("Internet Reviews" continued from page 1127)

The site includes extensive information on scholarships, grants, and internships for women in sports-related fields as well as a "Career Center" with articles on career opportunities and a searchable database of sports business and administration programs.

The design is very effective, with a good mix of substantive text, images, and snippets such as inspirational quotes and women's sports trivia. This site will be a valuable resource for research on issues related to women and sports, for students in any sports-related field, and for athletes, coaches, and administrators.—Lori Robare, University of Oregon, lrobare@oregon.uoregon.edu
