Topics to be discussed include: information generation, social aspects, technological developments, and information access. Contact: ASIS, 1010 16th St., N.W., Washington, DC 20036; (202) 659-3644.

THE

CLASSIFIED

ADS

Deadlines: Orders for regular classified advertisements must reach the ACRL office on or before the second of the month preceding publication of the issue (e.g., September 2 for the October issue). Late job listings will be accepted on a space-available basis after the second of the month.

Rates: Classified advertisements are $4.00 per line for ACRL members, $5.50 for others. Late job notices are $10.00 per line for members, $12.00 for others. Organizations submitting ads will be charged according to their membership status.

Telephone: All telephone orders should be confirmed by a written mail order to ACRL, twice $10 will be charged for ads taken over the phone (except late job notices or display ads).

Guidelines: For ads which list an application deadline, that date must be no sooner than the last day of the month in which the notice appears (e.g., October 31 for the October issue). All job announcements should include a salary figure. Job announcements will be edited to exclude discriminatory references. Applicants should be aware that the terms faculty rank and status vary in meaning among institutions.

ASSISTANT TO THE HEAD, ORIGINAL MONOGRAPHS CATALOGING. Primary responsibility for assisting the head of the department in general administrative and supervisory duties, including training and revising staff doing original cataloging. Incumbent participates in formulation and communication of cataloging policy and procedure and in the development and maintenance of the catalog manual. May perform some original cataloging. Incumbent has a catalog editing orientation, including editing problems encountered in the system with the exception of Law, Health Sciences, and East Asian vernacular. The staff of the unit consists of the full-time equivalent of 16 catalogers and 3 supporting staff. In addition to an accredited MLS, requirements are a thorough command of cataloging techniques and principles as demonstrated through several years of substantial cataloging experience in a large academic library, reading knowledge of at least 2 foreign languages, ability to work effectively with professional and supporting staff. Preference will be given to candidates with previous administrative and/or supervisory experience. Experience with automated cataloging desirable. Salary range: Librarian II: $20,500-$26,650; Librarian III: $23,500-$34,075. Submit resume, listing salary requirements and 3 references, to: Box 35, Butler Library, Columbia University Libraries, 535 West 114th Street, New York, NY 10027. Deadline for applications is January 13, 1984. An equal opportunity, affirmative action employer.

Each incumbent will spend approximately 50% to 75% of the time indexing articles to be entered in the *Avery Index Data Base* and the rest of the time assisting readers with searches of the database. In addition to an accredited MLS, qualifications are indexing, cataloging, and/or database searching experience and working knowledge of one or more European languages. Salary ranges: Librarian II: $20,000-$26,000; Librarian III: $23,000-$33,350. Deadline for applications is February 17, 1984.

Submit resume, specifying position applying for and listing salary requirements and 3 references, to: Box 35, Butler Library, Columbia University Libraries, 535 West 114th Street, New York, NY 10027.
all cataloging of library collection, processing all acquisitions, order­
ing LC cards, typing original catalog cards and filing into catalog. In addition, catalogers are required to have knowledge of authority work, providing cross-references with card catalog and all indexes and files, and help with refile library materials as needed. Will supervise one cataloging clerical and various volunteers. Requirements: accredited MLS experi­ence with cataloging local history materials preferred. Must have familiarity with AACR2 and II, ability to do original cataloging, catalog revision, and LC card processing. Minimum salary: $12,000. Application procedure: application and resumes should be sent to: Lu­cinda Manning, Head Librarian, Long Island Historical Society, 128 Pierrepont Street, Brooklyn Heights, NY 11201, by December 31, 1983.

CATALOG LIBRARIAN, position available July 1984 due to retire­ment. Seeking a librarian with interest in diversified job content and implementation of automation. Responsible for providing original cataloging for a wide range of materials and media. Participates in planning, coordinating, and implementing library automation with select­ed academic departments, providing bibliographic instruction and collection development assistance. Works in public service on a regular schedule. May supervise support staff and students. Salary dependent on experience and qualifications, $16,000 minimum. The position requires an ALA-accredited MLS, evidence of scholarly ability, knowledge of OCLC, AACR2, MARC, reading knowledge of foreign languages(s), ability to communicate clearly orally and in writ­ing, ability to organize work, ability to work effectively with faculty, students, and staff, flexibility in adjusting to changing job content, and the ability to work effectively with faculty, students, and staff environment. Faculty status, non-tenure track, 12-month appointment, one month vacation, liberal fringe benefits. Preference given to appli­cants with experience in cataloging and subject headings, and in foreign languages, natural sciences, or engineering. Minority candidates are encour­aged to apply. Send letter of application, current vita, and names, addresses, and telephone numbers of three professional refer­ences, to Dorothy Cieslack, Librarian, Lafayette College, Easton, PA 18042. An equal opportunity employer.

