PLACE STANDING ORDERS FOR GALE REFERENCE BOOKS

Standing orders for Gale titles assure librarians that their patrons will have prompt use of new editions of important reference books while they are at their newest and best.

Standing orders also contribute to the general efficiency of library operation. The skilled judgment invested in book acquisition is expended only once instead of every time a new edition appears. One purchase order does the work of many. Of course, you benefit by any prepublication offers. The books come to you on 30-day approval. And you may always cut back or cancel your standing orders at any time.

Standing Order Service is available for all Gale books of a continuing nature, such as *Encyclopedia of Associations*, *Contemporary Authors*, *Something about the Author*, *Contemporary Literary Criticism*, *Bookman's Price Index*, *National Faculty Directory*, and many others.

If you wish to know whether you have specific titles on Standing Order Service with Gale, or if you have other questions, please write to Ms. Mary Thatcher, Standing Order Manager.
