**THE CLASSIFIED ADS**

**ADVERTISEMENTS**

**Rates:** Classified advertisements are $6.00 per line for ACRL members, $7.60 for others. Late job notices are $14.50 per line for members, $17.00 for others. Organizations submitting ads will be charged according to their membership status.

**Deadline:** Orders for regular classified advertisements must reach the ACRL office on or before the second of the month preceding publication of the issue (e.g., September 2 for the October issue). Late job listings will be accepted on a space-available basis after the second of the month.

**Telephone:** All telephone orders should be confirmed by a written order mailed to ACRL headquarters as soon as possible. Orders should be accompanied by a typed copy of the ad to be used in proofreading. An additional $15 will be charged for ads taken over the phone (except late job notices or display ads).

**Guideline:** For ads which list an application deadline, that date must be no sooner than the 20th day of the month in which the notice appears (e.g., October 20 for the October issue). All job announcements should include a salary figure. Job announcements will be edited to exclude discriminatory references. Applicants should be aware that the ACRL policy is in line with the salary ranking and status of the institutions when assigning faculty status.

**Telephone:** Call (312) 944-6795 for late-breaking job ads for a space-available position. Staffing requirements vary among institutions.

**JOBLINE:** Call (312) 944-6795 for late-breaking job ads for non-print classified ads. Late job notices are $14.50 per line for members, $17.00 for others. Organizations submitting ads will be charged according to their membership status.

**Contact:** Classified Advertising Department, ACRL, American Library Association, 50 E. Huron St., Chicago, IL 60611-2795; phone (312) 280-2513.

**ALA policy requires that organizations recruiting through ALA publications or placement services comply with ALA anti-discrimination policies. Policy 54.3 states that "ALA is committed to equality of opportunity for all library employees and applicants for employment regardless of race, color, creed, sex, age, physical or mental handicap, individual lifestyle or national origin." By advertising through ALA services, the organization agrees to comply with this policy.**

**APPLICATIONS OPEN**

**ACADEMIC LIBRARIAN**

John Carroll University, Catalog Department. Position involves cataloging of books and non-print material, including computer software. Supervises and trains student assistants in charge of barcoding for DRA automation system. Requires MLS and experience in cataloging using OCLC, AACR2, LC classification and subject headings. Experience in implementing DRA automation helpful. This is a faculty position, tenured track. Salary competitive plus usual benefits. Position available fall semester. 1991. Send resume by March 4, 1991, to John Piety, Director, Grasselli Library, John Carroll University, 26700 N. Park Blvd., University Heights, OH 44118.

**ASSOCIATE DIRECTOR FOR COLLECTION DEVELOPMENT**

The University of Illinois Libraries, University of Illinois Library (U-C), 140 West Gregory Drive, Urbana, IL 61801; phone (217) 333-5494. Deadline: March 29, 1991. The University of Illinois is an affirmative action, equal opportunity employer.

**ASIAN STUDIES LIBRARIAN**

The Asian Studies Librarian provides leadership in the development, management, and processing of the 85,000 volumes of the Asian Studies Collection of the Libraries of the Clarenton Colleges. The Asian Studies Librarian recommends to the Assistant Director for Collection Development and is responsible for the administration of the Asian Studies Department of Honnold Library. The department consists of 2 FTE (including the Librarian) and provides strong support in support of the instructional and research programs offered by the Claremont Colleges. Qualifications: Graduate degree from a program accredited by the American Library Association. Demonstrated creativity, initiative, and ability to implement effective public service, technical service, and collection development programs in Asian Studies libraries. Demonstrated ability in the management of library operations, including the supervision of library personnel. Knowledge of current bibliographic control systems and general knowledge of computer applications in libraries. Expert language facility in Chinese or Japanese required and reading knowledge in at least one other major East Asian language preferred. Demonstrated ability to work effectively with students, faculty, and staff at all levels. Preference is given to candidates who have the following qualifications: Strong written and oral communication skills and experience with the development of grant proposals. Evidence of involvement with professional/academic associations at the national and international levels. Evidence of strong academic subject background in Asian Studies or Asian Studies librarianship. Experience with CJK bibliographic software. Salary: $33,500 minimum. Starting salary may be dependent on background and experience. 22 days vacation, TIAACREF, good health and benefits package. Application deadline: Applications received by March 16, 1991, will be considered initially. Send letter of application, full resume, and the names, addresses, and telephone numbers of at least 3 references who are knowledgeable of your qualifications to: Bonnie J. Clemons, Library Director, Claremont Colleges Libraries, 800 Dartmouth, Claremont, CA 91711. An equal opportunity, affirmative action employer.
Serials, Social Sciences and Business, Science and Engineering, Humanities and Behavioral Sciences, and Rare Books and Special Collections. Also works directly with libraries faculty and staff outside the division when they participate in collection development. The 1990-1991 libraries materials budget is $2.3 million. Appointment will be at the level of professor or associate professor, based on experience and qualifications. These qualifications include: master’s degree from an ALA-accredited library education program and second master’s or doctorate required; doctorate preferred; successful and progressively responsible professional experience in an academic or research library, including experience in collection development; record of publication and professional involvement supporting a senior level appointment in a tenure track is preferred; experience with public relations and with computer applications. OCLC cataloging and LCSH is desirable; full-time, 35 hours per week. Salary: $20,580. Applications received by February 15, 1991, will receive first consideration. Applications are advisory only, and ALA has not recommended minimum salaries. For information on librarian salaries, job seekers and employers should consider the ARL Salary Survey (such as the survey in the October 15, 1989, issue of Library Journal, the ARA Survey of Librarian Salaries, the annual ARL Salary Survey, or the annual CUPA Administrative Compensation Survey) when evaluating professional vacancies. For more information, contact the ALA Office for Library Personnel Resources.