CATALOGER, CATALOG MAINTENANCE DEPARTMENT. This position has primary responsibility for performing cataloging, cata­log editing, and authority work, including analysis, distribution, and resolution of problems and for performing inquiries, data entry and inputting. Other duties include training and revising work of two full-time and several part-time staff members, supervising the depart­ment in the absence of the Head, and performing auxiliary catalog­ing duties. In addition to an accredited MLS, requirements are a knowledge of two modern European languages, one of which must be a Romance language; ability to work well with others; aptitude for analytical and detail work as demonstrated through previous rele­vant experience and/or superior performance in a formal course in cataloging; previous experience with machine-readable biblio­graphic data base(s) and/or formal course work in computer sci­ence; and a broad subject background. Relevant supervisory expe­rience desirable. We are seeking a beginning librarian for this position. Salary range: Librarian I $18,000-$23,400; Librarian II: $20,000-$26,000. Submit resume, listing 3 references and salary require­ments, to: Box 35, Butler Library, Columbia University Li­braries, 535 W. 116th Street, New York, NY 10027. Deadline for applications is December 30, 1983. An affirmative action, equal oppor­tunity employer.

CATALOGER (Librarian II). Land grant university library serving over 9,000 students; member of Tri-College University (North Da­kota State University, Concordia Col­lege), participant in Minnesota State University System's online cata­log. Responsible for original cataloging of monographs and AV materials. Activities include inputting current and retro­spective records into OCLC for a union online catalog. Reports to Head of Cata­log Department. Requirements include: degree from accredited MLS program; two to four years of progressive cataloging experience; thorough knowledge of AACR2 and LC classification; experi­ence with OCLC; working knowledge of at least one Western Euro­pean foreign language, preferably German. Salary and benefits include: $17,764-$26,632, including a $3,000 OCLC operators. Required qualifications include the MLS from an ALA-accredited library school, knowledge of AACR2, knowledge of Library of Congress classification system and subject headings; reading knowledge of at least one foreign language; knowledge of the OCLC System; initiative, creativity, and strong communication skills, and the ability to function effectively in a complex organization. Desirable qualifications include cataloging experience in an academic library and an additional graduate degree. Instructor or Assis­tant Professor rank with tenure track. Salary minimum of $17,000, higher depending on experience or other qualifications. TIAA/CREF and liberal fringe benefits. Send letter of application, detailed re­sume, and names of three references by January 20, 1984, to: Rich­ard Hume Werking, Director of Libraries, Trinity University, 715 Stadi­um Drive, San Antonio, TX 78284. Affirmative action, equal opportunity employer.

BERKELEY

Head, Science Libraries

Administer 14 life and physical science branch li­braries in the General Library system, UC Berkeley, with responsibility for personnel and fiscal manage­ment including a $1 million acquisition budget. The University of Iowa is an equal opportunity, affirmative action employer.

PROCESSING CENTER LIBRARIAN. Shiftman Medical Library non-tenure track position immediately available for Librarian of the

UNIVERSITY OF MINNESOTA LIBRARIES—TWIN CITIES

Director of the Bio-Medical Library

(Search extended)

The Bio-Medical Library supports the teaching, research, and service programs of the Health Sciences on the Minneapolis campus of the University of Minnesota. These programs span the full array of health sciences disciplines and include strong outreach and service activities. The Bio-Medical Library has a total operating budget of more than $1,000,000, approximately one-half of which is devoted to acquisition. It has a staff of 42 FTE, including 11 professionals. It has a collection of over 300,000 cataloged volumes and receives approximately 4,000 serials.

The Bio-Medical Library is located in the health sciences complex on the University’s Minneapolis campus and is physically consolidated, with the exception of the Natural History Library. The Bio-Medical Library includes a learning resources center, a major history of medicine collection, and its own processing unit. It participates in the RLIN cataloging system and utilizes its own, locally-developed serials and acquisition systems. It has extremely strong database searching and information delivery programs.

