ACADEMIC RESIDENT LIBRARIAN PROGRAM, 2002-2003. Brief Program Description: The University Library, University of Illinois at Chicago (UIC), seeks candidates for its Academic Resident Librarian Program to serve one-year postgraduate appointments in the University Library system. Organizations submitting ads for the October issue of C&RL News will be charged according to their membership status. Display ads range from $470 to $870 based upon size. Please call for sizes and rates. Or see our Web site: http://www.ala.org/acrl/advert2.html.

Guidelines: For ads that list an advertisement deadline, we suggest that date be no sooner than the 20th day of the month in which the notice appears (e.g., October 20 for the October issue). All job announcements should include a salary range per policy of the American Library Association (ALA). Job announcements will be edited to exclude discriminatory references. Applicants should be aware that the terms faculty rank and status vary in meaning among institutions.

Career opportunities from across the country

Deadlines: Orders for regular classified advertisements must reach the ACRL office on or before the second of the month preceding publication of the issue (e.g., September 2 for the October issue). Should this date fall on a weekend or holiday, ads will be accepted on the next business day. Late job listings will be accepted on a space-available basis after the second of the month.

Rates: Classified advertisements are $10.15 per line for institutions that are ACRL members, $12.25 for others. Late job notices are $23.50 per line for institutions that are ACRL members, $28.50 for others. Organizations submitting ads for the October issue will be charged according to their membership status. Display ads range from $470 to $870 based upon size. Please call for sizes and rates. Or see our Web site: http://www.ala.org/acrl/advert2.html.

Guidelines: For ads that list an advertisement deadline, we suggest that date be no sooner than the 20th day of the month in which the notice appears (e.g., October 20 for the October issue). All job announcements should include a salary range per policy of the American Library Association (ALA). Job announcements will be edited to exclude discriminatory references. Applicants should be aware that the terms faculty rank and status vary in meaning among institutions.

Internet: C&RL News classified ads are accessible on the Web at http://www.ala.org/acrl/c&rnwad2.html. Ads will be placed approximately four weeks before the printed edition of C&RL News is published.

Contact: Elise Parker, Classified Advertising Manager, C&RL News Classified Advertising Department, ACRL, American Library Association, 50 E. Huron St., Chicago, IL 60611-2795; (312) 280-2513; fax: (312) 280-7663 or (312) 280-2520; e-mail: c&rnwads@ala.org.

Policy: ALA policy requires that organizations recruiting through ALA publications or placement services comply with ALA anti-discrimination policies. Policy 54.3 states that "ALA is committed to equality of opportunity for all library employees or applicants for employment, regardless of race, color, creed, sex, age, physical or mental handicap, individual life-style, or national origin." By advertising through ALA placements, the organization agrees to comply with this policy.

Salary guide

Listed below are the latest minimum starting salary figures recommended by state library associations for professional library positions. For additional information on librarian salaries, contact ALA Office for Library Personnel Resources.

Connecticut $34,172
Delaware $22,500**
Illinois $30,096*
Indiana variables*
Iowa $23,911
Louisiana $22,000
Maine variables*
Massachusetts $31,362*
New Jersey $33,785
North Carolina $27,641**
Ohio $25,196**
Pennsylvania $28,120*
Rhode Island $29,600
South Carolina variables*
South Dakota $22,000
Texas $30,000
Vermont $26,464
West Virginia $22,000
Wisconsin $32,700

*Rather than establish one statewide salary minimum, some state associations have adopted a formula based on variables such as comparable salaries for public school teachers in each community, or the grade level of a professional librarian post. In these cases, you may wish to contact the state association for minimum salary information.

**These recommendations apply only to public librarians.

Assistant Biology Librarian works with the Biology Librarian to support the informational needs of life scientists. The primary responsibilities of the position are in the area of services, in particular user education and reference. The successful candidate will be responsible for developing, implementing, and evaluating a new user education program in the Biology Library. The Assistant also staffs the Biology Library's Reference Desk in conjunction with other library staff and maintains the Biology Library's Web site (http://www.library.uiuc.edu/bix/). Environment: The University
ASSOCIATE COLLECTIONS CURATOR FOR RARE BOOKS

Getty Research Institute

Reporting to Head of Collection Development, Research Library, develops, manages, and interprets the collections of rare books dating from the 15th to the 21st century; performs intellectual interpretation through exhibitions, original research, publications, and public programs; utilizes scholarly background and expertise in assessing potential acquisitions for their research value, authenticity, and historical condition; makes recommendations for acquisitions, negotiates contracts, and assesses large collections in collaboration with other Collection Curators; responds to reference queries concerning the collections, evaluates items requested for loans by other institutions, and recommends conservation treatments of the rare book collections.

Requirements: Master’s or Ph.D. in art history or MLS and one to two years’ suitable experience with rare book collections; reading knowledge of Latin; reading and conversational skills in French, German, Spanish, or Italian.

Hiring salary starts in the low $40s. Excellent benefits package.

of Illinois Library at Urbana-Champaign is one of the premier research collections in the nation and the world. With more than nine million volumes and a total of 21 million items, it ranks third among academic libraries in the United States and first among public university libraries in the world. As the intellectual heart of the campus, the library is committed to maintaining the strongest collections and services possible and engaging in research and development activities both of which support the university’s mission of teaching, research, and public service. The library currently employs approximately 100 faculty and 500 staff members. For more detailed information, please visit: http://www.library.uiuc.edu. The library consists of more than 40 departmental libraries that are located throughout campus and administratively organized into eight divisions. The Biology Library is located in Burrill Hall and serves the School of Integrative Biology and the School of Molecular and Cellular Biology. The two schools consist of 60 faculty, 1,000 undergraduate students; 275 graduate students; 75 academic professionals, and 50 postdoctoral research associates. For more information, see: http://www.life.uiuc.edu. In addition to this primary clientele, the Biology Library serves the basic life science needs for faculty and students across the campus. The collection consists of over 129,000 volumes and numerous electronic resources and is supported by a collection budget of $660,000. The staff consists of two librarians, four staff members, and 2.5 FTE students. Closely allied libraries include the Agriculture, Consumer, and Environmental (ACES) Library, the Chemistry Library, the Library of the Health Sciences, the Natural History Survey Library, and the Veterinary Medicine Library. Qualifications: Required: MLS degree from an ALA-accredited institution, or its equivalent; background in the life or physical sciences or a demonstrated knowledge of biological literature; experience with and enthusiasm for instruction; experience with creating Web pages; excellent oral and written communication skills; the ability to work well independently and part of a team; the ability to work well with a wide range of users; ability to meet promotion and tenure requirements. Preferred: Undergraduate or advanced degree in the life sciences; one to three years’ professional experience in public services in an academic or special library setting; coursework in or experience with library instruction; experience with science reference and Web site management. Salary and Rank: Salary commensurate with credentials and experience. Rank at the level of Assistant Professor of Library Administration, depending on the qualifications of the candidate selected. Librarians have faculty rank and must demonstrate excellence in librarianship, research, publication, and univ- ersity/professional/community service to meet university standards for tenure and promotion. Terms of Appointment: 12-month appointment; 24 work days’ vacation per year; 11 paid holidays; 12 days’ annual sick leave (cumulative up to a maximum of 240 days) plus an additional 13 days (noncumulative) per year if necessary; health insurance, requiring a small copayment, is provided to employees (coverage for dependents may be purchased); participation in the State Universities Retirement System is required upon appointment (6% of member’s salary is withheld and is tax-exempt until retirement); newly hired university employees are covered by the Medicare portion of Social Security, and are subject to its deduction.

To Apply: Send letter of application and complete résumé with the names, addresses, telephone numbers, and e-mail addresses (where available) of five references to: Cindy Kelly, Head, Library Human Resources, University of Illinois Library at Urbana-Champaign, 1408 W. Gregory Drive, Suite 127, Urbana, IL 61801; phone: (217) 333-8168; e-mail: mckelly@uiuc.edu. Electronic applications are acceptable initially but must be followed by a hard copy with signature. Deadline: To ensure full consideration, applications and nominations must be received by January 11, 2002. The University of Illinois is an Equal Opportunity Employer.