**Salary guide**

Listed below are the latest minimum starting figures recommended by state library associations and the North Carolina State Library for Professional Librarians in their states. These recommendations are intended for governmental agencies that employ librarians. The recommendations are advisory only, and ALA has not adopted recommendations for minimum salaries. For information on librarian salaries, job seekers and employers should consider these recommended minimums, as well as other salary surveys (such as the survey in the October 15, 1989, issue of Library Journal, the ARA Survey of Librarian Salaries, the annual ARL Salary Survey, or the annual CUPA Administrative Compensation Survey) when evaluating professional vacancies. For more information, contact the ALA Office for Library Personnel Resources.

*Rather than establish one statewide salary minimum, some state associations have adopted a formula based on such variables as comparable salaries for public school teachers in each community or the grade level of a professional librarian post. In these cases, you may wish to contact the state association for minimum salary information.
CIRCULATION LIBRARIAN. Responsible for the administration of the circulation department including general circulation, reserves, bookstack maintenance, self-service photocopying, and security. Supervises 14 support staff members and approximately 35 student assistants. Circulation operates on the NOTIS system. Qualifications: MLS degree from an ALA-accredited library school or equivalent, knowledge of automated library system, supervisory experience, ability to work with faculty, students, and staff. Preference will be given to applicants with academic library and/or circulation experience. Appointment will be at the Librarian II or III level, depending on experience. Minimum salary, $25,000. Generous fringe benefits, including immediate tuition waiver for self and dependents. Position available immediately. Consideration of applications will begin February 18, 1991. Send letter of application, resume, and names of three references to: Kathleen Sierke, Howard Tilton Memorial Library, Tulane University, New Orleans, LA 70118-5682. Tulane University is an equal opportunity, affirmative action employer.

COLLECTION MANAGEMENT. Thomas Cooper Library, University of South Carolina. Under the Collection Management Officer, responsible for coordinating collection building and assessment in the social sciences (excluding history), and serves as a selector in one or more subject areas. Involved in the formulation and development of collection policies and procedures. Coordinates the efforts of the library faculty selectors in selecting materials and maintaining close liaison with the teaching faculty. Assists in the training and development of selectors, and in the preparation of the library materials budget. Serves as a member of the collection management advisory committee. Participates in the bibliographic instruction program, and has some reference duties. Required: ALA-accredited MLS; undergraduate degree in a social science field; three years experience in an academic library, with some collection development experience; knowledge of current collection issues; organizational ability, human relations skills, and proficiency in oral and written communication. Advanced degree in a social science field and reading knowledge of a modern European language (preferably German) desirable. Salary: $26,000 minimum. Tenure-track position with faculty status. Excellent
ASSISTANT ARCHIVIST

University of Southern California
Arnold Schoenberg Institute

The University of Southern California is looking for a Librarian as Assistant Archivist. Reports to Archivist, Arnold Schoenberg Institute. Assists in providing reference service. Supervises and implements technical processing work in the archives, including cataloging and maintenance of the authority files and shelf lists. Works with automated systems. Assists in the selection, acquisition, and preservation of manuscripts, books and preparation of materials. Assists in research and construction of exhibits of archival materials. Assists in production of the Journal and the Arnold Schoenberg Institute including original research. Assists in training and supervising student assistants.

Qualifications: MLS/ALA-accredited institution and undergraduate degree in music. AACR2 cataloging experience. Fluency in German, familiarity with RLIN or OCLC, knowledge of the literature and repertory of Schoenberg and his era, and two years experience highly desirable.

Salary and Rank: Librarian II-$32,000/Librarian III-$37,900 minimum salary, negotiable depending upon background and experience, plus benefits.

Position open: November 1, 1990, and will remain open until filled.

Apply to:
Gloria J. Donaldson, Personnel Manager
Doheny Memorial Library
Los Angeles, CA 90089-0182

Applicants should submit a letter of application, curriculum vitae, and the names, addresses, and phone numbers of three professional references. Please refer to Assistant Archivist, Position #139, Arnold Schoenberg Institute, on all correspondence.

AA/EEO.
tions and applications should be addressed to: Anne Schneider, Chair, Search Committee for Dean of University Libraries, College of Public Programs, Arizona State University, Tempe, AZ 85287-0803.

DIRECTOR. Dana Medical Library, University of Vermont. Administers all phases of library operations. Develops policies. Coordinates planning for services to College of Medicine, School of Nursing, School of Allied Health, Medical Center Hospital of Vermont and medical community of the region. Required qualifications: ALA-accredited MLS. Minimum of 7 years professional library experience with progressively responsible administrative assignments in health sciences setting. Demonstrated management, leadership, and communication skills. Record of substantial professional achievement. Strong commitment to service and Affirmative Action policies. Desirable qualifications: academic library experience, life sciences background, MLA certification, grant writing experience. Candidates expected to warrant appointment at rank of Library Professor (non-tenure track). Salary $50,000 minimum. Generous benefits. TIAA/CREF (or alternative plan). 22 days annual leave. Position open until filled; priority given to applicants before March 31. Send letter of application, resume, and names of three professional references to: Chair, Dana Search Committee, Bailey/Howe Library, University of Vermont, Burlington, VT 05405. The University is an equal-opportunity educator and employer and specifically invites and encourages applications from women and minorities.

DIRECTOR OF LIBRARY. Albright College. Albright College invites applications for the position of Director of the Library to begin June 1, 1991. Albright is a very competitive liberal arts college with 1,225 students and 82 full-time faculty. The library operates with a budget of more than $850,000, is expanding rapidly, and is in the midst of an ambitious program of renovation and automation. Responsibilities: The Director of the library holds a 12-month administrative appointment, with courtesy faculty title, and reports to the Vice President for Academic Affairs. He/she has overall responsibility for all library services, planning, budget, and personnel. Qualifications: An MLS from an ALA-accredited institution (2nd advanced degree in an academic field preferred); five years academic library experience, with significant management responsibilities, preferably at a liberal arts college; expertise in automated library systems combined with an old fashioned love of books; ability to provide leadership and to work with faculty, students, and staff in a supportive manner to enhance the role of the library in the educational process; commitment to a participatory management style; understanding and sympathy for the philosophy of a liberal arts college. Salary will be competitive and commensurate with qualifications and experience, minimum $37,000. Review of applications will begin March 4, 1991, and will continue until the position is filled. Send letter, vita, and names of three references to: Eugene Lubot, Vice President for Academic Affairs, Albright College, Reading, PA 19612-5234. Albright College seeks to build a diverse community and invites applications from women and minorities. AA/EOE.

