January

---

**THE CLASSIFIED ADS**

**Deadlines:** Orders for regular classified advertisements must reach the ACRL office on or before the second of the month preceding publication of the issue (e.g., September 2 for the October issue). Late job listings will be accepted on a space-available basis after the second of the month.

**Rates:** Classified advertisements are $5.00 per line for ACRL members, $6.25 for others. Late job notices are $12.00 per line for members, $14.00 for others. Organizations submitting ads will be charged according to their membership status.

**Telephone:** All telephone orders should be confirmed by a written order mailed to ACRL headquarters as soon as possible. Orders should be accompanied by a typewritten copy of the ad to be used in proofreading. An additional $10 will be charged for ads taken over the phone (except late job notices or display ads).

**Guidelines:** For ads which list an application deadline, that date must be no sooner than the 20th day of the month in which the notice appears (e.g., October 20 for the October issue). All job announcements should include a salary figure. Job announcements will be edited to exclude discriminatory references. Applicants should be aware that the terms faculty rank and status vary in meaning among institutions.

**JOBLINE:** Call (312) 944-6795 for late-breaking job ads for academic and research library positions. A pre-recorded summary of positions listed with the service is revised weekly; each Friday a new tape includes all ads received by 1:00 p.m. the previous day. Each listing submitted will be carried on the recording for two weeks. The charge for each two-week listing is $30 for ACRL members and $35 for non-members.
ASSOCIATE DIRECTOR FOR SYSTEMS AND ACCESS SERVICES
DePaul University

Will report to the Director of Libraries and be responsible for investigating computer technologies and their library applications with the goal of implementing an integrated online system linked with national and regional networks. Will conduct a review of current automated systems including OCLC and LCS, and will provide leadership in planning for an online catalog and the continued automation of the circulation, serials, and acquisitions functions. Will plan and implement further use of microcomputers for library functions and programs. This position will have supervisory responsibility for the acquisitions, cataloging, circulation, and serials departments. Will serve as a subject bibliographer for one or more subjects.

DePaul University has an enrollment of nearly 13,000 students of whom 4,000 are in graduate or professional programs. The libraries are on the 2 main campuses as well as one auxiliary campus, all of which are located in the Chicago metropolitan area. The libraries have a combined collection of 275,000 volumes, 17,000 microform volumes, and 2,600 current periodical subscriptions.

Qualifications: ALA-accredited MLS required. Additional subject master’s preferred. Minimum 5 years increasing responsibility in library position with some supervisory experience. Demonstrated knowledge of library systems and technical services and familiarity with academic library service. Excellent written and oral communication skills. Evidence of continued professional growth. Good interpersonal skills. Liberal fringe benefits: TIAA/CREF, salary mid-$30’s, good hospitalization and more. Send letter of application and resume by September 30, 1986, to: Doris Brown, Director of Libraries, DePaul University, 2323 N. Seminary Ave., Chicago, IL 60614.

Equal opportunity employer.
ASSISTANT REFERENCE LIBRARIAN (Search re-opened.)

James Madison University's Carrier Library is seeking an Assistant Reference Librarian. The University is a publicly supported institution offering primarily undergraduate programs (enrollment approximately 9,400 FTE). There are also graduate programs at the master's level. Located in Virginia's Shenandoah Valley, the University is considered one of the outstanding regional schools and aspires to be one of the best public undergraduate institutions in the nation.

Carrier Library's facilities are modern (new addition and renovation in 1982), contain over 600,000 items in the collections, offer media resources services, and have installed the VTLS online catalog and circulation system. The staff consists of 17 library faculty and approximately 34 FTE classified staff. The Assistant Reference Librarian is a faculty position with rank, is tenure-track and a 12 month appointment. Benefits include 20 days vacation plus University holidays, paid BC/BS health insurance. Retirement options are State or TIAA/CREF with the University making full contribution. Salary range is $20,000–$22,000 depending on experience and qualifications.

Position Description: The Assistant Reference Librarian provides general reference assistance, serving at the Reference Desk during assigned times including one evening per week and rotating weekends; performs online database searching; participates in the development of the Reference collection and general collection; and serves as faculty liaison to designated academic departments. Supervision of the Instructional Resources Center with a staff of 11 full-time professionals and three full-time support staff may become a part of the responsibilities of the Director.

The library houses over 360,000 bound volumes of monographs and periodicals including 33,000 volumes of music scores, over 800,000 microform units of government documents, research reports, and periodical backfiles. A new library addition is presently in the planning stage.

Qualifications include master's degree from an ALA-accredited library school. A second master's degree or Ph.D. is desirable. A minimum of six years of library administrative experience in an academic institution is required. Knowledge and understanding of new technological applications of libraries is expected.

Familiarity with the OCLC system and the administration of AV services is required. Salary range for twelve months is $40,000–$50,000 depending on qualifications. Usual New York State management/confidential benefits including, among other things, paid vacation and sick leave, retirement plan, dental and health plans. Applications with references should be sent to: Jack Cogdill, Chairperson, Library Search Committee, 213 Michael C. Rockefeller Arts Center, State University of New York College at Fredonia, Fredonia, New York 14063. Deadline for application is October 1, 1986. Women and minorities are encouraged to apply.

SUNY College at Fredonia is an Affirmative Action, Equal Opportunity Employer.

September 1986 / 551

As the major academic research institution in the state, the University of Arkansas,

State University of New York
Health Science Center
Syracuse

DIRECTOR OF THE LIBRARY

SUNY Health Science Center at Syracuse (formerly Upstate Medical Center) invites applications for the position of Director, Health Sciences Library. The Library supports the educational, research and informational needs of Health Science Center faculty and students of the Colleges of Medicine, Health Related Professions, Graduate Studies, Nursing and the University Hospital. The Library serves approximately 6,000 users annually with a collection of over 145,000 volumes, a budget of $864,000 and a staff of 21.

The Director is responsible for the administration and development of the Health Sciences Library, including collection and resource development, planning, fiscal management, user and technical services, automation and staff supervision. The Director reports to the Provost of the Health Science Center.

