CATALOG LIBRARIAN
(SLAVIC/GERMANIC LANGUAGES)

BROWN UNIVERSITY LIBRARY

As a Catalog Librarian, reporting to the Head, Catalog Librarian, you will be responsible for cataloging and classifying of Slavic and Germanic language materials in all formats and all subject areas, using AARClr, USMARC formats, LC classification and subject headings. Perform full authority work and contribute name headings to NACO. You may also have the opportunity to assume collection development responsibilities. Requirements are: ALA-accredited MLS degree; reading knowledge of Russian and German languages; a minimum of two years of cataloging experience in an academic setting; familiarity with automated cataloging systems, MARC formats, AACR2r, LCRIs, LCSH; experience with national bibliographic utilities and authority control; ability to communicate clearly both orally and in writing; good analytical and problem-solving skills. Desired qualifications include a background in philosophy and religious studies and a reading knowledge of other Slavic and German languages. Minimum salary $27,650, negotiable depending on experience. To be assured of consideration, please send letter of application, resume and names of three references by June 30, 1996.

Please call for sizes and rates.

Orders for regular classified advertisements must reach the ACRL office on or before the second of the month preceding publication of the issue (e.g., September 2 for the October issue). Should this date fall on a weekend or holiday, ads will be accepted on the next business day. Late job listings will be accepted on a space-available basis after the second of the month.

Rates: Classified advertisements are $7.95 per line for institutions that are ACRL members, $9.95 for others. Late job notices are $19.25 per line for institutions that are ACRL members, $22.95 for others. Organizations submitting ads will be charged according to their membership status. Display ad rates range from $355 to $675 based upon size. Please call for sizes and rates.

Guidelines: For ads that list an application deadline, we suggest that date be no sooner than the 20th day of the month in which the notice appears (e.g., October 20 for the October issue). All job announcements should include a salary range per policy of the American Library Association (ALA). Job announcements will be edited to exclude discriminatory references. Applicants should be aware that the terms faculty rank and status vary in meaning among institutions.

Internet: C&RL News classified ads are accessible on ACRL's homepage on the World Wide Web at http://www.ala.org/acrl.html. Ads will be placed approximately 2-3 weeks before the printed edition of C&RL News is published. To reach C&RL NewsNet access the ACRL homepage (http://www.ala.org/acrl.html), select C&RL News, and then choose the menu item Job Postings by Job Title.

Contact: Jack Helbig, Classified Advertising Manager, C&RL News Classified Advertising Department, ACRL, American Library Association, 50 E. Huron St., Chicago, IL 60611-2795; (312) 296-2296; fax: (312) 296-2297; e-mail: jhelbig@ala.org.

Policy: ALA policy requires that organizations recruiting through ALA publications or placement services comply with ALA anti-discrimination policies. Policy 54.3 states that "ALA is committed to equality of opportunity for all library employees or applicants for employment, regardless of race, color, creed, sex, age, physical or mental handicap, individual lifestyle, or national origin." By advertising through ALA services, the organization agrees to comply with this policy.

Donna Capelle Cook, Chairperson
Search Committee for Cataloging Positions
Wise Library
P.O. Box 6069
West Virginia University
Morgantown, WV 26506-6069

Review of applications will begin June 30, 1996, and continue until the position is filled.

West Virginia University is an equal opportunity, affirmative action employer, women and minorities are encouraged to apply. The university attempts to be responsive to dual career couples.
HEAD, CATALOGING DEPARTMENT
UCLA Library

Under the general direction of the Associate University Librarian for Collections and Technical Services, manages the operations of the Cataloging Department including ongoing review and revision of policies and procedures in a highly automated and changing environment. Sets goals and establishes priorities and work flow, coordinating practices among sections and providing specific decisions and interpretations as required. Administers the Department's personnel program, providing leadership and guidance in staff training and development. Has personal responsibility for the selection, supervision, and evaluation of the professional members of the Monographic Cataloging Teams, and of the heads of the Authority, Continuations Cataloging, Rapid Cataloging, and Records Management and Physical Processing Sections. Assesses resource needs and monitors fund expenditures. Leads the department in making efficient and innovative use of available tools, equipment, and technologies; and strives to create an environment that encourages and recognizes high performance, facilitates effective communication at all levels, and fosters teamwork. Participates actively in the formulation of cataloging and technical services policies as a member of the Advisory Committee on Cataloging and the Technical Services Council. Advises the library administration on overall library initiatives as a member of the Administrative Conference- Is expected to participate in cataloging programs and standard setting on a national level.

QUALIFICATIONS: Demonstrated excellent managerial, planning, leadership, communication, and interpersonal skills and experience in an academic or research library and in a complex library network environment. Substantial and progressively responsible experience with planning, budgeting, and personnel management. Direct knowledge of, and experience with, the MARC formats, the Anglo-American Cataloguing Rules, and the application and interpretation of Library of Congress subject headings and classification. Direct knowledge of, and experience with, one of the national bibliographic utilities, preferably OCLC. Experience with a local integrated library system. Knowledge of cataloging and automated systems sufficient to take an active role in planning for and implementing a new integrated library system and associated work flow changes. Knowledge of national cataloging standards and issues, and trends in technical services and automation, including the Program for Cooperative Cataloging.

SALARY RANGE: $36,648–$60,004.

Anyone wishing to be considered for the position should write to:

Rita A. Scherrei
Associate University Librarian for Personnel and Administrative Services
University Research Library
UCLA
11334 URL, Box 951575
Los Angeles, CA 90095-1575

The application letter should include a complete statement of qualifications, a full resume of education and relevant experience, and the names of at least three persons who are knowledgeable about the applicant's qualifications for this position. Candidates applying by July 31, 1996, will be given first consideration.

