Classified Advertising

NOTICE

Respondents to advertisers offering faculty "rank" and "status" are advised that these terms are ambiguous and should inquire as to benefits involved.

All advertisements for the Positions Wanted and the Positions Open classifications will be edited to exclude direct or indirect references to race, creed, color, age, and sex as conditions of employment.

Classified advertising orders and copy, and cancellations, should be addressed to the Advertising Department, American Library Association, 50 E. Huron St., Chicago IL 60611, and should reach that office before the second of the month preceding publication of issue desired. Copy received after that time may be held for the next issue.

Telephone orders for classified advertising, while not encouraged because of the increased risk of copy error, will be accepted. Calls should be directed to Leona Swiercz at (312) 944-6780. A confirming order should be mailed to the Advertising Department as soon as possible following the call, along with typewritten copy to be used in proofreading the ad.

Rate for classified advertising is $1.80 per printed line.

It is committed to development of an integrated automated system of data processing and information retrieval. Send applications giving full particulars of education and experience and nominating three referees to the Librarian, The University of Sydney, NSW 2006, Australia, by July 31, 1977.

Correction to an Item Appearing in the March 1977 Issue

The National Library of Medicine (NLM) interlibrary loan policy remains as it has been in the past. There is a limit of one article per issue and three per volume of any journal title. Photocopies of individual papers from proceedings of a congress or symposium will also be limited to no more than three items. In general, there is a maximum limit of fifty pages per set for any copied item, and multiple copies will not be furnished.

Chapters of indexed monographs will not be copied because of NLM copyright limitations. Monographs will be loaned in the original form to libraries in the United States.

Demand for proceedings and indexed monograph volumes is such that an additional copy of each of these indexed items is being secured for lending.

There are no present plans to change the policy stated above. When the new copyright statute becomes effective on January 1, 1978, NLM will consider any appropriate policy changes in conformance with the new law.
ment will be made at instructor or asst. prof. level; salary range from $13,122—$17,811 for 9-month contract, depending upon qualifications and experience. Additional ½ salary for 3-week summer session. Send resume before August 1, 1977 to Mrs. Grace Standly, Search Committee Chairman, Sam Houston State University Library, Huntsville, Texas 77340. Equal opportunity employer.

DIRECTOR OF THE LIBRARY, University of New Orleans, New Orleans, La. Appointment to be effective July 1, 1978. The University of New Orleans, part of the Louisiana State University system, has a faculty of 500 and an enrollment of 14,000 students. The library has a collection of 700,000 volumes and employs 22 professional librarians with 32 support personnel. The director has primary responsibility for overall library operations including budget preparation, collection development, and long-range planning. Applicants must have a degree from an ALA-accredited library school; a minimum of five years administrative experience in an academic or research library; demonstrated knowledge of automated library systems, networks, and resource sharing; and evidence of significant professional and scholarly activities. Salary from $27,000. Deadline for receipt of applications, complete curriculum vitae, and three references is September 1, 1978. Application and the names of three references should be sent to: Dr. Warren M. Billings, Chairman, Library Search Committee, History Department University of New Orleans, Lakefront, New Orleans, Louisiana 70122. The University of New Orleans is an equal opportunity/affirmative action employer.

Reports to Vice-President for Academic Affairs. Qualifications: graduate library degree from an ALA-accredited institution; extensive experience in major academic or research libraries, with broad knowledge of current practices and future trends in library organization and development; significant professional and scholarly accomplishments; ability to function effectively with library staff, students, faculty, and administration. Salary and academic status commensurate with qualifications. Anticipated starting date January 1978. Also apply: Deadline: September 1, 1977. Applications/nominations to Professor Lewis L. Gould, Department of History, University of Texas at Austin, Austin, Texas 78712, will also be considered. The University of Texas is an equal opportunity/affirmative action employer.

Northern Illinois University, having moved into the new Founders Memorial Library, needs to fill one position.

Friends of the Library Directory

The Friends of the Library Committee of the Public Relations Section of the Library Administration Division is compiling a directory of Friends of the Library groups. They are seeking information about these groups that exist in academic libraries.