HEAD, COPY CATALOGING SECTION
University of Southern California
Doheny Memorial Library

The University of Southern California is seeking a Librarian as Head, Copy Cataloging Section. Reports to Head, Catalog Department. Responsible for hiring, training, supervision, and ongoing review of copy catalogers in the section. Performs original cataloging of English and Western European language monographs (primarily French, German, Italian, and Spanish) using LC Classification schedules, LSCH, and AACR2 rev., following USC cataloging practices.

Qualifications: MLS/ALA-accredited institution; minimum 3-5 years supervisory experience, preferably in a large research library catalog department with demonstrated expertise in using MARC formats, RLIN/OCLC, and local automated systems for cataloging using LC classification, AACR2 rev. and LCSH. Experience in hiring, training, supervising, and reviewing work of copy catalogers.

Rank and Salary: Librarian II-$32,000/Librarian III-$37,900 minimum salary, negotiable depending upon background and experience.

Position open: November 1, 1990, and will remain open until filled.

Apply to:
Gloria J. Donaldson, Personnel Manager
Doheny Memorial Library
University of Southern California
University Park, Los Angeles, CA 90089-0182

Applicants should submit a letter of application, curriculum vitae, and the names, addresses, and telephone numbers of three professional references. Please refer to Head, Copy Cataloging Section, Position #138, Doheny Memorial Library, on all correspondence.

AA/EEO.
GOVERNMENT PUBLICATIONS LIBRARIAN. As a member of library public services area faculty, coordinate collection development, provide reference service and outreach, and administer Missouri state and federal government publications program, bibliographic instruction and organize information programs for the university community, supervise one support staff and student workers, and provide some reference service including evenings and weekends. Owens Library was designated a federal depository in 1982 and has been a U.S. Census Bureau depository and a Missouri State Publications depository since 1972 and 1977, respectively. ALA-accredited MLS required. Minimum of two years documents experience in an academic or research library preferred. Innovative and creative approach to problem solving; ability to work effectively as team member. 12-month tenure-track faculty appointment. Salary from $25,000 dependent on qualifications. Available immediately. Application deadline: preference will be given to applications received by Jan. 31, 1991. Send letter of application, resume, and names and telephone numbers of three references to: Madonna Kennedy, Chair of Search Committee, Owens Library, Northwest Missouri State University, Maryville, MO 64468-6001. EEO employer, Northwest encourages women and minorities to apply.

HEAD, DATABASE MANAGEMENT (position readvertised). Serves as the supervisor of the Database Management Section of the Bibliographic Control Unit in the Technical Services Division. Reports to the Head, Bibliographic Control and oversees a section consisting of 7.5 FTE staff positions and several temporary employees in two functional units—Database Maintenance, which provides online maintenance and quality control of the WSU local online catalog; and Marking, which provides the physical marking of items in the WSU Libraries collections. May also perform original cataloging of monographs and/or serials in a variety of formats. The Washington State University Libraries run a locally developed integrated online system which is part of the university’s database operating on an IBM 3090-300E mainframe. The library system includes an online catalog, circulation, detailed holdings, and a serials control system. The user-friendly interface to the online catalog and the serials control system have been written in a 4th Generation Language (Natural 2). Development is underway to add an acquisitions component to the online system. The Head, Database Management sits on the Database Coordinating and Implementation Committee which oversees development and enhancement to the libraries’ online system. Librarians are appointed as members of the Washington State University faculty and are expected to participate actively in the university’s instructional, research, and service programs. All privileges, obligations, and research responsibilities of faculty are inherent in such membership. Librarians are ranked in grades of 2, 3, and 4, equivalent to the academic ranks of Assistant Professor, Associate Professor, and Professor. A progressive record of professionalscholarly
achieved by at least 75% of all librarians. Required: ALA-accredited MLS or foreign equivalent; professional cataloging experience in an academic or research library, including a substantial component of fully original cataloging; extensive knowledge of national and international standards, including AACR2 and LCSH; experience with a bibliographic utility and familiarity with local online systems. Preferred: Experience in a database maintenance or quality control unit; experience with a variety of formats, subjects, and languages; supervisory experience; demonstrated verbal and written communication skills. Salary: From $25,000; commensurate with qualifications and experience. Rank: Librarian 2 or 3, commensurate with qualifications and experience; full faculty status. Benefits: TIAA/CREF, broad insurance programs, 22 days vacation, 12 days/year sick leave. Application procedures: Send letter of application, resume, and names of three references to: Donna L. McCool, Acting Director of Libraries, Washington State University Libraries, Pullman, WA 99164-5610. Application review begins: March 15, 1991. Washington State University is an equal opportunity, affirmative action educator and employer. Members of ethnic minorities, women, Vietnam era or disabled veterans, persons of disability, and/or persons between the ages of 40-70 are encouraged to apply.

HEAD OF ACCESS SERVICES LIBRARIAN. The University of Texas at San Antonio seeks applicants for a new position responsible for circulation, reserves, and ILL. Reports to Assistant Director for Public Services. Qualifications: ALA-accredited MLS; 4 years professional experience in public service with background in circulation and/or ILL; supervisory experience, strong service orientation. Prefer knowledge of NOTIS and OCLC. Salary: $20,000 minimum, commensurate with experience; liberal benefits; no state income tax. Application: Send letter of application and resume to: Margaret Joseph, Assistant Director for Public Services, University of Texas at San Antonio Library, San Antonio, TX 78285. Applications received by April 1, 1991, receive priority. UTSA is an EEO/AA employer.