Notre Dame libraries seek a humanities cataloger to catalog monographs in all formats, with an emphasis on philosophy and German language materials, for an expanding research collection. In addition to performing original cataloging using OCLC and NOTIS and contributing to NACO, participates in formulation of policy and assists in quality control and problem solving in the Cataloging Department. Cooperates with subject librarians in relevant fields in providing outstanding bibliographic access and may assume some collection development duties. Graduate degree from an ALA-accredited library school and an undergraduate or graduate degree in a humanities discipline, preferably philosophy, required, as is an excellent reading knowledge of German and a working knowledge of at least one other European

Plain Historical Museum located on campus. Minutes away from spectacular Palo Duro Canyon. Only a few hours' drive to Santa Fe and the mountains of northern New Mexico. Pleasant climate. No state income tax. Application deadline: Applications will be accepted until June 24, 1996. Mail resume and the names of three references and their phone numbers to: JoAnn Lowrance, Director, Personnel Services, West Texas A&M University, WTAMU Box 996, Canyon, TX 79016-0001. WTAMU is an AA/EEO employer.
RESOURCE SERVICES LIBRARIAN FOR ENGLISH, AMERICAN AND COMPARATIVE LITERATURES AND FILM STUDIES
MILTON S. EISENHOWER LIBRARY
THE JOHNS HOPKINS UNIVERSITY

The mission of the Resource Service Department is to deliver the full range of reference, instructional, and collection development services to the Hopkins community. Resource Services Librarians are subject specialists, each of whom is responsible for building strong, client-centered relationships with the faculty and students in the handful of disciplines he or she serves.

The Eisenhower Library’s commitment to working as a valued partner in the academic enterprise is being felt in four key ways: a concentration on designing services which respond to user feedback; a commitment to enable faculty, students, and staff to master the new information environment; a focused effort toward creating the digital library of the future; and a major remodeling and programmatic re-orientation of the library’s public service spaces.

The Eisenhower Library prizes initiative, creativity, professionalism, and teamwork.

RESPONSIBILITIES
Understand and facilitate the work of the English department, the Film and Media Studies Program, the Humanities Center, and the Writing Seminars Program, and cultivate and maintain close working relationships with the members of those departments. Select traditional and electronic resources for the collection in assigned subject areas and manage related budgets. Develop Web-based resources in assigned subject areas. Provide a variety of general reference, research consultation and instructional services to the academic community.

QUALIFICATIONS
MLS from an ALA-accredited library school required, and an advanced degree in English Literature or equivalent experience strongly desired. Commitment to quality, client-centered services. Ability to conduct seminars and instructional programs in the use of the library and its resources. Knowledge of the Internet and the World Wide Web. Two or more years’ experience in collection development and/or reference in a research library required. Reading knowledge of two European languages, particularly French and German, highly desirable. Willingness to work a flexible schedule (including some evenings and weekends) as part of a team.

The hiring range for this position is $35,619–$44,667, depending on education and experience.

Benefits include 22 days vacation; free life insurance; tuition benefits; TIAA/CREF retirement program; and group health plan cost shared by individual and university.

To apply, send letter of application indicating Job #596-266, resume, and three letters of reference, by July 15, 1996, to:

The Johns Hopkins University
Office of Human Resources
119 Garland Hall
Baltimore, MD 21218

AA/EOE. Smoke-free and drug-free. Women and minorities are encouraged to apply.

language. Knowledge of AACR2, MARC, and LC classification and subject headings; previous cataloging experience with OCLC and with an automated library system required. Experience in an academic library highly desirable. Individual must be committed to continued professional development and active participation in the organizational life of the libraries. Faculty status: Nontenure track. Minimum salary: $30,000, with a competitive benefits package. Search to continue until position is filled, with consideration assured to applications received by June 30, 1996. To apply: Send letter of application, resume, and the names and addresses of three references to: Sharon A. Veith, Human Resource Representative, 221 Hesburgh Library, University of Notre Dame, Notre Dame, IN 46556; telephone: (219) 631-5679; fax: (219) 631-6772; e-mail: Sharon.A.Veith.1@nd.edu. Notre Dame is an equal opportunity, affirmative action employer. Women, minorities, and disabled individuals are strongly encouraged to apply.

CHEMISTRY-MATHEMATICS LIBRARIAN. Library Faculty Vacancy. University of Oklahoma. Duties: Under the direction of the Head of Branch Libraries, the Chemistry-Mathematics Librarian supervises the Chemistry-Mathematics Branch Library and the Physics Branch Library. This includes the review, development, and implementation of programs and services; the hiring, training, supervision, and evaluation of staff; the provision of reference service, including database searching; the maintenance and circulation of library materials; the selection, weeding, and evaluation of the collection; the provision of orientation and library instruction. The Chemistry-Mathematics Librarian serves as liaison between the university libraries
and the Department of Chemistry, the Department of Mathematics, and the Department of Physics and Astronomy. This position is governed by the University's policies for research or creative achievement and professional service as outlined by the faculty handbook. Qualifications: Required: MLS from an ALA-accredited library school; library or related experience working with the subject literature of a science discipline or an undergraduate degree in the sciences; knowledge of database searching and electronic resources; teaching or bibliographic instruction experience. Desirable: Advance degree in the sciences; supervisory experience; experience in library collection development; familiarity with NOTIS or some other automated library system; experience with a major bibliographic utility; evidence of research and publication; strong interpersonal and communication skills.

Assistant Professor rank with tenure track. Salary minimum $28,000, or higher depending on experience or other qualifications. This is a twelve month appointment with TIAA/CREF and other fringe benefits. Position available August 1, 1996, or as soon thereafter as possible. Send a letter of application including description of experience and interests, a detailed resume, a placement file if available, and the names of three references to:

Richard Meyer
Library Director
Trinity University
715 Stadium Drive
San Antonio, TX 78212-7200

Trinity University is an equal opportunity, affirmative action employer; we especially encourage applications from minorities.
HEAD OF MULTIMEDIA CATALOGING SECTION
The University of California, Irvine

The libraries at the University of California seek a Head of the Multimedia Cataloging Section. The incumbent is responsible for the cataloging of nonbook formats including, but not restricted to sound recordings, laser discs, videocassettes, 16mm film, microforms, and electronic resources (CD-ROM, computer files, Internet)—monographic and serial. This position will supervise one Library Assistant IV. The salary will be commensurate with qualifications and experience within a range of $34,188–$48,540 (Assistant Librarian IV–Librarian I).

The library collection, supported by a materials budget of approximately $4,200,000, consists of 1.6 million volumes and 17,000 current serials. The Catalog Department utilizes OCLC and Innovative Interface to catalog approximately 30,000 volumes annually for the Main, Science and Medical Center Libraries.

