**Salary guide**

Listed below are the latest minimum starting figures recommended by state library associations and the North Carolina State Library for Professional library posts in these states. These recommendations are intended for governmental agencies that employ librarians. The recommendations are advisory only, and ALA has not adopted recommendations for minimum salaries. For information on librarian salaries, job seekers and employers should consider these recommended minimums, as well as other salary surveys (such as the survey in the October 15, 1989, issue of Library Journal, the ALA Survey of Librarian Salaries, the annual ARL Salary Survey, or the annual CUPA Administrative Compensation Survey) when evaluating professional vacancies. For more information, contact the ALA Office for Library Personnel Resources.

Connecticut $31,273
Delaware $22,500+
Illinois $27,400+
Indiana varies*
Iowa $24,533
Louisiana $22,000
Maine varies*
Massachusetts $27,554*
New Jersey $33,188
New York varies*
North Carolina $27,641+
Ohio $25,198+
Pennsylvania $26,400
Rhode Island $29,800
South Carolina varies*
South Dakota $22,000
Texas $28,000
Vermont $26,464
West Virginia $22,000
Wisconsin $32,240

*Rather than establish one statewide salary minimum, some state associations have adopted a formula based on such variables as comparable salaries for public school teachers in each community or the grade level of a professional librarian post. In these cases, you may wish to contact the state association for minimum salary information.

+Salary minimums for public librarians only.

#Option for local formula.
LIBRARY DIRECTOR

Stanford University Business Library

The Stanford University Graduate School of Business seeks a Library Director for the J. Hugh Jackson Library, one of five independent Coordinate Libraries at Stanford. The Jackson Library Director has primary responsibility for providing services to the faculty, students and staff of the Graduate School of Business and manages a collection of over 4,000 active serial titles, 1 million corporate reports, and 450,000 monographs. The Rosenberg Corporate Research Center, located on the library’s first floor, contains the latest electronic business information resources and a comprehensive reference collection of financial services, directories, and statistical sources. There are over 100 public and staff computers within the library’s 45,000-square-foot facility.

In this position, you will manage the 38 (29.9 FTE) staff who provide both public and technical library services, including specialized reference and research services for the Graduate School of Business community. You will define library goals, develop strategies, and set priorities in support of the School’s research and teaching mission. This appointment also entails serving on the School’s Information Resources Management Team and working closely with faculty and departmental managers.

This opportunity requires an effective leader with a Master’s in Library Science or equivalent combination of training and work experience. An MBA degree or an advanced degree in Economics or Finance is desired. Demonstrated successful experience in working with business, economics, and social sciences literature and its organization in either an academic or business library are required. Effective planning, supervisory and management skills, experience with current technology and information systems, familiarity with online business databases, and strong communication and project management skills are essential.

Please send a cover letter, a complete statement of qualifications, a full resume, and the names and addresses of three references to:

Search Committee “C”

Columbia University is an affirmative action/equal opportunity employer.

ASSISTANT INTERNATIONAL AND FOREIGN LAW LIBRARIAN

Edward Bennett Williams Law Library
Georgetown University Law Center

The Edward Bennett Williams Library, with its collection of over 900,000 volumes and a staff of 70, is one of the country's premier legal research institutions, supporting an outstanding law school faculty and student body. The Georgetown University Law Center has an established reputation for quality programs in international and foreign law, and the International and Foreign Law Department of the Library is responsible for developing collections and providing reference and research support for these programs.

ASSISTANT INTERNATIONAL AND FOREIGN LAW LIBRARIAN

The Library seeks a librarian to provide reference service to students, faculty, researchers and other library patrons in their use of the international, foreign, and comparative law collections, including some teaching activity as requested in support of the curriculum. This position also selects foreign, comparative, and international legal and non-legal materials for addition to the collection and participates in collection development activities with a total book budget of over 3 million dollars. This position reports directly to the International and Foreign Law Librarian, and is responsible for hiring, training, and supervision of one support staff and several student assistants, and the day-to-day management of the department.

REQUIRED QUALIFICATIONS: Master's degree from an accredited library school; education or experience in a relevant subject area; reading knowledge of at least one foreign language, preferably Western European; knowledge of the documentation of international organizations, i.e., United Nations, the European Union, World Trade Organization; experience with electronic resources and library systems; demonstrated ability to organize people and projects; excellent verbal and written communication skills.

PREFERRED QUALIFICATIONS: Significant reference experience; knowledge of international and foreign legal resources; familiarity with different legal systems, especially the United States; supervisory experience; proven instructional ability; publications or other evidence of scholarly potential.

SALARY AND BENEFITS: Salary commensurate with experience and qualifications.

For more information about this position and about the Library, visit the Library's website at www.ll.georgetown.edu.

To apply, send a resume and the name of three references to:

Margaret Fry
Associate Law Librarian for Administration
Edward Bennett Williams Library
Georgetown University Law Center
111 G Street N.W.
Washington, D.C. 20001

These materials may also be submitted via e-mail to fry@law.georgetown.edu. We will begin reviewing applications on October 1, 1999.
Under the direction of the Team Leader of the French-Italian-Romanian Cataloging Team, the Senior Cataloger performs complex original cataloging of monographs in French, Italian and several other languages in all formats, and associated local authority work on HOLLIS as well as NACO. Serves as a resource for difficult cataloging questions with emphasis on descriptive cataloging. May review and revise the work of other original catalogers and library assistants. The Senior Cataloger is responsible for keeping up with technological change, including macro creation, participation in web design, etc. Participates in technical services committees and working groups. Assists in development and training related to workflow issues. Responsible for creation of some Series Authority Records for the section. Contributes to team effort by accomplishing related duties as required.

Qualifications: Master’s Degree from an accredited library school or equivalent; advanced knowledge of French; working knowledge of Italian; and the willingness to learn other languages handled by the Team. Three to five years’ complex monographs cataloging experience, preferably in a large research library; advanced knowledge of AACRII international cataloging principles, rules and tools including Library of Congress Rule Interpretations, subject analysis/classification; grasp of recent changes in cataloging practice; familiarity with publishing practices in other countries. Advanced knowledge of OCLC/RLIN; ability to quickly master local practices of subject analysis/classification; a record of competence and productivity in complex bibliographic work; experience with catalog migration. Demonstrated commitment to professional development; ability to work effectively in a collaborative team environment; excellent organizational/interpersonal skills; flexibility and versatility.