Required qualifications include:
• MLS from ALA-accredited program;
• professional experience in a Health Sciences setting;
• considerable experience in a managerial/supervisory capacity with increasing progression of responsibility;
• experience in information systems;
• demonstrated participative managerial skills, including communication skills;
• budgetary and fiscal management and development skills;
• record of active participation in professional library associations;
• commitment to research in Health Sciences and Information Technology.

Salary commensurate with qualifications and experience (minimum salary $52,000); excellent fringe benefits. Position is at Librarian rank in State University of New York system.

Send letter, resume with salary requirements and name, address and phone number of references by October 17, 1986, to:
Donald C. Goodman
Provost and Chair, Library Director Search Committee
1101 Silverman Hall
SUNY Health Science Center
Syracuse, NY 13210

SUNY-HSC is an AA/EEO Employer.
Fayetteville, a land-grant university, offers a full range of undergraduate, graduate, and professional degrees. Located in scenic Northwest Arkansas, Fayetteville is a university town of 40,000 in a picturesque setting in the foothills of the Ozarks, an unspoiled region with clean air, a temperate climate, and a variety of cultural and recreational opportunities. Letter of application and resume of education and experience and the names of three references should be submitted to: John A. Harrison, Director, University Libraries, University of Arkansas, Fayetteville, AR 72701. The University of Arkansas is an Equal Opportunity, Affirmative Action Employer.

CATALOGER, Librarian II. Responsible for original cataloging of monographs and AV materials. May also participate in weekend reference desk rotation, collection development, library instruction, and other duties as assigned. Reports to Head of Catalog Department. Requires MLS from ALA-accredited program; thorough knowledge of AACR2, LCSH, MARC formats; 2 or more years of cataloging experience. Experience in AV cataloging and with OCLC and working knowledge of German language is desirable. North Dakota State University is a land grant university serving over 9,500 students, a member of Tri-College University (NDSU, Moorhead State University, and Concordia College), and a participant in Minnesota State University System’s PALS online catalog. Benefits include TIAA/CREF, Blue Cross/Blue Shield, $19,524 minimum salary. Position available immediately. Application deadline October 15, 1986. Submit application, resume, and 3 current letters of reference to: Personnel Office, North Dakota State University, P.O. Box 5277, Fargo, ND 58105. North Dakota State University is an equal opportunity institution.

ACCESS SERVICE LIBRARIAN
Purdy/Kresge Library, Wayne State University

This is a librarian position with system-wide responsibility for an automated circulation system. Included in this assignment is supervisory responsibility for the Purdy/Kresge Circulation Desk staff and the Purdy/Kresge Interlibrary Loan Service. Specific assignments will include development and monitoring of circulation policies and procedures for the University Library system. This position may also include some participation in bibliographic instruction, collection development, faculty liaison and in the reference schedule. This position may lead to tenure based on the standards of evaluation and quality of performance in (a) professional assignments, (b) creative or scholarly work, and (c) contributions to the profession.

Qualifications and desired characteristics: Master’s Degree from an ALA-accredited library school is required. Experience with an automated circulation system is preferred. Effective verbal and communication skills are essential. Strong leadership and good interpersonal skills are essential. Reports to the head of the Purdy/Kresge Library.

Other Information: The Purdy/Kresge Library is part of the University Library system which includes the Neef Law Library, the Science and Engineering Library and the Shiffman Medical Library. Purdy/Kresge houses collections in the humanities and social sciences, with primary use by the College of Liberal Arts, College of Education, and the School of Social Work.

Liberal fringe benefits, dental and health plan options, TIAA/CREF, tuition support for family members, minimum salary of $19,000-$20,000, rank competitive and negotiable based on experience and qualifications.

Position open immediately and will remain open until filled. Applications received September 30, 1986, will be given first consideration. Applications (including a signed and dated resume) should be sent with three references to:

James Williams II
Associate Director
134 Purdy Library
Wayne State University
Detroit, MI 48202

Wayne State University is an affirmative action, equal opportunity employer.
for a twelve-month contract. Salary may be higher depending upon the qualifications of the successful applicant. Apply with full resume plus names and current addresses/telephone numbers of three references by October 15, 1986, to: Kent Hendrickson, Dean of Libraries, 106 Love Library, University of Nebraska-Lincoln, Lincoln, NE 68588-0410. Affirmative Action, Equal Opportunity Employer.

COLLECTION DEVELOPMENT COORDINATOR, Owen Science and Engineering Library. Appointment begins February 1, 1987. Responsible for coordinating collection development. Other duties include bibliographic instruction, online searching, reference, collection development/liaison with specific departments. A progressive record of professional scholarly achievement is expected of all librarians. The Owen Science and Engineering Library is a modern 7 story building with a staff of 26, including 6 librarians; contains 400,000 volumes and 611,000 microforms. Library has automated circulation, acquisitions and bibliographic systems. Required: ALA-accredited degree. Preferred: Experience in a science/engineering/medical library and/or subject background; collection development coordination; computerized literature searching. Rank and salary commensurate with experience and qualifications. TIAA/CREF, broad insurance program. Send letter of application, resume and names of three references to: Donna L. McCool, Assistant Director for Administrative Services, Libraries, Washington State University, Pullman, WA 99164-5610. Review of applications begins October 15, 1986. Washington State University is an equal opportunity, affirmative action employer.

COLLECTION DEVELOPMENT COORDINATOR (Re-Advertisement). The Coordinator for Collection Development functions as the chief officer for the development and management of the library's learning materials collection. Responsibilities include assessing the collection's strengths and weaknesses, maintaining knowledge of the academic missions and programs, maintaining awareness of the production and publication of the academic and professional literature necessary to meet the curricular and research needs of the diverse Auraria programs, planning and implementing programs to develop and maintain a quality collection in support of these programs, allocating funds for collection purchases within individual subjects. Under the general direction of the Assistant Director for Instruction and Research Services, the Coordinator for Collection Development shares supervision of fourteen liaison librarians with the Coordinators for Reference and Bibliographic Instruction librarians. The Coordinator assists and provides leadership to the liaison librarians in determining library needs within subject specialties and building collections to meet these needs. Provides reference at a general reference desk. University of Colorado faculty status responsibilities include professional service and scholarly activities. Qualifications required: An ALA-accredited Master's degree in Library Science and demonstrated successful professional experience in collection development. Desired: Evidence of ability to lead, coordinate and motivate professional associates within a collegial framework; knowledge of trends and issues in academic library collection development; experience in utilizing data analysis in a creative problem-solving context; effective writing, speaking and interpersonal skills.

