CLASSIFIED ADVERTISING

NOTICE
Respondents to advertisers offering faculty "rank" and "status" are advised that these terms are ambiguous and should inquire as to benefits involved.

All advertisements submitted by institutions offering positions must include a salary range. The range should provide the applicant with an indication of the salary the institution is willing to provide for the position offered.

All advertisements for the Positions Wanted and the Positions Open classifications will be edited to exclude direct or indirect references to race, creed, color, age, and sex as conditions of employment.

Classified advertising orders and copy, and cancellations, should be addressed to the Advertising Department, 50 East Huron Street, Chicago 60611, and should reach that office before the second of the month preceding publication of issue desired. Copy received after that time may be held for the next issue.

Telephone orders for classified advertising, while not encouraged because of the increased risk of copy error, will be accepted. Calls should be directed to Leon Swiech at (312) 944-6780. A confirming order should be mailed to the Advertising Department as soon as possible following the call, along with typewritten copy to be used in proofreading the ad.

Rate for classified advertising is $1.30 per printed line.

FOR SALE

THE SERIALS LIBRARIAN

the quarterly journal of serials management

EDITOR: Peter Gellaty
Head, Serials Division
Univ. of Washington Libraries

NEWS EDITOR: Gary Pitkin
Head, Serials Department
The Bierce Library
University of Akron

THE SERIALS LIBRARIAN is a new quarterly journal created specifically for serials librarians and all library professionals who work with serials publications. This new journal provides fresh and pertinent articles in such areas as:

- serials selection & acquisitions
- claiming, binding, storage
- cataloging & bibliographic control
- economic management & collection development
- interlibrary loan
- relations with serials publishers
- relations with subscription agencies
- renewals, backorder problems, microfilming

Each issue of THE SERIALS LIBRARIAN also provides a comprehensive news section to keep serials librarians up-to-date on new technology, recent symposia, new tools, etc., and a valuable Current Abstracts on Serials section, covering articles on serials librarianship published elsewhere.

Table of Contents -
Vol. 1, No. 1 (Fall 1976)

Joining Art and Technics at the Serials Desk by Bill Katz, Ph.D., Prof. of Library Science, SUNY at Albany, & Editor, Magazines for Libraries
