wds) on cat/tech services philosophy to: Marsha R. Kipperman, Personnel, Bldg. 185, Brookhaven National Laboratory, Upton, LI, NY 11973. Position will remain open until filled; preference given to applications received by October 15.

MUSIC CURRICULUM LIBRARIAN. Responsible for the juvenile, curriculum, score,
record, and AV collections of a university library serving 6500 students. Could involve some service responsibility or document or database searching. Opportunity to teach section or required course in use of library resources. Supervision of one clerical position in addition to student assistants. Nights and weekend work expected. Accredited MLS required. BS in education with music background desirable. Experience helpful but not required. Annual salary $14,400+, depending upon qualifications and experience. Excellent fringe benefits. Open immediately. Application, including resume, undergraduate and graduate transcripts, and two letters of recommendation should be sent by November 1, 1984, to: George N. Hartje, Director of Libraries, Pickler Memorial Library, Northeast Missouri State University, Kirksville, MO 63501. An equal opportunity, affirmative action employer.

PERSONNEL LIBRARIAN, Case Western Reserve University Libraries. University Libraries, an ARL member, is composed of Sears and Freiberger Libraries and is the largest unit in the Case Western Reserve University Library System, housing the collections in Humanities and Arts, Social and Behavioral Sciences, Engineering, Science, Management, and Music. The collection contains over 1,500,000 items (bound volumes, government documents, and microforms) and includes over 7,000 current serial subscriptions. The staff includes 33 professionals and 44 non-professionals. The Personnel Librarian, a newly-created position, will, in accordance with established University and Library policies, be responsible for planning, organizing, and coordinating activities related to the recruitment, employment, and staff development and training of all library personnel. Responsibilities will include: recommending and assisting in the development, implementation, and review of
library personnel policies and procedures; developing, coordinating, and evaluating library's staff training and development programs; recruiting and reviewing applicants for librarian and staff positions; directing student employment activities; serving as the library's principal liaison with the University's Human Resource Department, Affirmative Action Office, and Student Employment Office. Required qualifications are an accredited MLS and previous library experience in personnel at an administrative level. Post-graduate work in personnel administration desired. Salary from $18,000 depending on qualifications and experience. Deadline for applications is November 1, 1984. Send application, resume, and names of three references to: Mary DeVocht-Berges, Department of Human Resources, Case Western Reserve University, 10900 Euclid Ave, Cleveland, OH 44106. Case Western Reserve University is an affirmative action, equal opportunity employer.

REFERENCE LIBRARIAN. Reports to the Head, Public Services. Is responsible for general reference work, bibliographic instruction, reference and general collection development and online database searching. Supervision of circulation, interlibrary loan, and/or stack maintenance may be assigned in addition. Qualifications: ALA-accredited master's degree and the ability to perform Dialog searches are required. Post-MLS reference and bibliographic instruction experience in an academic library are preferred. Circulation work experience is highly desirable. Salary range: $18,000-$22,000. Letter of application, resume, and names, addresses and telephone numbers of three current professional references should be sent by October 31, 1984, to: Henry R. Stewart, Director, William Allen White Library, Emporia State University, Emporia, KS 66801. AA/EOE.

Encyclopedia of Information Systems and Services
Sixth Edition • Edited by John Schmittroth, Jr.

Now in two volumes:

INIS, Derwent, AGRIS, INPADOC, Telesystemes, and nearly 1,200 other international and national organizations, systems, and services located in some 70 countries (excluding the U.S.).

Information systems, services, and organizations of international, national, state, or regional scope located in the U.S.
Two-volume set, $325.00.

This massive tool is more than ever the world's leading guide to electronic information systems and services. Its highly detailed entries list and describe nearly 25,000 systems, services, products, and programs. Included are over 400 online services and 3,600 databases, more than in any other source.

Among the organizations covered...
- Publishers...associations...government agencies...private firms...and others that produce databases. The range includes bibliographic...non-bibliographic...online...offline...commercial...government...and private databases.
- Online computer service organizations that can give access to databases in countless fields.
- Consultants...market research firms...associations...and publications that can help you make profitable use of electronic information.
- Videotex/teletext systems...telecommunications networks...library systems...demographic and marketing data firms...document delivery sources...software products...the whole vast range of products and services that make up the dynamic world of information technology.

Detailed entries...
Entries cover: organization and system name, address, and phone...date established...name and title of administrator...staff size...related organizations...detailed description...subject coverage...input sources...holdings and storage media...publications...microform products and services...computer-based products and services...other services (abstracting, consulting, data collection, SDI, research, etc.)...electronic mail network address...and more.

27 indexes speed research...
Easy access is provided by indexes to organization names, subjects, types of services, etc. The Master Index covers all 25,000 organizations, systems, services, databases, software products, and more.