Compensation: Harvard University offers a competitive program of benefits. Anticipated salary in the high 40’s.

Available: Immediately. The review of applications will begin immediately and continue until the position is filled.

Interested parties are invited to submit a letter of application addressing position qualifications (please note requisition number), resume, and the names, addresses, telephone and fax numbers of three references to:

In-depth understanding of a wide range of computer hardware, software, and network applications. Knowledge of telecommunications issues. Demonstrated project management skills and successful supervisory experience. Ability to work with library staff to provide a broad level of computing support, including Website and desktop support. Preferred: Administrative experience with two or more of the following platforms: Unix, NT, Novell. Systems experience in an academic library. Experience implementing or supporting the Endeavor integrated library management system. Experience in supporting or supervising support for a computing environment consisting of NT workstations and MS applications.

Loyola University Chicago Library system has over 1.7 million volumes in its 7 libraries and an FY2000 collection budget of over $5 million. The Systems Department provides services to users and staff at five libraries at three campuses in Chicago and one in Rome. The libraries' computing environment includes NT, Novell, Unix platforms and over 250 staff and user NT workstations. The University libraries use Endeavor and coordinate closely with the Loyola Health Sciences and Law Libraries and the University's Information Technologies Division.

SALARY: Commensurate with experience. Benefits include 20 days vacation, tuition benefits, TIAA/CREF, and standard medical/dental plans. Qualified applicants should send a letter of application, resume, and contact information for three references to:

Edward A. Warr
Dean of Libraries
Cudahy Library
6525 N. Sheridan Rd.
Chicago, IL 60626

Review of applications will begin October 20, 1999. Applications will be accepted until position is filled.

Loyola University is an affirmative action, equal opportunity educator/employer.
HEAD, ARTS LIBRARY

The University of California, Santa Barbara

The University of California, Santa Barbara, one of the nine campuses of the University of California system, is seeking a Head of the Arts Library. UCSB is ranked as a category 1 research university by the Carnegie Commission, and is an elected member of the Association of American Universities. The Arts Library, housed in the Music Building, contains the Art and Music collections for the UCSB library system. One of the largest public university art libraries in North America, the art collection numbers over 200,000 volumes and includes print, serial, microform, video, and electronic resources. Special collections within the Arts Library include the renowned Art Exhibition Catalog Collection (86,000 volumes), the Art Auction and Sales Catalog Collection (40,000 volumes), the Art Microforms Collection (an extensive photo archive of over 200 titles), as well as artists’ books and sketchbook facsimile collections. The art collection supports the teaching and research programs in Art History, Studio Art, Archaeology, Architectural History, and the History of Photography. The Arts Library currently has a total of 10 FTE and a number of student assistants.

RESPONSIBILITIES: The Head of the Arts Library reports to the AUL, Information and Research Services and has administrative responsibilities for the operation of the library including personnel, facilities management, resource allocations, space planning and preservation. S/he supervises, trains, and evaluates librarians and support staff in the library. As part of the professional librarian team, s/he has responsibility for reference services, bibliographic instruction, and collection development and management for Art and Art History. The Head of the Arts Library serves as the library liaison to the Art History and Studio Art faculty and students as well as a resource to the Art Museum curatorial staff. The incumbent works with University of California art librarians, regional librarians, and various institutions to create and enhance cooperative services and programs. S/he actively participates in the development of library digital projects for the California Digital Library. S/he promotes effective relationships with campus constituencies, donors, support groups, and the local community. The incumbent serves as a member of the Information Services Group, represents UCSB on the GARLIC Group (Gallery of Art Research Libraries in California), and in other local, regional, and national organizations. S/he participates in library committees and task force groups as appropriate.

QUALIFICATIONS: MLS from an ALA-accredited program. Strong subject background in Art History, Studio Art, Architecture, or related discipline. Significant supervisory experience and excellent management skills, including management of resources and personnel. Experience in collection development, reference and bibliographic instruction. A strong commitment to public service is essential. Excellent oral, written, and interpersonal communication skills. Ability to work effectively with colleagues, faculty, students, and community users in a diverse, multicultural community. Record of professional contribution in areas related to the Arts Library. Demonstrated experience and understanding of facilities management, space planning, conservation and preservation. Commitment to diversity and staff team development. Experience in donor relations, fundraising, or grant writing is highly desirable. Reading knowledge of two Western European languages is also desirable.

HIRING RANGE: $46,344 to $60,636 based on qualifications and experience. Consideration of applications begins November 1, 1999, and continues until the position is filled.

Send resume, and names and addresses of three references to:

Detrice Bankhead
Associate University Librarian, Personnel
Davidson Library
University of California
Santa Barbara, CA 93106

Visit our home page at: http://www.library.ucsb.edu

The University of California is an equal opportunity/affirmative action employer and invites applications from all who meet the stated qualifications.
Social Sciences Librarian

Swarthmore College invites applications and nominations for the position of Social Sciences Librarian. Swarthmore is an extremely selective, private four-year liberal arts institution with about 1350 students and 160 faculty. The College is located in suburban Philadelphia, a region with exceptional higher educational and cultural environments.

The Social Sciences Librarian assumes primary responsibility for research consultation, instructional services, collection development and resource advocacy for the Social Sciences departments including Economics, Political Science, Sociology and Anthropology and Education, and some interdisciplinary programs. Oversees government documents collections and user services including assisting users in the access, manipulation, and analysis of Social Sciences data. As a member of the public services team, works scheduled times at the reference desk, participates in shared management of the public services department and shared responsibility for selection of reference sources including digital sources. Librarians are expected to demonstrate potential for professional growth and creative or scholarly contributions to the profession.

Candidates should have an undergraduate degree and MLS in library and/or information science from an ALA-accredited library school with a concentration in reference services; advanced degree in the Social Sciences or area studies highly preferred. Excellent oral and written communication skills, analytical/problem-solving skills, and interpersonal skills necessary. Proficiency with general computing applications required. Must possess strong service orientation, strong teaching skills and a desire & passion for teaching.

Swarthmore’s McCabe Library and its branch libraries, the Cornell Library of Science & Engineering and the Underhill Music Library, comprise 650,000 volumes and 2400 current serials, with CD-ROM and Internet bibliographic database access. Swarthmore is linked with Bryn Mawr and Haverford Colleges in a consortial library system with an online public access catalog, shared databases, and reciprocal borrowing. There is strong cooperation among the three college libraries with regard to program planning and implementation, automation, and collection sharing.

