For extra convenience in using Choice ... 

With the first issue of Volume 5 (March 1968), CHOICE began an additional service long requested by subscribers — CHOICE Reviews-on-Cards. If you were not among the service's charter subscribers, you may want to consider it now.

Reviews-on-Cards can make your acquisitions system as versatile as you like. They make it easy to separate and distribute reviews simultaneously to other librarians and faculty (no more tearing up magazines or waiting forever for circulating copies to return). They save clerical steps in ordering and checking holdings (ample space for notations on both sides). They are a cataloging aid, and they are easy to locate in your desiderata file. You will find dozens of uses for them.

As CHOICE goes to press, all reviews are reprinted on 3 x 5 cards. Each is identified by subject and issue date. Collated in the order followed in the magazine, they are boxed and mailed to you via Fourth Class mail, Special Handling. You should receive them within three weeks after your regular issue of CHOICE.

A year's subscription to Reviews-on-Cards (available only to CHOICE magazine subscribers) costs $110.00. With current publication of approximately 6,500 reviews per year, the cost of the card service is only 1.7c per review.