The University of California, Irvine, is nestled in 1,489 acres of coastal foothills, five miles from the Pacific Ocean between San Diego and Los Angeles. To request a copy of the full position description, send your name and mailing instructions by e-mail to:

jkaufma@uci.edu

or by fax to

(714) 824-1288
or leave a message at

(714) 824-4716

Applications received by July 30, 1996, will receive first consideration, but applications will continue to be accepted until the position is filled.

The University of California, Irvine, is an equal opportunity employer (educator) committed to excellence through diversity.

COORDINATOR OF INFORMATION INSTRUCTION. The New Mexico State University Library seeks an energetic team player to lead a dynamic information instruction program. The successful candidate will coordinate and teach both course-related instruction and for-credit courses; will provide leadership in developing the information instruction program and in developing librarians as instructors for that program; will work with faculty in the library and campuswide to promote library instruction and information literacy, and will evaluate the effectiveness and outcomes of information instruction at NMSU. Other duties include reference service with some night and weekend hours; collection management; and other duties, committee assignments, and projects, as assigned. Rank: Assistant professor or higher (tenure-track, faculty status). Required: A LA-accredited MLS or equivalent; two years of library experience or related teaching experience; thorough knowledge of print and electronic information sources, including the Internet; excellent written and oral communication skills; demonstrated ability to meet the requirements for faculty promotion and tenure. Preferred: Experience in planning, designing, and leading a library user-education program; experience in teaching for-credit courses; knowledge of established and emerging instructional technologies; ability to develop computer-assisted instruction programs; experience working in electronic classrooms; a second master's degree. A reading and speaking knowledge of Spanish is desirable.

NMSU, New Mexico's landgrant university, enrolls over 15,000 students in 71 undergraduate, 45 master's, and 19 doctoral degree programs. NMSU is classified as a Carnegie I research institution, and is a member of the Hispanic Association of Colleges and Universities. The university library has an annual budget exceeding $5 million and contains approximately one million volumes in two buildings. A new building houses humanities and social sciences collections, as well as an electronic classroom to be completed by September 1996. A recently renovated building houses agriculture, engineering, science, and business collections and is scheduled to house an electronic classroom. Library computer resources include VTLs, INNOVACQ, a campuswide CD-ROM LAN, access to the Internet, and multiple microcomputer applications. Located along the Rio Grande in southern New Mexico, NMSU is 40 miles north of the El Paso, TX–Juarez, Mexico metropolitan area, at the southern end of the Rocky Mountains. This desert area enjoys abundant sunshine and is within easy driving distance to Alpine areas that include excellent hiking, skiing, and water sports. Salary: minimum $30,520 for a 12-month appointment. Benefits include 22 vacation days per year. Send letter of application, resume, and the names and telephone numbers of three references to: John J. Jax, Director, Library Learning Center, UW-Stout, Menomonie, WI 54751. UW-Stout is an equal opportunity, affirmative action employer committed to diversity in its people and its programs.

DigiTAL RESOURCES CATALOG LIBRARIAN, ORIGINAL AND SPECIAL MATERIALS CATALOGING. Columbia University Libraries. Columbia University seeks an experienced cataloger familiar with a variety of electronic formats and Internet resources to assist in developing our program for bibliographic control of electronic and digital materials. Reporting to the Head, Original and Special Materials Cataloging Department, the incumbent will work with staff from the Bibliographic Control Division, the Electronic Text Service, the Library Systems Office, and Academic Information Services to develop plans and methods to provide appropriate access to electronic resources; provide original cataloging for electronic and digital resources added to the libraries' collections or available through the campus network (including electronic texts, computer files, Internet resources, digitized materials, and interactive media); provide advice and assistance...
EMMANUEL COLLEGE
LIBRARY DIRECTOR

Emmanuel College, located in the center of Boston’s cultural, medical, and educational communities, is a Catholic liberal arts college for women, enrolling 1,500 students and admitting men and women to graduate and professional programs. The college seeks a Library Director with strong leadership and team-building abilities. The successful candidate must be able to motivate and guide the staff, establish priorities and responsibilities, participate in budget planning for library services, establish effective communications with the college community, participate in collegewide committees, and serve on the boards of Fenway Library Consortium and the Fenway Libraries Online and have strong management skills for the development and support of all library initiatives.

QUALIFICATIONS: Master’s degree in Library Science from an ALA accredited institution. Second master’s degree in a subject field is highly desired. Minimum 5–7 years successful administrative experience in an academic library. Experience with library planning and design. Strong commitment to service and information literacy. Knowledge of implementing technological applications for information access and delivery. Demonstrated organizational and leadership qualities. Effective interpersonal and communication skills.

Interested candidates should send a cover letter and resume to:

Mary Ferreira
Emmanuel College
400 The Fenway
Boston, MA 02115

We are seeking an experienced professional who can provide leadership in adapting technical services operations for an increasingly electronic environment. The successful candidate needs the demonstrated ability to work in a changing environment where responsibilities will evolve in response to developing opportunities within a newly consolidated department. Initial Responsibilities: Coordinates the creation of new policies and procedures for providing access points to electronic information resources within the OPAC. Collaborates in the development of new policies for collection development of electronic information resources. Provides oversight of database maintenance. Assists in the coordination
NETWORK LIBRARIAN
WEST VIRGINIA UNIVERSITY LIBRARIES

The West Virginia University libraries announce the availability of a new systems position: Network Librarian. The successful candidate should be a library professional with a strong background in library automation systems or extensive experience in a complex data-processing environment. This is a 1.3-year appointment supported by a large federal grant to develop a state-wide network to support seamless connectivity between academic, public, and school libraries. Opportunities may exist for permanent employment at the end of the grant.