Consideration of applications will begin on November 1, 1999 with an anticipated starting date of January 2000. Please submit letter and resume, along with the names, addresses, telephone numbers of three references to: College Librarian, McCabe Library, Swarthmore College, 500 College Avenue, Swarthmore, PA 19081. Visit us at: www.swarthmore.edu.

Swarthmore College is an equal opportunity employer committed to excellence through diversity.

CONDUCTS online research for users; serves as faculty liaison; assists with website development; works with systems office to maintain computer applications as appropriate. Qualifications: Required: An MLS from a program accredited by ALA; high interest in sci-tech librarianship; experience with computer and productivity applications; ability to search online and CD-ROM databases; familiarity with Internet technologies and resources; ability to work effectively with students, faculty, and library staff; excellent oral and written communication skills; strong commitment to client-centered service; evidence of, or potential for, professional and/or scholarly activity. Preferred: Educational background in the sciences or engineering; knowledge of science and engineering literature and reference sources; experience with website development tools; basic understanding of computer networks. Library environment: The Science and Engineering Library occupies a new building dedicated solely to library services and designed to accommodate advanced information technology. The library was constructed in 1990 to serve faculty and students in engineering, the sciences, and mathematics. The Library serves approximately 250 faculty and 3,000 graduate and undergraduate students, and current holdings are about 210,000 volumes and 1,500 current periodicals, plus several thousand microforms. The staff consists of three professional librarians, four support staff, and student assistants. The University maintains membership in the Association of Research Libraries, the Center for Research Libraries, the Coalition for Networked Information, SOLINET, and the Network of Alabama Academic Libraries. The Libraries employ the Endeavor Voyager Integrated Library System. The University Libraries occupy a place of campus leadership in the transformation of the scholarly communication system. The Libraries’ website can be accessed at http://www.lib.ua.edu. Salary/benefits: 12-month tenure track appointment at the Instructor or Assistant Professor level, 75% time, salary range is $31,000-$63,580.

REFERENCE LIBRARIAN/CHEMISTRY INFORMATION SPECIALIST, Science and Engineering Library, University of California, San Diego. Announcing an exceptional opportunity in beautiful, sunny San Diego, to join a dynamic library team and work with one of the country’s top chemistry departments. An excellent member of the Science and Engineering Library team, the Chemistry Information Specialist helps design, plan, execute, and evaluate reference, advisory, and instructional programs that select and deliver information in the areas of chemistry, biochemistry, chemical engineering, and chemical aspects of environmental and materials science. Develops and delivers information literacy, teaching and information literacy, teaching and digital learning resources. The incumbent has responsibility for developing campus collections and access to online resources in chemistry, chemical engineering, and related interdisciplinary fields. Serves as an expert in the use of complex chemistry
Wellesley College invites applications for three newly reconfigured Library positions within the Information Services division, a group of approximately 90 staff members responsible for meeting the library and technology resource and service needs of the Wellesley community of students, faculty and staff. Each of the positions provides opportunities to contribute directly to the educational mission of the College through the delivery of outstanding information services. Successful candidates must be committed to working in a collaborative environment and to ongoing learning and professional development. They must also have superior interpersonal and communication skills. These positions were shaped in the course of a Library-wide work redesign, implementation of which has just begun. Wellesley College offers a comprehensive benefits package and salary commensurate with experience.

Research and Instruction Librarian and Group Manager

Provides leadership for the Research and Instruction Group (RIG) of the Wellesley College Library, the group responsible for the planning and delivery of research support and instructional services. Facilitates and performs the work done in the RIG, such as providing reference service, teaching subject-specific and other research skills classes, and creating Web pages to support the information needs of students and faculty. As a member of the Library’s six-person Management Group, undertakes a comprehensive leadership role in such activities as planning, establishing priorities and allocating resources.

Requirements: ALA-accredited MLS; 4-5 years’ increasingly responsible professional experience in providing reference service and library instruction in an academic setting; excellent analytical and teaching skills; demonstrated interest in developing innovative, user-centered forms of service delivery as well as the necessary Web skills; knowledge and experience in collaborative management techniques; superior oral and written communication skills; ability to plan, prioritize, and motivate and coordinate the work of staff; diplomacy, flexibility, ability to work well under pressure; background in the humanities or social sciences. Reading knowledge of at least one foreign language is preferred.

Library Collections Management Subject Specialist

As a member of the Library Collections Management Group, participates in the full range of practices that build, preserve and manage the Library’s collections. Selects materials (in all formats and in specified subject disciplines) for the Library. Serves as the Library’s primary contact with students and faculty in specific departments and programs to ensure that their basic library information and research needs can be sustained through local or remote resources.

Requirements: ALA-accredited MLS or other advanced academic degree (preferably in the social sciences, including psychology) and experience in academic libraries; 3 years’ experience in collection management; exceptional communication, group and analytical skills; ability to work independently and in a collaborative group environment; demonstrated interest in developing innovative, user-centered forms of service delivery; reading knowledge of one or more foreign languages; experience or coursework in qualitative/quantitative research methods desirable; spreadsheet and database management skills.

Science Research and Instruction Librarian (Half-Time Position)

As a member of the Research and Instruction Group, provides reference service and library instruction in science disciplines to all patrons including Wellesley College’s summer program students. Teaches subject-specific and other research skills classes, develops Web pages and other items to enhance library instruction, and performs extended computerized literature searches. Collaborates with other members of the Research and Instruction Group to plan for delivery of new services.

Requirements: ALA-accredited MLS; 1-3 years’ professional experience in a public service setting, preferably with a science research collection; strong background in the sciences; experience in library instruction; demonstrated interest in developing innovative, user-centered forms of service delivery; ability to work independently and in a collaborative group environment; one year+ experience searching online science databases; broad knowledge of science reference materials; basic computer skills, including Web page construction; ability to work well under pressure; adaptability and flexibility in scheduling hours (some nights and weekends required).

Visit the Wellesley College Web Site at www.wellesley.edu. If interested, send cover letter and resume indicating the specific position, salary requirements and the names of 3 professional references to: Human Resources Office, Code: CRLN; Wellesley College, 106 Central Street, Wellesley MA 02481; Email: employment@wellesleycollege.edu; Fax: (781) 283-3663. Applications will be accepted until the position is filled.