Chief of the General Research Division

The General Research Division, consisting of the Public Catalog, Main Reading Room and Periodicals sections, is the largest division of The Research Libraries of The New York Public Library. The subject collections cover primarily the humanities and liberal arts, collected on an international basis from both current and historical perspectives. The division is staffed by over 30 FTE professionals, supported by a technical and clerical staff. Annual materials budget FY '86-'87 is expected to be in excess of $800,000. The division has an on-line catalog, RLIN, OCLC and IBM PCs for use in reference service.

Under the general direction of the Associate Director for Public Services, is responsible for the administration of all sections of the General Research Division, for the reference and research and automated services related thereto, and for the administration of all staff. Under the general direction of the Associate Director for Collection Development, is responsible for overall coordination of the selection of materials added to The Research Libraries' collections in selected areas of the humanities.

The successful candidate will have a Master of Library Science degree and substantial library administrative and supervisory experience, including planning, organizing and coordinating the work of staff services, staff development, analyzing and evaluating operations and procedures, collection development and automated systems. Thorough knowledge of and dedication to reference work, extensive subject knowledge in the humanities or liberal arts; relevant subject master's degree preferred. Excellent interpersonal skills and inspiring leadership qualities essential.

Send resume and salary history (before September 15), to: Diane G. Riordan, Human Resources Department. Candidates selected for further consideration will be contacted for an interview.

(tenure-leading)

Starting January 1, 1987. 1) Plans for and coordinates the utilization of new technologies to enhance library operations and services with the long range goal of an integrated library system linked with national and regional networks. Prepares documentation for recommendations including feasibility studies, statistical analyses, and systems specifications. 2) Administers all phases of technical services operations, including acquisitions, serials, binding, and cataloging. Provides strong leadership and reviews and analyzes existing technical services operations and makes recommendations for systems improvements. Plans and organizes the activities of technical services with other library units. The Assistant Dean will be expected to integrate organizational change with technological development. 3) Oversees the implementation of systems decisions including both the acquisition and integration of new systems and the enhancement of existing systems.

Required: MLS from an ALA-accredited library school; experience with library automated systems and/or systems planning; and evidence of continued professional growth and administrative responsibility in technical services with a demonstrated record of creative leadership. $42,000 minimum for a 12-month contract. Salary may be higher depending upon the qualifications of the successful applicant.

Apply with full resume plus names and current addresses/telephone numbers of three references to: Kent Hendrickson, Dean of Libraries, University of Nebraska-Lincoln, Lincoln, Nebraska 68588-0410.

Affirmative Action, Equal Opportunity Employer.
materials to support the instruction and research programs in assigned subjects; 2) analyzes, develops, and manages collections according to the University needs; 3) prepares budget requests and manages an acquisitions budget; 4) serves as library liaison with the College of Education (consults with other faculty and bibliographers as necessary and appropriate); 5) provides both introductory and specialized bibliographic instruction; 6) offers general reference service during scheduled desk hours and specialized reference consultation by appointment; 7) searches online databases. Required qualifications are an MLS or other master’s degree from a program in library and information sciences, an undergraduate or graduate degree in education. Desired qualifications include experience in collection development at the professional level; experience in reference service at the professional level; experience or training in online database searching; interest in participating in bibliographic instruction programs. The appointment is probationary at the Assistant Librarian rank. The incumbent will be expected to meet the Libraries’ criteria for continuous appointment within six years. Minimum salary $22,000. This position is in the Professional/Academic series. To encourage applications from women and minorities.

FINANCE/PUBLIC POLICY REFERENCE LIBRARIAN. Responsibilities: The Finance/Public Policy Reference Librarian will use professional skills in support of the finance, accounting, economics, and public policy areas in the business and public affairs programs on campus. Collection development, specialized reference work, computer assisted research, and specialized library instruction are part of faculty liaison responsibilities. Additionally, the successful candidate will be involved in general reference work and library instruction. Some weekend and evening work required. Other faculty responsibilities include service and scholarly work. Qualifications: an ALA-accredited master’s degree and an academic degree or experience in one of the following areas: accounting, finance, economics, public policy are required. Preferred are reference, online searching, and teaching experience. Background: the University Library occupies a unique position as the central point of information services in support of the programs of 3 diverse academic institutions on one campus as well as being the only academic library in the Denver downtown area. The University of Colorado-Denver, Metropolitan State College, and the Community College of Denver serve a combined student FTE of approximately 20,000 with 1,050 FTE faculty. The 25 professional staff and approximately 95 FTE support staff of the Auraria Library are developing a number of innovative programs stressing a service-oriented approach. The library participates in a cooperative, integrated online catalog system with the Colorado Alliance of Research Libraries. This librarian works with the management/business reference librarian to support the public administration program at the University of Colorado-Denver and the business programs at all 3 schools on campus. The public administration program offers master’s and doctorate level degrees, while the business programs offer courses ranging from introductory level through master’s level. Salary: $19,000-$29,000 for a 12-month contract, negotiated depending on education and experience. Tuition benefits, sick leave, 22 vacation days, TIAA/CREF. For first consideration apply to:

The University of Denver 
Auraria Library 
P. O. Box 1652 
Aurora, CO 80011-1652

The Preservation Officer will hold a joint appointment with the University Library and the School of Information and Library Studies with the greater amount of time with the Library. The incumbent will be responsible for managing a major and comprehensive preservation program, for initiating a statewide cooperative program involving educational activities and preservation services, and for participating in the expansion of preservation education in the School of Information and Library Studies curriculum. Incumbent is responsible for the design, implementation and administration of a comprehensive preservation program for the University Library. Department functions include: identification and replacement of brittle materials, binding preparations, preservation microfilming, conservation and book repair, staff and user preservation education, stacks cleaning, disaster planning and recovery, and provision of preservation supplies and equipment for all units in the Library. Currently, the staff of the Preservation Department consists of two librarians, four professional staff, three bookbinders, three conservation staff, two camera operators, three clericals, and 6.3 student assistants. The non-personnel budget exceeds $400,000. The incumbent will also have the title of Lecturer in the School of Information and Library Studies and will coordinate the preservation education program of the School including teaching a course in the masters curriculum, supervision of research projects, internships, and field experiences. The incumbent, working with the Library and the School, will be responsible for designing and implementing a progressively expanding statewide cooperative preservation program. This will involve the design and presentation of a variety of training and educational activities including workshops, bench experience, and fellowships. In addition, preservation services will also be offered including conservation and microfilming, consulting, current awareness activities and disaster assistance. Requirements: Demonstrated ability as a manager including strong communication skills, both written and oral, ability to conceptualize and organize programs, develop and direct staff, plan and monitor budgets. Ability to market statewide preservation programs and work effectively with multiple agencies in running the program. Success in teaching and/or training activity. Sound knowledge of preservation activities and issues desired and/or strong background in collection development and management. Rank of Librarian with a salary range of $30,000 to $40,000, dependent on directly relevant experience. Applications will be reviewed beginning September 15, 1986. Apply to: Library Personnel Office, 404 Hatcher Graduate Library, University of Michigan, Ann Arbor, MI 48109.
please send letter of application and names, addresses, and phone numbers of 3 references to: Joan Fiscella, Auraria Library, Lawrence at 11th, Denver, CO 80204, postmarked by September 30, 1986. Recruitment will remain open until position is filled. AA, EEO employer.

FOREIGN LITERATURE BIBLIOGRAPHER & REFERENCE LIBRARIAN. Requirements: MLS (ALA-accredited). Substantial academic library experience in collection development and maintenance in the humanities including foreign languages and literature. Desired qualifications: Reference experience, advanced degree, Ph.D. preferred, in either comparative literature or one of the following modern literatures: Spanish, German, French or Russian; teaching experience on the academic level; experience in using online systems. Demonstrated ability to work effectively with research-oriented faculty, library staff, and other members of the academic community in an intellectually challenging environment. Main responsibility is development and maintenance of the collection in foreign languages and comparative literature, and allied humanities disciplines. Participates in reference service part-time, providing general and specialized reference service. Works closely with other members of the library staff and the humanities teaching faculty, teaches a course in the Department of Foreign Languages and Literatures during Fall and Spring semesters. Members of library faculty must meet Purdue University requirements (excellence in librarianship, publishing, research, and service) for promotion and tenure. Faculty status and responsibilities; rank commensurate with educational and experience. 12 month appointment with 22 days vacation. Group life, major medical, and disability insurance plans are in effect as are TIAA/CREF and social security. Salary: $18,000 and up depending on qualifications. Application deadline October 1, 1986. Send resume and list of references to: Thomas L. Haworth, Personnel Officer, Libraries, Stewart Center, Purdue University, West Lafayette, IN 47907. An Equal Opportunity, Affirmative Action Employer.

GOVERNMENT PUBLICATIONS LIBRARIAN (Entry-level Position). The University of California, Irvine, has an entry-level position at the Assistant Librarian rank at a salary of $24,012. Upward adjustment will be made for additional advanced degree. Responsibilities: Under the general direction of the Head of the Government Publications Department, this position is responsible for the development and bibliographic control of the U.S. collection and for participation in the full range of departmental activities including substantial reference service for all collections on a scheduled basis with some evening and weekend hours, database searching, bibliographic instruction, and policy and procedure development. Qualifications: MLS degree, interest in U.S. Government Publications database searching, and library instruction. Applicants should have a strong commitment to effective public service and an interest in the broad range of activities requisite for expected professional development. Strong verbal and written communication skills. Ability to work effectively with library users and staff. A second master's degree in the social sciences is desirable. To apply for the position: Send application letter with: 1) a complete statement of qualifications; 2) resume of education and relevant experience; and 3) the names, addresses, and telephone numbers of three references. Letters should be addressed to: Karen Nassaur, Library Personnel Office, University Library, University of California, Irvine, P.O. Box 19557, Irvine, CA 92713. Telephone: (714) 856-5408. An affirmative action, equal opportunity employer.

HEAD, ARCHITECTURE & ENVIRONMENTAL DESIGN LIBRARY at Arizona State University, home of significant special collections on Paolo Soleri and Frank Lloyd Wright. The library is located within the School of Architecture and is staffed by one professional (the Head). 2.0 FTE support staff, and student assistants. The librarian reports to the Associate University Librarian for Public Services and is responsible for management of the branch, collection development, reference and research assistance, bibliographic instruction, and liaison with the college and the main library. Required qualifications: ALA-accredited MLS or foreign equivalent; public service experience in an academic, research, or special library; demonstrated management, communication and interpersonal skills; subject expertise in one or more of the fields of architecture, art history, interior design, landscape architecture, urban design and city planning. Preferred: administrative experience in a branch, unit or department, preferably in an academic library; a minimum of 3 years' public service experience in an academic or research library. Salary: dependent on qualifications ($23,000 and up). Send letter of application and names, addresses, and phone numbers of 3 references to: Richard H. Swain, Chair, Search Committee for Director of Libraries, Cleveland State University Libraries, 1983 East 24th Street, Cleveland, Ohio 44115. Cleveland State University is an Equal Opportunity Employer.
COORDINATOR OF AREA PROGRAMS  
University of Michigan

The Coordinator of Area Programs is responsible for overseeing the library’s four area program divisions: Near East, Slavic, South Asia, and Southeast Asia. In addition to responsibilities as Head of one of the four divisions, the Coordinator is responsible for: developing and monitoring plans and budgets for area programs; representing and coordinating collection development interests of area programs; coordinating technical processing functions; and developing programs/proposals to enhance the services and collections of area programs. Area program staff total 11 FTE with collection budgets of over $176,000. The Coordinator reports to the Head of the Graduate Library.

Candidates for Head of the Near East Division and Head of the Slavic Division (described below) will be considered for this coordinating position. Individuals who are interested in these additional responsibilities should indicate their interest and qualifications in their application for one of the two positions below.