RESPONSIBILITIES: Working in a team environment, help to plan for and implement a networked infrastructure for the West Virginia University Libraries. Interface with the Systems staff of the University Libraries, WVNET, the WV Library Commission, and telecommunications specialists to develop solutions for hardware, software, and operational problems encountered by network development. Implement and monitor the progress of corrective actions developed to address problems reported by project participants by coordinating the efforts of library personnel, the WVU Libraries Systems staff, and the statewide network support group. Assist with the management, testing, and installation of all new NOTTS releases and enhancements in a timely and efficient manner. Implement new network functions identified by the implementation team and the academic libraries participating in the network. Report all unresolved problems, issues, and potential enhancements to the operations of the network. Help to plan, schedule, and implement initial NOTTS database loads and interconnectivity requirements for each academic library added to the network. Develop documentation/training seminars to instruct local and remote libraries in the use of the network’s services. Develop and conduct co-presentations of the libraries’ projects to library personnel locally, statewide, and at national meetings. Serve as liaison between the WVU libraries and other academic libraries, computer analysts, telecommunication analysts, data control operators, NOTTS personnel, and database providers participating in the network. Establish and maintain an effective working rapport with the library personnel. Perform other duties as assigned by the project coordinator or department management.

REQUIRED: MLS from ALA-accredited program or a related field. At least three years experience in implementing and utilizing a library automation system in a cooperative setting; working knowledge of file transfer protocols, WWW, gopher use, Internet, and client servers as required. Outstanding interpersonal skills and excellent communication skills also required. DESIRED: Project management experience, knowledge of USMARC and other library formats. NOTIS Library Management System installation experience, experience interfacing with database vendors and producers, and exposure to UNM CICS, VM, ISO, and networked environments. Knowledge of personal computers and an aptitude for learning new technologies also are desirable.

SALARY: $30,000 annually. Excellent benefits. WVU is a comprehensive research university located in close proximity to Washington, DC, and Pittsburgh.

Review of applications will begin June 15, 1996, and will continue until position is filled. Send letter of application, resume, and names of three references to:

**BIBLIOGRAPHER FOR EAST ASIAN LAW**  
*(Search Re-Opened)*

**Harvard Law School Library**

The Harvard Law School Library is undergoing a new search for a Bibliographer for East Asian Law to develop, select, and evaluate the library's collections in Chinese, Japanese, and Korean law. This position is also responsible for ordering and processing East Asian materials, as well as cataloging monographs and serials using AACR-II, Library of Congress subject headings, LC and local classification systems, and the RLIN bibliographic utility. The person selected will serve as the primary liaison to the HLS East Asian Legal Studies Program, the Harvard-Yenching Library, and other organizations and institutions with East Asian interests, and will collaborate closely with professional colleagues on matters related to collection development.

An MLS from an ALA-accredited library school; fluent reading knowledge of Japanese strongly preferred and a working knowledge of Chinese and Korean also preferred. Knowledge of East Asian law and at least three years professional experience in an academic, research, or law library are highly desirable. Candidates must have superior oral and written communication skills as well as proven administrative abilities.

Hiring range is $37,000–$50,000 commensurate with experience. Please send cover letter and resume to:

Harry S. Martin III  
Harvard Law School Library  
1525 Massachusetts Ave.  
Griswold Hall  
Cambridge, MA 02138

**FOREIGN LITERATURES AND LANGUAGES BIBLIOGRAPHER/INSTRUCTIONAL TECHNOLOGY FACILITATOR.** Serves as the library's principal subject bibliographer/liaison to the Department of Modern Languages and Cultures (MLC) and expands that traditional role by incorporating a wide array of technology-enhanced information services. Provides collection development, subject-specialized electronic access, information assistance and instruction services for MLC and for other foreign language/literature-related concerns. Works with the Electronic Resources Librarian and Multimedia Center staff in outreach to MLC faculty and others in integrating electronic technology into teaching, learning, and research; serves as facilitator in the above with other Reference Department staff. Serves as Reference Department Web Coordinator. Participates in Reference Department's general information services, including rotating evening and weekend hours. Reports to the Head, Reference Department, and works in close collaboration with the Head of Collection Development, Public Services' Electronic Resources Librarian, and the Head, Multimedia Center. Qualifications: ALA-accredited MLS, undergraduate/graduate work in foreign literatures/languages, preferably Spanish; knowledge of Russian desirable. Academic public service experience. Knowledge of public service aspects of automated systems, microcomputers, and Internet access and resources. Experience in instructional technologies and the design of Web pages. Evidence of strong communication, presentation, and collaboration skills. University of Rochester is a private institution with membership in OCLC, RLG, ARL, and CRL. The library has a rapidly changing automated environment in its commitment to offer campuswide information leadership. Upgrading to Endeavor's client/server integrated library information system has begun, with implementation expected in December 1996. Salary dependent upon experience and qualifications - minimum $30,000, plus benefits. Send letter of application, resume, and the names and addresses of three references to: Search Committee, MLC Bibliographer, Director's Office, Rush Rhees Library, University of Rochester, Rochester, NY 14627; telephone: (716) 275-4461; fax: (716) 244-1358; Internet: casi@obl.cc.rochester.edu. Review of applications begins July 15, 1996. EOE/AA.

**GOVERNMENT INFORMATION/REFERENCE LIBRARIAN.** This position is responsible for providing information and reference service including nights and weekends. The Information Specialist will manage federal and state documents, and participate in library instruction, cooperate in collection development in the humanities and share in various department projects, programs, and committees. Reports to the Head of Reference Services and is a member of the library faculty. This is a dynamic service-oriented division in an outstanding fully automated OhioLINK library with over 1.6 million volumes. The University of Toledo is a state university in Ohio with 22,000 students, offering associate, bachelor, professional, and doctoral degrees in seven colleges. This attractive main campus's location in one of Toledo's finest residential sections provides a suburban atmosphere, yet is an integral part of the civic, cultural, and commercial life of the community. The city offers a renowned Museum of Art, a zoo, and an outstanding metropolitan park system. Its location provides residents with excellent recreational opportunities on Lake Erie and easy access to cities through the Midwest, particularly Detroit, Cleveland, and Chicago. Qualifications: MLS from an ALA-accredited institution; experience or training in government documents; demonstrated knowledge of, or experience with, a subject discipline within the humanities; knowledge of reference sources, electronic information delivery systems, and methods of scholarly research in academic libraries. Vital are: Ability to work and communicate effectively with library staff, the university community, and other library users; commitment to service, professional growth, and development. Preferred are: Academic library experience; ability to teach; experience in searching electronic reference sources. Faculty status, 12-month

**June 1996/399**
HEAD OF TECHNICAL SERVICES
Saint Anselm College

The Geisel Library of Saint Anselm College is seeking qualified applicants for the position of Head of Technical Services. Responsibilities include coordinating all cataloging activities and management of preservation unit. Will serve as the coordinator of the online system and will be responsible for working with the Assistant to the Librarian and department heads to ensure maximum utilization of the system. The Head of Technical Services is the primary contact person for the vendors of automated services including Innovative Interfaces, Library Technologies, and OCLC. The position supervises two paraprofessionals and student assistants.