Wellesley College is an AA/EEO employer and encourages applications from women, minorities, veterans and candidates with disabilities.

Wellesley College is an AA/EEO employer and encourages applications from women, minorities, veterans and candidates with disabilities.
The Pacific Southwest Regional Medical Library of the National Network of Libraries of Medicine (NLM) at the UCLA Biomedical Library seeks a talented and innovative librarian as Network Services Coordinator. The Coordinator is responsible for planning, budgeting for, monitoring, and evaluating resource sharing and development programs, and communication activities to support health sciences library service within the Region. Supervises the Network Assistant. Resource sharing functions include: serving as regional DOCLINE Coordinator; facilitating serials updating in SERHOLD; coordinating ILL policies and procedures; providing training/assistance in effective use of NLM’s systems; and promoting Loansome Doc service among network libraries. Resource development includes: maintaining a regional database of experts in library-related activities, for referral purposes; coordinating ongoing development of BioSites; encouraging consortia and libraries to submit grant proposals to NLM; coordinating the Network membership program; and fostering networking with non-health sciences library groups. Information communication involves: writing articles for the regional newsletter; producing information sheets, a directory of health sciences libraries, training and other materials, in print and electronic format.

QUALIFICATIONS: Knowledge of resource-sharing activities within the Network; excellent communication/interpersonal skills; thorough knowledge of the Internet and related technological applications; two to three years experience in health sciences libraries. Background will normally include a professional degree from an accredited library and information science graduate program.

SALARY RANGE: $35,568-$53,052.

Anyone wishing to be considered for the position should write to:

Rita A. Scherrei
Associate University Librarian for Administrative Services
Charles E. Young Research Library
UCLA
11334 YRL, Box 951575
Los Angeles, CA 90095-1575

Candidates applying by October 15, 1999, will be given first consideration. For full description of duties and qualifications and application procedures, see website: www.library.ucla.edu/admin/staffserv/openposn.htm.
Williams College is a selective liberal arts college located in the rural northwestern corner of Massachusetts. Nestled in the Berkshires, Williamstown (population 7000) has a lively arts community and plentiful outdoor recreation. The library provides a collaborative environment in which excellent service is emphasized. Collections of 820,000 volumes and 2,400 periodicals.

The library has 37 employees, 12 with MLS.

CATALOG LIBRARIAN

Seeking an individual to catalog materials for the college library, including original and copy cataloging of serials and monographs, in a variety of formats and languages. Responsibilities also include online catalog and database maintenance, retrospective conversion and reclassification projects. The Catalog Librarian will also train catalog assistants, student workers and participate in the formulation of cataloging department policies and procedures. Serving as liaison to one or more academic departments the Catalog Librarian will contribute toward collection development for relevant subject disciplines.

Qualified candidates will have a MLS degree from an ALA accredited library school, experience in a catalog department with print and electronic serials. Knowledge of OCLC, AACR2, MARC formats, automated bibliographic control systems (Innovative Interfaces preferred), and Library of Congress standards, rule interpretations, subject headings and classification schemes, also necessary. Reading knowledge of one or more foreign languages, preferably French, German or Italian required. (JOB # 1456)

HEAD OF ACQUISITIONS AND COLLECTION DEVELOPMENT

Reporting to the College librarian, the Head of Acquisitions and Collection Development is responsible for supervising an acquisitions/serials staff of five and for overseeing the selection, purchase, evaluation, binding, and weeding of all print and non-print materials in Sawyer Library and the science libraries in support of the library’s mission. Serving as chief collection development officer, the Head will manage $1.3 million budget and approval plans and will coordinate the activities of librarians who are liaisons with academic departments. Also will serve as library’s liaison for selected academic departments. Some reference and instruction opportunities are available.

Candidates should possess an ALA accredited MLS degree and a minimum of three years’ experience with collection development and acquisitions in a liberal arts undergraduate environment. Knowledge of budgeting, approval plans, and electronic resources. Successful supervisory experience and expertise with automated acquisitions systems (Innovative preferred). Experience with OCLC/MARC. Prefer reading knowledge of minimum of one foreign language and second language proficiency. (JOB # 1453)

Resume review will begin on October 4, 1999 and continue until position is filled. Please send cover letter with job number and resume to: Employment Manager, 15 Park Street, Williamstown, MA 01267-2114; Phone: (413) 597-2681; Fax: (413) 597-4060; E-mail: hr@williams.edu

EEO/AA/ADA EMPLOYER

C&RL News ■ October 1999

798
HEAD OF REFERENCE AND INSTRUCTION
Carleton College
Laurence McKinley Gould Library

The Laurence McKinley Gould Library is a vibrant center of the intellectual and cultural life of the campus, and serves a significant educational role in a college community committed to excellence in learning and teaching. We seek an experienced, talented and energetic Head of Reference and Instruction to join us in developing an imaginative, student-centered liberal arts college library program. Beginning in the Fall of 2000, we are planning a major expansion of reference and instructional services. A major feature will be an experimental program of information literacy that is completely integrated into the curriculum of the college.

This newly created position represents a unique opportunity to provide creative leadership, working in collaboration with an exceptional group of librarians, faculty, and students, in building a dynamic set of sophisticated information resources and services. As a member of the library’s management team, you will participate in library-wide policymaking, planning, and administration.

Carleton’s library has an outstanding undergraduate collection and a talented staff of 26. Information about the library can be found at http://www.library.carleton.edu. Carleton College is a highly selective, residential, non-sectarian liberal arts college offering degrees in 33 fields of study and seven interdisciplinary programs to 1,850 men and women. Carleton is consistently ranked among the nation’s top liberal arts institutions. It is located in the historic town of Northfield, Minnesota, 45 miles south of Minneapolis and St. Paul.

RESPONSIBILITIES: The Head of Reference and Instruction provides leadership in planning, implementing, and evaluating information services. Works closely with faculty and college administration in defining and achieving the college’s goals for information services and information literacy. Supervises 4 or more reference librarians, participates in teaching both students and faculty. Oversees reference collection development and participates in strengthening and extending a liaison program which, in partnership with colleagues in academic computing, provides a high level of computing and information support to faculty campus-wide.