Head, Near East Division

The Near East Division of the University of Michigan’s Graduate Library is responsible for the acquisition, cataloging, and outreach services associated with Near East Collections. The Head of the Near East Division supervises three (1.83 FTE) catalogers/collection development librarians, develops and manages collections in vernacular languages, coordinates collection activities with librarians handling non-vernacular languages, acts as a liaison with Center for Near Eastern and North African Studies. Requires: MLS, MA in area of Near Eastern Studies; reading knowledge of Arabic and working knowledge of other Near Eastern languages (modern and ancient); progressively advanced experience in cataloging, acquisitions, and/or reference work in a research library; strong oral and written communication skills. Desired: Ph.D; demonstrated experience in cooperative collection development, collection assessment; knowledge of computer systems; supervisory experience.

Head, Slavic Division

The Slavic Division of the University of Michigan’s Graduate Library is responsible for the acquisition, cataloging, and outreach services associated with Slavic and Eastern European collections. The Head supervises 5.25 FTE, develops and manages vernacular collections, and acts as a liaison with the Center for Russian and Eastern European Studies. Required: MLS, MA in an area of Slavic or Eastern European Studies; reading knowledge of Russian and one other Slavic language; progressively advanced experience in cataloging, acquisitions, and/or reference work in a research library; strong oral and written communication skills. Desired: Ph.D; working knowledge of Eastern European non-Slavic languages; computer experience; demonstrated experience in cooperative collection development, collection assessment; supervisory experience.

For both the Head, Near East Division and the Head, Slavic Division positions, applications received by September 20, 1986, will receive first consideration. Salary range of $28,000–$40,000 dependent on previous relevant experience with additional compensation for the Coordinator of Area Programs responsibilities. Apply to: Library Personnel Office, 404 Hatcher Graduate Library, University of Michigan, Ann Arbor, MI 48109-1205.

The University of Michigan is a non-discriminatory, affirmative action employer.

560 / C&RL News
with faculty status, 22 days vacation, 13 days sick leave, TIAA/CREF or other retirement options, no state or local income tax. Salary: $35,000 minimum for 12 months. Send letter of application with resume and names, addresses, and phone numbers of 3 professional references by October 1, 1986, to: Lynn Badger, Library Personnel Officer, 211 Library West, University of Florida, Gainesville, FL 32611. An AA/EQ employer.

HEAD, COLLECTION DEVELOPMENT AND SERVICES DIVISION. Position responsible for coordinating development of the library’s collections and administering non-reference operations of the Art, Music, Curriculum Materials, and Film Services. Position will supervise 12 staff; manage materials funds; recommend funds allocations; manage approval program and workflow of order verification, preparation and vending; and coordinate handling of gift materials. Requirements: ALA-accredited MLS; minimum of 5 years professional experience in an academic or research library, including successful supervisory experience; excellent written and oral communication skills; experience in most collection development activities listed above; ability to work closely with faculty, library staff, and academic administrators; knowledge of foreign language of bibliographic importance. Desirable: knowledge of a second foreign language of bibliographic importance, experience in library acquisitions budgeting; and a second graduate degree. Salary: $25,000–$30,000 + depending on experience and qualifications. Send resume and names of 3 current references by October 10, 1986, to: Billie Reinhart, Chair, Search Committee for Head, Collection Development and Services Division, Cleveland State University Libraries, 1983 E. 24th St., Cleveland, OH 44115. EOE, m/f/h.

HEAD, GRADUATE SCHOOL OF INTERNATIONAL RELATIONS AND PACIFIC STUDIES LIBRARY, University of California, San Diego. Starting date: available immediately. Rank: Associate Librarian, $27,948–$40,248 or Librarian, $37,572–$52,092 (subject to potential salary adjustment as of July 1, 1986). The focus of this newest school of the University of California, San Diego, authorized by the UC Regents in January, 1986, is the interrelations among the nations of the Pacific Basin and their political, economic, and cultural importance to the United States. Under the general direction of the Assistant University Librarian for Collections, the incumbent is responsible for planning, developing, implementing, and managing the new branch library’s collections, services, and operations; functions as primary liaison between the Pacific Studies Library and faculty, graduate students, and other scholars using the Library; hires, supervises, and monitors staff, develops and implements policies and procedures; develops and promotes special programs, especially innovative automated services; keeps abreast of developments in relevant subject areas, in information science, etc.; has selection responsibility in one or more subject areas, and responsibility for coordinating collection development in Pacific Studies; has reference and instructional responsibilities for the Pacific Studies. UCSD librarians are expected, as academic appointees, to participate in librarywide planning and to be active professionally. Qualifications: MLS from an ALA-accredited library school. Applicants with experience in managing an academic library public services unit, developing research collections, and delivering automated information services will be preferred. Demonstrated communication skills, both written and oral; demonstrated ability to work effectively with faculty and other researchers; understanding of the research process and the needs of researchers in the social sciences. Desirable: knowledge of a foreign language relevant to the School’s areas of interest and graduate level background in the Social Sciences and/or appropriate area studies. Appointment at the Librarian level requires substantial relevant experience. UCSD is an equal opportunity, affirmative action employer. Applications received or postmarked by September 22, 1986, are assured of consideration. Submit a letter of application, enclosing a resume and a list of references to: Ellen Lawson, Assistant for Academic Personnel, Library, C-075-H2, University of California, San Diego, La Jolla, CA 92039.

HEAD LIBRARIAN. McGill University Libraries requires a Head Librarian for the Islamic Studies Library. Reporting to the Area Librarian of the Humanities and Social Sciences, the Head Librarian provides leadership and direction to the Islamic Studies Library, and is responsible for requests for services and collection development, working closely with the HuSSL Reader Services Librarian and Collections Director and the Head, Public Services, to develop collections that reflect the unique intellectual and research interests of the Institute of Islamic Studies. The staff of the Islamic Studies Library consists of three library assistants and some casual assistance. The Library is unique in Canada and houses about 100,000 volumes to support McGill University’s strong program in Middle Eastern Studies. Qualifications: MLS and an advanced degree in Islamic and Middle Eastern Studies with excellent knowledge of Arabic, a second Islamic language and familiarity with Middle East literature and culture. Several years of professional library experience with evidence of good management skills. Must be able to represent the McGill Libraries in developing, managing, and promoting the Library on a national level in Islamic and Middle East librarianship. Salary and rank will be commensurate with experience and qualifications, e.g. Associate Librarian rank begins at $28,802. This is a tenure track position and it is hoped to make an appointment by June 1, 1987. Preference will be given to Canadian citizens and permanent residents of Canada. Submit a recent Curriculum Vitae and names of three references to: Calvin Evans, Area Librarian, Humanities and Social Sciences Area Library, McGill University, McLennan Library, 3459 McTavish Street, Montreal, Quebec, Canada, H3A 1Y1.