An ALA-accredited MLS with at least five years of experience in technical services operations at a college or university library required. Experience working with library online systems is essential and experience with Innovative Interfaces highly desirable. Good oral and written communication skills are also essential, as is a willingness to work in a collegial manner with professional and paraprofessional colleagues at the library and college.

This is a 12-month, professional position with benefits. Salary in the low to mid-thirties.

Qualified candidates should send resumes and the names of three references to:

Director of Human Resources
Saint Anselm College
100 Saint Anselm Dr.
Manchester, NH 03102-1310

LIBRARY DEVELOPMENT AND COMMUNITY RELATIONS DIRECTOR
California State University, Sacramento

CASUS Library seeks an individual with a minimum of three years in successful fund-raising for a large academic institution who will work closely with the Dean and University Librarian and the University Development Office. Accredited bachelor's degree required. Effective communication and interpersonal skills essential. The Director will be a member of a campus-wide team during the current $50 million campaign.

Preferred Skills: Demonstrated ability to develop effective promotional materials, to conduct successful fund-raising events, to use a computer efficiently, and to assist library faculty with preparing grants.

Salary: $45,000+ (depending on credentials and experience). Submit letter of application, resume, and names of three references to:

Charles Martell
Dean and University Librarian
California State University, Sacramento

HEAD, LIBRARY INFORMATION SYSTEMS DEPARTMENT

The University of Texas at El Paso

The University of Texas at El Paso library seeks a Head, Library Information Systems Department, to provide creative leadership in planning and implementing a broad spectrum of technologies and systems in support of the university's mission and goals. The library is poised to: implement a second generation library system; continue the development and expansion of its users' access to the World-Wide Web and Internet information resources; begin the digitization of portions of the library's collections; and explore multimedia applications within the library.

The successful candidate will plan, manage, and coordinate the Library's automation and networking activities so as to enhance services to library users and increase productivity and effectiveness of staff; organize and deliver responsive services rapidly and effectively to meet the needs of library users and staff; coordinate development of the Library's technical infrastructure with the University's Information Systems and Telecommunications department; anticipate training needs associated with the introduction of new technologies; and work with appropriate groups and individuals to develop and implement training programs.

The department maintains all library systems, including the integrated online system and a Novell local area network, which supports administrative computing and provides access to 56 CD-ROM drives and multiple remote databases. The department is also responsible for the continued development of the library's WWW homepage and supports the local GPO access node. The library anticipates moving its integrated system from the university's mainframe computer to a distributed, open system during 1996/1997; the selection process is well under way.

QUALIFICATIONS: Candidate must possess either an MLS from an ALA-accredited institution or an advanced degree in computing; three years or more of managing computing resources and information technology, preferably in an academic library; working knowledge of integrated library systems, local area networks, and the Internet; demonstrated leadership capabilities, management and supervisory skills; evidence of strong commitment to responsive service; demonstrated ability to work with library staff and a variety of groups to set priorities and achieve mutual goals; demonstrated ability to communicate technical information to a broad range of audiences; and technical knowledge of networking, client/server computing, and desktop computing. Knowledge of the UNIX operating system and Novell networks is highly desirable.

The University of Texas at El Paso is a commuter campus, with over 16,000 students and 700 faculty. The modern, six-floor Library building houses a centralized collection of over 800,000 volumes. Staff consists of 23 professionals, 46 support staff, and 90 student assistants. El Paso, located on the U.S.-Mexican border, offers a unique bicultural environment, year-round sunshine, mild winter climate, beautiful mountain sunrises and sunsets, and provides easy access to Mexico, New Mexico, and Arizona.

More information about the library and the university may be found at the library's Web homepage: www-utep.edu/library.

SALARY AND BENEFITS: $35,000 minimum. Comprehensive benefits package, choice of retirement plans and health care options. Texas has no state income tax.

APPLICATIONS: Send letter of application, resume, and the names, addresses, and phone numbers of three references to:

Lydia Limas
Administrative Assistant
Library
University of Texas at El Paso
El Paso, TX 79968-0582
Phone: (915) 747-5683
Fax: (915) 747-5345.

Review of applications will begin June 15, 1996, and will continue until position is filled.

The University of Texas at El Paso does not discriminate on the basis of race, color, national origin, sex, religion, age, or disability in employment or provision of services.
SYSTEMS LIBRARIAN
University of Texas at El Paso

The library of the University of Texas at El Paso seeks a knowledgeable, enthusiastic Systems Librarian to provide responsive support for the implementation and maintenance of the library's information systems and staff computing operations. Responsibilities will include maintaining network stability and integrity of library's LAN applications and CD servers; coordinating interaction between the university computer center and the library for network-related matters; coordinating the purchase of computer equipment and supplies and ensuring that appropriate maintenance contracts are maintained; analyzing software and hardware problems; participating in policy and procedure development for the use of networked microcomputers within the library; providing users with a stable, reliable, up-to-date platform for microcomputer use; providing an effective operating environment for communications access; supporting library staff in the installation and upkeep of microcomputers; and serving as liaison between the library and appropriate vendors.

QUALIFICATIONS: The candidate must possess an ALA-accredited MLS or an advanced degree in computing; a thorough knowledge of various microcomputer operating systems and microcomputer applications; a strong public service orientation; effective written and oral communication skills; sound organizational skills; and a commitment to responsive and innovative services. Highly desirable: networking experience (preferably Novell) and experience managing CD-ROM file servers and software.