QUALIFICATIONS: Experience in developing, evaluating, and managing effective programs of reference and instruction. Excellent teaching skills and broad familiarity with reference resources and trends and issues in academic information services. Minimum of 5 years of academic library management experience. Sophisticated supervisory skills, including supervision of librarians; good listener; sensitive and supportive approach to personnel management. Ability to view issues from a library-wide perspective, foster teamwork and esprit de corps, and stimulate cross-functional collaboration. Strong interpersonal skills and ability to formulate ideas clearly in both written and spoken form. ALA-accredited MLS. Strong background in using and in implementing access to a wide range of electronic resources, and a solid grounding in the world of books and scholarship. Demonstrated ability to work effectively with faculty and students in interpreting and advancing the work of the library in support of learning and teaching. Strong experience and skills in evaluating and implementing information technology applications, and in collaborating with academic computing operations in a campus setting. Advanced degree in an academic discipline preferred; college library experience desirable.

Salary and fringe benefits highly competitive. For further information on salary and fringe benefits, contact Bonnie Jean Mork, Director of Human Resources, (507) 646-4175.

To apply, please submit a letter of application and resume, along with the names, addresses, e-mail, and phone numbers of three references. Review of applications will begin October 25, 1999, and continue until the position is filled.

Materials should be sent to:

SOUTHEAST ASIA LIBRARIAN. John M. Echols Collection on Southeast Asia. Cornell University Library. The John M. Echols Collection on Southeast Asia has over 300,000 titles with comprehensive holdings on all the countries of the region, including monographs, periodicals, newspapers, maps, manuscripts, audiovisual media, and computer files. The holdings are in all national languages of the region, as well as Chinese, Japanese, South Asian, and European languages. Responsibilities: This position is designed to assist the curator of the Echols Collection in the overall operation and development of the holdings, and will include extensive opportunities to initiate innovative projects and work with faculty and other staff in developing this national resource. In addition, this librarian will: Provide reference assistance to scholars and students; Select materials in the language(s) of his/her expertise; Act as a liaison to technical services; Represent the collection at library meetings; Act as the collection’s network administrator. Qualifications: MLS from ALA-accredited library school; research-level competence in at least one Southeast Asian language (Indonesian/ Malay preferred); advanced degree in Southeast Asian studies strongly preferred. Excellent verbal/written communication and interpersonal skills; general understanding of both public and technical service operations in a research library. Both bibliographic and cataloging experience preferred. Closing: October 15, 1999, but applications will be accepted until the position is filled. Apply to: Susan Markowitz, Director, Library Human Resources, 201 Olin Library, Cornell University, Ithaca, NY 14853-5301. Include cover letter, current resume or vita, and contact information (name/address/telephone/e-mail). Cornell University is an affirmative action, equal opportunity employer, strongly committed to diversity. We value qualified candidates who can bring to our community a variety of backgrounds and experiences.
The Special Collections of Washington University Libraries in St. Louis is seeking a creative, flexible, and service-oriented individual to serve as Curator of Rare Books. The successful candidate will have strong problem-solving and analytical skills, work well as a member of a team, and communicate effectively. The Special Collections Department is made up of three units (Rare Books, Manuscripts, and University Archives) and is a partner in funding the Program for the Illustrated Book, including a printing studio, with the School of Art. Collaborative efforts with University faculty and involvement with classes using the collections are a high priority; in addition, the successful candidate will participate in planning for a new Special Collections facility. Special Collections houses approximately 50,000 printed volumes of rare books and modern literature, and an extensive collection of manuscripts of more than 75 major British and American writers of the 19th and 20th centuries. The printed collections includes incunabula, Western European imprints in a broad range of subject areas, and British and American literature of the 19th and 20th centuries. The department houses a strong collection on the history of printing and typography, an extensive collection of artists' books and traditional fine press books, and the Philip Mills Arnold Semiology Collection documenting the history of signs and symbols. The URL for the department website is: http://library.wustl.edu/Units/Spec.

RESPONSIBILITIES: The Curator is responsible for the following: Promotes and makes accessible the printed holdings of the Special Collections department through classes, exhibits, and programs, and provides reference service to patrons. Performs original and adaptive cataloging of rare books and other printed materials, and advises on archival and manuscript cataloging. Has collection development responsibilities for areas of the department’s printed collections, and supervises all aspects of circulation, reserve, and security and preservation of the department’s printed collections. Collaborates with department staff and other technical services units to ensure intellectual access to the department holdings, and participates in formulating cataloging policies and procedures for Special Collections. Collaborates with other department and library staff in developing goals, objectives, and plans for the department and library, and helps plan programs and events.

QUALIFICATIONS: MLS from an ALA-accredited school and advanced degree in the humanities strongly preferred; OR, advanced degree in the humanities and significant library experience. Subject expertise in the history of the book desirable. Evidence of written and oral communication skills. Special Collections experience preferred. Reference experience preferred. Cataloging experience preferred. Ability to work with western European and classical languages preferred. Collection development experience desirable. Knowledge of preservation procedures desirable. Salary range: $27,750-$33,000.

For full consideration, applicants should send a letter of application, resume, and the names of three references to:

SYSTEMS LIBRARIAN. American University Library invites applications for a tenure-track Systems Librarian at the rank of Assistant Librarian. The Systems Librarian is a Functional Unit Coordinator, reporting to the University Librarian. Responsibilities: Manage and maintain library computer systems, including Voyager, OCLC, Uniprint, CD-ROM networks, and stand-alone workstations, Novell and Windows NT services, and microcomputers. Provide leadership in planning, developing, and implementing information technology in the library. Responsibilities include installation, evaluation and recommendation of software, hardware, and systems maintenance, documentation, training, and technical and administrative support. Supervise two full-time staff and part-time student assistants. Carry out professional development and service to the University. Serve as liaison to campus Office of Information Technology and systems advisory committee of the Washington Research Library Consortium. Serve on library teams and campus committees. Requirements: ALA-accredited MLS; a minimum of two years related library experience; demonstrate knowledge of computers, networks, library automated systems, and emerging technologies; knowledge of Windows 95, Windows NT, Novell Netware and Unix preferred; excellent organizational and communications skills; ability to balance varied responsibilities, and commitment to service. Potential to meet tenure requirements in performance of primary responsibilities, professional and creative development, and service. Salary: Commensurate with experience and qualifications. Position available immediately. The American University, incorporated in 1893, offers a wide range of undergraduate...
GERMAN LITERATURE REFERENCE-BIBLIOGRAPHER  
(Search Extended)  
Dartmouth College Library  
Hanover, New Hampshire  

The Dartmouth College seeks a dynamic Reference-Bibliographer for the Baker Humanities & Social Sciences Library with subject expertise in German language and literature; potential to deal with Classics desirable.