HEAD OF GOVERNMENT PUBLICATIONS AND MAPS DEPARTMENT. The Head of the Government Publications and Maps Department reports to the Assistant Director for Public Services and supervises the operations of a department consisting of three full-time professional librarians, and a budget for FY90-91 of $4,750,000. The libraries and programs service units in managing a MARCIVE database of federal publications integrated into the libraries' NOTIS system. The position also serves in the reference desk rotation of the Central Library Reference Department, which provides reference service for the documents collection, and offers specialized documents reference assistance, bibliographic instruction, and online searching as needed. Qualifications: Required: Master's degree from an ALA-accredited library school; working knowledge of GPO materials; two+ years of professional experience in public and/or technical services. Desired: Supervisory experience; experience working with MARCIVE records, especially in a NOTIS environment; a Master's degree in a subject discipline. Employment: Full-time. Non-traditional work week. Location: The University of Texas at Arlington, located in the Dallas-Fort Worth metroplex, has a current enrollment of approximately 25,000 and offers 97 degrees, 22 at the doctoral level. The University Libraries, consisting of the Central Library, the Architecture & Fine Arts Library, and the Science & Technology Library, have 800,000 volumes, 1 million documents, 5,727 serial subscriptions, a staff of 107 including 38 librarians, and a budget for FY90-91 of $4,750,000. The libraries participate in AMIGOS/OCLC, Dialog, BRS, STN, and use the NOTIS automated system and an IBM token-ring local area network. Salary and benefits: $23,650 salary plus $965 in state contributions toward Social Security for an annual minimum of $24,615. Additional state contributions include up to $2,400 annually to health and benefits package, and 8.5 percent of annual salary contributed by the state for optional retirement programs. Applications: Applications should include a resume and the names and addresses of three professional references. Consideration for the position will begin March 4, 1991, and will continue until a satisfactory candidate has been found. Applications should be addressed to Bob Gamble, Chair, Documents Search Committee, the University of Texas at Arlington Libraries, P.O. Box 19497, Arlington, Texas 76019. UTA is an affirmative action, equal opportunity employer.

DIRECTOR
University of Wisconsin-Madison
Wendt Engineering Library

The University of Wisconsin-Madison College of Engineering invites applications for the position of Director, Wendt Engineering Library. Candidates must have an MLS from an ALA-accredited school of library and information studies, with significant scientific/technological subject matter experience; or a degree in engineering, the physical sciences, biotechnology, technological communication, or related field, with 2-3 years experience in professional academic library administration. Minimum salary $41,600.

Position is available beginning July 1, 1991. To receive a full position description or to submit an application, contact:

Associate Dean William Wuerger
College of Engineering
1513 University Avenue
Madison, WI 53706
(608) 262-5726

Applications must be received by February 28, 1991.
University of California, San Diego
The University Library

Invitation to apply for three reference openings

UCSD is an equal opportunity, affirmative action employer and specifically seeks candidates who can make contributions in an environment of cultural and ethnic diversity. The Biomedical Library at the University of California, San Diego, has three exceptional job opportunities in Reference Services as a result of the University of California’s voluntary early retirement incentive program. We are seeking dynamic candidates with initiative and excellent interpersonal and communication skills who enjoy the challenge of applying advanced technology to provide excellent service. The Biomedical Library’s services and collections support the teaching, research, and patient care programs of the School of Medicine and the Department of Biology. The Biomedical Library and its branch Medical Center Library have a collection of over 208,000 volumes with 4,100 current serials and a staff of 37 FTE with 9.5 FTE librarians. The library is fully automated and offers a full range of public services, including a comprehensive instructional program. Integration of new technology into the delivery of services is an important component of the library’s program. Librarians at UCSD are academic appointees and are entitled to 16 hours per month of annual leave and eight hours per month of sick leave. The University has an excellent benefits package.

Reference Librarian (2 positions)
Salary range: Assistant Librarian $28,668 - $36,696. Positions report to Head of Public Services as members of a Reference Services staff of 5.0 FTE librarians. Responsibilities include reference desk services, online searching, instruction, reference rotations at the Medical Center Library, and outreach services. One position will have lead responsibility for coordinating online search services and the other for coordinating reference services. MLS degree required. Additional qualifications such as relevant course work, previous work experience, or computer skills should be highlighted; however, full consideration will be given to recent MLS graduates and librarians without health or life sciences library experience.

Reference/Access Services Librarian
Salary range: Assistant Librarian - Associate Librarian III, $28,668 - $38,496. Reference/Access Services Librarian reports to the Head of Public Services and is responsible for overall management of access services including automated circulation, reserves, interlibrary loan, and document delivery; directs 5 FTE support staff and 5 FTE students; determines access policies in cooperation with other library units; collects and analyzes statistics and prepares reports. Incumbent also serves at the reference desk and participates in online searching, instruction, reference rotations at the Medical Center Library, and outreach services. Required qualifications include an MLS degree, strong interpersonal skills, demonstrated organizational ability, initiative, and flexibility. Highly desirable are supervisory experience and experience in a health or life sciences library.

For all positions: UCSD librarians, as academic appointees, are expected to participate in librarywide planning and to be active professionally. Consideration of applications will begin on March 8, 1991, and continue until the positions are filled. Submit a letter of application, indicating the positions of interest, and enclose a resume and a list of 3 references to: University of California, San Diego, Janet Tait, Assistant for Academic Personnel, Library, 0175H-1, 9500 Gilman Drive, La Jolla, CA 92037-0175.
FOUR POSITIONS

Ball State University Libraries

Ball State University, located in Muncie, Indiana, is a comprehensive regional university of about 1,000 faculty and 19,000 students. The university libraries consist of a main collection and two branch libraries. Collections total 1.4 million volumes and a large, active media collection. The library system has an online public catalog and provides computerized database searching, including CD-ROM. The following positions are for a twelve-month appointment with 24 days vacation and excellent fringe benefits. Possible tenure-track appointment with faculty rank and status depending on credentials.

Consideration of credentials will begin immediately and will continue until the positions are filled.

Head of Information Services. Responsible for all personnel and activities relating to Reference, Instruction, Government Publications, Maps, Music, and Archives & Special Collections and assists the Assistant Dean for Library Public Services. Provides leadership, development, and evaluation for Information Services units; assists the Assistant Dean for Public Services with planning, publicity, public relations, and special projects; allocates Information Services budgets for student wages and supplies; coordinates and develops internal and external publications about library services. Minimum qualifications: MLS from an ALA-accredited library program or equivalent; library public service management experience at unit/department head level; effective oral and written communication skills. Preferred qualifications: Reference and instruction experience; knowledge of automated systems, particularly NOTIS and CD-ROMs; background in writing for publication, e.g., newsletters, instructional materials, publicity, etc.; second master's degree. Salary: negotiable, $34,000 minimum.

