Librarian of the Cabot Science Library/ FAS Science Library Coordinator

Reporting to the Librarian of Harvard College, the Librarian is responsible for the planning, developing, and administering of the Godfrey Lowell Cabot Science Library and for the coordination of the programs of the science libraries of the Faculty of Arts and Sciences.

The Cabot Science Library, the general science library of the FAS, is a unit of the Harvard College Library, with a staff of 20 FTE, and a collection of 150,000 volumes. The 10 FAS science libraries have combined collections of 1.2 million volumes, $88 FTE and materials budgets totalling $1.6 million.

The Librarian of the Cabot Science Library/FAS Science Library Coordinator provides leadership for the formulation and implementation of a strong evolving library program in the sciences. The incumbent will lead the planning process for the conversion of Cabot Library to a "gateway" library for the sciences. This effort will focus on the full integration of state of the art technologies into library services for the sciences, in providing support for instruction, database development, and scholarly communication in the sciences.

The incumbent will chair the HCL/FAS Science Librarians Committee which will oversee the development and coordination of collaborative library programs and services. We seek an individual of energy, enthusiasm and vision to develop, shape, and lead library services in the sciences.

Qualifications:
Doctorate in the Sciences and professional degree in library science-preferred; substantial successful science library management experience including strategic planning, fiscal management, information technology, and personnel; demonstrated leadership and organizational abilities; evidence of a strong commitment to responsive library services and an understanding and appreciation of the scientific research process in a university environment; a record of achievement in the profession; the ability to manage in a consultative yet decisive administrative style is essential.

Anticipated hiring range: mid 50's
Available: Summer 1992

Major Benefits:
One month's vacation; generous holiday and sick leave; choice of health plans; dental insurance; life insurance; University-funded Retirement Income Plan; tax-deferred annuity options; tuition assistance.

Interested candidates may send a letter of interest, resume and the names of three references to: Susan Lee, Associate Librarian of Harvard College for Administrative Services, Harvard College Library, Widener 188, Cambridge, MA 02138. Harvard University upholds a commitment to Affirmative Action and Equal Opportunity.

Trinity University, San Antonio, Texas, invites applications for two positions. Trinity, with 2,400 undergraduates and 200 graduate students, is strongly committed to excellence in support of the liberal arts and sciences tradition. Presently the library collection has more than 700,000 volumes of books and bound periodicals (compared with 300,000 in 1980), plus sizable holdings of government documents, microforms, and nonprint items. NOTIS was installed in 1991.

**Head Cataloger.** Responsible for the daily operation of the Cataloging Department, determining workflow and allocation of resources; determining and documenting cataloging policy, based on accepted cataloging standards and local practice; the direct supervision of the copy cataloging and processing units; and original cataloging of difficult materials. Serves as the major resource for cataloging questions from other librarians and from staff, and is expected to have substantial original cataloging expertise (books and serials). Qualifications for this senior-level position; knowledge of and experience with AACR2, LCSH, LC, and OCLC (required); 4-5 years progressively responsible supervisory experience, including copy cataloging, highly desirable; demonstrated communication and training skills; knowledge of at least one foreign language, preferably German or a Romance language; experience with an automated cataloging system, preferably NOTIS; and familiarity with the use of microcomputers. Assistant Professor rank with tenure-track. Salary minimum $30,000, higher depending on experience or other qualifications.

**Reference Librarian/Bibliographer.** Primary responsibilities involve liaison work with selected departments, including user education, collection development, and online computer searching; as well as general reference duties (including scheduled evening and weekend hours). The Reference Department consists of five librarians and two assistants who report to the Assistant Director for Public Services and Collections. Preference will be given to candidates with an academic background including a graduate degree in a humanities or social sciences discipline. Microcomputer experience and a strong interest in reference automation applications preferred. Instructor or Assistant Professor rank with tenure-track. Salary minimum $24,000, higher depending on experience or other qualifications.

The qualifications for both positions include an appreciation for and commitment to undergraduate liberal arts and sciences education; initiative, energy, and creativity; good interpersonal skills; the ability to function effectively in a complex organization; strong professional commitment; interest in research and publishing; and an ALA-accredited MLS. In short, we seek academic librarians who wish to function in a campus community as academics and as librarians. Both positions are twelve-month appointments, with generous TIAA/CREF and other fringe benefits, and are available as early as June 1.