RESPONSIBILITIES: Reporting to the Humanities & Social Sciences Librarian, works as a member of any information services team providing general and specialized reference services in an innovative and technically sophisticated environment utilizing the Dartmouth Online Catalog, the campus-wide information system (DCIS), Innovative systems, RLIN, and OCLC. Services provided include humanities and social sciences reference, including government documents, to all segments of the Dartmouth community; bibliographic instruction and user education; assisting users with an extensive collection of electronic information resources; consultation with faculty to determine instructional and research interests; collection management and development in German language and literature; may include Classics at a later time.

QUALIFICATIONS: ALA/MLS; graduate degree in German, background in Classics desirable; and minimum of two years post-MLS experience in an academic or special library. The successful candidate will have strong interpersonal skills; ability to work collegially in small group and team environments; commitment to public service and collection management and development; strong reference skills and proficiency in traditional and computer-assisted research; familiarity with use and application of microcomputers in a fully networked campus environment; experience working with electronic texts a plus; knowledge of the resources of German literature.

RANK AND SALARY: Rank and salary commensurate with experience and qualifications, with a minimum salary of $31,500 for Librarian I $34,500 for Librarian II. Full benefits package including 22 vacation days; comprehensive health care; TIAA/CREF; and relocation assistance.

APPLICATION: Applications received by October 30, 1999 will be given first consideration; applications will be considered until the position is filled. Please send resume to:

Cynthia F. Pawlek  
Director of User Services  
115 Baker Library  
Hanover, NH 03755  

Dartmouth College is an AA, EEO, M/F employer. Minority candidates are encouraged to apply.

and graduate programs, many with international focus, to over 11,000 students. Its proximity to centers of politics, justice, world affairs, communication, science, business, and art in Washington, D.C., enhances the learning environment. The University Library serves the University through a collection of over 700,000 volumes, 21 library staff, 52 full-time staff, over 160 student assistants, and a budget of over $6 million. The University Library operates 185 computers in a networked environment. The University is an active member of the Washington Research Library Consortium with a shared Endeavor system that includes an online public catalog and numerous bibliographic databases and full text databases. Review of applications will begin immediately and continue until the position is filled. Send letter of application, resume, names, addresses, and telephone numbers of three references to: Michele Mikkelsen, Library Personnel Officer, American University Library, 4400 Massachusetts Avenue, NW, Washington, DC 20006-8046. The American University is an equal opportunity/affirmative action employer.

USER EDUCATION COORDINATOR. University of Minnesota Libraries-Twin Cities Campus, http://www.lib.umn.edu. The University of Minnesota Libraries invites applications and nominations for the new position of User Education Coordinator to lead the University Libraries' user education initiatives. The University of Minnesota is mounting a strategic effort to improve the undergraduate experience. As a major contributor, the Libraries is creating this position to strengthen its overall instructional efforts, to transition ourselves into a Teaching Library, and to integrate information literacy skills into the University's curriculum. We seek candidates who are leaders, are creative, take initiative, and work successfully in a team environment. Description: The User Education Coordinator will lead and coordinate the development, implementation, and evaluation of creative and effective library instructional programs serving on-campus and distance learners; participate in the development of technology-enhanced learning tools; evaluate library instruction outcomes; coordinate continuing education of staff in pedagogy; develop effective outreach and publicity for instructional programs; collaborate with University and regional partners in curriculum development. Qualifications: Required: ALA-accredited MLS or foreign equivalent; a minimum of two years academic library professional experience planning and implementing instruction programs; experience applying current library instructional theory and practice; experience applying new technologies to library instruction; leadership skills, creativity, initiative; and self-direction; a minimum salary of $42,000 for this position. Excellent benefits and substantial moving allowance. Recruiting schedule: Position available immediately. Review of applications will continue until position is filled.

C&RL News ■ October 1999 / 805
COORDINATOR OF COLLECTION DEVELOPMENT

Mercer University

Mercer University Main Library is seeking a dynamic and talented librarian to join our staff as Coordinator of Collection Development. This position will coordinate public service liaison activities, interpret and maintain collection development policies, and oversee collection assessment and gift management. The successful candidate will participate in Reference Department activities including reference desk duties and involvement in instruction and information literacy programs. This position reports to the University Librarian. Non-tenure-track, faculty appointment. Salary commensurate with experience and qualifications.

QUALIFICATIONS: Strong public service commitment, excellent organizational, interpersonal, and communication skills, willingness to work in a flexible changing environment. ALA-accredited MLS, at least three years professional library experience. Experience in collection development desirable.

Mercer University is a comprehensive, Baptist-affiliated private university committed to academic excellence, intellectual freedom, and scholarly discipline. Major initiatives include developing strong undergraduate research programs, interdisciplinary and cross-school curricular development, focus on student learning outcomes, and integration of instructional technology to enhance the educational process. Mercer has begun a three-year, $100 million Campus Improvement Program that will result in a transformation of the Macon and Atlanta campuses, including improvements of the Swilley Library in Atlanta. The Main Library in Macon, Georgia has a strong collection and a talented staff of 30 serving 175 faculty and 4,000 students in the College of Liberal Arts, Stetson School of Business and Economics, School of Engineering, and School of Education. Current projects include developing an information literacy program, completing implementation of the III Millennium library system, and strengthening campus-library relationships. More information about the library can found at http://mainlib.mercer.edu.

If you are interested in joining an exciting library organization, please submit a letter of application and resume, along with the names, addresses, e-mail and phone numbers of three references to:

Weeks Library, University of South Dakota, 414 East Clark Street, Vermillion, SD, 57069-2390. Application deadline: Review of applications will begin October 25, 1999, and will continue until position is filled. The University of South Dakota is an equal opportunity/affirmative action employer.
HEAD, ENGINEERING LIBRARY/COORDINATOR, PHYSICAL SCIENCE AND ENGINEERING LIBRARIES

University of Pennsylvania Libraries

The University of Pennsylvania Library is seeking a leader for its dynamic team developing physical science and engineering collections and services for Penn's networked environment. Guiding and supporting the work of the Chemistry and Math-Physics-Astronomy Librarians, this librarian will have overall responsibility for the planning and development of the collections and services of the three physical science and engineering libraries. In addition to these general leadership responsibilities, this librarian will have more specific duties related to the development of digital and print collections and services in the Engineering Library. This Engineering Librarian/Science Libraries Coordinator will report to the Director of Public Services.