ASSISTANT PROFESSOR/REFERENCE LIBRARIAN. University Libraries seek innovative and dynamic applicants for a tenure-track, assistant professor/reference librarian position. The University Libraries provide its communities of users an ongoing, creative, technologically advanced library program. Primary responsibilities include providing reference service for scheduled hours at the reference/information desk (including some nights and weekends); providing patron access to information using electronic indexes/databases and printed sources; providing library instruction as assigned; maintaining the science reference collection; serving as library liaison to the science departments; and fulfilling other tasks according to individual strengths and experience. Reports to the Reference Services Coordinator. Required: Master’s degree from an ALA-accredited program; experience in information access/research skills primarily in use of electronically accessible database systems; participation in activities related to the criteria for promotion and tenure; excellent communication and interpersonal skills; strong service orientation; and an ability and willingness to work as a team member in an evolving library and university environment. Preferred: Advanced degrees in the sciences; familiarity with science reference resources. Excellent benefits package. Faculty rank, privileges, and responsibilities; 12-month appointment. Rank/Salary: Assistant Pro-

C&RL News ■ January 2002 / 55
TWO POSITIONS AVAILABLE

Central Missouri State University

Library Development Officer and Instructor of Library Services
Position # 51754. Non-tenure-track faculty position.

Responsible for the planning, coordinating, and implementing of fundraising activities, to include identifying, cultivating, soliciting, and tracking fundraising prospects and preparing grant proposals for Library Services. Serve as a liaison with the university development office. Work with the Friends of the Library to increase the membership and development potential of the Friends through programs, mailings, events, individual contacts, and special projects. Coordinate with appropriate staff to prepare and produce printed and electronic publications such as brochures, mailings, press releases, and Web pages in support of Library Services fundraising efforts.

SKILLS NEEDED

Broad knowledge of librarianship and proven skills in the area of university development; broad knowledge of the principles and practices of major gift fundraising, preferably in a university setting; understanding of capital and endowment fund development, and general understanding of planned giving; skill at gift negotiation, gift solicitation, and proven skill in goal achievement; an understanding of the environment of a public university and university libraries; an understanding of volunteer groups and appropriate operations and events; willingness to accept responsibilities and assignments and to handle them thoroughly; high level of initiative, creativity, and energy and the ability to work independently; excellent oral, written, presentational, and interpersonal communication skills; strong professional ethics, discretion, and judgment.

A master's degree in Library Science is preferred but other master's degrees will be considered. This is a 12-month position. Reports to Dean of Library Services.

Assistant Professor/Instructor of Library Science
Position #s 51722–LIS and 51738–MSLIT.

This tenure-track position includes teaching graduate courses to prepare school librarians and other information specialists for leadership roles in the information professions and conducting research in the area of library media and/or library information technology. Courses taught may include: Management and administration of information agencies, information and society, Web site management, introduction to electronic information resources, legal and ethical issues of information, creating Web-based resources, administration of the library media center, selection and acquisition of materials, integration and utilization of library materials into the curriculum, and information technologies for library media centers. Minimum requirements for appointment at the Assistant Professor level include a completed doctorate (ABD considered) in library science, educational technology, information science, or related field in addition to an MLS or equivalent; a record of successful teaching or school library experience at the elementary or secondary level; and knowledge of current trends in school library media programs and technology.

Appointment at the Instructor level is a non-tenure-track position. Teaching faculty have a nine-month contract with additional compensation for summer teaching.

Central Missouri State University (www.cmsu.edu) is located in Warrensburg, Missouri, approximately 50 miles southeast of Kansas City, and provides the opportunity for urban, suburban, or small-city living. The work environment is a three-year-old, $30,000,000 library facility, the James C. Kirkpatrick Library (http://library.cmsu.edu/). Salary commensurate with education and experience.

TO APPLY:

Send a letter of application (include position number), résumé, graduate transcripts, and the names, addresses, and telephone numbers of three references to:

Pal V. Rao
Dean of Library Services
Central Missouri State University
Warrensburg, MO 64093

Screening begins March 1, 2002, and continues until filled.

Women and minorities are encouraged to apply.

AA/EE/ADA.
**ASSOCIATE UNIVERSITY LIBRARIAN**

California State University, Los Angeles

Applications and nominations are invited for this position, with an anticipated starting date of July 1, 2002. California State University, Los Angeles, is one of 23 campuses of the California State University system. The university is located near the cosmopolitan center of Los Angeles. The university has an urban student body of 21,000, which has the distinction of being the most diverse in the nation, and approximately 600 faculty. As the senior administrator reporting to the University Librarian, the Associate University Librarian (AUL) coordinates major aspects of internal operations in a collaborative environment and oversees the activities of the library faculty. The AUL participates in strategic planning, development activities, program evaluation, and cooperative library programs.

**REQUIREMENTS**
- MLS degree from an ALA-accredited program;
- Strong and innovative record of scholarly professional achievement;
- Significant and successful senior library administrative experience in a university or research library;
- Strong leadership ability in a collegial environment;
- Strong working knowledge of new technologies and their applications to libraries;
- Strong commitment to excellence in library services;
- Ability to promote library services to students and faculty;
- Excellent interpersonal, oral, and written communication skills;
- Ability to interact effectively with diverse cultural and ethnic groups.

Salary for this Administrator III position is commensurate with experience and qualifications. All rights and benefits associated with this appointment are governed by the Management Personnel Plan.

**APPLICATION:** To apply, send a letter of application, curriculum vitae, three letters of recommendation, and a transcript from the institution awarding the highest degree. Review of applications will begin **March 1, 2002,** and continue until the position is filled. Application, required documentation, and/or request for information should be addressed to:

Douglas A. Davis, University Librarian
John F. Kennedy Memorial Library, #A01210
California State University, Los Angeles
5151 State University Drive
Los Angeles, CA 90032-8534

www.calstatela.edu/library

Equal opportunity/Title IX/ADA employer.

Qualified women and minorities are encouraged to apply.

lessor: $32,000-$34,000, depending on qualifications and experience. Submit application, résumé, and the names, addresses, telephone numbers, and e-mail addresses of three professional references to: Debra Fairbrother, Administrative Assistant to the Dean, Mississippi State University Libraries, P.O. Box 5408, Mississippi State, MS 39762. Applications accepted through December 7, 2001, or until suitable applicant is found. Mississippi State University is an equal opportunity, affirmative action employer.

**BLUES CURATOR.** Responsibilities: Responsible for supervising, organizing, and maintaining the University’s outstanding multiformat blues collections, including archival and photographic materials. Provides both traditional and virtual services to university students and faculty and to blues scholars around the world. Maintains and preserves blues materials in multiple formats in accordance with library and archival practices. Creates and maintains access policies in accordance with copyright, license, and donor agreements. Assists in defining collection scope and in multiple formats in accordance with library and archival practices.

Salary: $34,000. Application Deadline: Until filled or until an adequate applicant pool is reached. Applicants should send a letter of application, résumé, and name, address, telephone, and e-mail of three references to: Dean’s Office, J.D. Williams Library, P.O. Box 1848, University of Mississippi, University, MS 38677-1848. The University of Mississippi is an EEO/AA/Title V/Title IX/Section 504/ADA/ADEA employer.

**BUSINESS REFERENCE LIBRARIAN.** The University of Alabama Libraries seeks a Business Reference Librarian to participate in the delivery of quality business library services to the rapidly growing, nationally recognized Culverhouse College of Commerce and Business Administration. New library, computer center, and classroom facilities enhance the opportunity for innovative uses of information technology for information service and instruction. The environment of the Angelo Bruno Business Library offers opportunities for developing and expanding professional skills. Responsibilities: The librarian in this position will provide business information services, including reference, individual and small-group consultation, and instruction to students and faculty in the Culverhouse College of Commerce and Business Administration and the general...
UNIVERSITY LIBRARIAN  
Eastern Michigan University

Eastern Michigan University invites nominations and applications for the position of University Librarian.