HEAD OF ACQUISITIONS (Search reopened). Requirements: Minimum of 4 years recent experience directly related to an academic library acquisitions department and/or the book trade industry, including supervisory responsibilities. Desirable qualifications: MLS (ALA-accredited). Ability to plan, supervise and coordinate the acquisitions of monographs, serials, and non-print materials. Knowl-
edge of both manual and automated materials acquisition and serial control systems. Knowledge of domestic and foreign publishing trade and vendor sources/plans. Experience with gifts and exchange programs and government documents depository programs. Experience with library materials budgets. Excellent oral/written communications and interpersonal skills. Manages a staff of 1 administrative assistant and 17 support staff members in the Acquisitions Department. Recognizable for the ordering, receiving, and claiming of library materials. Work with the Library’s Business Office to coordinate the fiscal reporting of library materials funds. Coordinate the gifts and exchange program, binding, and distribution of library materials and supplies in a decentralized library system. Evaluate vendor performance and assist in approval plans management. Participate in the development of automated acquisitions programs. Salary: $23,000 and up depending on qualifications. Status and Benefits: Exempt Supervisory position. Annual vacation of 15 working days during the first year of employment and 22 days thereafter. Group life, major medical, and disability insurance plans are in effect as are TIAA/CREF and social security coverage. Application deadline: October 1, 1986. Send resume and list of references to Thomas L. Haworth, Personnel Officer, Libraries, Stewart Center, Purdue University, West Lafayette, IN 47907. An Equal Opportunity, Affirmative Action Employer.

HEAD OF CIRCULATION/REFERENCE LIBRARIAN. Colgate University, a highly selective, independent college located in rural upstate New York, is seeking candidates for the position of Head of Circulation/Reference Librarian. Is responsible for management of circulation department and its subunits, reserves and music room. Supervises 5.5 FTE’s and 35 student assistants. Full participant in reference department programs including reference desk, documents, interlibrary loan, instruction, and database searching. Some evening and weekend duties. Required: ALA-accredited MLS, 3 years’ circulation and/or reference experience, excellent interpersonal and communication skills. Preferred: experience with an automated circulation system Salary $23,000–$25,000. Application deadline: October 15, 1986. Send letter of application, resume, and names of 3 references to: University Librarian, Colgate University, Hamilton, NY 13346. Women and minorities are encouraged to apply. Colgate is an AA, EOE.

HEAD OF MONOGRAPHIC ACQUISITIONS. The University of California, Irvine is recruiting for a Head of Monographic Acquisitions. Appointment range will be from Assistant to Associate Librarian. Rank and salary range is from $29,340–$34,452. Appointment at the Associate level requires substantial experience in acquisitions as well as in library automation in an academic or research library. Applications received by 15 September will receive first consideration, but applications will continue to be accepted until the position is filled. Responsibilities. Under the general direction and review of the Assistant University Librarian for Technical Services, this position is responsible for the overall management and supervision of the Monographic Acquisitions Department. This responsibility includes all management functions, such as planning, implementing, coordinating, and evaluating of operations; establishing priorities; evaluating staff performance. This person is also expected to work with appropriate units in coordinating the fiscal reporting of library materials funds and participate in the development of automated acquisitions programs. Qualifications: Required: MLS from an accredited library school; experience directly related to acquisitions functions in an academic or research library; demonstrated supervisory and administrative skills; evidence of ability to work effectively with diverse library staff and outside vendors; effective written and verbal communication skills; knowledge of domestic and foreign publishing trade and vendor sources/plans. Highly desirable: substantive knowledge of automated acquisitions systems; ability to work with a variety of modern European languages. To apply for the position: Send application letter with: 1) a complete statement of qualifications; 2) resume of education and relevant experience; and 3) the names, addresses, and telephone numbers of three references. Letters should be addressed to: Karen Nassaur, Library Personnel Office, University Librarian, University of California, Irvine, P.O. Box 19657, Irvine, CA 92713. Telephone: (714) 856-5408. An affirmative action, equal opportunity employer.

HEAD, SCIENCE LIBRARIES DEPARTMENT LIBRARIAN
University of California, Berkeley

Administers and defines standards for the provision of science and engineering information services at the University of California, Berkeley, which supports some of the most distinguished research and teaching programs in the nation. The department comprises 14 science libraries with a full-time staff of 48, and combined collections of over 825,000 volumes. Responsible for planning new library services in accordance with the changing and increasingly automated nature of science information storage, transmission, and use.

Provides overall direction for science departments, including services, staffing, and collection management programs. Coordinates department’s active participation in the development of the library’s automated systems for public access and technical processing.

Requires an MLS degree and extensive management experience in a scientific, biomedical, or engineering academic or research library. Experience with progressive information services within a scientific or academic or research library; demonstrated supervisory and administrative skills; evidence of ability to work effectively with diverse library staff and outside vendors; effective written and verbal communication skills; knowledge of domestic and foreign publishing trade and vendor sources/plans. Highly desirable: substantive knowledge of automated acquisitions systems; ability to work with a variety of modern European languages. To apply for the position: Send application letter with: 1) a complete statement of qualifications; 2) resume of education and relevant experience; and 3) the names, addresses, and telephone numbers of three references. Letters should be addressed to: Karen Nassaur, Library Personnel Office, University Librarian, University of California, Irvine, P.O. Box 19657, Irvine, CA 92713. Telephone: (714) 856-5408. An affirmative action, equal opportunity employer.