The data needed for the Friends Directory is: name of group, library affiliation, address, and telephone. Those groups wishing to be listed should send the above information to: Shirley Stearns, 1406 Victoria Ave., Montebello, Ca 90005; (213) 722-3064 or Julie A. Virgo, Executive Secretary, ACRL, 50 E. Huron St., Chicago, Ill. 60611; (312) 944-6780.

The minimum requirement for this position is a master's degree from an accredited library school. Fringe benefits include Illinois Retirement benefits, academic status, and one month vacation. Applicants should send their resume and department letter to: Mr. George Mooney, Business Manager, University Libraries, Northern Illinois University, DeKalb, Ill. 60115, before August 15, 1977. Northern Illinois University is an affirmative action/equal opportunity employer.

HEAD, LIBRARY DATA PROCESSING DEPARTMENT: This person will supervise and coordinate the work of the Library Data Processing Department. The department is responsible for (1) maintaining and developing the library's data base, (2) identifying and suggesting solutions to library data processing problems, and (3) suggesting additional applications of data processing to library operations and routines. Minimum requirement (beyond the master's degree) is five years of varied and increasingly responsible experience with library data processing. A master's degree (or additional graduate work) is highly desirable. Minimum salary: $17,000 for 12 months.

HEAD OF TECHNICAL PROCESSING, University of Missouri-Columbia. Responsible for efficient direction and coordination of three departments concerned with acquiring, processing, and cataloging library materials. Supervises fifteen academic and forty-one support staff members. Requires minimum of MLS from ALA-accredited school; five years of professional experience in technical processing in an academic library; demonstrated successful supervisory knowlege of automated technical processing systems. Minimum salary: $18,000. Equal opportunity/affirmative action employer. Send applications to: Robert Grey Cole, Associate Director, 4F52 Special Library, University of Missouri, Columbia, Missouri 65201.

Minimum salary for rank of instructor, or for assistant professor, up to $14,788 (subject to approval of new salary schedule). Twenty work days vacation; faculty travel assistance; opportunities for advanced academic study; sick leave; usual fringe benefits. Applications will not be accepted after August 15, 1977. Apply to: James B. Greer, Selection Committee Chairman, University of Northern Colorado Libraries, James A. Michener Library, Greeley, Colorado 80639. UNC is an equal opportunity employer.

The libraries at The State University of New York at Stony Brook have the following two positions open:

MUSIC CATALOGER, Available September in the Music Library. Responsible for original cataloging of scores, books on music, and music sound recordings, utilizing the CCLC network; supervision of card catalog maintenance as
well as binding and processing of music materials. The music cataloger works closely with both the music librarian and the cataloging department in formulating and implementing technical services policies. Requires MLS from accredited library school, BA with music major, and 1-2 years cataloging experience. Master's in music, knowledge of French and German, OCLC experience also desirable. Minimum salary $11,000.

EVENING LIBRARIAN. Reference librarian responsible for overall supervision of the libraries during evening hours, Sunday through Thursday, late afternoons to midnight. Professional responsibilities may include orientation classes to evening and continuing education students, data base searches, assisting in development of library guides and manuals, handling special projects as needed, and the provision of professional services and referrals in late evening hours for the following service points: Reference, Circulation, Reserve, Periodicals, Documents, Art/Archives, Science Libraries; additional responsibilities for reassignment of personnel to cover emergency situations in the evening. Managerial responsibilities for closing the building. MLS from accredited library school and at least 3 years reference experience in an academic library required. Second master's desirable but not required. Minimum salary $12,000. Available September. Applications should be submitted no later than August 1, 1977, to: Florence Boroson, Melville Library, SUNY at Stony Brook, Stony Brook, New York 11794. An equal opportunity/affirmative action employer.

REFERENCE LIBRARIANS. Two positions, with added competence in business and economics, and in physical or social sciences. MLS required. Minimum beginning salary $11,500; up to $15,000 with additional education, experience. Faculty rank. Excellent fringe benefits. Open August 22, 1977. Send application, credentials, references to Donald O. Rod, Director of Library Services, University of Northern Iowa, Cedar Falls, Iowa 50613. An affirmative action/equal opportunity employer.