SETTING: Eastern Michigan University is a comprehensive university enrolling over 24,000 students, including 5,000 at the graduate level. Currently the University offers the Ed.D. in Educational Leadership and the Ph.D. in Clinical Psychology, with plans for additional doctoral programs. Located in the Ypsilanti-Ann Arbor area of southeastern Michigan, faculty and students enjoy a diverse and rich cultural and community setting, with easy access to metropolitan areas of Detroit, Toledo, and Chicago. The Bruce T. Halle Library, opened in 1998, is a state-of-the-art teaching-learning center with 280,000 square feet including 300,000 open-shelved books, 800,000 volumes in an automated storage and retrieval system, an auditorium, cafe, multiple electronic classrooms, 1,250 network ports, and much more. Halle Library’s staff includes 26 faculty librarians and 42 technical and support staff.

RESPONSIBILITIES: As chief administrative and fiscal officer for the library, the University Librarian provides leadership in strategic planning, program of services, collection management and the development, implementation and direction of all library services. As chief academic officer for the library, the University Librarian serves as head of the library faculty, fostering collegiality and administering appointment, tenure, and promotion. As chief advocate for the library, the University Librarian represents the Library on the Dean’s Council and actively participates in development and public relations efforts. The successful candidate will be an experienced, dynamic, and creative leader committed to developing excellent library collections and delivering outstanding services to meet the needs of our community of learners.

QUALIFICATIONS: Candidates must have a master’s degree in Library & Information Sciences (ALA accredited); earned doctorate is preferred. Also required are seven years of experience with library technology, including five years of administration experience at an Assistant or Associate Director/Dean level or equivalent. Demonstrated knowledge of the professional responsibilities generally associated with faculty working in a variety of positions in a university library setting is required. Evidence of knowledge and experience in library/information services administration, program design/development and budgeting as well as knowledge of the professional responsibilities generally associated with faculty working in a variety of positions in a university library setting is required. Evidence of knowledge and experience in library/information services administration, program design/development and budgeting as well as experience in recruitment, development, and evaluation of library faculty and staff are necessary. Credentials necessary to qualify for appointment at rank of full professor including a record of professional publications are desirable. An understanding of collective bargaining and experience with grant writing/fundraising are preferred.

SALARY: Salary commensurate with education and experience, with excellent benefits.

APPLICATION: Consideration of applications will begin immediately and continue until an appointment is made. Applicants should submit a letter describing their relevant qualifications and administrative experience, a detailed curriculum vitae, and three letters of reference to:

Posting #APAA 0207  
Eastern Michigan University  
202 Boone Hall  
Ypsilanti, MI 48197

Eastern Michigan University is an affirmative action, equal opportunity employer and strongly encourages women and members of minority groups to consider this opportunity.
THREE POSITIONS AVAILABLE

Florida State University

The Florida State University (FSU) Libraries invite applications from innovative professionals to fill three exciting career-track openings at various levels of appointment. The FSU Libraries is an ARL library with holdings of more than 2.5 million volumes, 15,000 print journal titles, access to a wide variety of electronic journals, and a considerable number of other networked electronic resources. The university, with a student population of over 35,000, is located in the beautiful city of Tallahassee, Florida’s capital city and a growing community. Maintaining and strengthening the university as one of the top research universities in the southeast is a university priority. For complete details for each position, please consult the library’s Web site at: http://www.fsu.edu/~library/jobs/.

Electronic Resources Coordinator, Position #53199
Assistant-Associate Librarian. Appointment Range: $35,659–$41,594

QUALIFICATIONS: ALA-accredited MLS degree; three to five years of relevant professional experience in acquisitions and/or electronic resources; knowledge of current standards and practices in acquisitions of electronic resources; demonstrated management and leadership skills and evidence of ability to interact collaboratively with diverse agencies and departments and with faculty and students; understanding of various units and operations in an environment focusing on user service; excellent interpersonal skills; ability to communicate clearly, knowledgeably, personably, orally, and in writing.

Head, Bibliographic Access, Position #53222

QUALIFICATIONS: ALA-accredited MLS; five years of cataloging experience with at least three years’ post-MLS experience cataloging materials of various types and formats in a medium to large academic library; minimum three years’ supervising a cataloging unit or project; minimum two years with original cataloging experience; experience with a bibliographic utility, preferably OCLC, using LC classification system and subject headings; experience with cooperative cataloging ventures such as NACO, BIBCO, and/or CONSER strongly preferred.

Monographic Resources Coordinator, Position #53218
Assistant-Associate Librarian. Appointment Range: $32,500–$37,000

QUALIFICATIONS: ALA-accredited MLS degree; three years’ relevant professional experience in an academic library; knowledge of current standards and practices associated with the acquisition of informational resources; working knowledge of standard office software packages; experience working with an integrated Library Management System, bibliographic records, and OCLC; demonstrated management and leadership skills and evidence of ability to interact collaboratively with diverse agencies, departments, faculty, and students; strong commitment to public service and outreach; ability to set goals and meet deadlines; excellent interpersonal skills; ability to communicate clearly, knowledgeably, and personably.

Professional librarians at FSU are academic appointees who are entitled to a comprehensive benefits package. The application period for the position closes on February 18, 2002. Those wishing to be considered for any of the above positions, please submit an application letter including a complete statement of qualifications, a full résumé of education and relevant experience, and a list of three professional references to:

Pamela Byrd
Administrative Services Coordinator
Robert Manning Strozier Library
Florida State University
Tallahassee, FL 32306

FSU is an equal opportunity, affirmative action, ADA-compliant employer. An exclusive bargaining agent, the United Faculty of Florida, represent librarians at FSU. Under federal law, FSU may employ only individuals who are legally authorized to work in the United States as established by providing documents specified in the Immigration Reform and Control Act of 1986.

500 Salisbury Street  
Worcester, MA 01609-1296  
E-mail: resumes@assumption.edu

Review of applications will begin January 14, 2002. Interviews will be scheduled during ALA Mid-Winter.

Assumption College encourages applications from candidates of diverse cultural backgrounds.  
Equal opportunity employer.
DIGITAL INFORMATION SERVICES LIBRARIAN
Oakland University

The Oakland University Library is seeking a motivated, service-oriented, and technologically proficient librarian to fill a new position created to extend our Web presence in reference, library instruction, and other digital services. The library has a highly collaborative environment where excellence in job performance, scholarship, and service are valued. We encourage recent graduates as well as experienced librarians with interests in these areas to apply.

PRIMARY RESPONSIBILITIES: The successful candidate will work with the Information Literacy Group on Web-based instruction projects to further the integration of technology into library instruction; assist the Reference Group in exploring and introducing innovative Web-based services such as real-time/interactive virtual reference; participate with the Web Team in developing the content and graphic design of the library’s Web site and in providing support for other library Web content producers; aid in the planning and implementation of other electronic initiatives including Web-based marketing and communications. Duties will also include reference, instruction, and additional responsibilities based upon the library’s needs and the successful candidate’s qualifications and interests. This is a tenure-track position which also requires the fulfillment of scholarship and service requirements for tenure and promotion.

REQUIRED QUALIFICATIONS: ALA-accredited MLS degree; and the following as evidenced by coursework, previous work experience, professional development, or extracurricular activities: Understanding and enthusiasm for the role and potential of technology for the design and delivery of services and resources; strong interest in providing reference and instruction services using multiple delivery methods and in improving teaching/learning through technology; knowledge of current and emerging technologies in digital and Web-based library services; demonstrated proficiency in Web page development and in the use of Web-authoring tools and HTML; familiarity with scripts such as Perl and Java; ability to plan, initiate, and implement effective programs, projects, or services; effective oral, written, and interpersonal communication skills; ability to work independently and as part of a team, and to work with diverse faculty, staff, and students; evidence of flexibility, enthusiasm, and collegiality; potential to meet library’s requirements for promotion and tenure.

