DIRECTOR

Western Washington University

Western Washington University is a comprehensive university with over 9,000 students and 425 faculty. The Library contains 475,000 volumes, 600,000 units of microform and subscribes to over 4,000 periodicals. There are 13 faculty, 45 staff, and a materials budget of over $800,000. The Library is an RLIN member and has access to all major data bases. There is a branch music library and an educational media service.

The Director of the Wilson Library reports to the Provost and is a member of the Deans Council. Position is available July 1, 1984, following the retirement of the present director. Salary is dependent on qualifications and experience; minimum $30,000.

Criteria for selection shall include: an appropriate graduate degree; record of scholarly accomplishment and professional service, successful progressive administrative experience in comparable or larger university libraries, a record of constructive interaction with university and wider communities; experience with automated systems, collection development, personnel, budget and space management; a strong commitment to library support for teaching, scholarship and service to all members of the academic community; service at several university libraries and teaching experience desired.

Letters of application (or nomination), including a professional resume and the names and addresses of three references, should be sent by January 12, 1984, to:

Dean Daniel Larner
Chair, Library Director Search Committee
Fairhaven College

Western Washington University

Bellingham, WA 98225

Western Washington University is an equal opportunity, affirmative action employer.

November 1983 / 401
DIRECTOR OF LIBRARIES. The University of Wisconsin-Madison is seeking a new director to lead the Library System. Responsibilities include overall management of library operations, including strategic planning, budgeting, and human resources. Applicants should have a master's degree in library science and at least ten years of experience in library administration. Toliver, Director of Library Planning, Budget and Personnel, Washington University Libraries, St. Louis, MO 63130, by December 15, 1983. An equal opportunity, affirmative action employer.

LATE JOB LISTINGS

SYSTEMS DEVELOPMENT OFFICER. California Institute of Technology is an independent, privately-supported institution which is considered one of the world's major research centers. We are presently embarking upon a major effort to introduce technology into the management of our library and information retrieval operations and are seeking a Systems Development Officer to direct this project. Responsibilities will include developing plans and specifications for our comprehensive library automation program, evaluating and recommending hardware and software, directing the implementation of specific computer applications, and undertaking or supervising special studies or research related to library automation and information retrieval. The qualified applicant must possess a masters degree in library or information science or an appropriate advanced degree. Must demonstrate knowledge, experience and achievement in library systems development and possess skills in planning, written and oral communications and interpersonal relations. At least 3-5 years experience in an academic or research library is required. We offer a salary commensurate with experience, with a minimum of $40,000. For consideration, please send a letter of application with resume and at least three references, to: Glenn L. Bradvig, Director of Information Resources, Millikan Library, California Institute of Technology, Pasadena, CA 91125. We are an equal opportunity, affirmative action employer.

November 1983 / 405
UNIVERSITY ARCHIVIST. Responsible for the archival records and services of the State University of New York at Albany. Acquires, arranges, describes, preserves, and provides access to the records and papers pertaining to the institutional history and the university community. Promotes use of the collections through programs of instruction and research. Coordinates the SUNYA records management program: advises campus administrators concerning the creation, maintenance and disposition of records and papers and meeting the requirement of laws and regulations in the maintenance and disposition of official records. Reports to the Head of the Special Collections Department. Participates in all work of the department and provides reference services as needed. Library faculty at SUNYA are expected to fulfill faculty obligations in the areas of contributions to the advancement of the profession and university services as well as specific library assignments. Qualifications: MLS from an ALA-accredited library school. One to two years archival experience. Candidate with Ph.D. in subject area may receive preference and if qualified be asked to teach. Ability to communicate effectively with faculty, staff, students, and alumni. Salary and rank commensurate with education and experience: salary from $18,000, depending on qualifications. Send letter of application, current resume, and names of three references, to: Kevin McCarthy, Library Personnel Officer, State University of New York at Albany, 1400 Washington Avenue, Albany, NY 12222. Inquiries should be received by November 30, 1983. State University of New York at Albany is an equal opportunity, affirmative action employer. Applications from women, minorities, and handicapped are especially welcome.

ASSISTANT LIBRARIAN, Cataloging. Responsible for all cataloging and processing and for card catalog supervision. Shares reference work, nights and weekend duties. Requires MLS from ALA-accredited school and at least two years experience, preferably in a college library. Must be familiar with OCLC, AACR2, and LC classification. Starting salary, $12,361-$15,500 plus liberal benefits. Available January, 1984. Send application, resume and names of at least three references by November 30, to: Mary L. Bucher, Chairperson, Library Search Committee, Southworth Library, SUNY Agricultural & Technical College, Canton, NY 13617. AA/EOE.

DIRECTOR OF LIBRARIES. Hope College invites nominations and applications for the position of Director of Libraries. Hope College is a liberal arts college affiliated with the Reformed Church in America and is located in Holland, Michigan, 130 miles from Chicago. The libraries contain about 200,000 volumes; are staffed by 15 persons, 4 professionals; and have an annual budget in excess of $600,000. The libraries are committed to interlibrary cooperation and are active in OCLC, MLC, and regional networking. A major building program is in the early stages of planning. The director is responsible for overall planning, policy making, and coordinating of all library activities including budgeting, personnel, and collection development. Salary: $30,000+. Requirements: MLS from an ALA-accredited institution and an advanced degree (Ph.D preferred) in another discipline; demonstrated skill in creative development and management of resources and in application of current library technology. It is desirable to have experience with reference service and bibliographic instruction. The ability to work effectively with students, faculty, and staff is essential. Consideration of applicants will begin on December 5, 1983. Submit letter of application and interest, curriculum vitae, and three letters of reference, to: Provost David Marker, Hope College, Holland, MI 49423; (616) 392-5111, ext. 2010. An equal opportunity employer.

For more information about these and other new Saur titles, please contact the new American office. All microform titles published by K.G. Saur Verlag, Munich can now be ordered directly from New York.
No more searching through dozens of sources!

**Encyclopedia of Medical Organizations and Agencies**

Gives current data on more than:

- 2,500 National and International Associations
- 1,250 State Associations • 1,500 Federal and State Agencies
- 2,000 Medical and Allied Health Schools
- 225 Foundations • 1,400 Research Centers • 200 Data Bases

780 pages. 10,000 entries. Subject Cross Index. Name Index. Published by Gale, 1983. $125.00. **Available at Gale's 5% Standing Order discount.**

This new all-in-one source book eliminates much tedious research by providing, in one volume, current information on 10,000 medical organizations and agencies.

Entries are arranged in 78 clearly defined chapters, each dealing with one major area of the vast universe of health and medicine.

Topics covered include aging, alternative medicine, biomedical engineering, child abuse, chiropractic, dentistry, dermatology, epidemiology, health statistics, law and medicine, nursing, optometry, pathology, public health, radiology, sexuality, sports medicine, surgery, transplantation, and much more.

Each entry gives, when appropriate: name, address, telephone number, contact person … description of purposes and goals … research, information, and educational activities … services offered and publications issued … areas of special interest.

All Gale books are sent on 60-day approval.
Deduct 5% if you send check with order.