The Bio-Medical Library participates in a number of national, regional, and state-wide cooperative medical library programs, including the Greater Midwest Regional Medical Library Network, the Minnesota Council of Health Science Libraries, and the RLG Medical and Health Sciences Program Committee. Recognized as one of the outstanding bio-medical libraries in the country, the University of Minnesota Bio-Medical Library has been a national leader in cooperative developments, information services, audiovisual applications, and interlibrary cooperation. It has one of the strongest collections among bio-medical libraries in the country. These emphases are expected to continue in the future, with particular priority on continued collection strengths, electronic information delivery, network participation, bibliographic instruction, and closer interaction with the health sciences academic programs.

The Director of the Bio-Medical Library reports to the University Librarian and participates in University Libraries-wide planning and program development together with the other directors of the major University Libraries departments: Central Administrative Services, Central Technical Services, Institute of Technology Libraries, St. Paul Campus Libraries, Walter Library, and Wilson Library. The Bio-Medical Library Director is an ex-officio member of the Bio-Medical Library Committee, which meets regularly to advise regarding the programmatic directions of the Bio-Medical Library.

Applicants for this position must have a minimum of five years experience in one or more bio-medical libraries, demonstrated successful management experience, an MLS or appropriate equivalent academic preparation. In addition, applicants should have demonstrated skills in administration, planning and interpersonal relations. They should have sophisticated knowledge of the library services requirements of the health sciences and be able to work effectively with faculty, students, academic administrators, library colleagues and staff. Highly desirable are: an academic background in a health-sciences related field; Medical Library Association certification; leadership potential in the areas of library automation, networking, continuing education and outreach activities, and electronic information delivery; knowledge of and participation in research projects; scholarly publishing and presentations.

This is an academic administrative position. Salary is negotiable, with a minimum of $45,000. Applications must be postmarked by March 31, 1984. Nominations must be received by March 1, 1984. Please send letter of application, vita, and the names of four references, to: Robert Wright, University Libraries Personnel Officer, 499 Wilson Library, 309 19th Avenue South, Minneapolis, MN 55455.
Detroit Cooperative Cataloging Center. The Center provides cataloging services to fifteen local health sciences libraries and maintains archival tapes in preparation for online system. Responsibilities include (i) OCLC and original cataloging of 9,000–11,000 titles per fiscal year, (ii) monitoring workflow to maintain established performance levels, (iii) supervising one full-time support staff member, (iv) preparing workload and budget reports, (v) Membership and Executive Committee meeting preparation/participation and (vi) maintaining communications with the membership. Required: fifth year library science degree from an accredited library science program. At least two years paraprofessional experience in OCLC monographic cataloging, Familiarity with MeSH and audiovisual cataloging desirable. Health science library experience preferred, with ability to work with active network of health science library members. Salary: $15,000–$17,000, depending upon qualifications and experience. Fringe benefits: TIAA-CREF retirement plan, social security, subsidized health, hospital, dental and life insurance. The University is an equal opportunity employer. Write to: James F. Williams, II, Associate Director of Libraries, Wayne State University, 5344 Gullen Mall, Detroit, MI 48202, by December 31, 1983.

REFERENCE LIBRARIAN, entry level. Franklin and Marshall College, Lancaster, Pennsylvania. Responsibilities include reference desk duty (with some evening and weekend hours), bibliographic instruction, inter-library loan, and database searching. Other duties: assisting with collection development, liaison work with 3 academic departments. Qualifications: MLS from an accredited library school and some academic library experience. Background in the social or natural sciences is desirable, but not essential. Salary: open. Send resume, 3 letters of recommendation and transcripts, to: C. Paul Vincent, Chair, Search Committee, Shadek-Fackenthal Library, Franklin and Marshall College, Box 3003, Lancaster, PA 17604, by 31 December 1983.

REFERENCE LIBRARIAN, The Fletcher School of Law and Diplomacy, Tufts University, serving 250 graduate students and faculty in the areas of international law, diplomacy, international economic development, and political systems and thought. Responsibilities: general reference duties, searching computerized data sources, instruction in the use of the Library, planning exhibits. Assists the Librarian in reference collection development and writing library publications. Qualifications: MLS from an accredited ALA school or equivalent, one-two years reference experience in an academic library, subject background in international relations, area studies or political science. Salary range: $15,000. Send letter of application, resume and the names of three references to: William G. Brown, Assistant Dean for Administration, The Fletcher School of Law and Diplomacy, Tufts University, Medford, MA 02155. Search closes January 1, 1984. Tufts University is an equal opportunity, affirmative action employer.