DESIRED QUALIFICATIONS: Previous teaching, reference, and Web design experience in an academic library; experience with database-driven design and metadata standards; scholarly publications; participation in professional organizations.

RANK, SALARY, BENEFITS: Tenure-track, eight-month academic year, bargaining-unit faculty appointment. Tenure dependent upon job performance, scholarship, and service. Assistant or Associate Professor rank. Professorial rank and salary determined by credentials and experience, with a minimum salary of $35,000. Excellent fringe benefits program including TIAA-CREF and Fidelity retirement plans.

GENERAL INFORMATION: Oakland University is a comprehensive, state-supported institution of approximately 15,000 students that offers a diverse set of academic programs at the baccalaureate, master’s, and doctoral levels. The university is located 30 miles north of Detroit on a wooded and attractive 1,500 acre campus. For more information, see the Oakland University Library Web site (http://www.kl.oakland.edu).

APPLICATIONS: Send letter of application, résumé, and names, addresses, telephone numbers, and e-mail addresses of three current professional references to:

Elaine K. Didier
Dean, Librarian Search Committee
Kresge Library
Oakland University
Rochester, MI 48309-4484

E-mail inquiries to Mildred Merz, Chair of Search Committee, at: merz@oakland.edu; or fax to: (248) 370-2474. Review of applications will begin on February 15, 2002, and continue until the position is filled.

Oakland is an affirmative action, equal opportunity employer and encourages applications from women and minorities.
UNIVERSITY OF DENVER

TWO POSITIONS AVAILABLE
University of Denver

The Penrose Library is seeking applications for two non-tenure-track positions:

Serials/Electronic Resources Librarian

RESPONSIBILITIES
Reports to the Dean and Director of Penrose Library. Plan, coordinate, and direct cataloging and processing activities in the serials unit of a medium-sized academic library. Hire, train, and supervise 4.5 FTE. Catalog serials in electronic, print, and microform formats using OCLC and Innopac/Millennium. Maintain serial records on library's Innopac/Millennium system and coordinate electronic licensing procedures and policies for e-serials. As facilitator of the Serials Team, serve on Policy Council, and participate in developing cataloging policy and procedures as a member of the Catalog Management Group.

CHIEF PUBLIC SERVICES LIBRARIAN. The Peru State College
Library invites applications from service-oriented, energetic, experienced
librarians prepared for a significant, challenging responsibility. Primary
duties include planning and implementing user-services initiatives, sup­
porting an active information-literacy program with strong electronic
resources emphasis for on-campus and extended-learning students and
faculty, supervising and providing reference and circulation services and
activities, providing budget and planning expertise, and serving on college
and professional committees. The successful candidate should foster
teamwork, possess creative problem-solving skills, have strong organi­
zational and analytical abilities, and engage in professional-service activi­
ties. Peru State College is opening a new library in early 2003. Candidates
must have an MLS from an ALA-accredited program and three or more
years of substantial professional and public service responsibility, prefer­
ably in an academic library. Web page management and subject collection
development experience desirable. This is a full-time, year-round profes­ional
staff position. Salary Minimum: High 30s. (Candidates with lesser
experience will be considered for Public Services Librarian at a salary
level from $32,403. Evidence of potential for promotion to Chief position
expected.) Start date is negotiable. Review of applications will begin

C&RL News ■ January 2002 / 63
Texas Woman's University seeks an experienced librarian to provide leadership at its main library in Denton and three other sites in Dallas and Houston. Candidates for this position must possess an MLS from an ALA-accredited program and have a minimum of five years of successful, varied, and progressively responsible and recent administrative experience in an academic research library setting. An additional master's degree and/or a doctoral degree is highly desirable, and candidates with the following qualifications will be given preference: Strong interpersonal and communication skills, the ability to articulate a vision for the library, experience managing complex budgets, demonstrated success in fundraising and grant activities, highly developed analytical and problem-solving abilities, and demonstrated commitment to affirmative action, equal opportunity, and diversity. A preferred appointment date is June 1, 2002. Salary is competitive and commensurate with experience.

Interested candidates should forward a letter addressing their qualifications along with a two- to five-page statement of their understanding of the mission and goals of the library for the contemporary research university. Enclose a résumé, and a list of names, addresses, telephone numbers, and e-mail contact information for three to five professional references. Review of applications will begin February 1, 2002, and applications will be accepted until the position is filled. Applications will be held in confidence until candidates are invited to interview. Texas Woman's University is an equal opportunity, affirmative action institution and encourages nominations of and applications from minorities and other underrepresented groups. Address applications, nominations, and all other correspondence to:

Carolyn Rozier
P.O. Box 425617
Denton, TX 76024

For additional information about the university, the library, and this position, see: www.tvu.edu/library.
DEAN OF LIBRARY SERVICES
The University of New Mexico

The University of New Mexico (UNM) seeks an innovative and dynamic leader for its next Dean of Library Services. Located in Albuquerque, the largest city in New Mexico and one of the fastest growing in the Southwest, UNM is a Carnegie Doctoral/Research-Extensive University and a DoEd Minority public university. UNM is the largest university in the state and serves a diverse student population with more than 30,000 students on five campuses. UNM offers nationally ranked academic programs, and exceptional research opportunities and supports a vibrant fine arts program on an architecturally unique campus.

The UNM General Library, which is the state's primary academic and research facility, is a member of the Association of Research Libraries, the AMIGOS Bibliographic Council, the Greater Western Library Alliance, and the New Mexico Consortium of Academic Libraries. It has a collection of over 2,000,000 volumes. The UNM General Library encompasses Zimmerman Library (the main library and the education, social sciences, and humanities library), Centennial Science and Engineering Library, Parish Memorial Library (business and economics), the Fine Arts Library, the Center for Southwest Research, the newly established Division of Iberian and Latin American Resources and Services and currently also houses the Center for Academic Program Support, the Center for Regional Studies, and the Spanish Colonial Research Center. The staff consists of 38 librarians who hold faculty rank as well as 126 support staff and 134 student assistants. The Law Library, the Health Sciences Library, and the branch campus libraries are administratively separate organizations.

The Dean of Library Services reports to the Provost and Vice President for Academic Affairs and is a member of the Council of Deans. The Dean is responsible for the management of all aspects of the General Library’s programs, resources, and services and is also responsible for development, outreach, fiscal management, and personnel.

MINIMUM QUALIFICATIONS
Appropriate professional degree; scholarship and service credentials meriting tenure at the rank of Professor; evidence of outstanding leadership ability and a minimum of five years’ senior administrative experience in an academic or major research library (ARL experience preferred).

DESIRED QUALIFICATIONS
A Ph.D. or other advanced degree; critical understanding of current issues and developments in scholarly publishing; experience with the provision of enhanced services utilizing traditional and technology-based modes of delivery and access; experience with long-term comprehensive planning; experience in fiscal management, human resources planning and management, and performance and outcomes assessment for libraries; knowledge of the academic environment and the role of libraries in support of teaching, learning, and scholarship; knowledge of curriculum integrated information literacy programming; a record of successful fundraising and grant awards; a record of commitment to equal opportunity and the recruitment, retention, and professional development of a culturally diverse faculty and staff; policy-level knowledge of information technology applications in academic libraries, such as distance education and information commons projects.

