Classified Ads

Career opportunities from across the country

Deadline: Orders for regular classified advertisements must reach the ACRL office on or before the second of the month preceding publication of the issue (e.g., September 2 for the October issue). Should this date fall on a weekend or holiday, ads will be accepted on the next business day. Late job listings will be accepted on a space-available basis after the second of the month.

Rates: Classified advertisements are $10.15 per line for institutions that are ACRL members, $12.25 for others. Late job notices are $23.50 per line for institutions that are ACRL members, $28.50 for others. Organizations submitting ads will be charged according to their membership status. Display ad rates range from $470 to $870 based upon size. Please call for sizes and rates. Or see our Web site: http://www.ala.org/acrl/advert2.html.

Guidelines: For ads that list an application deadline, we suggest that date be no sooner than the 20th day of the month in which the notice appears (e.g., October 20 for the October issue). All job announcements should include a salary range per policy of the American Library Association (ALA). Job announcements will be edited to exclude discriminatory references. Applicants should be aware that the terms faculty rank and status vary in meaning among institutions.

Internet: C&RL News classified ads are accessible on the Web at http://www.ala.org/acrl/crnwes2.html. Ads will be placed approximately four weeks before the printed edition of C&RL News is published.

Contact: Elise Parker, Classified Advertising Manager, C&RL News Classified Advertising Department, ACRL, American Library Association, 50 E. Huron St., Chicago, IL 60611-2795; (312) 280-2513; fax: (312) 280-7663 or (312) 280-2520; e-mail: crlnewsads@ala.org.

Policy: ALA policy requires that organizations recruiting through ALA publications or placement services comply with ALA anti-discrimination policies. Policy 54.3 states that “ALA is committed to equality of opportunity for all library employees or applicants for employment, regardless of race, color, creed, sex, age, physical or mental handicap, individual lifestyle, or national origin.” By advertising through ALA services, the organization agrees to comply with this policy.

## POSITIONS OPEN

**ASSISTANT PROFESSOR/REFERENCE/WEB SERVICES LIBRARIAN.** Mississippi State University Libraries seeks a motivated, service-oriented, and technologically proficient librarian to fill the position of Assistant Professor/Reference/Web Service Librarian. This position is a tenure-track position and is currently one of a team of six faculty reporting to the Reference Services Coordinator. Mitchell Memorial Library has a highly collaborative environment where excellence in job performance, scholarship, and service are valued. Qualifications: MLS degree from an ALA-accredited graduate program; ability to design and maintain the Reference Department’s Web presence; experience in broad-based information access/reference tools, primarily the use of electronically accessible database systems; ability to teach using designated methods of library instruction; familiarity with print resources; participation in activities related to the criteria for promotion and tenure; effective written and verbal communication skills; a strong service orientation; and documented successful experience working in an academic library reference department. An additional subject master’s degree and expertise in a second language preferred. The successful candidate will be responsible for scheduled hours at the general reference/information access desk (including some nights and weekends); delivery of information using electronic and print resources; subject bibliographer and outreach responsibilities; and documented successful experience working in an academic library reference department. The candidate for the responsibilities above, to: Debra Fairbrother, Administrative Assistant to the Dean, University Libraries, P.O. Box 5408, Mississippi State, MS 39762. Mississippi State University Libraries is an equal opportunity, affirmative action employer.

**ASSOCIATE DEAN FOR PUBLIC SERVICES.** The Mississippi State University Libraries seeks an experienced librarian and administrator to provide dynamic leadership in a position as Associate Dean for Public Services. This is a tenure-track position at the Associate Professor level. Qualifications: MLS degree from an ALA-accredited program is required. The successful candidate should have evidence of a strong commitment to public services; substantial library experience in progressively more responsible positions; demonstrated knowledge of reference and research issues and trends; understanding of teaching methods and instructional design; effective supervisory experience; demonstrated initiative in program development; demonstrated ability to work well with a diverse user community; ability to facilitate change; and strong analytical and decision-making skills; and credentials to qualify for tenure as an associate professor in the University Libraries. Ten years of successful and documented experience in the

HEAD OF ACCESS SERVICES
Dartmouth College Library

Working at Dartmouth means joining an institution with a strong commitment to libraries. New digital library developments provide an opportunity for creative leadership in Access Services. A high quality of life, an interesting mix of graduate, professional, and undergraduate programs, and a diverse student body make Dartmouth an outstanding place to work.

Are you interested in applying your leadership skills to create next-generation library patron services? Bring your vision and talent to Dartmouth. Reporting to the Associate Librarian of the College, the Head of Access Services leads the library's development and application of new technologies to empower library users.

The successful candidate will work within a collaborative and team environment to bring leadership to the management and strategic development of circulation, reserve, resource sharing, and remote storage facility services. A relevant graduate or professional degree is required, with a minimum of three to five years of related experience, including management and supervisory experience in a large ILL/Document Delivery or Circulation/Reserve operation preferred. Demonstrated project management or team leadership skills, strong commitment to customer service, and experience with integrated library system software are required. In addition, applicants must demonstrate commitment to diversity and to serving the needs of diverse populations.