SCIENCE INFORMATION SPECIALIST. A member of the staff of the Engineering and Science Library of Carnegie-Mellon University Libraries serving the faculty and students of the Carnegie Institute of Technology and the Mellon College of Science. Responsibilities include general and specialized reference services utilizing printed and online sources; faculty liaison and collection development; and library instruction. CMU is seeking an innovative and creative librarian with a desire to share in the development of the application of computing technologies in libraries. The Libraries use central computing systems extensively, particularly text processing and electronic mail. The Integrated Library System has been installed and the online catalog will be operational this spring. An interactive Library Communication System is being developed as part of the University's plans for expanding computing resources and services on campus. Qualifications: MLS(ALA); effective reference and instructional skills, knowledge of collection development techniques; knowledge and/or experience in online database searching; and effective interpersonal verbal and written skills. Preference will be given to candidates with a degree or significant course work in engineering, physical or natural science, and/or experience working with scientific and engineering information in an academic environment. Salary: dependent upon qualifications and experience, minimum of $15,000. Send letter of application, resume and the names of three references to: Pat Smith, Personnel Department, Carnegie-Mellon University, 5000 Forbes Avenue, Pittsburgh, PA 15213, by December 30, 1983. Interviews will be conducted at ALA Midwinter. Position open January 1, 1984. CMU is an equal opportunity, affirmative action employer.

SYSTEMS LIBRARIAN
MIT Libraries

Under the general direction of the Assistant Director for Administration, plans for and coordinates the utilization of new technologies to enhance library operations and services with the long range goal of an integrated online library system linked with national and regional networks. Prepares documentation for recommendations including feasibility studies, cost-benefit studies and statistical analyses. In consultation with departmental managers and staff, prepares specifications for vendor-based systems and plans and oversees the implementation of systems decisions including both the acquisition and integration of new systems and the enhancement of existing systems. Monitors network and vendor documentation. Monitors the security and integrity of the Libraries' data bases and programs. Oversees and directs staff assigned to systems projects.

Serves as a resource to the Libraries administration on long range planning for automation. Maintains current awareness of developments in relevant technologies, bibliographic utilities and networks as they apply to library operations and maintains effective relationships with appropriate staff within the Institute, other university libraries and with vendors of library systems.

Qualifications: MLS from an ALA-accredited library school and a minimum of five years of professional library experience are required, combining at least 2 years experience in automated systems and technology with experience in either public or technical services in a research library. Final candidates must also demonstrate well developed interpersonal skills, the ability to analyze and solve complex problems and a substantive knowledge of the MARC format and its applications to automation.

Interested individuals should send resumes including the names of 3 references by December 31, 1983, to:

Search Committee for Systems Librarian
The Libraries, Room 14S-216
Massachusetts Institute of Technology
Cambridge, Massachusetts 02139

Salary range: $20,800–$34,100. Starting salary dependent upon qualifications.

MIT is an equal opportunity employer with an affirmative action plan and welcomes applications from qualified women and minority candidates.

450 / CeRl News
PUBLIC SERVICES LIBRARIAN (reopened). Position available January 1, 1984. Plymouth State College Library is seeking experienced applicants to direct and manage public services activities. Siegenthaler, Coordinator of Public Services, Wessell Library, Tufts University, Medford, MA 02155, before January 1, 1984.

REFERENCE LIBRARIAN. Specialist in business and economics assigned to the Social Science Center/Bobst Library. Principal duties include reference assistance, book selection, orientation and database searching. Required: accredited MLS, degree in business or related subject area preferred. Subject master's required for tenure. 2 years experience in an academic or special business library. Familiarity with government documents. Salary: $20,000 minimum. Other benefits include tuition remission, TIAA/CREF, 5 weeks annual vacation. To ensure consideration, send resume and letter of application, including names, addresses, and telephone numbers of 3 references by January 13, 1984, to: Connie Colter, Personnel Officer, New York University Libraries, 70 Washington Square South, New York, NY 10012. New York University is an affirmative action, equal opportunity employer.