selecting, training, and evaluating personnel; budgeting for equip-
mens, supplies, and personnel; and planning for future space, staff-
ing and other needs of the Department. The Department Head par-
ticipates in library-wide planning with other department heads and
appropriate committees. The library is organized into six depart-
ments; the department heads report to the Associate University Li-
brarian. Positions in the department include thirteen librarians, seven
support staff, five part-time reference librarians, and student assis-
tants. The library collection includes 900,000 volumes and 5,000 pe-
riodical subscriptions. A library addition is scheduled for completion
in 1987 and the library is in the process of reorganization. An online
catalog is in its first year of operation and an integrated online circula-
tion system will be installed this year. Required: a graduate degree
from an ALA-accredited library school; a second master's or Ph.D. in
a subject field preferred; evidence of substantial professional de-
velopment, scholarly research, and publications; five years relevant ex-
perience in academic libraries; successful performance in progress-
sively responsible professional positions; demonstrated
management and communication skills; willingness and ability to en-
courage the professional development of others; a clear understand-
ing of the role of the Reference Department and the needs of stu-
dents, faculty, and staff; working knowledge of new technology in
delivery of information services; analytical abilities; resourcefulness
and enthusiasm. Tenure track position with faculty rank and status.
Salary: minimum $31,000 for twelve months. Available January
1987. Applications received by October 15, 1986, will receive first
consideration. Submit letter of application, resume and names, ad-
dresses and phone numbers of three references to: Dianne M.
Smith, Assistant to the Librarian, William Russell Pullen Library,
Georgia State University, 100 Decatur St., S.E., Atlanta, GA 30303-

Initial appointment with faculty rank of instructor with advancement to Assistant Professor at end of first year if merited. Good fringe benefits. Salary: $27,600 minimum. For full consideration applications should be received by October 15, 1986. Submit letter of application with resume including names of three references to: Roscoe Rouse, University Librarian, Oklahoma State University, Stillwater, OK 74078. AAE/EO Employer.

HISTORICAL COLLECTIONS CATALOGER, Health Sciences Library. The College of Physicians of Philadelphia is seeking applicants for this position, available immediately. Responsibilities include original and copy cataloging of pre-1901 monographs in the Rare Book and Manuscripts Department of the Library. Qualifications: ALA-accredited MLS, 1–2 years cataloging experience on OCLC, preferably using NLM classification and Medical Subject Headings (MeSH), knowledge of the principles and procedures of descriptive bibliography and rare book terminology, familiarity with rare book bibliographies and other reference tools, and reading knowledge of Latin, German, and French. Excellent fringe benefits. Minimum salary: $17,000. Submit resume, listing three references, by October 15, 1986, to: Curator, Historical Collections, College of Physicians of Philadelphia, 19 South 22nd Street, Philadelphia, PA 19103. An equal opportunity, affirmative action employer.

HUMANITIES LIBRARIAN. The University of California, Irvine invites applications for the position of Humanities Librarian in the Main Library. This is an entry-level appointment at the Assistant Librarian rank at a salary of $24,012. Upward adjustments may be made for appropriate advanced degrees. Applications received by October 15, 1986, will receive first consideration, but applications will be accepted until the position is filled. Responsibilities: The incumbent serves as a reference librarian reporting to the Head of Reference and as a bibliographer reporting to the Head of Collection Development. The reporting line is through the Reference Department. Reference librarians in the Main Library share responsibility for general and specialized reference service (including evening and weekend assignments). These responsibilities include reference desk assistance to library users in conceptual, intellectual, and bibliographic access to information; database searching, and bibliographic instruction. The incumbent fulfills a liaison role with the School of Humanities, and specifically with the Department of English and Comparative Literature, the Department of Classics, the Department of Philosophy, and the Program in Linguistics. As a bibliographer, the incumbent shares the main database for Collection Development and other bibliographers the responsibility for development and management of specific subject areas. Required: MLS with appropriate advanced degrees in English and Comparative Literature or commensurate experience. Demonstrated commitment to public service; excellent oral and written communication skills. Ability to work effectively, independently and cooperatively with all elements of the academic community. Desirable: Additional graduate degree in English and Comparative Literature or Classics. Experience in collection development, bibliographic instruction, and database searching. To apply: Send application letter with 1) a complete statement of qualifications; 2) a resume including names and addresses of three references to: Karen Nassaur, Library Personnel Office, University of California, Irvine, P.O. Box 19557, Irvine, CA 92713. Telephone: (714) 856-5408. An affirmative action, equal opportunity employer.

IBERO-AMERICAN COORDINATOR. Reports to the Asst. Dean for Collection Development, responsible for managing acquisitions of Ibero-American materials, including selection in several subject areas, monitoring Ibero materials budget, coordinating work of 2-3 other selectors, working closely with Latin American Institute and staff on long-range planning for collections. Participates in planning for overall collection development with Assistant Dean and 4 other coordinators. Required: MLS from ALA-accredited program; a minimum of three years experience working with Latin American selection and acquisitions in a research library; fluency in written and spoken Spanish and working knowledge of Portuguese. Graduate degree in Latin American studies strongly preferred. Additional qualifications include strong communication skills, experience with grant writing, knowledge of Ibero-American book trades, ability to develop and implement long range plans. Incumbent must comply with policies of Faculty Handbook including research, publication and service. Salary: $24,000 minimum depending on qualifications. To ensure fullest consideration please submit resume including names and addresses of three references by September 26, 1986 to: Claudia Dean, Personnel Office, General Library, University of New Mexico, Albuquerque, NM 87131. The search committee will continue to review applications until the position is filled. AA/EEO.

LIBRARIAN OF AFRICA, Northwestern University Library. Formulates and coordinates public service programs of the Herskovits Library; supervises support staff; and selects material for designated portions of the African collection. Qualifications: MLS from accredited library school; three years or more of experience in academic or research libraries; African background highly desirable; strong working knowledge of German or Portuguese (preferred) or of French; knowledge of MARC bibliographic formats and of online library systems desirable. Demonstrate ability to communicate effectively at all levels. Salary: $24,000–$28,000, dependent upon qualifications and experience. Send letter of application and resume, including names of three references to: Lance Query, Director of Library Research, Analysis, and Personnel, Northwestern University Library, Evanston, IL 60201. Applications received by October 15, 1986, will be considered. EEO/AA.