Review of applications will begin on April 15, 2002, and will continue until the position is filled. Please submit résumé and letter of application to:

Search Committee for Head of Access Services
c/o Mary Ann Mousley
Dartmouth College Library
6025 Baker-Berry Library
Hanover, NH 03755

related institutions and systems in Delaware, Maryland, New Jersey, Pennsylvania, West Virginia, and other states. PALINET is headquartered in Philadelphia with 14 staff and has a regional office in Pittsburgh with seven staff. Revenues exceed $15 million. PALINET is an OCLC-affiliated regional network. The successful candidate should possess demonstrated leadership and management abilities and excellent written and verbal communication skills; experience in libraries or other information-related organizations; the ability to serve as a strong advocate for the interests and needs of information-service organizations; the ability to engage in outreach to members and potential members; the ability to build consensus and coalitions; the ability to work collegially with the organization's managers and staff, board members, and other network directors; knowledge of issues of licensing, intellectual property, and copyright; and experience with fiscal and budgetary operations and human resources policies and procedures. Qualifications include a master's degree or an earned doctorate in a relevant field, with an MLS from an ALA-accredited program strongly preferred. Salary is $90,000 minimum, commensurate with qualifications and experience. Excellent benefits include TIAA-CREF. PALINET is an equal opportunity employer. The Board of Trustees requests that a letter of interest, a resume or curriculum vitae, and the names, addresses, and telephone numbers of three references be submitted to: Judith Lin Hunt, President, Board of Trustees, c/o PALINET, 3401 Market Street, Suite 262, Philadelphia, PA 19104. Review of applications will begin on April 25, 2002, although applications will be accepted until the position is filled. Nominations and inquiries are welcome. Contact Judith Lin Hunt at: (973) 655-4301; orhuntj@montclair.edu. Further information about PALINET can be found at: http://www.palinet.org.

HEAD OF BIBLIOGRAPHIC MANAGEMENT
The University of Dayton, a Catholic and Marianist, Carnegie Doctoral-Intensive University, seeks an enthusiastic and team-oriented librarian to head the Bibliographic Management Department. This individual will provide innovative, service-oriented leadership for the Cataloging and Material Preparation Units. The head reports to the Dean of Libraries and Information Services, is a member of the Library Leadership Team, and supervises one FTE librarian, four FTE support staff, and numerous students. The library is actively involved in a variety of cooperative cataloging programs and is a founding member of OhioLINK. Responsibilities: Manage cataloging and material preparation units, including cataloging, authority control, database maintenance, and material preparation activities; establish departmental goals and objectives in relation to library strategic directions; establish cataloging priorities consistent with client-service expectations; supervise staff in their training, evaluation, and development; develop cataloging policies for both new and existing formats in consultation with other affected units; provide leadership and expertise for projects involving metadata for digital objects; maintain awareness of current trends and developments in the profession; review and coordinate adherence to cataloging standards and policies; perform collection development and liaison duties in one or more subject areas. Required Qualifications: ALA-accredited MLS or equivalent; professional cataloging experience (minimum 5 years) in an academic library, including original cataloging, using AACR2, LCRI, MARC formats, LC classification, and LCSH; proficiency with computer technology, OCLC, and the cataloging component of an integrated library system; knowledge of cataloging standards for digital formats; familiarity with established and emerging metadata standards; ability to work with a variety of modern languages, especially European; excellent communication skills; analytical, organizational, and effective leadership skills; knowledge of emerging trends in libraries and higher education. A strong service orientation and the ability to work in a collegial manner with other departments are essential. Preferred Qualifications: Supervisory experience managing cataloging operations in an academic library; experience with innovative interfaces, Inc., and with a consortial library environment; material preservation and preparation procedures, and MARC authority control; demonstrated ability to work with culturally diverse populations. The position is a full-time (35 hours), 12-month,
WEB LIBRARIAN

WESTERN MICHIGAN UNIVERSITY

POSITION: Western Michigan University Libraries invites applications and nominations for the position of Web Librarian. Reporting to the Assistant Dean for Library Systems and Technology, this position offers an exciting opportunity to lead and coordinate the development of the library Web site.

RESPONSIBILITIES: The Web Librarian takes a leadership role in the development and maintenance of a continually evolving Web presence. Designs, develops, and manages the site to deliver information to serve the students, faculty, and staff of the University and to further its research and teaching goals. As head of the Library Web Office, the Web Librarian sets priorities and manages the work of a Web Developer, a part-time Web technician, and student employees. Chairs the Libraries' Web group, a body of librarians and staff involved in Web development, building consensus for site improvements, refining Web policies, setting priorities, establishing ongoing usability testing, and providing a vision for future Web projects. Provides training and support for content authors throughout the library. The position interfaces with other library departments and has a commitment to acquiring knowledge of the Voyager system. The Web Librarian serves on library or university committees as appropriate.

QUALIFICATIONS: Required: ALA-accredited MLS; two years' relevant experience in an academic/research library or research setting; demonstrated effective management, supervisory and organizational skills, including the ability to plan, organize, and implement projects; and the ability to work effectively with diverse constituents. Must have a thorough understanding of research and teaching activities and knowledge of how information is organized, accessed, and used; strong public service orientation; and an understanding of the needs of academic library users. A minimum of one year of demonstrated experience with the design, development, and management of Web sites and emerging trends in Web technology. Proven experience with Web authoring and development tools such as Dreamweaver, CSS, Fireworks, Flash, and Photoshop. Demonstrated ability to initiate, organize, and set priorities in a team environment. Excellent interpersonal and diplomacy skills as well as successful technical project management skills are important. Excellent oral and written communication skills, including documentation of procedures is required. Preferred: Second graduate degree; Webmaster certification or site design certification; experience conducting Web usability studies.

APPOINTMENT AND COMPENSATION: Full-time, 12-month, tenure-track appointment. Faculty rank, status, privileges, and responsibilities. Minimum of $42,500 for Assistant Professor and $52,500 for Associate Professor plus generous benefits. Rank and salary commensurate with qualifications and experience.

PROCEDURES: Send letter, résumé, and the names and phone numbers of three references to:

Regina E. Buckner
Director Operational Services
Waldo Library
Western Michigan University
Kalamazoo, MI 49008-5353

Applications received by April 30, 2002, will receive first consideration. Review will continue until the position is filled.