AFRICAN STUDIES SPECIALIST, Assistant, Associate, or Librarian. The African Studies Collection comprises some 70,000 volumes. It is a nationally known resource for teaching and research for the whole of Africa south of the Sahara. The African Studies Area Specialist selects all materials in the field of African studies, maintains a collection development policy and evaluates collections, manages the materials budget, assists in developing
external funding sources including grants and special donors, maintains cooperative programs including gifts and exchange agreements, provides advanced reference/bibliographical service. She/he teaches "Introduction to the Bibliography of Africa south of the Sahara," a required course for the African Studies minor. Qualifications: Required: ALA-accredited master's degree in library science; academic background in African Studies; post-MLS library experience, preferably in collection development and/or public services in an academic library; reading knowledge of French and a bibliographical knowledge of German and Portuguese. Preferred: field experience in Africa; higher degree with an African studies major or minor; experience in bibliographic instruction; reading knowledge of Swahili, Hausa, Arabic, or Dutch. Must meet the responsibilities and requirements of a tenure track position. Salary dependent upon qualifications and experience. Salary floors will be observed: assistant $15,800; associate $18,500; librarian $22,250. Vacation of 22 working days, liberal sick-leave; Blue Cross-Blue Shield major medical and dental insurance; group life insurance; TIAA/CREF annuity plan. Apply to: Anne Rimmer, Personnel Officer, Indiana University Libraries, Bloomington, IN 47405. Telephone: (812) 335-3403. Closing date for applications: not earlier than January 15, 1984. Indiana University is an equal opportunity, affirmative action employer.

HEAD OF TECHNICAL SERVICES in library of 4-year liberal arts college in New York City area. Has overall responsibilities for technical services policies and activities, including acquisitions, cataloging, serials, processing, general planning for automation, and staff supervision. Some collection development and reference responsibilities. Required: master's degree from an ALA-accredited library school; background in technical services, including administrative and OCLC experience. Preferred: professional activity relating to library automation, second master's degree in an academic discipline, and reading knowledge of one or more foreign languages. Salary from $25,000 depending on qualifications and experience. Faculty status and liberal fringe benefits including TIAA/CREF. Send resume and names of 3 references by January 16, 1984, to: Richard Silver, Affirmative Action Officer, SUNY College at Purchase, Purchase, NY 10577.

UNIVERSITY LIBRARIAN AND ASSOCIATE DEAN OF INFORMATION SERVICES. Salary range: $34,860-$42,120 (a 6.0% raise is anticipated on January 1, 1984.) Responsibilities: administers the operations and services of the University Library. Reports to the Dean of Information Services and acts as his associate for library matters. Plans and directs the implementation of the library budget. Administers the library personnel process. Provides leadership for planning and evaluating policies and procedures which support the University's educational goals. Qualifications: graduate degree from an ALA-accredited school of library/information science (candidates with academic attainment beyond the MLS will be given preference). Substantial (e.g. 10 years), varied and increasingly responsible operational and managerial library-related experience is required; preferably in a university or four-year college library. General familiarity with the use of automated systems in both public and technical services, and detailed involvement with automation planning and decision-making in one of them. Demonstrated ability to lead and motivate people. Strong communication skills. Evidence of continuous professional growth and contributions (e.g. grants, publications). The Library: The University Library, containing over 600,000 volumes, is an integral part of the Information Services Unit at CSU, Chico. The Library has a public access online catalog and is the pilot site in the state university system for this automation activity. Information Services includes the Library, Instructional Media Center, and Computer Center and provides a unified academic support service for the University. Also, Information
Services operates an integrated regional service network for an area of 33,000 square miles and has recently added a satellite earth station. The Library serves a student body of 14,000 students. Chico is 90 miles north of Sacramento and 165 miles northeast of San Francisco. It is in the Sacramento Valley at the edge of the Sierras. Nearby mountains, lakes, rivers and a national park afford excellent opportunities for summer and winter recreation. Send a letter of application, names, addresses, and telephone numbers of three current professional references, and complete record of education and experience, to: William A. Jones, Chair, University Librarian Search Committee, The Meriam Library, California State University, Chico, CA 95929-0290. Closing date for applications: January 15, 1984. An affirmative action, equal opportunity employer.

