LIBRARY SCIENCE
English Edition.
Vols. 1 - 22, Paris, 1947 - 1968,
clothbound $ 478.00 paperbound $ 423.00
The 'Bulletin' is probably the most important
publication today in the field of international
and comparative librarianship. It includes
authoritative articles on current history and
documentation problems of international
interest, plans and photographs of new library
buildings, and digests of the reports of various
studies and experiments in the field of librarian-
ship and related areas. Particularly important
are its descriptive articles on library activities
in newly developed countries.

2 vols. Nendeln, 1975,
New publication, clothbound $ 85.00
"This two-volume index to what Chamberlain
called "The definitive history of Italian art" is a
monumental work in itself. The indexing is
clear and accurate for a tool on which art histor-
ians have depended since its original publi-
cation seventy years ago."

clothbound $ 595.00 paperbound $ 510.00
The position this quarterly takes up is defined
as "halfway between the academic world and
those who are engaged in applying economic
thought to the solution of practical problems".
Generally, each issue deals with a specific set
of questions under headings such as Balance of
Payments, the Sterling Zone, Planning and
Growth, Oligopoly, Theory of Games etc. This
may serve as an indication of the many subjects
which are treated by the foremost experts in
their respective fields.