DUTIES: Lead the physical science and engineering team, and provide oversight and coordination for the total physical science and engineering libraries budget. Advise the Director for Collection Development on general budget and allocation issues, playing a key role in decisions relating to the purchase and licensing of digital resources in these subject areas. Work with the Chemistry and Math-Physics-Astronomy Librarians to develop new programs to meet the research and teaching needs of faculty and students. Provide leadership and direction for the Engineering Library, developing its operating policies and overseeing its daily operation. Oversee the Table of Contents/Document Delivery service for the faculty of the Engineering School. Develop the digital and print collections of the Engineering Library, managing the transition to digital resources in consultation with faculty members and the Director for Collection Development. Manage the print collections, including appropriate and timely transfers to the Library's off-site storage facility. Provide reference and bibliographic assistance to faculty and students using engineering materials. Provide active liaison to the Engineering School's faculty and students, including orientation and instruction in the use of electronic resources. Supervise full-time staff. Provide general direction to full-time staff in supervising student workers.

QUALIFICATIONS: ALA-accredited MLS or the equivalent in theory and practice. Academic background in an appropriate subject discipline. Substantial experience in an academic, special, medical, or science library serving similar clientele. Demonstrated knowledge of the latest trends and available tools for electronic access to information in science and engineering. Demonstrated supervisory skills. Effective written and oral communication skills. Demonstrated ability to work effectively, independently, and cooperatively with faculty, students, and staff throughout the Library system. Strong desktop computer skills. Appointment as Librarian C requires at least three to five years of professional library experience; appointment as Librarian D requires at least five years of professional library experience.

TO APPLY: Submit a cover letter, resume, and three references to:

Robert Eash
Library Human Resources Manager
University of Pennsylvania Library
3420 Walnut St.
Philadelphia, PA 19104-6206

Applications received by October 25, 1999, will receive first consideration.

HISTORY LIBRARIAN. The Princeton University Library: The Princeton University Library’s general collections include about 6 million printed volumes, as well as significant numbers of microforms, scores and records, electronic databases and journals. Its holdings within the Department of Rare Books and Special Collections are especially rich. The Library employs approximately 320 professional and support staff workers, as well as a large student and hourly workforce. Library operations are divided among twenty sites on campus, including a large central library. More information may be found at the library’s Website http://libweb.princeton.edu:2003/

Description: Princeton University Library seeks an energetic and creative subject specialist in history, including the history of science, to support and reshape the delivery of library collections and services to students and faculty throughout the University. This is one of seven bibliographer positions with major responsibility for developing and interpreting collections in the humanities and social sciences. The position reports to the Associate University Librarian for...
HEAD, AUTHORITY SECTION
Charles E. Young Research Library
Cataloging Department
UCLA Library

The Cataloging Department within the UCLA Library's Charles E. Young Research Library seeks a knowledgeable and innovative librarian to manage its Authority Section, including ongoing review and revision of policies and procedures in a highly automated and changing environment and personally contributing to NACO, SACO and PCC cataloging programs. The position is responsible for the selection, supervision, training and evaluation of the members of the Authority Section. Consults with other UCLA cataloging agencies on authority issues. Participates actively as a member of the Cataloging Department's management team and advises the Department Head on authority control issues.

QUALIFICATIONS: MLIS or equivalent from an accredited library and information science graduate program preferred. Demonstrated managerial, planning, and leadership skills and experience in an academic or research library. Effective communication and interpersonal skills. Flexibility and an innovative approach to working in a rapidly changing environment. Reading knowledge of at least two foreign languages. Direct knowledge of and experience with USMARC formats for bibliographic and authority records. Thorough knowledge of AACR2 and the Library of Congress Rule Interpretations and the Library of Congress subject headings and classification. Experience with a bibliographic utility, preferably OCLC. Thorough understanding of Program for Cooperative Cataloging standards, especially NACO and SACO. Thorough understanding of the relationship between bibliographic and authority records in an automated environment and of the impact on the public display of information.

SALARY RANGE: $39,456-$66,780

Anyone wishing to be considered for the position should write to:

Rita A. Scherrei
Associate University Librarian for Administrative Services
Charles E. Young Research Library
UCLA
11334 YRL, Box 951575
Los Angeles, CA 90095-1575

Candidates applying by October 31, 1999, will be given first consideration.

For full description of duties and qualifications and application procedures, see website: www.library.ucla.edu/admin/staffserv/openposn.htm.

Reference and Collection Development. Responsibilities include: current and retrospective collection building in all formats; management of a large acquisitions budget for history and the history of science, and an approval plan for Canadian materials; advising on preservation and other collection maintenance activities; oversight of collections in two graduate study rooms in Firestone Library; and offering research consultation to faculty, graduate students, and undergraduates, including more than 250 undergraduate majors, all of whom are required to conduct independent research. The position also provides instruction in the use of print and electronic materials for historical research; development of resource guides and maintenance of Websites for the study of history; a direct service presence in the General and Humanities Reference Division; consultation with members of the Technical Services Department to facilitate processing of materials to meet academic deadlines; and close work with staff in Rare Books and Special Collections and branch libraries to promote use of the wealth of original and specialized materials among researchers in history at Princeton. Qualifications: Required an ALA-accredited Master's degree in library science, plus an advanced degree in history or historical studies, or an equivalent combination of education and professional library experience; a minimum of three to five years of successful experience in a research library. Candidates must demonstrate mastery of the bibliographic tools, including electronic resources, available for the use of historians. Candidates should be knowledgeable about the American and European book trades, current and antiquarian, and the changing technological environment in research libraries; they should also demonstrate an interest in developing innovative services for historical research at Princeton. Addi-
ASSOCIATE UNIVERSITY LIBRARIAN

Appalachian State University, one of sixteen constituent institutions of the University of North Carolina System, seeks candidates for the position of Associate University Librarian. In a collegiate team-based environment, the Associate University Librarian (AUL) is the lead administrator for internal operations, working with library personnel and the University Librarian to shape the vision of library services and determine strategies to achieve it. The AUL works closely with the University Librarian on budget management and overall decision-making, and takes a lead role in library assessment. Specific responsibilities include: coordination of library faculty peer evaluation; administration of classified staff recruitment, selection, and evaluation; and promotion of effective communication among library teams and individual personnel. The AUL takes a lead role in fostering a multi-cultural environment. The AUL plans, implements, and evaluates overarching library policies and procedures, and represents library interests through membership on committees at all levels. The position is an administrative and faculty position with academic rank and eligibility for tenure. Library faculty are expected to take leadership roles within the Library and University, and to be active in scholarship and professional service.