The University of Texas at El Paso is a commuter campus with over 16,000 students and 700 faculty. The modern, six-floor library building houses a centralized collection of over 800,000 volumes. ASSOCIATE VICE PRESIDENT FOR INFORMATION SERVICES AND DEAN OF LIBRARY SERVICES

The Associate Vice President and Dean reports to the Provost and Vice President for Academic Affairs and provides leadership, strategic planning, and overall management for Information Services, which encompasses university libraries, academic computing, institutional computing and telecommunications. The successful candidate will possess a vision for the role of the library in supporting instruction and research in the changing environment of scholarly communication; and for integrating information technologies, resources, and services in support of the teaching, learning, and research mission, and day-to-day operations of the university. The successful candidate will also provide leadership in the development of library services in the delivery of information and information technology to students, faculty and staff; and the development of an organizational structure and work environment that encourages creativity and meets changing needs. Other responsibilities include strategic planning, personnel management, fiscal management, formulation of policy, and program development. All of these endeavors involve extensive interaction with a variety of individuals and organizations on and off campus, and require an open and consultative style of leadership.

REQUIREMENTS: An ALA-accredited master's degree in library science and at least five years of progressive administrative experience in academic library or computing administration; Doctorate preferred. Demonstrated knowledge and understanding of academic libraries and computer and network infrastructure. Demonstrated leadership in organizational and fiscal management including planning, developing, and evaluating programs and personnel. Demonstrated effectiveness in relating to, and communicating with, various internal and external constituencies. Record of scholarly accomplishment. Compensation: Twelve-month, faculty track and tenure-track appointment. Salary commensurate with qualifications. Excellent fringe benefits including TIAA-CREF.

ENVIRONMENT: Founded in 1865, Indiana State University is a comprehensive state university with its own board of Trustees and an annual operating budget of more than $120 million. The University has 650 full-time faculty, a student body of 1,200 undergraduate and graduate students, and offers associate through Ph.D. programs. ISU is located in Terre Haute, a city of 60,000 which, in addition to being a hub for transportation, manufacturing, and agriculture in the region, serves as the fine arts, cultural and athletic center of west-central Indiana and east-central Illinois.

In fall 1993, Indiana State University organized the libraries, academic computing, institutional computing, and telecommunications to form an Information Services unit under the direction of the Associate Vice President for Information Services and Dean of Library Services. An Information Services strategic plan has been developed. The university has committed funding and plans to continue enhancing its budgetary support for the development of information technology, resources, and staffing at the institution.

Information services is composed of the following units: Library Services, staffed by 29 faculty and 42.5 support staff, has collections of more than 2,000,000 items, an extensive CD-ROM network, and a NOTIS library management system. Academic Computing Services, staffed by 35.5 administrative professionals and six support staff, provides an academic computing environment which includes IBM/VM-VSE, DEC/VMS, PRIME, various UNIX multi-user platforms, Netware and Sun; IBM-compatible and Macintosh workstations; a fully routed ethernet fiber backbone with an Internet connection supporting 2000+ ethernet-connected workstations in offices and labs. Institutional Computer Services, staffed by seven administrative professionals, supports the administrative computing functions and a current conversion from IA to BANNER. Telecommunications Services, staffed by three administrative professionals and seven support staff, provides and maintains the copper/fiber-optic cable infrastructure and all telephone and voice mail services to the campus.

NOMINATIONS AND APPLICATIONS: Nominations are welcome. Preferred starting date is January 1, 1997. Screening will begin July 15, 1996. Applicants are requested to submit a cover letter and a complete resume along with the names, addresses, telephone numbers, and/or e-mail addresses of five current references to:

Chairperson
Search Committee for Associate Vice President for Information Services and Dean of Library Services
Office of the Provost and Vice President for Academic Affairs
Indiana State University
Terre Haute, IN 47809

ISU is an affirmative action, equal opportunity employer.
DIRECTOR OF LIBRARIES
UNIVERSITY OF MASSACHUSETTS, AMHERST

The University of Massachusetts at Amherst invites applications and nominations for the position of Director of Libraries.

Located in the historic Pioneer Valley of western Massachusetts and established in 1863 under the Morrill Land Grant Act, the University of Massachusetts at Amherst is a Carnegie Research I institution and the flagship campus of the state system. Offering a full range of undergraduate and graduate degrees, the 1,200-acre campus serves 18,000 undergraduate students and 6,000 graduate students in a rich cultural environment and rural setting.

The Director of Libraries reports to the Provost and is expected to provide leadership and vision for the university library system, which consists of the W.E.B. Du Bois Library and three branch libraries. The libraries, with an annual budget of approximately $10 million, employ 143 permanent staff and house a collection of 5 million books, periodicals, and government documents; 15,500 current serial subscriptions and significant special collections, the most notable of which is the W.E.B. Du Bois papers. The successful candidate will be able to plan and develop the library of the future in order to provide the information services necessary to support the teaching and research missions of the university. He or she will oversee the further development of integrated computer systems and determine the proper balance of electronic information sources and print material, and exploit the university’s leading position in the development of digital library technology. The director will serve as an advocate and spokesperson for the library, both on and off campus, articulating the library’s goals and requirements and seeking financial support through University allocations and external fund-raising efforts. Additional information is available online at the following website: http://www.library.umass.edu.

The director serves on the university’s Council of Deans and Academic Officers and chairs the Library’s Executive Committee and Administrative Council. The university library is a member of the Association of Research Libraries, the Center for Research Libraries, OCLC, the Boston Library Consortium, and the Five College Library Consortium (the university, Amherst, Hampshire, Mt. Holyoke, and Smith Colleges).

Applicants should present an appropriate advanced degree(s) and a record of significant managerial responsibility, preferably within a research or academic library. In addition, strong, creative leadership, effective communication, a commitment to service, and an understanding of user expectations in a large academic library are essential. The university is committed to affirmative action and equal opportunity and encourages applications from women and minority candidates.