WMU is a dynamic and growing Carnegie Doctoral/Research Extensive University with 27 doctoral programs and enrollment of 28,000 students, 25 percent at the graduate level. Located less than three hours from Chicago and Detroit, Kalamazoo offers rich cultural and recreational activities and is situated in the fastest growing part of the state.

WMU is an equal opportunity, affirmative action employer that encourages qualified women and members of minority groups to apply.
REFERENCE SERVICES COORDINATOR

Johns Hopkins University (Reopened Search)

Johns Hopkins University seeks an experienced, service-oriented librarian to coordinate and lead the reference services program in the Milton S. Eisenhower Library, which uses the Brandeis model of reference service. Includes managing the two key reference service points; being responsible for the selection of print and electronic reference materials; hiring, training, and supervising approximately 86 hours of students and support staff; scheduling and evaluating 12 librarians and implementing new methods of providing electronic reference.

The Sheridan Libraries are strongly committed to diversity. A strategic goal of the Libraries is to “work toward achieving diversity when recruiting new and promoting existing staff.”

REQUIRED QUALIFICATIONS: MLS from an ALA-accredited library school with a minimum of three years’ experience in a library; demonstrated commitment to well-run service desks; supervisory experience; administrative skills; self-starter with ability to initiate, innovate, and solve problems creatively; knowledge of and experience with a wide variety of print and electronic resources.

PREFERRED QUALIFICATIONS: Ability to create Web sites and pages, experience with obtaining user feedback, and ability to conduct training sessions.

For a more detailed job description and position qualifications and to apply online, please go to: http://library.jhu.edu; send résumé, indicating job # SCRA3467 on cover letter, via e-mail to: jhu@alexus.com; fax: (877) 262-0646; or mail to:

JHU Resume Processing Center
P. O. Box 3687
Scranton, PA 18505

Approximate starting salary range $46,290–$59,000. We offer excellent benefits, including tuition remission, in a smoke-free/drug-free environment.

Affirmative action, equal opportunity employer.

telephone numbers, and addresses (including e-mail, if possible) of the free references. Send applications by mail or e-mail (in Microsoft Word) to: Fred Jenkins, University of Dayton Libraries, Room 105F, 300 College Park, Dayton, OH 45469-1360; (937) 229-4272; e-mail: Fred.Jenkins@notes.udayton.edu. For more information about the University of Dayton and its libraries, visit: http://www.udayton.edu/ and http://library.udayton.edu. The University of Dayton, a comprehensive Catholic university founded by the Society of Mary in 1850, is an affirmative action, equal opportunity employer. Women, minorities, individuals with disabilities, and veterans are encouraged to apply. The University of Dayton is firmly committed to the principle of diversity.

HEAD OF TECHNICAL SERVICES. Lynchburg College Library seeks a talented and dynamic librarian as Head of Technical Services. In addition to exercising oversight responsibility for all areas of technical services (acquisitions, binding, cataloging, microforms, processing, and serials), the Head catalogs library and archival materials in all formats. Supervises and trains technical services staff; troubleshoots library hardware and software problems; participates in the provision of reference and information services; and works with Information Technology and Resources on library-related technology issues. Required Qualifications: MLS from an ALA-accredited program; five years of experience in technical services with knowledge of or experience in multiple areas; knowledge of MARC format, OCLC, and Library of Congress classification system and subject headings; knowledge of integrated systems such as EpixTech; ability to balance multiple responsibilities simultaneously; excellent communication skills. Preferred Qualification: Technical services and reference experience in an academic library. To Apply: Please submit cover letter, résumé, and names of three references to: Lynchburg College, Attn: Personnel Services, 1501 Lakeside Drive, Lynchburg, VA 24501; fax: (434) 544-8658; or e-mail: Personnel@lynchburg.edu. Position available June 1, 2002. Equal opportunity employer.

HEALTH SCIENCES LIBRARIAN. Southeastern Louisiana University seeks an experienced and enthusiastic professional to work as a Health Sciences Librarian in the School of Nursing Baton Rouge Campus Library and Sims Memorial Library. The Library is a member of LOUIS, a statewide network of academic libraries utilizing SIRSI’s Unicorn software to provide access to OPACs, indexes, and databases. Qualifications: ALA-accredited MLS; two years’ professional library experience; working knowledge of Health Sciences literature and information management; substantial experience with microcomputer applications, the Internet and reference databases, such as CINAHL and MEDLINE, experience in bibliographic instruction. Must be team oriented, flexible and able to work both independently and collaboratively. Preference will be given to candidates with the following: Degree in Health or Life Sciences; professional experience in Health Sciences Library; supervisory experience. Duties: Oversees daily operations of the Baton Rouge Nursing Library (BRNL); provides reference and instruction services to students and faculty at BRNL, and instruction as needed at the Hammond campus; works closely with Nursing faculty and Sims Library faculty to develop and maintain BRNL collections and services; provides formal and informal instruction in the use of the library’s print and electronic resources and in research methods; supervises graduate assistants and/or student workers. This tenure-track position is at the Department Head level, and reports to the Assistant Director for User Services. Application materials must be received by April 30, 2002. Send letter of application and résumé, three letters of recommendation, and copies of all transcripts (original required upon employment) to: Eric Johnson, Chair, Health Sciences Search Committee, Sims Memorial Library, SLU 10896, Hammond, LA 70402. SLU is an AA/ADA/EEO employer.