The University of New Mexico actively seeks and encourages nominations of and applications from individuals who are members of underrepresented groups. For information regarding the confidentiality of inquiries and applications, call or write to the address listed below. A complete application consists of a signed letter that expresses interest in and describes qualifications for the position, curriculum vitae, and the names and contact information of five professional references. For best consideration, applications should be received by January 11, 2002. However, applications will be accepted until the position is filled. Nominations and applications should be submitted to:

Dean of General Library Search
Attention: Diane Maresco
Scholes Hall 226
University of New Mexico
Albuquerque, NM 87131

The University of New Mexico is an equal opportunity, affirmative action employer and educator.
INSTRUCTIONAL SERVICES LIBRARIAN
Pace University

Pace University's Edward & Doris Mortola Library (http://library.pace.edu) on the Pleasantville, New York, campus invites applications for the following full-time professional librarian opening, available immediately:

Instructional Services Librarian

As part of the Instructional Services Team, the successful candidate will participate in an intensive and challenging instruction and outreach program that emphasizes the integration of digital and print resources, promotes inquiry, critical thinking, and problem-solving skills, and fosters the development of autonomous lifelong learners.

MAJOR DUTIES
Conduct class lectures, workshops, and tutorials in a variety of settings, including state-of-the-art electronic classroom; develop instructional and training materials in print, interactive Web-based, and multimedia formats; assist with delivery of library services and information literacy instruction to offsite users; provide pedagogical and technical support for the effective use of instructional technology; and perform all aspects of print-based and digital reference services, including shared reference desk coverage, database searching, research consultation, collection development, Web page content development, faculty liaison duties, and committee and task force assignments. Work occasional evening and weekend shifts and shuttle between Westchester locations as necessary.

REQUIREMENTS
Accredited MLS degree; minimum one to two years of academic library reference and/or library instructional or classroom teaching background; technical proficiency in the use of desktop presentation software and Web site editing and management tools; familiarity with information literacy concepts and programs and outcomes assessment techniques highly desirable; strong user-centered service philosophy and commitment to team-based management; dynamic, energetic, highly self-motivated individual with excellent communications and interpersonal skills.

STARTING SALARY
Mid-$40s, commensurate with experience, and a comprehensive benefits package. Please e-mail: westjobs@pace.edu; or send cover letter and résumé to:

Connie Giamei, HR Services
Costello House
Pace University
861 Bedford Road
Pleasantville, NY 10570

Affirmative action, equal opportunity employer.
Wake Forest University invites applications and nominations for a Reference Librarian-Science.

The Science Reference Librarian is a key member of the Information Services Team at the Z. Smith Reynolds Library and serves as the subject specialist librarian for the sciences and mathematics in the Undergraduate College and in the Graduate School of Arts and Sciences.

This position provides reference and research assistance to groups and individuals using traditional and electronic formats; shares reference desk responsibility, including evening and weekend rotations, with six other professionals; provides user instruction for students and faculty; develops appropriate instructional materials; serves as library's liaison with faculty of undergraduate and graduate sciences; selects library materials to support undergraduate and graduate sciences of biology, chemistry, physics, and mathematics; provides computer training for incoming students and faculty; serves on library and university committees.

REQUIRED QUALIFICATIONS
Bachelor's degree in science; MLS from an ALA-accredited program; demonstrated knowledge of research and reference materials in the sciences; proficiency in the use of electronic databases and Web-based information delivery; demonstrable skill in library instruction; commitment to information literacy; excellent communication, interpersonal, organizational, analytical, and problem-solving skills; strong customer service orientation; ability to work successfully in a team environment; experience with automated library systems, standard Windows, and Internet applications.

ADDITIONAL QUALIFICATIONS DESIRED
Master's degree in one of the sciences; academic library experience with science emphasis or equivalent corporate experience in science. An equivalent combination of education and experience may be considered, including an advanced degree in science with a commitment to obtain the MLS.

COMPENSATION
This 12-month, professional position carries excellent benefits including tuition concession. Salary is commensurate with experience and qualifications, starting at $35,000.

Wake Forest University is a private, liberal arts university located in beautiful Winston-Salem, North Carolina, a short drive from the Blue Ridge Mountains and four hours from the Atlantic coast beaches. Consistently ranked among the nation's best schools, Wake Forest offers a values-based education distinguished by small classes, faculty-student interaction, and a commitment to the student's personal as well as intellectual growth. The University includes the Undergraduate College, Graduate School of Arts and Sciences, Babcock Graduate School of Business, School of Law, and School of Medicine.

The Z. Smith Reynolds Library enjoys strong support with an operating budget over $5 million. Over one million volumes are housed in the fully automated library. A collegial organizational structure assures that the library is flexible and proactive in serving users in a changing technological environment. The library plays a lead role in the development and delivery of computer/information technology training on campus. As all of our undergraduates receive IBM laptops with standard and special software, this is a large responsibility.

Review of applications will begin immediately and continue until the position is filled. Applications received before March 31, 2002, will be given first consideration.

Harvard College Library

HEAD OF GOVERNMENT DOCUMENTS & MICROFORMS &
HEAD OF REFERENCE & INSTRUCTIONAL SERVICES

Harvard College Library is seeking a creative and innovative manager, tolerant of ambiguity, who likes to work with other creative and innovative managers, to participate in the ongoing evolution of the Social Sciences Program.

The Social Sciences Program (SSP) of the Harvard College Library (HCL) was organized to coordinate and consolidate collections and services in support of the social sciences. The program, still evolving, includes at this time, five functional units in four locations: an economics and political science library, numeric data services, a government documents and microforms library, a maps library, and an environmental information center. Harvard College Library is seeking a Librarian to manage the government documents and microforms unit, to lead in the development of a coordinated social science reference and instruction program, and to help define a broad vision of library services to the social sciences.

Reporting to the Librarian for the Social Sciences, the Head of Reference & Instructional Services provides overall responsibility for the Government Documents and Microforms unit. Responsible for supervising reference and microform machine help services with staff of 6 full-time professional staff and 4 full-time support staff, will also supervise collection development of the Government Documents collection. Develop a program of reference and instruction for the Social Sciences, coordinating units of the Social Sciences Program (SSP) and serve as liaison to Widener Library Research and Instructional Services, Lamont and Hilles libraries and other Harvard University Libraries concerned with the Social Sciences. Contribute to and participate in the management of the Social Sciences Program.

Qualifications: Master of Library Science degree from an ALA accredited institution or equivalent required. Undergraduate degree in the social sciences desirable with a graduate degree in a social science program preferred. Minimum of five years' experience working in public services with social sciences resources and/or government documents in a research library required. Demonstrated effective supervisory experience and strong interpersonal and communication skills required with a user centered service orientation.

Compensation: Harvard University offers a competitive program of benefits. Appointment salary is dependent on qualifications and experience.

Available: Immediately. The Review of applications will begin immediately and continue until the position is filled. Interested parties are invited to submit a letter of application addressing position qualifications with a resume and with the names, addresses, telephone and fax numbers of three references to:

Three Positions Available

University of Colorado at Boulder

The University Libraries invites applications from innovative professionals seeking a challenging work environment in which to strategically explore the interplay of librarianship, scholarship, and professional service. All positions are tenure-track faculty positions reporting to the Head of Central Reference. The Central Reference Department provides general reference and instructional services and specializes in services and collections for the social sciences and humanities. Significant parts of the responsibilities of all positions are research and creative work and service in keeping with the tenure standards of the University of Colorado at Boulder.

Reference/Instruction Librarian:
 Undergraduate Instruction Specialist

Starting salary range: $33,000-37,000

This position takes a leadership role in the development of course-integrated instruction for undergraduates, curriculum design, and day-to-day coordination of the department's instructional programs, particularly for the campus-wide Program for Writing and Rhetoric and related undergraduate programs. Additional responsibilities of the position include collection development and fund management in support of the research needs of campus undergraduates.

Requirements: Master's degree from an ALA-accredited library school by June 2002; experience and/or coursework demonstrating a commitment to teaching and the library's instructional role in undergraduate education; coursework and/or experience in curriculum design and instructional content development; demonstrated ability to work in a team environment; strong interpersonal skills; effective oral and written communication skills; demonstrated potential for research, scholarly work, and/or professional achievement at the national level. Desirable Qualifications: One or more years of experience providing traditional and electronic library services to undergraduates; classroom teaching experience; experience using web-based courseware (e.g., WebCT, Blackboard) and web application software (Photoshop, Flash, Dreamweaver, etc.); academic background in education or related field; participation in ACRL Institute for Information Literacy Immersion Program.

