BOOK REVIEW INDEX

Edited by Gary C. Tarbert. Annual Cumulations published shortly after the close of each year, $68.00/year. Periodical Issues appear bimonthly (every second issue cumulates the preceding issue), subscription $58.00/year.

Annual Cumulations of BRI from 1965-1974, Citing Over 700,000 Book Reviews

With the publication of the retrospective index for 1969, the three-year gap that formerly existed in BRI coverage has been filled. This is an appropriate time for libraries with broken runs of BRI to order all missing back volumes. Covering 700,000 reviews of 340,000 books and stretching from 1965 through 1974, the ten volumes of BRI, all of which are in print, offer an unmatched research resource.

Book Review Index covers all reviews appearing in over 230 magazines and newspapers, including all major literary and educational periodicals plus more specialized publications that review books on arts and crafts, business and economics, religion and philosophy, minority affairs, current social issues, and many other topics. Each listing provides the author's name, title of book, reviewing publication, date of issue, and page of review.

REVIEWERS PRAISE "BOOK REVIEW INDEX"

"A basic reference tool which belongs in all libraries" (Choice, January, 1966).

"No other indexing service offers the speed and diversity of Book Review Index. It is recommended for all libraries" (Booklist and Subscription Books Bulletin, November 15, 1965).

"BRI will certainly become a first choice for all libraries since its scope is so broad, and its accuracy and timeliness exceptional" (Nancy Buckeye, Reference Services Review, October/December 1974).

All Gale Books are sent on 30-day approval. Place standing orders for periodical issues and annual cumulations of BRI.