Salary is competitive and commensurate with qualifications. Review of applications will begin July 15, 1996, and will continue until the position is filled. Candidates should submit a letter of interest, a curriculum vitae, and the names, addresses, and telephone numbers of five references to: Norman D. Aitken, Co-Chair, Director of Libraries Search Committee, Office of the Provost, Whitmore Administrative Building, Box 38360, University of Massachusetts, Amherst, MA 01003-8360.
REFERENCE/GOVERNMENT DOCUMENTS LIBRARIAN. Birmingham-Southern College, a nationally ranked liberal arts institution, seeks a creative, energetic, service-oriented professional to provide reference service and bibliographic instruction and to manage the government documents collection. Responsibilities: General reference service to students and faculty using print, online, CD-ROM, and Internet resources; conducting library orientation tours and bibliographic instruction sessions; maintaining and developing reference collection; managing all aspects of the documents collection. Requirements: MLS from an ALA-accredited institution; two to four years of professional experience in academic reference/documents setting; demonstrated proficiency with SIRSI software and web publishing; teaching experience; strong interpersonal and communication skills. Preferred: Familiarity with SISFI software and experience with SIRSI. Send letter of interest, resume, and the names, addresses, and phone numbers of three references to: Library Director, EDS/WJST Library, 99 Brattle Street, Cambridge, MA 02139. Applications will be accepted until the position is filled. Women and minority candidates are encouraged to apply. Salary and benefits: $23,500/12 months; employer contribution to health insurance and benefits package. Application deadline is June 24, 1996. Mail resume and the names and phone numbers of three references to: JoAnn Lowrance, Director, Personnel Services, West Texas A&M University, WTAMU Box 999, Canyon, TX 79016-0001. WTAMU is an AA/EEO Employer.

REFERENCE/LIBRARIAN. The General Libraries at the University of Texas at Austin. The General Libraries--consisting of the Main Library, the Law Library, the Health Science Center Library, the Perry-Castañeda Library, the Mcumber Library, the University Branch Libraries, and the Architecture Library--is a large research library with a collection of 272,000 volumes, with special emphasis on traditional and digital resources. The librarian will manage the Electronic Information Center containing more than 30 networked Microtac Int, Pentium, and CD-ROM workstations; oversee hardware and software selection, maintenance, and installation; and work closely with library and university staff in developing information center management software and systems. Working collaboratively, the Head of Reference and Information Services coordinates the development of publications in support of undergraduate information services, and participates in instructional and training programs and in WWW publishing activities. Responsibilities include supervising permanent and temporary support staff, coordinating information service development and delivery, and coordinating reference collection development for print and electronic reference sources. Occasional night and weekend work will be required. Required qualifications: MLS from an ALA-accredited graduate program; three years information services experience; one year public services experience in an academic library; a working knowledge of SIRSI; a working knowledge of electronic resources; and previous experience with reference assistance and electronic resources and services, and in training library users and staff; experience managing information systems with multiple hardware platforms and operating systems; experience with networked information resources, search engines, and client software. Preferred qualifications: Three years information services experience as a professional librarian; experience managing a computer lab or information center; in-depth knowledge of Microtac, Windows, and NT operating systems; WWW publishing expertise; experience with library instruction and development of publications. This position has primary responsibility for managing a multiyear preservation, digitization, and microfilming project. The position will manage the Electronic Information Center, the Electronic Information Services Unit, and the Reference and Information Services Unit. The salary range is $31,000-$35,000 or more, depending upon qualifications. This professional librarian position is available July 15, 1996, and is a security-sensitive position. No state or local income tax. Competitive benefits package: retirement plan options. To ensure consideration, all applications must be received by June 30, 1996, but will be accepted until the position is filled. Women and minority candidates are encouraged to apply. Send letter of interest, resume, and the names, addresses, and phone numbers of three references to: Kathleen Mechanic, Assistant Vice President for Human Resources, Box 35, Butler Library, Columbia University, 535 West 114th Street, New York, NY 10027. Applications received by June 30, 1996 will receive priority consideration; applications accepted until position is filled. State title of Project Coordinator in cover letter. An affirmative action, equal opportunity employer.

PROJECT COORDINATOR MODERN ECONOMIC AND SOCIAL HISTORY PROJECT PHASE 2. (Temporary position: 19 months.) Columbia University Libraries. Reporting to the Director for Preservation, this position has primary responsibility for managing a multiyear microfilming preservation project, including supervising and training project staff to carry out preservation tasks, such as preparing documents, and physical preparation of volumes. Determine appropriate treatments, prospectively catalog titles on OCLC, and perform quality control inspection; monitoring and coordinating work flow of all participating units; preparing and coordinating workflow of external vendors; and producing and distributing progress and statistical reports. Salary competitive based on experience and qualifications. Applicable July 1, 1996, but will be accepted until the position is filled. Women and minority candidates are encouraged to apply. Send letter of interest, resume, and the names, addresses, and phone numbers of three references to: Peggy Mueller, The University of Texas at Austin, The General Libraries, 1160 Guadalupe Street, Austin, TX 78712.

REFERENCE/INSTRUCTION LIBRARIAN. Comette Library, West Texas A&M University, seeks to fill the position of Reference/Instruction Librarian. Duties: provides general reference service and guidance with electronic resources in a networked environment, with emphasis on managing library instruction program. Also troubleshoot operations of LAN workstations in Reference/ILL Unit and Periodicals Unit. Reports to Assistant University Librarian. Qualifications: ALA-accredited MLS; two years reference experience in an academic library, with at least one year participating in library instruction. Broad educational background. Good verbal and written communication skills. Considerable experience working with microcomputers and the DOS, Windows, and Macintosh operating systems. Knowledge of a wide range of print, CD-ROM, and Internet-based reference tools. Experience with an automated library system and a LAN. Supervisory experience preferred. Salary and benefits: $23,500/12 months; employer contribution to health insurance and benefits package. Chosen candidate will be expected to participate in a graduate and/or professional activity in the area of interest. Deadline for applications is June 24, 1996. Mail resume and the names and phone numbers of three references to: JoAnn Lowrance, Director, Personnel Services, West Texas A&M University, WTAMU Box 999, Canyon, TX 79016-0001. WTAMU is an AA/EEO Employer.