Coordinator of Reference Service. Manages the Reference Service Unit; plans, develops, promotes, and evaluates reference services in the university libraries. Directs all activities of the Reference Service Unit and provides leadership to its personnel; works closely with Coordinator of Library Instruction to develop and provide support for instructional activities; supervises, either directly or indirectly, all unit personnel; responsible for Reference Service budgets for student wages and supplies; initiates, develops, (continued on next page)

LIBRARY DIRECTOR, Beaver College (suburban Philadelphia). Seeking an experienced professional for the leadership and administration of the Atwood Library. Reports to the Academic Vice-President. Required: ALA-accredited MLS. 3-5 years administration and supervision experience, demonstrated skills in building campus involvement with the library, budget and planning skills. Preference to candidates with second graduate degrees; doctoral degree is a plus. Salary range: $40,000-45,000. Position begins approximately July 1, 1991. College enrolls 2,000 students in undergraduate and master's programs. Minority candidates especially encouraged. Send application, resume, and the names of three references by February 20 to: Jean Dowdall, V.P. Academic Administration, Beaver College, Glenside, PA 19038.

LIBRARY INSTRUCTION COORDINATOR, Temple University Libraries. Coordinates library instruction activities throughout the libraries: administers the Library Skills Workbook program (a core curriculum requirement); edits the printed workbook and related computer assisted instruction; organizes and presents course-related instruction; oversees creation of printed library guides; serves on the Library Instruction Committee. Serves 15 hours per week at the general reference and business/government documents desks, plus weekend rotation and occasional evenings. Participates in computerized database searching and reference collection development. Qualifications: ALA-accredited MLS required. Social Science or Humanities background preferred. Minimum two years' professional experience in an academic or research library, including substantial library instruction responsibilities or reference position with secondary or college teaching background. Required: broad knowledge of reference sources and research strategies, strong service orientation, well developed interpersonal skills, and ability to conceptualize and express ideas effectively both orally and in writing. Desirable: online searching experience, working knowledge of microcomputers. Salary: Minimum $25,000 for 10-month appointment; higher depending on qualifications and experience. An additional month may be required for an added 9.6% of annual salary. Fringe benefits include

Access Services Librarian. Manages Interlibrary Loan/Document Delivery Services and assists the Head of Access Services with planning and development of interlibrary loan, document delivery, and electronic mail; oversees and interprets service policies and functions; provides interlibrary loan service to library users and training and review of OCLC searching for unit staff. Minimum qualifications: MLS from an ALA-accredited program or equivalent; reference experience, particularly with automated reference sources; effective oral and written communication skills; supervisory skills. Preferred qualifications: Knowledge of automated systems; second master's degree. Salary: negotiable, $30,000 minimum.

Reference Service Librarian. Helps library users gain access to information through print and computerized sources, instruction in library use, and referrals to other library services. Provides direct reference service to library users from the university and community; shares in reference assignments including evenings, weekends, and academic recesses; teaches classes in use of library resources; prepares bibliographies and aids for library use; searches computerized program or equivalent; effective communication skills. Minimum qualifications: MLS from an ALA-accredited program or equivalent; effective communication skills. Preferred qualifications: Reference experience with automated reference sources; classroom teaching; background in business and legal research; second master's degree. Salary: negotiable, $24,000 minimum.

Application: Send 1) a letter of application, 2) resume, 3) graduate transcripts (unofficial copies acceptable), and 4) a list of three references, including addresses and telephone numbers to:

Nyal Z. Williams, Chairperson
Department of Library Service
Ball State University
Muncie, IN 47306

Ball State University practices equal opportunity in education and employment.

Librarians are expected to meet university tenure and promotion requirements. Twenty-four days of vacation, 11 holidays, TIAA/CREF, and generous benefits.

Applications will be accepted until position is filled, but those received by March 29 will receive first consideration. Send letter of application, resume and the names, addresses, and phone numbers of three current references to:

Jean Purnell, Associate Dean for Public Services
University Libraries
University of the Pacific
Stockton, CA 95211

UOP is an equal opportunity, affirmative action employer.
Kent State University Libraries
(two positions)

Kent State University Libraries and Media Services seeks qualified candidates for two positions which offer opportunities for professional challenge and growth. The University Libraries holds membership in the Association of Research Libraries, the Center for Research Libraries and NEOMARL, a consortium of ten academic and research libraries in northeastern Ohio. Kent State University has fully implemented a NOTIS online system in the main and five branch libraries on the Kent campus, which have a combined collection of over 1.7 million volumes and almost 8,000 active serial subscriptions.

SYSTEMS LIBRARIAN

Reports to Head of Systems. Responsibilities include: support to library staff for the Libraries' integrated automation system (NOTIS), OCLC, and other systems services and products; maintenance of security and system parameters; scheduling of batch programs; installation and testing of software; creating and distributing documentation; troubleshooting; and training. Involves working closely with the University's Computer Services department on operational aspects of the NOTIS system. Qualifications: Required - ALA accredited MLS degree; familiarity with computer systems; and good communication skills. Desired - Previous library experience; knowledge of NOTIS, OCLC, and Innovative Interfaces systems; coursework or experience in computer programming and telecommunications.

REFERENCE LIBRARIAN

Reports to Head of Reference and Information Services. Responsibilities include: participation in all aspects of reference service including service at reference desk, online/CD-ROM database searching, and bibliographic instruction. Provide general reference service with a principal specialization in business and other subject areas as needed. Assist in assessing and improving current service, as well as planning and implementing new service initiatives. Serve as liaison librarian for business in Libraries' collection development program. Qualifications: Required - ALA accredited MLS degree; effective interpersonal and communication skills; flexibility and initiative; and an interest in professional growth. Desired - Reference experience, preferably including online searching and/or bibliographic instruction; strong public service orientation; subject background and/or advanced degree in business.