Northwestern University Library announces the first of three SCHOLAR LIBRARIAN positions funded by grants from the National Endowment for the Humanities and the Council on Library Resources. The scholar librarians will have bibliographic, teaching, and faculty liaison responsibilities. Appointment to begin October 1, 1977, for a tenure of three years. Starting salary: $12,500. Applications are being accepted from scholars with a master's degree in Library Science and a Ph.D. in the Humanities with no previous full-time professional experience in librarianship or university teaching. Preferred fields: early American history; African history or literature; English, French, or German literature. Deadline for applications: August 1, 1977. Send application, credentials, references to Mr. John McGowan, University Librarian, Northwestern University Library, Evanston, IL 60201. An equal opportunity employer.

The Hunter College Library expects to fill a vacancy for a SCIENCE BIBLIOGRAPHER/SCIENCE REFERENCE LIBRARIAN effective October 1977. An ALA-accredited MLS is required and a second master's, preferably in one of the sciences, is highly desirable. Relevant experience with science collections is required, including expert knowledge of science reference tools. The science bibliographer works closely with the acquisitions librarian and the faculties of the several science departments in developing and utilizing the available library resources. Appointment will be at the rank of instructor, with an annual salary of $12,700. Thirty days paid vacation are granted, and liberal medical and retirement benefits are offered. Mail resumes to David Lane, Chief Librarian, Hunter College Library, 695 Park Avenue, New York, New York 10021. Hunter College is an equal opportunity/affirmative action employer.
Directory of Special Libraries and Information Centers

4th Edition. Edited by Margaret L. Young, Harold C. Young, and Anthony T. Kruzas. Published in three volumes...

Vol. 1. SPECIAL LIBRARIES AND INFORMATION CENTERS OF THE U.S. AND CANADA. 1,175pp. $74.00.
- 14,000 entries--2,200 of them brand new--covering special libraries with interests in 2,500 fields.
- All entries from the previous (1974) edition completely updated and reset, with over 28,000 changes.
- 25,731-reference Subject Index.
- Added features...Entries now include information on computerized services. New appendix lists nearly 500 networks and consortia.

Entries cover 23 points, including: Name, address, and phone number; Sponsoring organization; Informational Specialty; Names of person in charge and other staff members; Holdings (numbers of books, periodicals, maps, manuscripts, filmstrips, scientific specimens, etc.); Special collections; Subscriptions; Publications; Catalogs and indexes; Services (loans, copying, etc.); Automated operations.

Vol. 2. GEOGRAPHIC-PERSONNEL INDEX. 700pp. $45.00. The first part lists by state or province all the institutions in Vol. 1, with names, addresses, and primary fields of interest. The second, a roster of all personnel mentioned in Vol. 1, gives names, titles, and affiliations.

Vol. 3. NEW SPECIAL LIBRARIES. Inter-edition subscription with binder for new subscribers, $60.00. A cumulatively indexed, four-issue supplement to Vol. 1. Provides subscribers with information on new information facilities established to serve rapidly developing fields.

Subject guides to special libraries in press...

SUBJECT DIRECTORY OF SPECIAL LIBRARIES AND INFORMATION CENTERS. 5 Volumes. 1,175pp. $125.00/set. $30.00/vol. (Ready August 1977)

The five-volume Subject Directory contains every entry from Vol. 1 of DSL, but with entries grouped into smaller volumes focussing on a narrower range of subject fields. This format is ideal for library departments needing easier access to information on special libraries dealing with their specialties. Volumes are available both individually and as a set.

Vol. 1. Business and Law Libraries. (Includes military and transportation libraries.)
Vol. 2. Education and Information Science Libraries. (Includes audiovisual, picture, publishing, rare books, and recreational libraries.)
Vol. 3. Health Sciences Libraries.
Vol. 4. Social Sciences and Humanities Libraries. (Includes area/ethnic, art, geography/map, history, music, religion/theology, theater, and urban/regional planning libraries.)
Vol. 5. Science and Technology Libraries. (Includes agriculture, environment/conservation, and food science libraries.)