INSTRUCTIONAL SERVICES LIBRARIAN. Available: May 2002. Job Description: Responsible for providing instruction to library users, developing electronic and print instructional resources such as tutorials and handouts, planning and coordinating the participation of other librarians in the instruction program; participating in reference, performing some collection development duties, working collaboratively with others in planning and decision-making processes for the whole library. UNDERGRADUATE INSTRUCTION AND SERVICES LIBRARIAN
University of California, Berkeley

Assistant/Associate Librarian: $37,920–$52,620 per annum, based upon qualifications.

The University of California, Berkeley seeks an energetic and creative librarian to serve as a team member of the Teaching Library, a department devoted to instructing students in the effective use of information resources and research methodologies. The incumbent will participate in various teaching and outreach activities in the library and other campus contexts. A central responsibility of this position will be to lead the development of Web-based resources and tools that support instructional programs and reference services in the Doe/Moffitt Library.

RESPONSIBILITIES: Under the general direction of the Head of Instructional Services, the successful candidate will participate in designing and facilitating library-related instruction for Berkeley’s diverse student population. Teaching responsibilities include providing course-integrated instruction, general walk-in sessions, and faculty and staff workshops, as well as individual research and term paper consultation. Along with classroom instruction, the incumbent will provide regular reference services at the public service desks in the Doe/Moffitt Libraries. A central part of the incumbent’s role in the Teaching Library will be to lead the review and development of existing and new Web resources related to library instruction, information literacy, and reference services.

REQUIRED QUALIFICATIONS: MLIS from an ALA-accredited institution, or equivalent degree; familiarity with the concepts, goals, and methods of information literacy and library instruction gained through recent coursework or experience (other substantial classroom instruction experience may also be considered). The candidate should also have significant training or experience in providing reference service, including a broad knowledge of both print and online information sources, and a familiarity with the challenges of working with a large and diverse library clientele. Experience or training related to Web design and Web authoring is highly desirable. Experience in developing online library resources such as tutorials, surveys, and guides is also highly desirable. Candidate must have excellent analytical, interpersonal, and communication skills, show evidence of both professional initiative and flexibility, and demonstrate the ability to work effectively and collegially with a diverse population of faculty, students, and staff.

The successful candidate must have excellent analytical, organizational, and communication skills, a strong commitment to excellence in service, and the ability to work independently as well as collaboratively in a complex, changing environment.

See http://www.lib.berkeley.edu/LHRD/librec.html for complete job description and requirements.

DEADLINE FOR APPLICATIONS: April 30, 2002.

TO APPLY: Send cover letter, résumé, and names and contact information of three professional references to:

Barbara Kornstein
Library Human Resources Department
447 Doe Library
University of California
Berkeley, CA 94720-6000
Fax: (510) 642-8675
E-mail: librec@library.berkeley.edu

The University of California is an equal opportunity, affirmative action employer.
HEAD, ACQUISITIONS AND GIFTS

George Mason University
(Search Extended)

The Head, Acquisitions and Gifts provides leadership for and administration of centralized acquisitions and donations for the four constituent libraries of the University Libraries system and also coordinates acquisitions control and activities with the School of Law Library. Researches, proposes, and implements new and improved methods for acquiring, receiving, and paying for research materials in all formats. Provides leadership for an active gifts program, working closely with the Heads of Collection Development and Preservation and Special Collections and Archives. Manages research materials budget of $4.35 million (approximately 19% of which is devoted to electronic resources and 38% to monographs). Directly supervises 5.5 FTE (including a gifts coordinator). Position reports to the Associate University Librarian for RCMS. Recent MLS recipients are encouraged to apply since there is a possibility of hiring at entry-level for this frontline management position.

QUALIFICATIONS

Required:
• ALA-accredited MLS degree, or recognized foreign equivalent.
• Familiarity with acquisitions operations in an academic environment, or other similarly large or complex library setting.
• Familiarity with other technical services functions (cataloging and serials control).
• Familiarity with MARC formats, OCLC, automated library systems, and spreadsheet software.
• Effective organizational, communication, and interpersonal skills.
• Strong service orientation and commitment to professional growth.
• Collegial orientation.

Desired:
• Supervisory experience.
• Experience with Voyager Endeavor.
• Experience with acquisitions, MARC formats, OCLC, automated library systems, and spreadsheet software.
• Familiarity with EDI and embedded order technology.

APPOINTMENTS/BENEFITS

Professional faculty appointment. Salary is competitive and commensurate with qualifications. Excellent benefits: many health plan options and fully paid life insurance; several retirement plans, including TIAA-CREF (the university contributes approximately 10% of salary to such plans); 24 vacation days and 11 paid holidays; tuition waiver for self.

APPLICATION:

Review of applications will begin April 29, 2002, and continue until position is filled.

Send letter of application, résumé, and names, addresses (including e-mail), and phone numbers of three current references to:

Chair, Head, Acquisitions and Gifts Search Committee
Library Administration, MSN 2FL
George Mason University
Fairfax, VA 22030-4444

SALARY: $37,920–$76,860 per annum, based upon qualifications.  

The Librarian for the Korean Collection reports to the Director of the East Asian Library. The incumbent develops and maintains the Korean language collection, evaluates and selects Korean language materials in all formats, provides in-depth reference and consultation service on Korean Studies, and conducts bibliographic instructions for faculty, students, and other users. The incumbent actively participates in the development of electronic information resources and services to support the teaching and research programs on campus. Performs original cataloging in all formats for Korean language materials, serves as library liaison for Korean studies faculty and students on campus, and represents the Library in regional, national, and international cooperative programs or special projects on Korean materials. Professional contributions beyond the primary job (e.g., publications, active participation in University and professional organizations, and other research and creative activity) are required for advancement within the Librarian series. Candidates must show evidence of such contributions or capacity to make such contributions if appointed at the assistant rank.  