Social Sciences Reference/Instruction Librarian:
 Instructional Technology Specialist

Starting salary range: $33,000-37,000

This position takes a leadership role in the design and development of interactive online learning environments to support the department's instructional programs and plays a pivotal role in providing the technical foundations for the department's use of web application software (Photoshop, Flash, Shockwave, Dreamweaver, WebCT, etc.) for educational initiatives. Additional responsibilities of this position include collection development and fund management for selected social science disciplines, including sociology.

Requirements: Master's degree from an ALA-accredited library school by June 2002; experience and/or coursework demonstrating a commitment to the library's instructional role in undergraduate education; demonstrated ability to work in a team environment; experience using online courseware (e.g., WebCT, Blackboard) and web application software (Photoshop, Flash, Dreamweaver, etc.); interest in the development of new services and collections for the social sciences; strong interpersonal skills

(continued on next page)
and public service orientation; effective oral and written communication skills; demonstrated potential for research, scholarly work, and/or professional achievement at the national level. **Desirable Qualifications:** One or more years of experience providing reference and instruction in an academic library; coursework and/or experience in instructional content development and classroom teaching; demonstrated knowledge of creative applications of information technologies for educational purposes; familiarity with web scripting languages; working knowledge of digital audio and video technologies; academic background or demonstrated scholarly interest in the social sciences.

**Humanities Reference/Instruction Librarian:**

**Spanish Language Specialist**

Starting salary range: $33,000–39,000

This position participates in the design and implementation of instructional programs, reference and information services, and special initiatives and projects. Additional responsibilities of the position include developing and managing general and special collections in all formats in support of the research and teaching needs of the Department of Spanish and Portuguese. Additional collection development responsibilities in related humanities areas may also be possible.

**Requirements:** Master's degree from an ALA-accredited library school by June 2002; effective oral and written communication skills in both Spanish and English; coursework and/or experience in teaching and instructional services; experience with Internet technologies and their applications to reference and instructional services in the humanities; strong interpersonal skills; demonstrated ability to work in a team environment; potential for research, scholarly work, and/or professional achievement at the national level. **Desirable Qualifications:** Academic background or demonstrated scholarly interest in Spanish and/or Latin American literatures, cultures, or related areas; experience in providing traditional and electronic library services to students and scholars in the humanities; experience with classroom teaching for undergraduates; experience in providing reference services in an academic library; experience with the development of digital services or collections.

**FOR ALL APPOINTMENTS:** A successful candidate with demonstrated accomplishments in research and creative work will be appointed as a full-time (12 month) assistant professor on tenure track. A successful candidate with promise in research but lacking an established scholarly record will be appointed as a senior instructor (non-tenure track) for two years, with promotion to the tenure track and the rank of assistant professor upon a successful review. Benefits include 22 working days vacation; 10 paid holidays; liberal sick leave; University group health care plan; group life insurance; TIAA/CREF retirement/annuity; and support for scholarly/professional activities. Tenured librarians are eligible for sabbatical leave.

**APPLICATION PROCEDURE:** Review of applications and nominations will begin immediately and continue until the positions are filled. It is suggested that applications be on file with the committee by February 15, 2002. Send letter of application (indicate exact title of position) that addresses professional qualifications; resume; and names, addresses, and telephone numbers of three references to Scott Seaman, Associate Director for Administrative Services, University Libraries, 184 UCB, University of Colorado at Boulder, Boulder, CO 80309-0184.

The University of Colorado is an equal opportunity/nondiscrimination institution.
information science. The Brooklyn campus is located within easy access
of Manhattan. It enrolls more than 10,000 students pursuing undergraduate
and graduate degrees in the various colleges: Arts and Science, Pharmacy
and Health Sciences, Education, Health Professions, Nursing, Business,
and Public Administration. The library, with a staff of 39, including 19
librarians, houses 253,000 volumes, 1,700 periodical subscriptions, and a
collection of 8,000 audiovisual resources. It provides 55 bibliographic
databases for end-user searching. LIU is an equal opportunity, affirmative
action employer.

PUBLIC SERVICE/EDUCATION LIAISON. Mercer University, At-
tlanta, is accepting applications from an energetic and creative librarian to
serve as its Public Service/Education Liaison. Responsibilities include
serving as liaison to the graduate program in the Tift College of Education,
providing reference services, bibliographic instruction, and collection
development. Qualifications Required: ALA-accredited MLS. Preferred:
MEd or undergraduate degree in Education, some experience in an
academic or education library. Evening and weekend hours are required.
This is a 12-month faculty position. Salary is commensurate with educa-
tion and experience. Résumé with cover letter addressing qualifications,
as well as names and addresses of three references, should be sent to:
Lynette Ralph, Chair, Search Committee, Monroe F. Swilley, Jr. Library,
3001 Mercer University Drive, Atlanta, GA 30341. Mercer University
is an AA/EOE/ADA employer. Women and minorities are en-
couraged to apply.

PUBLIC SERVICES LIBRARIAN. The Ron E. Lewis Library at Lamar
State College-Orange seeks a professional librarian responsible for
developing and interpreting information resources in a highly automated
diverse community college environment. Requires a master's degree
William Paterson University

David and Lorraine Cheng Library:
Assistant Director for Collections and Resource Management

The Cheng Library of William Paterson University seeks a creative, experienced and goal-oriented librarian to be part of the management and planning team in a dynamic, state-of-the-art library. Reporting to the Director of Library Services, the Assistant Director has direct responsibility for collection development activities and overall supervisory responsibility for a fully automated technical services unit, which includes acquisitions, cataloging and processing, serials and document delivery. Collection development duties include setting collection policies, developing and monitoring fund allocations, coordinating the selector/liaison program and collection assessment. Overall supervisory responsibilities for the unit include providing leadership in planning, implementing and evaluating departmental operations and services, and setting goals and developing initiatives in the resource management areas. Other responsibilities include staff development, participation in the user education program and coordination of services with OCLC and PALINET.

REQUIRED QUALIFICATIONS: ALA-accredited MLS and five years professional library experience in progressively more responsible positions; second masters degree or ABD status or an additional five years experience or the equivalent combination of education and experience. Experience in collection development and in either cataloging, serials or acquisitions; three years administrative experience, including supervisory experience with library professional and support staff, preferably in an academic library. Demonstrated knowledge of online integrated library systems (preferably DRA), bibliographic utilities and experience with budget management. Outstanding analytic and problem solving skills for initiating plans and carrying out projects. Evidence of strong communication and organizational skills, and the ability to work with all personnel in a collaborative environment.

This is a 12-month, tenure track appointment; second master’s degree or ABD required for tenure. This position offers a comprehensive benefits package including tuition waiver for dependent children after one year of full-time employment. Applications will be accepted until position is filled. Please forward letter of application, resume and names and contact information for three references to: Dr. Anne Ciliberti, Director of Library Services, Cheng Library, William Paterson University, 300 Pompton Road, Wayne, NJ 07470. William Paterson University is an equal opportunity institution committed to diversity.

David and Lorraine Cheng Library: Systems Specialist

Reporting to the Library Information Systems Librarian, the Systems Specialist provides support for the Library’s DRA system, the Library’s Webpage, electronic resources and databases developed in-house. As a member of the Library Information Systems team, collaborates with the Resource Management and Access and Information Services units on database and interdepartmental projects. Uses UDMS Report Writer to develop reports. Provides technical support for OCLC services; works with the Library’s Web team; and recommends database and automation procedures to electronically integrate services and workflow. Participates in the User Education and Collection Development Programs.