Qualifications:
Required: Masters degree from an ALA-accredited school and a second advanced degree. Record of leadership and achievement in the profession. Substantial supervisory experience and progressively responsible positions in academic library settings. Excellent oral, written, and interpersonal communication skills. Demonstrated commitment to shared decision-making, shared governance, and the faculty model. Ability to work effectively in a team environment. Adept at timely completion of projects and attention to detail. Knowledgeable about information technology advances and applications. Understanding of current issues in academic libraries and higher education, and ability to develop and implement effective solutions to problems. Demonstrated record of innovation in library services. Demonstrated commitment to fostering the professional development of all library personnel. Preferred: Experience in space planning, building renovation, or construction projects. Experience or training in a multi-cultural environment.

Appalachian State University is located in the historic college town of Boone, nestled in the beautiful Blue Ridge Mountains. The University has a student enrollment of 12,500 students and offers undergraduate and graduate degrees in more than 200 majors. The University's strategic plan calls for the University to become a premier comprehensive university and a model learning community. The Library has an overall budget of $5.6 million with 25 faculty and 34 staff positions organized in 9 teams. Library holdings include more than 750,000 books and bound periodicals; over 6,000 current periodical, newspaper, and serial titles; 1.4 million microforms; and a significant commitment to electronic resources. Appalachian is a member of SOLINET and the Western North Carolina Library Network, a consortium of three state universities sharing an Innovative Interfaces, Inc. system, document delivery, and UnCover gateway. The Library is a student-centered environment with emphasis on the importance of information literacy and library resources in the educational and scholarly role of the university. Salary and rank are commensurate with qualifications with the expectation that the appointment will be filled with a salary in the mid-fifties or above and at the Associate Professor or Professor level. A standard benefits package is available. Send letter of application, curriculum vitae, and the names, addresses, telephone numbers, and e-mail addresses of three references to:

Dr. Mary Reichel
University Librarian
Appalachian State University
Carol Grotnes Belk Library
P. O. Box 32026
Boone, NC 28608-2026

Deadline for complete applications to be received is December 1, 1999. Appalachian State University is an affirmative action, equal opportunity employer, and is committed to hiring women and minorities.
REFERENCE/INSTRUCTION LIBRARIAN
Assistant Librarian-LI03
Indiana University Purdue University Indianapolis
University Libraries

POSITION AVAILABLE: Position is available December 1, 1999

JOB DESCRIPTION: The successful candidate will serve as a primary member of the Library's Reference and Research Team and as a secondary member of the Instructional Team. As a member of the Reference and Research Team, the incumbent provides assistance to patrons using the library, serves as a liaison to one or more academic departments/schools, and assists with the delivery of information to the public including the construction and development of instructional materials and guides in print and electronic formats, plans responsive and innovative client-based information services and serves some weekend and evening hours as required. As a member of the Instructional Team, the incumbent promotes effective use of information resources within the curriculum of IUPUI by developing instructional services for users of the University Library and serve as the librarian component on one or more of the IUPUI instructional teams.

QUALIFICATIONS: Required: ALA accredited MLS; demonstrated knowledge of current emerging technologies as they contribute to meeting the needs of researchers and students in an academic community; an ability to work in a complex team-based environment and with a diverse user group; strong verbal and written skills; and knowledge of library information technology. Academic library experience, teaching experience, and additional advanced degrees are preferred.

ENVIRONMENT: The IUPUI University Library is a leader in the application of technology to library service (http://www-lib.iupui.edu) and developing instructional teams that bring together faculty, librarians, computer professionals, and students to develop and deliver courses. The University Library is a team-based organization with each librarian serving on two library teams.

SALARY: $34,000/year minimum.

FRINGE BENEFITS: A month's vacation time, sick leave, major medical plans available, dental plan, group life insurance, TIAA/CREF annuity plan.

APPLY: Send letter of application, resume, and names, addresses, and telephone numbers of four (4) references to:

Mary J. Stanley
Director of Business Affairs/Human Resources
IUPUI University Library
755 West Michigan Street
Indianapolis, IN 46202-5195

CLOSING DATE: Applications received by October 22, 1999 will be guaranteed consideration. Closes when position is filled.

Indiana University Purdue University Indianapolis is an Equal Opportunity Affirmative Action Institution. Individuals who require a reasonable accommodation in order to participate in the application process must notify Mary J. Stanley at the above address or (317)274-0487, a reasonable time in advance.
benefits from a simplified way to search for and retrieve full-text information from electronic journals.

Who

Anyone who uses EBSCO Online.

For more information: go to www.ebsco.com

- Anyone who needs a quick, comprehensive look at the latest research in their field (via full-text delivery).
- Anyone who manages a large volume of information for their company or library.
- Anyone who doesn't want to waste their time searching through electronic journals one-by-one.
If information exists, but no one can get to it, does it mean anything?

The Crucible. Death of a Salesman. Cinderella. I Know Why the Caged Bird Sings. Alice in Wonderland. A Wrinkle in Time. The Canterbury Tales. Of Mice and Men. The Bible. These are among the most cherished literature of all time. And the most reviled. Every single one of them has been either banned or challenged at one point or another. Information has that power—to disturb, to anger, to incite, to change the world. For better and for worse.

Lighting a Match in a Hurricane.
At first blush, the proponents of suppressing information seem well-intentioned enough. We must protect our children, they say. We must guard our nation’s security. We must uphold common decency, law and order. And exactly who will be the judge of that?

It seems the one thing that simply cannot be censored is censorship itself. Neither diligent research, eloquent speeches nor Constitutional mandates will ever guarantee intellectual freedom and open, unfettered access to information.

Life, Liberty and the Pursuit of Information.
Even in the face of harsh reality, you do your part to provide information that is objective and fair. And we do our part to publish information that has nothing to do with censorship and everything to do with a strict code of information integrity. That means that information we provide will be intelligently organized, relevant, pure, accurate, current, balanced and fair.

All in the name of informed choice. You expect nothing less of yourself. And we expect nothing less of ourselves.

Information Integrity

Intelligently organized
relevant pure accurate
current balanced fair