QUALIFICATIONS: MLS from an ALA-accredited institution or equivalent degree; expert knowledge of the Korean language including the ability to read and process Korean materials written in classical Chinese (Hanmun); substantial subject background in scholarship on Korea and East Asia; knowledge of Korean book publishing and book trade; knowledge of AACR2, LCRI, LC classification, LCSH, and USMARC formats; knowledge of library applications of computer technology and electronic information resources. The incumbent must have a strong commitment to excellence in service and demonstrated ability to work independently as well as collaboratively in a complex, changing environment. He or she must have excellent analytical, interpersonal, and communication skills and demonstrate initiative and flexibility.  

DESIRABLE: Previous work experience in a research library; additional advanced degree in a Korean studies subject area; working knowledge of Chinese or Japanese. For a complete job description and requirements, see: http://www.lib.berkeley.edu/LHRD/librec.html.  

TO APPLY: Send cover letter, résumé, and names and contact information of three professional references to:  

Barbara Kornstein

ASSISTANT UNIVERSITY LIBRARIAN FOR INFORMATION TECHNOLOGY AND PUBLIC SERVICES
University of Pittsburgh

This senior-level administrative position reports directly to the Hillman University Librarian and is responsible for leading the technology and public services initiatives of the library system. Directly supervises the library's information technology and public services in 14 departments, encompassing 34 librarians and 42 staff in 11 locations, with administrative responsibility for Information Systems, Digital Research Library, Hillman Library Public Services units, and all departmental libraries.

RESPONSIBILITIES
- Setting direction for the library systems' information technology environment and services, and ensuring that programs, services, and infrastructure are responsive to the academic needs of faculty and students of the University of Pittsburgh.
- Developing strategic goals and objectives; facilitating interaction and communication throughout the library system.
- Developing proposals and overseeing the management of information technology budgets and expenditures.
- Encouraging creative development in digital and information technology initiatives.
- Working with managers and supervisors to establish unit goals and set priorities.
- Providing leadership in library planning by serving as a member of the library's Senior Management Team and on the Administrative Council; serving on universitywide committees; and being active professionally in associations, committees, etc.
- Providing leadership and facilitation of ongoing analysis and assessment initiatives.

MINIMUM QUALIFICATIONS
MLS from an ALA-accredited program; minimum of five years of substantial management, supervisory, and budget experience in increasingly responsible positions, some of which has been in an academic library; experience in public services or information technology in a research library or university or equivalent experience; a record of successful implementation and management of emerging technologies; knowledge of information technology trends and applications, and of scholarly communication patterns; clear understanding of the variety of public services functions and knowledge of best practices and current trends in the provision of information services; demonstrated ability to work effectively with staff, colleagues, faculty, and students; excellent interpersonal skills, both written and oral; strong analytical skills; capacity to thrive in an environment of change and to foster that capacity in others; strong record of professional and scholarly activity. Preference will be given to candidates who can demonstrate the capacity for exercising leadership on a national and international scale.

SALARY/BENEFITS
Salary commensurate with experience. Comprehensive benefits package including 23 vacation days per year; medical; TIAA-CREF, Vanguard; and tuition assistance.

TO APPLY
Submit letter of application and résumé with the names, addresses, and phone numbers of three references to:

William Gentz, Personnel Librarian
271 Hillman Library
University of Pittsburgh
Pittsburgh, PA 15260

Review of applications will begin April 15, 2002, and continue until position is filled.

DEAN, LEARNING RESOURCES
University of Guam

REQUIRED QUALIFICATIONS: ALA-accredited Master's; five years of relevant administrative and supervisory experience and instruction in an academic library of comparable size using current technological and telecommunications applications, including formulation and enforcement of library policies, budget management, and community relations; excellent oral, written, and interpersonal communication skills; record of research and publications; service oriented; and successful experience with securing and administering external funding through grants and/or private contributions.

PREFERRED QUALIFICATIONS: An earned doctorate in any field from an accredited institution; proven ability to articulate and implement an imaginative, flexible vision that incorporates an understanding of the changing scholarly use of information resources and services; experience in an academic library environment with innovative technologies and Internet telecommunications capabilities; and experience working with multicultural populations.

Salary will be commensurate with qualifications and experience. Three-year initial contract. Range from $64,256 to $78,167 per annum. Twelve-month appointment. If hired off-island, some travel expenses will be provided.

Complete application shall include a cover letter detailing reasons for interest in this position and a statement of qualifications, current curriculum vitae or résumé including names, telephone numbers, and e-mail addresses (if available) of three references, unofficial copies of undergraduate and graduate-degree transcripts, three original, confidential letters of reference or placement file, and a Government of Guam application form. Short listed candidates will be required to submit official graduate transcripts sent directly from the awarding institution(s). Submit documents to:

Thomas Hodge
Chair, LR-Dean Search Committee
c/o Human Resources Office
University of Guam
UOG Station
Mangilao, Guam 96923

For further information, please e-mail: thodge@guam.uog.edu; or call: (671) 735-2314.

To ensure full consideration, all required documents must be received no later than April 30, 2002, 5:00 p.m. Review of applications will begin on April 15, 2002.

For further information about the University of Guam, visit our Web site at: http://www.uog.edu/hro.

Affirmative action, equal opportunity employer.

provide reference services in a broad range of subject areas; graduate course work dealing with advanced reference topics. Desired: An earned subject master's degree in addition to the MLS (required for tenure-track appointment as assistant professor or higher rank); a reference internship, practicum, or other reference work experience in an academic or research library; working knowledge of, or experience with, instructional and/or presentation software; library/bibliographic instruction employment experience, teaching experience, or course work dealing with classroom instructional techniques and theories; academic, public, or special library work experience; working knowledge of one or more modern foreign languages. Salary: Instructor $30,000 minimum, Assistant Professor $32,000 minimum, with competitive benefits.