REQUIRED QUALIFICATIONS: MLS from an ALA accredited school and three years experience. Demonstrated technical experience supporting an integrated library system (preferably DRA). Experience with MARC formats and database structures. Experience with Oracle or other database management systems and web authoring. Must have strong analytical and problem solving capabilities; effective communication skills and an ability to work effectively both independently and as a team member. PREFERRED: Demonstrated experience using UDMS or other report generating software; programming skills.

This position is a 12-month, tenure-track appointment; second master’s or ABD status required for tenure. Position offers a comprehensive benefits package including tuition waiver for dependent children after one year of full-time employment. Applications will be accepted until positions are filled. Please forward letter of application, resume and names and contact information for three references to Dr. Anne Ciliberti, Director of Library Services, Cheng Library, William Paterson University, 300 Pompton Road, Wayne, NJ 07470. For more information about the Library visit: http://www.wpunj.edu/library. William Paterson University is an equal opportunity institution committed to diversity.
TWO POSITIONS AVAILABLE

University of Connecticut

Reference Librarian and Liaison to the College of Agriculture & Natural Resources
Search #02A282

Under the general direction of the Head of the Research and Information Services at the University of Connecticut Libraries, serve as the libraries' liaison to the College of Agriculture and Natural Resources; provide reference service, research assistance, and instruction; create print and Web-based guides and tools; develop knowledge management products and library collections in liaison subject areas. Working as a member of an area team, assist in the development and implementation of area services, policies, and procedures. Regular evening and weekend hours are required.

QUALIFICATIONS INCLUDE: ALA-accredited MLS; background in plant sciences, animal sciences, natural resources management, or related academic discipline; strong motivation and enthusiasm for reference work; experience with computer applications in libraries; the ability to work with diverse users and staff; excellent oral and written communication skills; and excellent instructional skills.

DESIRED QUALIFICATIONS: Advanced degree in plant or animal science, natural resources management, or related field; success in academic liaison work; significant contributions to the profession; and the ability to produce Web-based guides and resources.

ANTICIPATED HIRING RANGE: $38,000–54,247.

Humanities Bibliographer
Search #02A290

The University of Connecticut Libraries seeks an individual with broad scholarly interests to join its Collection Development Team as Humanities Bibliographer. The successful candidate will work with the Sciences Bibliographer under the general direction of the Team Leader for Collection Development. Duties include: The coordination and guidance of the collection development activities of liaison librarians across the humanities; serving as the libraries' liaison to one or more humanities programs; participation in policy development, strategic and long-range planning, and collection management decision-making for all aspects of the collections; and direct involvement with data gathering and analysis as a permanent member of the libraries’ Collections Budget Team, which sets priorities for the disbursement of a collections budget of just over five million dollars.

REFERENCE AND INSTRUCTION LIBRARIAN. The Department of the Library of the College of Staten Island of The City University of New York seeks candidates for an anticipated tenure-track position as Reference and Instruction Librarian at the rank of Assistant Professor. Required: ALA-accredited MLS and a second graduate degree. Must have effective interpersonal, oral, and written communication skills. Academic library experience, expertise with the Internet and online reference sources, and Web skills desired. Library instruction or information literacy experience preferred. Responsibilities include providing guidance and access to a variety of resources including the Internet, online databases, and traditional print sources, and referrals to other library systems; preparing and conducting bibliographic instruction classes; assisting patrons with information searches using electronic and print resources; preparing subject guides, pathfinders, bibliographies, handbooks, and other materials to support the information needs of faculty and students; and providing general reference services in a team approach environment with other librarians. The successful candidate will be expected to perform department and college service and engage in an active and productive research agenda. Salary Range: $42,162–$57,049, commensurate with qualifications. Review of applications will begin immediately and will continue until the position is filled. Send letter of application, curriculum vitae, and the names, addresses, and telephone numbers of at least three references to: Chair, Search Committee, Department of the Library, The College of Staten Island, 2800 Victory Boulevard, Room IL-106, Staten Island, NY 10314. For more information about the library, see our Web site: http://www.library.csi.cuny.edu. EEO/AADA employer.

REFERENCE COORDINATOR. The University of Minnesota, Morris, invites applications from energetic and innovative individuals for the newly created position of reference coordinator. The successful candidate will plan, develop, coordinate, and evaluate reference services, integrating both remote and in-person reference service; manage the government documents collection; participate in end-user instruction; share evening and weekend reference rotation; and serve on the library's administrative council. Reporting to the Head of Research and Collection Services, this position requires an ALA-accredited MLS degree, excellent written and verbal communication skills, an ability to work effectively with people of diverse backgrounds and skills, a strong service orientation, familiarity with the integration of technology with library services, a working knowledge of HTML, familiarity with government documents collections, and an understanding and appreciation of the liberal arts experience. This position has an annual, renewable appointment with a salary of $31,000 plus benefits. Starting Date: July 1, 2002. The University of Minnesota, Morris is a small public liberal arts college with 1,900 students and over 120 faculty. It is located 150 miles northwest of the Twin Cities.
QUALIFICATIONS INCLUDE: ALA-accredited MLS and at least two years' collection development experience in an academic or research library; breadth of experience with scholarly literature across the liberal arts; reading knowledge of at least one modern European language; subject expertise in one or more humanities areas; ability to articulate collecting priorities and to distinguish core literature in the humanities; experience with computer applications in libraries, facility with searching, and ability to work in a continuously evolving automated environment; ability to organize work independently, to exercise individual initiative, to be flexible in a dynamic work setting, and to function in a team-based environment; excellent oral and written communication skills; and strong interpersonal skills and an ability to work successfully with faculty, staff, students, and the general public.

DESIRED QUALIFICATIONS: Advanced degree in an appropriate subject area; instruction or teaching experience; and experience with collection budget allocations.

ANTICIPATED HIRING RANGE: $38,000–64,335.

Complete job descriptions are available at: www.lib.uconn.edu/jobopps.

University benefits include 22 paid vacation days/year, 12 paid state holidays, excellent health and retirement plans, and tuition waivers.

The University of Connecticut, established in 1881, is a Carnegie Research I University. Recently cited as the top public university in New England, the university is engaged in UConn 2000, an ambitious 10-year, $1 billion campus building project. The main campus, situated in Storrs on 3,100 acres of woodlands and rolling hills, is located approximately 30 miles from Hartford, the state capital, and midway between Boston and New York City. There are approximately 23,500 students systemwide. A member of the Association of Research Libraries, the libraries are technologically advanced and recognized as an exciting center of intellectual life on campus. The libraries are organized in team-based structures and are engaged in ongoing strategic programs. A dynamic organization, the libraries offer creative, service-oriented individuals an exceptional opportunity for personal growth and learning.

Applications will be accepted until the positions are filled. Send letter of application, résumé, and name, address, and phone number of three references to:

Deborah Stansbury Sunday
Administrative Librarian
University of Connecticut Libraries
Box U-1005A, 369 Fairfield Road
Storrs, CT 06269-1005

The University of Connecticut has a strong commitment to diversity. We actively encourage minorities and people with disabilities to apply.

of Minneapolis in a rural community of 5,000 people. Applications should consist of a cover letter, résumé, and the names, addresses, e-mail addresses, and phone numbers of three references. Completed applications and questions should be addressed to: David Wuolu, Search Committee Chair, Rodney A. Briggs Library, 600 E. 4th St., Morris, MN 56267; e-mail: wuolu@mrs.umn.edu; phone: (320) 589-6164. Application deadline: March 15, 2002. The University of Minnesota is committed to the policy that all persons shall have equal access to its programs, facilities, and employment without regard to race, color, creed, religion, national origin, sex, age, marital status, disability, public assistance status, veteran status, or sexual orientation.

REFERENCE LIBRARIAN. Montana Tech of The University of Montana. Responsible for reference services, library instruction, collection development, and management of government documents; participates in other duties as assigned. Required: ALA-accredited MLS or MLIS. Details: http://www.mtech.edu/library.