Salary, Rank and Benefits

Both positions are twelve month, tenure track faculty positions with appointment at the instructor level or above. Incumbent must meet all departmental and university requirements for reappointment, tenure, and promotion. Initial salary and academic rank will be commensurate with education and experience. Minimum salary: $24,445. Benefits include: 20 days vacation per year, life, dental and health insurance, tuition waiver, and other University benefits. Kent State University (enrollment 24,434) is situated on 1,200 rolling acres in the city of Kent, 35 miles south of Cleveland and 11 miles east of Akron.

Application Procedure

Send letter of application, resume, and the names, addresses, and telephone numbers of three current references to: John P. Kerstetter, Interim Personnel Officer, University Libraries and Media Services, Kent State University, Kent, OH 44242. Deadline for applications for both positions is February 28, 1991.

Equal opportunity, affirmative action employer

APPLICATIONS AND NOMINATIONS ARE INVITED FOR THE POST OF LIBRARIAN OF THE FINE ARTS LIBRARY.

Librarian of the Fine Arts Library

Applications and nominations are invited for the post of Librarian of the Fine Arts Library.

Reporting directly to the Roy E. Larsen Librarian of Harvard College, the Librarian is responsible for the leadership and administration of the Fine Arts Library, which consists of four major departments: Book Collections, Visual Collections, the Rubel Asia Research Collection, and the Aga Khan Program of Islamic Architecture. With an operating Budget of close to $1.5 million, printed collections of approximately 240,000 volumes, visual collections of 1,519,314 items, and a staff of 29 FTE, the Fine Arts Library is one of the largest operating units in the University Library System. As a member of senior management of the College Library, the Librarian participates in the formulation and coordination of College Library policy and provides leadership for formulation and implementation of a strong evolving Fine Arts Library program to meet the art information needs of faculty, scholars, students, and art professionals.

Requirements: Earned doctorate in related academic discipline and professional degree in library science preferred; substantial, successful academic/research management experience and a record of involvement and leadership in the profession; expertise in library management including collection development, strategic planning, fiscal management, information technology, personnel, and fundraising; understanding and appreciation of art research utilizing book and non-book visual materials in a university environment; the ability to interact effectively with HCL Department Heads, the Faculty of the Fine Arts Department, the Officers of the Art Museums and a wide range of external contacts including government agencies, foundations, collectors, publishers, etc.

Starting salary $48,000. Anticipated start date July 1991. Screening will begin in January and continue until the position is filled. To apply please send a letter of interest, resume, and names of three references to Hazel Stamps, Personnel Officer, Widener 98, Harvard University, Cambridge, MA 02138. An equal opportunity/affirmative action employer.

136 / C&RL News
Tufts University, Medford, Massachusetts, seeks qualified applicants for two new positions. Reporting to the Assistant Director for Collection Management, these openings are part of a recently implemented collection development and management program. Their purpose is to create, administer, and maintain the library's collections on a subject-specific basis, with full intellectual and fiscal responsibility.

Responsibilities: Administer all science or social science library materials funds with full responsibility for title selection and allocation of individual subject-specific funds. Formulates collection development policies. Represents the library and its policies and procedures to all constituencies. Acts as a liaison with relevant faculties, students, and staff. Participates in the development of policies and procedures through committee work and acts as a resource person for science- or social-science-related collection development and management, both individually and through scheduled meetings and discussions. Conducts serials reviews, collection evaluations, and relocations. Prepares annual materials budget rationale.

Qualifications: An ALA-accredited MLS, or equivalent, is required. Well-developed interpersonal and communication skills are required, as is the ability to work creatively in a rapidly changing environment. An undergraduate degree in one of the social sciences or sciences and previous experience in collection development and management will receive strong preference. The successful candidate will be one who is flexible, diligent, and responsible; who can work with minimum supervision; and who can show initiative. Advanced English fluency—both written and verbal—is essential; one or more foreign languages is desirable.

Appointment will be made commensurate with experience and qualifications. Send letters of application including resume and names and addresses of 3 references to:

Bonnie Naifeh Hill, Chair, Search Committee
Arts and Sciences Library
Tufts University
Medford, MA 02155

Screening for this position will continue until such time as the position is filled.

Tufts University is an equal opportunity, affirmative action employer.
HISTORY OF MEDICINE LIBRARIAN
WITH TEACHING RESPONSIBILITIES (MLS/Ph.D.)

Duke University Medical Center Library

The Duke University Medical Center Library is seeking a curator for the Trent Collection. This position will carry with it an appointment as Lecturer in the History Department and in the projected Josiah Charles Trent Program in the History of Medicine. Responsibilities in the Trent Collection include maintenance of the rare book collection, book selection, preparation of exhibits, reference work, and outreach to the Medical Center and other parts of the Duke University community. Responsibilities to the History Department include teaching one or two courses a year, participation in the intellectual life of the Trent Program, and some scholarly output.

Applicants should have a professional library degree and, preferably, several years experience in an academic library. A Ph.D. is also required, preferably in history of science or history of medicine, although we will consider applicants with degrees in other disciplines whose dissertation work concerned a topic closely related to history of medicine. Above all, Duke is looking for a librarian-scholar committed to making the Trent Collection relevant and useful to the growing community of historians of medicine in Durham-Chapel Hill area. Salary: $35,000-$50,000 per annum. Deadline for applications is 1 April 1991. Send curriculum vitae to:

Peter C. English
Box 3675
Duke University Medical Center
Durham, NC 27710

DOCTORAL FELLOWSHIPS

Indiana University
Library and Information Science

Fellowships to support doctoral students at the School of Library and Information Science at Indiana University are available for individuals admitted to the program beginning the fall 1991 term, and who are United States citizens. Fellowship awards may vary according to academic merit. Applications for the 1991-92 academic year should be received no later than April 15, 1991. Individuals who are interested in fellowship awards to the doctoral program, but who cannot enter the program until after fall 1991, should write to obtain an information packet leading to future application and award consideration.