Screening Begins: May 15, 2002, and continues until filled. Send letter of application, résumé addressing specific job qualifications, copies of transcripts, and names and contact information for three professional references to: Vickie Salonen, Reference Search Committee, South Dakota State University Library, Box 2115, Brookings, SD 57007-1096; e-mail: vickie_salonen@sdstate.edu. More information about the library may be obtained at: www3.sdstate.edu/academics/library.

REFERENCE LIBRARIAN-HEALTH SCIENCES. Provide reference assistance, curriculum-based BI, collection development, produce instructional materials and guides, participate in information literacy program; other projects and duties as needed. Required: ALA-accredited MLS; three to five years' post-MLS reference experience and instructional experience; strong service orientation; 30 additional graduate credits or second master's, preferably in health sciences. Position is a tenure-track faculty position at the Instructor or Assistant Professor rank. Excellent benefits including 44 days' leave, calendar recesses, release time; 10-month contract. Send letter of interest, indicating position desired, and c.v. to: Terri Campo, Long Island University, 1 University Plaza, Brooklyn, NY 11201-8423. Long Island University (LIU) is the eighth largest private university in the United States. It is recognized for strength in the liberal arts and sciences, health sciences, and library and information science, including a Ph.D. program in the latter. The Brooklyn Campus is located within easy access of Manhattan. It enrolls more than 10,000 students pursuing undergraduate and graduate degrees in the various colleges: Arts and Science, Pharmacy and Health Sciences, Education, Health Professions, Nursing, Business and Public Administration. The library, with a staff of 42, including 21 librarians, houses 250,000 volumes, 2,400 periodical subscriptions, and a collection of 24,000 AV resources. It provides 55 bibliographic databases for end-user searching. LIU is an equal opportunity, affirmative action employer.

SOCIAL SCIENCES CATALOGING LIBRARIAN. Western Kentucky University, Department of Library Automation and Technical Services, invites applicants for the position of Social Sciences Catalog Librarian. This is a tenure-track faculty position, which reports to the Head of the Department of Library Automation and Technical Services. For information about our library, see our Web site at: http://www.wku.edu/library/. Responsibilities: Original cataloging and complex copy cataloging of materials in a variety of formats in the social sciences, political science, law, military science, maps and atlases, and some foreign languages.
FEDERAL DOCUMENTS LIBRARIAN
University of California, Berkeley

Associate Librarian/Librarian: $60,132–$76,860 per annum, based upon qualifications.

The University of California, Berkeley seeks a dynamic librarian with energy, experience, and enthusiasm to serve as the U.S. Federal Documents librarian. The position is one of three Government Information Librarians in the Research, Reference and Collections Department within the Doe/Moffitt Libraries, the primary libraries for humanities, social sciences, and undergraduate services on the Berkeley campus.

RESPONSIBILITIES: The Federal Documents Librarian selects, acquires, and manages print and electronic publications from government organizations for the Library and identifies reliable resources on the Internet for cataloging. The librarian monitors and ensures compliance of the library's Federal Depository Program, and initiates and manages purchase plans including approval plans and standing orders.

The Federal Documents Librarian is expected to be an active participant in user outreach and reference, including regularly scheduled general reference hours at one of the facility's public service desks, Research Advisory Service, and research consultations with faculty and graduate students. The incumbent is expected to contribute to the librarywide planning process through participation in library and campus committees, etc., as appropriate. This position reports to the Head, Doe/Moffitt Research, Reference, and Collections.

REQUIRED QUALIFICATIONS: An MLIS from an ALA-accredited institution, or equivalent degree; minimum of four years' experience; strong knowledge of U.S. Federal government documents in multiple formats, including print, microform, CD-ROM, and data sets; reference experience using print and electronic government resources. Must have excellent analytical, interpersonal, and communication skills, and show both initiative and flexibility. Must also be able to work effectively with a diverse population of faculty, staff, student, and community members. The candidate should possess a working knowledge of current and emerging technological developments including Web page authoring and their practical application to enhance user services. Must show evidence of commitment to educating users and promoting information literacy.

For complete job description and requirements, see: http://www.lib.berkeley.edu/LHRD/librec.html.

TO APPLY: Send cover letter, résumé, and names and contact information of three professional references to:

MUSIC LIBRARIAN
University of Michigan

DESCRIPTION: The University of Michigan seeks a creative, service-oriented Music Librarian. This position participates in providing reference and research support to library users. Duties will also include selection of new material in jazz, improvisation studies, popular music, musical theatre, and ethnomusicology. For a complete position description, please see: http://www.lib.umich.edu/libhome/humarres/vac-music.htm.

REQUIREMENTS: ALA-accredited MLS; undergraduate degree in music; bibliographic knowledge of at least one Western European language; effective oral and written communication skills; clear understanding of issues related to music librarianship; demonstrated ability to work effectively with culturally diverse faculty, staff, and student populations.

UNIVERSITY/COMMUNITY: The Music Library supports the teaching and research interests of the School of Music and of the larger University of Michigan community. The School of Music, one of the oldest and largest in the country, has approximately 150 faculty and over 1,000 students from all 50 states and almost two dozen countries. Ann Arbor is a small, vibrant city of tree-lined streets, cafés, bookshops, and restaurants. It offers many recreational, cultural, and entertainment opportunities, good public schools, and a rich musical life including nationally known jazz, folk, and rock clubs, as well as the internationally recognized University Musical Society performing arts series.

APPOINTMENT: Rank is anticipated at the Assistant or Associate Librarian level. Final rank will be dependent on the candidate's experience and qualifications.