REFERENCE LIBRARIAN. The University of Alabama, Rodgers Science and Engineering Library. The University of Alabama Libraries is seeking a creative and dynamic librarian to provide information services to faculty and students in science and engineering. Responsibilities: This position involves outreach and liaison activities and builds partnerships with faculty and students to promote teaching, learning, and research. The librarian develops, delivers, and manages highly focused collections and client-centered services, both increasingly conducted in a virtual library environment, using the latest in information technologies. The position helps clientele achieve a strong awareness of information resources and state-of-the-art information retrieval tools and methods through library instruction and information literacy training. Key management responsibilities include supervision of classified staff and leadership and management in public services areas. The position helps build a strong technologically advanced presence, including Web-based services, and modern facilities aimed at making the library responsive to change and helping achieve rapid delivery of services. The librarian also participates in committees, special projects, and teams, used to develop and maintain information systems and services. The position reports to the Head of the Science and Engineering Library. Qualifications: Required: MLS from an ALA-accredited program; high interest in science and technology; knowledge of modern practices in information services and collection development; experience with electronic databases and computer productivity applications; advanced knowledge of Internet search methods; familiarity with Web site development software and technologies; ability to work effectively with students, faculty, and library staff; excellent oral and written communication skills; consultative communication style; strong commitment to client-centered service; evidence of, or potential for, professional and scholarly activity. Preferred: Educational background or work-related experience in the sciences or engineering; work experience in an academic library; knowledge of science and engineering literature and reference sources; demonstrated skill with Web site development tools; familiarity with outreach services, instructional methods, and distance education; demonstrated supervisory and management skills. Library Environment: The Science and Engineering Library occupies a new building dedicated solely to library services and designed to accommodate advanced information technology. The library was constructed in 1990 to serve faculty and students in the sciences, and
FOUR POSITIONS AVAILABLE
University of Pittsburgh

Head, Archives Service Center
The Archives Service Center (ASC) is composed of the Archives of Industrial Society, United Electrical Workers/Labor Archives, the University Archives and University Records Management, and the State and Local Government Archives, among others. The ASC is composed of six faculty librarians-archivists, two staff members, student assistants, and grant-funded positions. Required: ALA-accredited MLS (or recognized equivalent) plus five to seven years of progressive administrative experience in an archives-special library setting; a Ph.D. in the social sciences or the humanities with an archival-records management emphasis is preferred; ability to communicate effectively and work with faculty, students, and library staff of diverse cultural backgrounds; good oral and written communication skills, including the demonstrated ability to write successful grant proposals; a record of appropriate publishing and professional activities and supervisory experience; knowledge of current archival control systems, including electronic record systems; and general knowledge of computer applications in an archives-records management setting. Salary commensurate with experience.

Librarian, African-American Collection
Responsible for development of the library's reference and circulating collections in the fields of African-American literature, performing arts, history, civil rights, slavery, and other relevant subjects. REFERENCE AND INSTRUCTION LIBRARIAN. Central College invites applications for a 12-month, tenure-track Reference and Instruction Librarian at the rank of Assistant Professor. We seek an energetic, service-oriented librarian to lead in developing and delivering reference and
HEAD, ORIGINAL MONOGRAPHIC CATALOGING UNIT
University of Colorado at Boulder

STARTING SALARY RANGE: $43,000-

The University Libraries invites applications from innovative professionals seeking a challenging work environment in which to strategically explore the interplay of librarianship, scholarship, and professional service. This position is a tenure-track faculty position reporting to the Head of Cataloging. The Cataloging Department performs most of the cataloging for the University Libraries and has just reorganized as part of Technical Services reorganization. Significant parts of the responsibilities of all positions are research and creative work and service in keeping with the tenure standards of the University of Colorado at Boulder.

Primary responsibilities include oversight of monographic original cataloging activities, monographic cataloging procedures, and policy for original cataloging. The Unit Head supervises five to seven faculty involved in cataloging activities. The department consists of ten faculty and 14 paraprofessionals. The unit head participates in the Cataloging Department Management Group. The Department participates in the Program for Cooperative Cataloging (PCC), including BIBCO, NACO, and SACO, and OCLC ENHANCE, and standards in use include AACR2r, LCSH, and LC classification. Cataloging is performed on OCLC and on Innovative Interfaces for inclusion in the local system. The Head of the Original Monographic Cataloging Unit reviews and revises work for BIBCO, NACO, and SACO, and OCLC ENHANCE; trains personnel as appropriate; and may perform some original cataloging.

REQUIREMENTS: Master's degree from an ALA-accredited library school; at least five years' professional cataloging or cataloging-related experience, preferably in a research library; experience with automated systems; knowledge of MARC bibliographic and authorities formats; bibliographic knowledge of at least one modern European foreign language; potential for research and scholarly/professional achievement. Desirable Qualifications: Experience with programs such as BIBCO, NACO, SACO, CONSER, and/or OCLC ENHANCE; supervisory experience; experience cataloging materials in formats other than books; experience with metadata; experience in training; evidence of research and scholarly/professional achievement.

APPOINTMENT: A successful candidate with demonstrated accomplishments in research and creative work will be appointed as a full-time (12-month) assistant professor on tenure track. A successful candidate with promise in research but lacking an established scholarly record will be appointed as a senior instructor (non-tenure track) for two years, with promotion to the tenure track and the rank of assistant professor upon a successful review. Benefits include 22 working days' vacation; 10 paid holidays; liberal sick leave; University group health care plan; group life insurance; TIAA-CREF retirement/annuity; and support for scholarly/professional activities. Tenured librarians are eligible for sabbatical leave.

APPLICATION PROCEDURE: Review of applications and nominations will begin immediately and continue until the position is filled. It is suggested that applications be on file with the committee by February 15, 2002. Send letter of application (indicate exact title of position) that addresses professional qualifications, résumé; and the names, addresses, and telephone numbers of three references to:

SERIALS AND ELECTRONIC RESOURCES LIBRARIAN
The George Washington University

APPOINTMENT RANK AND SALARY: Appointment at the rank of Librarian II/ Librarian III. Minimum Salary: $36,500/$41,600. Rank and Salary depend upon qualifications and experience.

RESPONSIBILITIES: The Gelman Library is seeking a creative and enthusiastic individual to lead the Library in all aspects of serials acquisitions, including identification of vendors, licensing, acquisition, fiscal control of serials and U.S. government documents in all formats, and supervising staff. Government documents responsibilities include ensuring GPO requirements are met, coordinating the transition to an electronic environment for U.S. documents, reviewing govdocs-l, and supervising staff. The position reports to the Head, Acquisitions, and provides assistance in general department leadership, staff development, and training; serves as acting head of the Department in the absence of the Department Head; serves on Library and consortial committees as designated; coordinates with serials cataloging efforts to provide access to serials regardless of format or location; and works in a team environment with such teams as Electronic Resources and Collection Development.

QUALIFICATIONS REQUIRED: ALA-accredited MLS; minimum of two years' post-MLS serials acquisitions in an academic research library; ability to foster teamwork among all levels of staff; evidence of a commitment to maintain knowledge of developments in serials management and ability to apply this knowledge in the planning, evaluation, and implementation of new services; experience with an integrated online library system and a major bibliographic utility; demonstrated supervisory and leadership skills, including strong and effective training and problem-solving skills; ability to work in a team environment; excellent oral and written communication skills.

QUALIFICATIONS PREFERRED: Experience in negotiating contracts and licenses for electronic journals with vendors and aggregators and knowledge of copyright and its impact on electronic journals and resources; experience with Endeavor's Voyager and OCLC; knowledge and use of MS Excel and Access; knowledge of, or experience in, government documents processing; reading knowledge of foreign language(s). Strongly preferred is post-MLS experience with electronic resources and/or U.S. government documents in an academic research library.

REVIEW OF APPLICATIONS: Review of applications will begin on February 1, 2002, and continue until the position is filled. Please send current résumé and names, addresses, and telephone numbers of three references to:
