Classified Advertising

NOTICE

Respondents to advertisers offering faculty "rank" and "status" are advised that these terms are ambiguous and should inquire as to benefits involved. All advertisements for the "Positions Wanted" and the "Positions Open" classifications will be edited to exclude direct or indirect references to race, creed, color, age, and sex as conditions of employment. The American Library Association requires a salary range for all "Positions Open." Classified advertising orders and copy, and cancellations, should be addressed to Miss Kay Tate, Administrative Secretary, Association of College and Research Libraries, American Library Association, 50 E. Huron St., Chicago, IL 60611, and should reach that office the second of the month preceding publication of issue desired. Copy received after that time may be held for the next issue. To insure that readers have sufficient lead time to respond to "Positions Open," advertisers must list closing dates no sooner than the end of the month of publication.

Telephone orders for classified advertising, while not encouraged because of the increased risk of copy error, will be accepted. Calls should be directed to the ACRL at (312) 944-6780. Encirrming order should be mailed to ACRL as soon as possible following the call, along with typewritten copy to be used in proofreading the ad.

Rate for classified advertising is $1.80 per printed line to ACRL members ($0.40 minimum); $2.25 per printed line to non-ACRL members ($0.75 minimum). Individuals who advertise on behalf of organizations will be charged according to the organization's membership status.