BENEFITS: As a professional appointment in the University of Michigan, University Library, this position offers full benefits and opportunities for professional development and travel, and participates fully in faculty governance.

DEADLINE: Applications received by April 30, 2002, will be given priority.

APPLICATION: Send cover letter, curriculum vita, and references to:
Lucy Cohen
404 Hatcher Graduate Library North
University of Michigan
Ann Arbor, MI 48109-1205

For further information, please call: (734) 764-2546, Monday through Friday, 8:00 a.m.—5:00 p.m. ET.

The University of Michigan is a nondiscriminatory, affirmative action employer.

Late Job Listings

HEAD OF TECHNICAL SERVICES. Oregon State University (OSU) Libraries seeks a highly motivated, experienced, and creative librarian to lead the Technical Services Department. This is an exciting opportunity to work with a dynamic group of library
GERMANIC CATALOGER
University of California, Berkeley
Original Cataloging Division, Technical Services. Associate Librarian/Librarian.

SALARY: $56,256-$70,500 per annum, depending upon qualifications.

Under the general supervision of the Head of Original Cataloging, the Germanic Cataloger is responsible for original cataloging of monographs in German, other Germanic languages and Germanic studies. As needed, perform original cataloging of monographs in other Western European languages and other disciplines in the humanities and social sciences. Original cataloging is governed by the Anglo-American Cataloging Rules (2nd edition, 1998 revision) as interpreted by the Library of Congress; classified using the Library of Congress Classification scheme; and assigned subject access using the LC subject headings. Records are given full USMARC tagging by the cataloger. When necessary, catalogers upgrade incomplete records, adding subject headings, classification and other data as necessary. Members of the division contribute original BIBCO records as part of the LC Program on Cooperative Cataloging and may create name authority records according to the MARC21 authority format. As a participant in the LC Program on Cooperative Cataloging, the incumbent will contribute original name authority records to the NACO program.

UCB librarians are expected to participate in librarywide planning and governance, to be able to work comfortably in a shared decision-making environment, and to be active professionally. Professional contributions beyond the primary responsibilities (e.g., active participation in university and professional settings, publication or other research and creative activity) are required for advancement in the Librarian series. The successful candidate will show promise or evidence of such contributions.

QUALIFICATIONS: MLIS from an ALA-accredited institution, or equivalent degree; knowledge of German, Germanic languages and Germanic studies; knowledge of AACR2 (2nd edition, 1998 revision), Library of Congress classification system, LC subject headings, and USMARC coding; demonstrated experience working with OCLC and RLIN online systems; excellent oral and written communication skills; ability to work well with a diverse group of people; excellent analytical, interpersonal, and communication skills; demonstrated ability to work independently as well as collaboratively in a complex, changing environment.

DESIRABLE: Knowledge of other Western European languages.

Participation
SERIALS CATALOGER
University of California, Berkeley
Original Cataloging Division, Technical Services. University of California, Berkeley. Associate Librarian/Librarian.

SALARY: $56,256–$70,500 per annum, depending on qualifications.

Under the general supervision of the Head of Original Cataloging, the Serials Cataloger is responsible for original cataloging of serials, electronic resources, and media. All original cataloging is performed according to the Anglo-American Cataloging Rules (2nd edition, 1998 revision) as interpreted by the Library of Congress, following CONSER guidelines, classified using the LC Classification scheme, and provided subject access using the LC subject headings. Records are given full MARC tagging. When necessary, catalogers upgrade incomplete records, adding subject headings, classification, and other data as necessary. Members of the division contribute original BIBCO records as part of the LC Program on Cooperative Cataloging and create, as necessary, name authority records according to the MARC21 authority format. As a participant in the LC Program on Cooperative Cataloging, the incumbent will contribute original name authority records to the NACO program. The Serials Cataloger serves as the UC Berkeley Library cataloging liaison to the California Digital Library Shared Cataloging Program.

UCB librarians are expected to participate in librarywide planning and governance, to be able to work comfortably in a shared decision-making environment, and to be active professionally.

QUALIFICATIONS: MLIS from an ALA-accredited institution, or equivalent degree; a minimum of five years' experience performing original cataloging of serial publications in an academic environment; experience with original cataloging of electronic resources and media; working knowledge of the Anglo-American Cataloging Rules (2nd edition, 1998 revision), the Library of Congress Rule Interpretations, CONSER Editing Guide, the Library of Congress classification system, the Library of Congress subject headings, and MARC coding; experience with online cataloging utilities such as OCLC and RLIN; familiarity with several western European languages.

Candidate must have a strong commitment to excellence in service and demonstrated ability to work independently as well as collaboratively in a complex, changing academic environment. Must have excellent analytical, interpersonal, and communication skills, initiative, and flexibility.

For complete job description and requirements, see: http://www.lib.berkeley.edu/LHRD/librec.html.

in professional and scholarly activities is expected. Preferred: Working knowledge of one or more foreign languages; experience with an automated serials module; basic knowledge of metadata standards (e.g., Dublin Core) and mark-up languages (e.g., HTML, XML). Salary: Low- to mid-$40s. Benefits: TIAA-CREF pension plan; medical and dental plans available; tuition benefits; 22 days' vacation per year. Status: Faculty status, non-tenure-track appointment. Deadline: Review of applications will begin June 3, 2002. The position will remain open until filled. General Information: The University of Denver, founded in 1864, enrolls approximately 9,300 students in its undergraduate, graduate, and professional programs. It is in the midst of a $350 million campus improvement program. The university is situated in a residential neighborhood of Denver, a vibrant and diverse city situated at the foot of the Rocky Mountains. The city has a robust economy.
The George Washington University, Mt. Vernon Campus announces a search for a full-time Reference Librarian.