Research Consultant Fellowship. Applications for the position of Research Consultant are being accepted through April 15, 1991, for a doctoral student to advise librarians in the Indiana University-Bloomington Libraries in the development and implementation of research projects. This individual will report directly to the Dean of University Libraries and be responsible for providing consultative support and guidance to members of the Libraries Faculty at Bloomington. The applicant must meet the requirements for admission to the IU Ph.D. program and must be pursuing the doctorate on a full-time basis. Preference will be given to applicants with a demonstrated record of research experience and/or one complete year of study toward the Ph.D. degree. Experience working in an academic library is also recommended. The recipient will be granted an $8,000 graduate fellowship and expected to consult 12–15 hours a week. Applicants should submit a letter of interest and complete vitae to:

Daniel Callison, Coordinator of the Doctoral Program
School of Library and Information Science
Indiana University
Bloomington, IN 47405
(812) 855-2018
The University of West Florida seeks nominations and applications for two positions.

**Head, Acquisitions/Collection Development (reopened).** Responsibilities: selects, acquires, evaluates current and retrospective monographic titles; monitors and recommends allocation of funds to academic departments; supervises a staff of three paraprofessionals; oversees bibliographic verification and processing of orders; monitors and evaluates approval plan and vendor performance; selects replacement titles and oversees weeding operations as well as gift retention/dispersal; formulates and interprets appropriate policies/procedures; participates in professional development activities as appropriate. The successful candidate will be involved in evaluating, selecting, and implementing an integrated automated library system; processes that translate into many exciting challenges. Qualifications: possession of a California Community College Librarian Credential, or a Master's degree in Library Science or equivalent from an ALA-accredited program; recent, progressive experience in library technical services in an automated environment. Cabrillo College is on the beautiful Pacific coast near Santa Cruz. Salary competitive, commensurate with qualifications and experience; starting salary range: $27,537-$37,844. For information packet/application materials contact: Personnel Department, Cabrillo College, 6500 Soquel Drive, Aptos, CA 95001; (408) 479-6217. All application materials due by 1 March 1991. Employment contingent on funding and Governing Board approval. AA/EEO.

BIBLIOGRAPHER FOR WESTERN EUROPEAN AND INTERNATIONAL LAW. The Harvard Law School Library is seeking a Bibliographer for Western European and International Law, to select materials in those areas and to oversee the development of the collections. Reporting to the Associate Librarian for Collection Services, the bibliographer will select materials for Western Europe and for international and comparative law, and for other civil law jurisdictions if required. The position will also provide reference assistance to users of the foreign and international law collections of the Law School Library. Other duties include chairing the Foreign and International Selection Committee, analyzing current and retrospective collection strengths, and working with library staff and others on problems relating to collection development and the acquisition and receipt of materials. This position has responsibility for monitoring the use of endowments and general income funds for the purchase of materials in its area. The Harvard Law School Library serves an international research community as well as the faculty and students of the School. Its collections include more than 1.5 million books, serials, microforms, and other information sources from most of the world's...
legal jurisdictions. The Library is a member of the Research Libraries Group, the New England Law Library Consortium, and is a tape-loading member of OCLC. The Harvard On-Line Library Information System (HOLLIS) is used for integrated technical processing. Required: Bachelor's degree; reading knowledge of two modern Western European languages, preferably French and German; familiarity with legal materials and legal bibliography; ability to work under pressure in a high volume, collegial environment; excellent written and oral communication skills. Preferred: ALA-accredited MLS; formal training in civil law systems, either through courses in comparative law in an ABA-approved JD program, or through study for a civil law degree; experience in a research library setting working with legal, foreign language, or government documents collections. The position is available immediately. Salary negotiable, depending upon experience; minimum: $35,000. Generous benefits, including professional development support. For full consideration, send letter, resume, and the names of three references by April 15, to: Harry S. Martin III, Librarian, Harvard Law School Library, Langdell Hall, Cambridge, MA 02138. Harvard University is an equal opportunity, affirmative action employer. Women and minorities are encouraged to apply.

BIBLIOGRAPHIC INSTRUCTION/COMPUTER-BASED INSTRUCTION LIBRARIAN. Administer BI Lab, develop and promote computer-based instruction programs, integrate independent and directed laboratory learning tutorials into the instruction program, interpret appropriate learning behaviors for different groups, assist in delivery of reference services, teach sections of library-use courses and provide instruction for end-user searching. ALA-accredited MLS, experience in the development and delivery of library instruction sessions and supporting materials in a variety of formats, significant training or previous experience in development and application of computer-based instruction programs, excellent communication skills, and ability to work effectively with all levels of university clientele. Preferred: Candidates with education or substantial background in Instructional Design and/or Education; $24,000 minimum, depending upon qualifications; competitive benefits. Iowa State offers a positive environment for career growth and challenge. Review of applications will begin March 18, 1991. Submit letter, resume and the names, addresses and telephone numbers of three references to: William K. Black, Assistant Director of Administrative services and Personnel, Iowa State University, 302 Parks Library, Ames, IA 50011-2140. Iowa State University has a strong commitment to equal opportunity and affirmative action. Members of protected classes are strongly encouraged to apply. Iowa State is an equal opportunity, affirmative action employer.

CHEMICAL SCIENCES LIBRARIAN. Case Western Reserve University Library. Under general direction of Assistant Director for Public Services and Collection management, chemical sciences librarian is responsible for a wide range of information services in chemistry, chemical engineering, macromolecular science, materials science, and biochemistry. Responsibilities include collection management and liaison with faculty, general and specialized reference, database searching, and user education. The librarian manages materials funds, coordinates collection development across departments, and participates in traditional and technological reference service in science, engineering, and management disciplines as well as specialized information services to students and faculty in the chemical sciences. Qualifications: Required: MLS from an ALA-accredited program; knowledge of the literature of chemical sciences either from professional experience or extensive course work; commitment to client-centered services; strong interpersonal and communication skills. Preferred: Advanced degree in chemical sciences or related area; minimum two years' reference or collection development experience in research or special library; experience in database searching; ability to conduct library instructional programs; working knowledge of foreign language.
Salary range: $21,980-37,380. Send letter of application, current resume, and the names, addresses and phone numbers of three current references to: Catherine Wells, Chair, Chemical Sciences Librarian Search Committee, Case Western Reserve University, Sears Library, 10900 Euclid Ave, Cleveland, OH 44106. Application review will begin March 20, 1991, and will continue until the position is filled. CWRU is an equal opportunity, affirmative action employer; minorities are encouraged to apply.

HEAD, SERIALS, ACQUISITIONS AND BINDERY LIBRARY. O'Neill Library, Boston College. This position is responsible for planning, developing and administering the ongoing procurement, receipt and processing of serials and monographs. Supervises a staff of eighteen in three units (serials, acquisitions, and bindery), and reports to the Assistant University Librarian for Systems and Technical Services. Monitors an acquisitions budget of two million dollars as well as a bindery allocation of $120,000. Will be involved with strategic and operational planning for enhanced library services and future technology, working with colleagues from other departments and library units. Opportunity for participation in the Boston Library Consortium's cooperative programs as well as professional activity on a national level. Boston College is a coeducational Jesuit University with 14,000 students and a number of outstanding graduate and professional programs. With over 1.2 million volumes and a staff of 135, the University Libraries are recognized leaders in utilizing information technology to enhance services. Among these technologies, the O'Neill Library uses the NOTIS, OCLC, and Faxon SC-10 systems, as well as university-wide procurement systems developed at Boston College. Qualifications: ALA-accredited MLS and at least 5 years of academic research library experience, including budget management and supervisory responsibilities. A working background in serials and acquisitions using automated library systems is required. Commitment to a participative, “hands-on” management style, combined with the ability to analyze and creatively address the challenges intrinsic to acquisitions, serial, and bindery management in a large academic library. Excellent interpersonal and communications skills. Salary from $40,000 depending on qualifications. Benefits include twenty-two days vacation, tuition remission, and a wide range of insurance programs. Applications received before March 22, 1991, will be given first consideration. To apply, send cover letter and resume along with the names and telephone numbers of three references to: Richard Jefferson, Employment Manager, Department of Human Resources, Boston College, Chestnut Hill, MA 02167. An equal opportunity employer.

REFERENCE LIBRARIAN. Join us in the development and delivery of library service for the 1990’s. Responsibilities include general reference, bibliographic instruction, and materials selection. Qualifications: ALA-accredited MLS, and the ability to communicate effectively both orally and in writing. Desirable: Study in the physical sciences. Salary: $22,000–$24,000. Excellent fringe benefits, including 22 days of vacation annually. Available: immediately. Application deadline: February 22, 1991. Indiana University Northwest is a 5000 student campus of Indiana University. Its proximity to industrialized population centers, rural areas, and national park land in Indiana, and to Chicago and its environs, provides varied residential, educational, and recreational opportunities. Send resume and the names of three references to: Robert F. Moran, Jr., Director of Library Services, Indiana University Northwest, 3400 Broadway, Gary, IN 46408. An equal opportunity employer.

CLIP Note #8

Managing Student Workers in College Libraries. CLIP Note #7
Compiled by Michael D. Kathman and Jane McGurn Kathman. “Supervisors looking for help in hiring and managing these [student] workers, whether in small or large academic libraries, will find this compilation very useful.” RQ. 1986. 182p. 0-8389-097-4. $17; ACRL member $14.

Mission Statements for College Libraries. CLIP Note #5
Compiled by Larry Hardesty, Jamie Hastreiter, and David Henderson. “The survey is a good one, eliciting answers to questions about why and how libraries developed statements of purpose, or why not...a commendable production...” RQ. 1985. 107p. 0-8389-6944-5. $20; ACRL member $15.

ACRL Approval Plan “PC”
The convenient and cost-saving approval order plan provides automatic priority shipping of ACRL’s new CLIP Notes at a 20% discount to ACRL members (10% to non-members). You may change or cancel your approval order at any time and you do have return privileges. To enroll write to ACRL Approval Plan, ACRL/ALA, 50 E. Huron St., Chicago, IL 60611-2795.
The Ultimate Acquisition Management Tool

EBS announces a software package designed to serve the professional librarian's needs—NOT THE NEEDS OF YOUR VENDOR. EBS LINK isn't just an ordering device or a list of your vendor's inventory; EBS LINK is a management tool that will HELP YOU THROUGHOUT the acquisitions process.

The professional librarian does MORE than order books. We realize that and we created EBS LINK to be an ACQUISITIONS MANAGEMENT TOOL. It keeps track of all your budgets, retrieves information the way you should have it, and helps you to be a more efficient librarian.

Every library can use an extra arm or two in its acquisitions department. EBS LINK can help you make EBS your extra arm.

For information about obtaining EBS LINK at no charge, call:

1-800-899-0290

The Definitive Guide to Artists of the 80s

World Artists 1980–1990 offers in-depth coverage of the art explosion of the 80s in a single, easy-to-use volume. Editor Claude Marks provides clear, concise sketches of some 120 outstanding artists from around the world—including the progenitors of the major styles and movements. Thorough, accurate, and completely up-to-date, World Artists 1980–1990 is the definitive guide to the art and artists of the decade.

The Key Figures of Postmodern Art

Presenting insightful biographies of such major figures as Anselm Kiefer, Julian Schnabel, Jeff Koons, Sandro Chia, Susan Rothenberg, Francesco Clemente, and Keith Haring, World Artists also covers lesser-known but equally important artists like Julien Alberts, John Dawson, Ana Mendieta, and Richard Miller.

The Ultimate Biographical Dictionary

The articles in World Artists interweave biography, critical commentary, and anecdote as they accurately trace each artist's career and identify associations and events that have helped shape their work. Each article is followed by a list of major solo and group exhibitions; a listing of collections of the artist's work; and a bibliography of critical evaluation that includes show catalogs, articles, and books.

Order Today!

An outstanding compendium of the postmodern art scene. World Artists 1980–1990 meets the needs of students, scholars, art lovers, and gallery and museum lovers alike.
