You’ve got a fine reference section. And a reputation for good service. But because you’re good, you may have a problem: more literature searches than there’s time to do.

That’s the time to ask *ISI*® Search Service for help.

*ISI* search specialists are experts at taking your topic—almost any topic in science or the social sciences—and developing a strategy of literature searching that provides a maximum of information in minimum time. And they’re backed up by the entire line of *ISI* services designed to find what you’re after—whether it was published 10 years or 10 days ago. They also have at their fingertips a variety of indexes and references from sources outside *ISI*.

When searches pile up because there’s no time to do them, just give an *ISI* search specialist a call (215/923-3300) or mail in the coupon below. For only $25 per hour (two-hour minimum), your professional, custom-tailored searches will be quickly underway.