APPOINTMENT RANK AND SALARY: Appointment at the rank of Librarian I. Minimum salary: $38,000. Salary based on qualifications and experience.

LOCATION: Eckles Library, http://www.gwu.edu/gelman/eckles, serving the Mt. Vernon Campus community, is located on a 23-acre wooded campus in the Foxhall Road area of northwest Washington, D.C., next to historic residential Georgetown and 15 minutes by shuttle from the university's main campus at Foggy Bottom. The university is served by three libraries comprising the integrated Gelman Library System (Eckles, the Virginia Campus Library, and Gelman Library, the university's main library) as well as two separate libraries for law and medicine. Eckles serves a growing undergraduate residential campus, home to a branch of the University's Honors Program, the Women's Leadership Program, and scores of undergraduate courses in the arts and sciences. Areas of academic strength for the campus include art history, interior design, literature, political science, women's history, and contemporary issues.

POSITION DESCRIPTION: Provides remote reference services to the GWU community; develops Web-based and traditional instructional guides; collaborates with GLS Reference and Instruction department to ensure consistent instructional services; provides reference and instruction services in a broad range of subject areas in a highly electronic environment; serves as collection development librarian and faculty liaison for selected academic programs; contributes to overall effort to achieve the mission of the Library System; covers Eckles circulation desk as needed; serves on library and University committees. Work schedule normally Monday through Friday; some evenings and weekends required. Reports to Head, Eckles Library.

QUALIFICATIONS REQUIRED: ALA-accredited MLS; experience creating or editing Web pages; excellent oral and written communication skills; strong public service orientation; commitment to user-centered public services; ability to work independently and collegially in a changing environment; evidence of understanding key issues, ideas, and trends in reference and user education; knowledge of print and electronic reference resources and the Internet/Web; commitment to learn and use emerging technologies in the provision of library services and development of collections; ability to apply systems thinking in solving problems and decision-making; flexibility in adapting to change.

DESIRABLE QUALIFICATIONS: Reference and instruction experience in an academic library; experience in the preparation of instructional materials.

APPLICATION PROCEDURE: Review of applications will begin on April 30, 2002, and continue until the position is filled. Please send a letter of application, current résumé, and the names and addresses of three references to:

Emma Mosby, Manager
GLS Administrative Services
The George Washington University
The Melvin Gelman Library
2130 H Street, N.W., Room 201
Washington, DC 20052

The George Washington University is an equal opportunity, affirmative action employer.

anchored by tourism, high technology, great shopping, and a lively nightlife. Denver is the gateway to the playgrounds of the mountains and recreational activities in abundance all year round. The climate is temperate and healthful, with little humidity and lots of sunshine. To Apply: Please submit a letter of application and a current résumé, including the names, addresses, phone numbers, and e-mail addresses of three current references to: Toni Miller, Office of the Dean, Penrose Library, University of Denver, 2150 E. Evans Avenue, Denver, CO 80208-2007. The University of Denver is committed to enhancing the diversity of its faculty and staff and encourages applications particularly from women, minorities, people with disabilities, and veterans.
INFORMATION SERVICES LIBRARIAN
(TWO POSITIONS)

Georgia Institute of Technology

The Georgia Tech Library and Information Center invites energetic, flexible, and innovative professionals to join the Information Services Department, delivering client-centered library services to the academic community. The Library and Information Center (www.library.gatech.edu), a member of the Association of Research Libraries, is central to the Institute’s curricular and research programs. The Georgia Institute of Technology, with nearly 20,000 faculty, students, and staff, is one of the nation’s outstanding universities and a leading center for research and technological development, with nationally recognized programs in science and engineering.

RESPONSIBILITIES: The Information Services Librarian proactively and responsively plans, delivers, and promotes information services for faculty and students in Engineering and/or Computer Science. The Librarian develops and delivers curriculum-integrated instruction, performs collection development, and will also deliver information services in an Information Commons to open in August 2002. Some evening and weekend hours are required.

QUALIFICATIONS: Required: ALA-accredited MLS; strong commitment to outreach service; effective communication and presentation skills; ability to work independently and as a team member, and to assess and shift priorities in a demanding and rapidly changing environment. Strongly Preferred: Academic background and/or experience delivering information services in engineering, computing, or the sciences; and demonstrated leadership abilities.

SALARY AND BENEFITS: Salary is competitive and based on qualifications and experience. Minimum salary is $38,000. Appointments will be made at the entry level or higher depending on credentials. Librarians are members of the general faculty and are non-tenured. Georgia Tech offers a comprehensive benefits package, which includes 21 days’ vacation, 11 paid holidays, 12 days’ sick leave, health and dental insurance options, and retirement options including TIAA-CREF. Relocation allowance. The benefits package can be viewed at: http://www.ohr.gatech.edu/benefits/facben.html.

APPLICATION PROCESS: Applications will be reviewed upon receipt and will be accepted until the positions are filled. Employment is contingent on proof of the legal right to work in the United States. Send letter of application, résumé, and names, addresses, phone numbers and e-mail addresses of five references to:

Sharon West
Personnel Administrator
Library and Information Center
Georgia Institute of Technology
Atlanta, GA 30332-0900

Georgia Tech is an equal employment opportunity institution.

Making the Grade:
Academic Libraries and Student Success
Maurie Caitlin Kelly, Andrea Kross, editors

Useful analyses that look at the many factors that can impact student success, such as technological capability, diversity, and information literacy. With practical examples of programs, policies, and projects designed to increase the success and retention of students.

$18.00, ACRL member $16.00; 150 p.; 0-8389-8177-1, 2002