REFERENCE LIBRARIAN. Episcopal Divinity School and Weston Jesuit School of Theology invites applications for the position of Reference Librarian. The librarian will provide reference service and bibliographic instruction for students, faculty, and staff. Teach reference instruction sessions, including research techniques and strategies, and manage various bibliographic utilities. Prepare library informational materials and bibliographies. Plan, develop, and coordinate information services. The library is installing an online catalogue and circulation system this summer. The reference librarian will develop training for users. CATALOG LIBRARIAN. Tenure-track position available beginning September 1996 at the instructor rank. Responsibilities: The Catalog Librarian reports to the Director of Library Services and is responsible for the classification, cataloging, and processing of all forms of materials using OCLC and NOTIS. The applicant will also be expected to participate in efforts to streamline workflow, catalog all formats (including electronic), participate in an evening and weekend reference rotation schedule and in collection development activities. The person selected for this position will be expected to define, plan, and complete assignments; to use analytical and constructive problem-solving methodologies to meet changing library goals and needs; to work in concert with and through others; to maintain high standards of quality and quantity of work produced; and to provide evaluation of staff performance. Master's in Library Science from an ALA-accredited institution required. One year of cataloging experience using NOTIS and previous supervisory responsibilities preferred. Other requirements include: Knowledge of copy and original cataloging, authority work, subject analysis, and effective bibliographic control of library's collections; knowledge of principles of bibliographic organization through cataloging and classification; knowledge of current trends in technical service operations; demonstrated knowledge of AACR2, LC, and Dewey classification, LCSH, MARC formats, and OCLC. Slippery Rock University is building a diverse academic community and encourages minorities, women, veterans, and persons with disabilities to apply. Preference will be given to candidates demonstrating familiarity with a broad range of continuous assessment techniques, the use of instructional technology in the teaching/learning process and the role of faculty in student success and retention. Send letter of application, resume, transcripts, and the names, addresses, and telephone numbers of three (3) references to: Chairperson, Catalog Librarian Search Committee, Bailey Library, Slippery Rock University, Slippery Rock, PA 16057. To ensure consideration, all application materials must be received by July 15, 1996. Slippery Rock University of Pennsylvania is a member of the Pennsylvania State System of Higher Education and an affirmative action/equal opportunity employer.

INTERLIBRARY LOAN/SHARED RESOURCES LIBRARIAN. Northern Arizona State University. Academic professional position. The Cline Library at Northern Arizona University invites applications for: Interlibrary Loan/Shared Resources Librarian. Under the direction of the Head of Reference, the Interlibrary Loan/Shared Resources Librarian serves as the primary contact for resource sharing; works with Arizona community colleges and other state universities to improve delivery of materials in all formats among the partner institutions. Represents NAU at professional meetings, and provides an effective interface between the Library and outside organizations for resource sharing; is responsible for the coordination of electronic and manual systems of interlibrary loan and document delivery for university students, faculty, and staff statewide. Supervises the Library's interlibrary loan and document delivery team (eight FTE and 18 students), and works closely with library staff in planning services and resolving issues in an environment supportive of change. Additional duties may include reference desk service and collection development. Minimum Qualifications: Required: ALA-accredited MLS; two years experience with
document delivery and interlibrary loan activities; knowledge of document services such as UNCOVER and UMI; one to two years experience as a supervisor in an academic library; evidence of excellent oral and written communication skills; ability to represent the Library in supporting distance education initiatives involving occasional statewide travel; effective interpersonal skills. Desired: An understanding of trends in academic libraries’ resource sharing efforts and the electronic delivery of information; experience in building cooperative relationships among academic libraries. Send resume, letter of application addressing each minimum qualification above, and the names and addresses of three references to: Cynthia Childrey, Head of Reference, Cline Library, Northern Arizona University, Box 6022, Flagstaff, AZ 86011. Minimum salary is $28,000. The closing date for receipt of applications is June 28, 1996. Northern Arizona University is located in Flagstaff, a city of 52,000 people at the base of the San Francisco Peaks and surrounded by the Coconino National Forest. While we are the academic center for all northern Arizona and the Colorado Plateau, we also serve 4,000 students at 7 distance learning locations in southern and central Arizona. NAU has a growing minority student population and is committed to Equal Opportunity/Affirmative Action; we welcome minorities, women, persons with disabilities, and veterans willing to make a commitment to NAU’s mission of cultural diversity.

**SCIENCE LIBRARIAN II/III** The University of Pennsylvania Library is seeking a Science Librarian who is responsible for building the print and electronic collections in the areas of mathematics, physics and astronomy and managing the departmental library serving these disciplines. Duties: Share in the design of operating policies for the Math/Physics/Astronomy Library; oversee the daily operation of this facility; provide reference and bibliographic assistance; provide orientation and instruction in use of electronic resources; work with the engineering and chemistry librarians to coordinate collections and services in engineering and science libraries; develop web pages; supervise one full-time employee; participate in library-wide task forces and committees. Qualifications: BA/BS. An MLS from an ALA-approved program or equivalent in knowledge, training and experience. Minimum of one to three years working in an academic library, preferably in a science library. Academic background in the sciences or engineering strongly preferred. Familiarity with desktop computing, knowledge of electronic resources in the sciences essential. Effective written and oral communication skills. Demonstrated ability to work effectively, independently and cooperatively with faculty and students and with staff throughout the library system. Appointment as a Librarian II ($28,800–$37,600) requires at least one to three years of previous professional experience. Appointment as a Librarian III ($31,900–$40,600) requires three to five years experience. To apply: Submit a cover letter, resume and three references to: R. I. Fisher, Library Human Resources Administrator, University of Pennsylvania Library, 3420 Walnut St., Philadelphia, PA 19104-6206. Applications received by mid-June will receive first consideration. AA/EOE.

His world revolves around silent meditation, yoga and a library in pittsburgh.

unicorn® It is possible, right now, for you to provide your clients and patrons with the absolute finest in library services and support—and extend those services around the world. It's an incredible capability that comes standard with Unicorn, the world's most powerful library automation system. Unicorn was created in 1982 by SIRSI. From the beginning, the right decisions were made to ensure that Unicorn users would always be able to meet change head-on. UNIX™ would be the operating platform, Client/server would provide the architecture. Unicorn would be the perfect blend of power, versatility and adaptability. These early decisions are the reasons why Unicorn is today's continuous source for technological breakthroughs. SIRSI is the only vendor offering complete public and staff functionality for MS-Windows™ and Macintosh™ clients. SIRSI's award-winning WebCat™ is the first product to tap the Web's potential for delivering library catalogs and other Z39.50 databases to patrons around the world. Today, strategic alliances with customers such as Carnegie Mellon and other industry partners ensure that Unicorn and other SIRSI products continue to lead the industry. Tomorrow, there will be new breakthroughs. And Unicorn users will be the first to reap the rewards.

You need to reach the world. It needs to reach you.