MUSIC LIBRARIAN, University of the Pacific, (search reopened). Faculty appointment involving some responsibility in three areas of professional competence: cataloging, collection development, and reference/bibliographic instruction. Major responsibilities: selection, cataloging materials for music collection; reference service and bibliographic instruction; liaison with music faculty; coordinate and supervise music listening center; assist in design of music area ($250,000 grant) in new library ($6.5 million total project). Requirements: MLS from accredited program, plus MA or MM in musicology or music theory (minimum undergraduate major). Prefer 2-3 years in academic library working with music materials and facilities; automated cataloging and other computer experience; one or more foreign languages; supervisory experience. Tenure-track appointment at Instructor or Assistant Professor rank. $17,000-$20,000. One month vacation, TIAA/CREF, broad benefits. Unique opportunity for leadership and professional growth assisting in design of music component for new main campus library. Send letter of application, resume, and names of three current references by Jan. 31, 1984, to: Hiram L. Davis, Director of Libraries, University of the Pacific, Stockton, CA 95211. Preliminary interviews at ALA Midwinter 1984. An AA/E0 employer.

ASSISTANT REFERENCE LIBRARIAN. Position opened January 1984. General reference service, including bibliographic instruction and online searching. Tenure-track position with appointment at Instructor or Assistant Professor rank depending on qualifications and experience. Accredited MLS. Second master's highly desirable. Appointment range $15,000-$18,000. Send resume and names of 3 references by December 30, 1983, to: Reina Hart, Reference Librarian, University of New Hampshire, Durham, NH 03824. UNH is an AA/EEO employer.

Those job-seekers who have called the JOBLINE number, (312) 944-6795, in the past few months only to reach a busy signal or no answer, will be glad to know that our equipment has been replaced with a new machine that can handle the rigorous 7-day, 24-hour routine assigned to it. The recording will be no longer than six minutes, usually less. If many jobs are listed on one week's recording they may be slightly abbreviated, but most of the time there will be enough time to hear the entire position description.

Advertisers who wish to find out more about the ACRL JOBLINE may call (312) 944-6780, ext. 286.
CONTEMPORARY ISSUES IN ACADEMIC AND RESEARCH LIBRARIES
Hilton Hotel, Boulder, Colorado/February 28, 29, March 1, 1984

PROGRAM TOPICS
Conference papers will focus on contemporary issues in academic and research libraries in the following broad areas:
1. Future directions in academic and research library programs in such areas as: information management; computer literacy; bibliographic instruction and the future generation of educated citizens; methods of improved research support; and preservation of library materials.
2. Management issues such as: financial planning, impact of collective bargaining on management style, impact of automation on funding sources and formulas.
3. Issues of auxiliary funding sources such as fund raising and development work.
4. Issues of program area contracts and fee based services; access to information.

WHO SHOULD ATTEND
The Conference will be designed to provide a unique opportunity to extend educational perspectives of academic leaders including upper and middle management librarians, professional librarians interested in administration, and university presidents, academic vice presidents, fiscal officers, and business managers. Attendance will be limited to 200 participants.

REGISTRATION INFORMATION
Registrations. To register return the form printed below. Photocopy for additional registrations; please use a separate form for each person. Registration fee or purchase order must accompany registration. All registrations will receive prompt confirmation by mail.

Registration Fee. Registration fee: $200.00 U.S. • Special Early Registration fee: $175.00 U.S. (if mailed before 12/1/83) • Special Sponsor Registration fee: $175.00 U.S. Leading professional organizations are sponsors and have announced the Conference and the availability of this rate to their members.

Registration fee includes: Attendance at the Conference, a list of registrants (those who register prior to January 30, 1984), program packet and enrollment credentials, Welcome Reception on February 28, Luncheon on February 29, and all coffee breaks. Registration does not include hotel and meals other than those listed above.

Tax Deduction. All expenses of Continuing Education (including registration fees, travel, meals and lodging) taken to maintain and improve professional skills are tax deductible. (Treas. Reg. 1-162-5 Coughlin v. Commissioner, 203 F2d 307.)

Time Schedule. Conference enrollment will be held at the Hilton Harvest House Hotel on February 28, 1984 between 3:00-5:00 p.m.; a Welcome Reception will follow from 5:00-7:00 p.m. The schedule for February 29, 1984 will start at 9:00 a.m. and conclude at 5:00 p.m. Activities on March 1, 1984 will start at 9:00 a.m. The Conference will adjourn at noon on March 1, 1984.

Hotel Accommodations. A block of rooms has been reserved at the Hilton Harvest House Hotel at a special rate of $50.00 single and $60.00 double per night, not including 9.25% room taxes. Hotel registration forms will be sent when registrations are confirmed. Registrants will then contact the hotel directly. Hotel accommodations are not included in the registration fee. Early reservations are recommended; the hotel will send room confirmations directly to guests.