MANAGEMENT REFERENCE LIBRARIAN. specializes in full range of information and reference services for students and faculty of Northwestern University’s Kellogg Graduate School of Management and participates in general social sciences and humanities reference programs. Assists in planning and development of the Man-
management Services departmental programs, and has special responsibility for undertaking new initiatives within the Library relating to computer-based library technologies in support of the Graduate School of Management. MLS from accredited library school required. Academic background in economics or other business-related discipline and advanced degree preferred. Business reference or general reference experience, and training in computerized literature searching required. Starting salary range: $21,000–$24,000 depending upon qualifications. Send letter of application and resume, including names of three references, by September 30, 1986; to: Lance Query, Personnel Librarian, Northwestern University Library, Evanston, IL 60201. An Equal Opportunity, Affirmative Action Employer.

MUSIC SPECIALIST LIBRARIAN. Anticipated opening. Participates fully in all aspects of branch library operation including general reference services (some evening and weekend duties on a rotating schedule), bibliographic instruction, online database searching, collection maintenance, and technical services processes for music materials. Supervises one full-time staff position and student assistants. This is a 12 month faculty position and reports to the Head of the Music Library. The Music Library, located in the ECU School of Music, is a branch collection of Joyner Library and is staffed by 2 librarians and 2.5 support staff. Joyner Library serves a campus community of over 14,000 students and 750 faculty. East Carolina University is part of the 16 campus University of North Carolina System. Qualifications required: ALA-accredited MLS degree; advanced degree in music (or substantial progress toward same); working knowledge of modern European languages; experience with AACR2, LC classification, and OCLC cataloging of music materials, effective oral and written communication skills. Familiarity with online database searching and automated library systems and experience in a university or special library are preferred. Minimum salary $22,000. Send letter of application, resume, official transcripts, and names of three current references to: Ruth M. Katz, Director of Academic Library Services, Joyner Library, East Carolina University, Greenville, NC 27858-4353. Applications must be postmarked on or before October 10, 1986. East Carolina University is an AA/EEO employer.

PHYSICS/ASTRONOMY LIBRARIAN. University of Illinois Library at Urbana-Champaign. Permanent position available immediately. Librarian is responsible for all aspects of administration and operation of Physics/Astronomy Library. With materials budget of approximately $120,000, the librarian, in cooperation with the faculty, is responsible for collection development in physics, astrophysics, and astronomy. Librarian assures that reference, original cataloging, and other services are provided to meet library needs of faculty, students, and allied personnel in areas served. Librarian maintains strong working relationship with faculty, administration, and other related units and engages in instructional and promotional activities for the library. Active participation in research and professional service complements library responsibilities. Required qualifications: Master’s degree in Library Science from ALA school, or equivalent; minimum three years professional academic, research, or special library service with increasing responsibility and including experience in public services, supervision, and administrative knowledge of, or experience in, literature of physical sciences and/or engineering and the needs of researchers; ability to work with diverse research oriented clientele; evidence of ability to meet university standards of research, publication, and service. Preferred qualifications: Experience in collection development, cataloging, reference, or bibliographic instruction; familiarity with automated information systems and services. Desired qualifications: Undergraduate degree in physical sciences. $25,000 upward Assistant Professor level; $28,000 upward Associate Professor level. Level of appointment depends on qualifications and scholarly credentials. Send letter of application with complete resume and names and addresses and telephone numbers of five references to: Allen G. Dries, Library Personnel Manager, University of Illinois Library at Urbana-Champaign, 127 Library, 1408 West Gregory Drive, Urbana, IL 61801. Phone (217) 333-8169. Application and nomination deadline November 3, 1986. AA/EEO Employer.

PSYCHOLOGY LIBRARIAN, University of Minnesota Libraries-Twin Cities. The Humanities/Social Sciences Libraries Department seeks qualified applicants for the position of Psychology Librarian. The Psychology Librarian reports to the Head of Humanities/Social Sciences Reference Services. Responsibilities include the following: 1) selects materials to support the instruction and research programs in assigned subjects; 2) analyzes, develops, and manages collections according to University needs; 3) prepares budget requests and manages acquisitions budget; 4) serves as library liaison with the Department of Psychology (consults with other faculty and bibli-
The University of Cincinnati invites nominations and applications for the position of Dean and University Librarian. The University Librarian reports to the Senior Vice President and Provost and is the chief academic and executive officer for the central and branch libraries. He or she will develop and administer policies and procedures to provide optimum library support for teaching and research, direct the library’s planning and budgeting activities, provide leadership in the implementation of an automated system, and represent the University Libraries to all university and community constituencies and to the research library community.

The University Libraries include a central library facility and nine college and departmental libraries. The Libraries employ 165 staff members (33 librarians and 132 support staff). Implementation of an automated library system is in progress. The University of Cincinnati is a charter member of the Association of Research Libraries (ARL) and maintains memberships in the Center for Research Libraries (CRL), the Online Computer Library Center (OCLC), and the Greater Cincinnati Library Consortium (GCLC). The Dean and University Librarian is a member of the Deans’ Council and the Graduate Council.

The University of Cincinnati, which traces its origins to 1819, was for many years the second oldest and second largest municipal university in the country. It is now a member of the State of Ohio university system and is one of only two universities in the system which have been designated by the Ohio Board of Regents as comprehensive doctoral granting institutions. The University of Cincinnati is a leading participant in Ohio’s Academic Excellence Program which provides enhanced funding to selected academic units. Its enrollment now exceeds 30,000 including over 5,000 graduate students.

Qualifications: The successful candidate must have a Masters in Library Science from an ALA-accredited institution. A Ph.D. is highly desirable. In addition, he or she must have (1) demonstrated leadership abilities; (2) at least five years successful administrative experience; (3) knowledge of current trends in research libraries and library automation; (4) a record of both professional and scholarly achievement; and (5) the ability to communicate effectively. The position is a twelve-month administrative appointment. The salary is open and competitive. The minimum salary is $60,000.

Nominations and applications will be reviewed beginning October 30, 1986; however, they will be received until an appointment is made. Women and minorities are encouraged to apply. Nominations and applications with resume with list of references should be sent to:

Dean Robert J. Werner
Chairman, Dean and University Librarian Search Committee
640 Langsam Library
Cincinnati, OH 45221-0033

UC is an Affirmative Action/Equal Opportunity Employer.

REFERENCE LIBRARIAN. The University of Nebraska Medical Center invites applications for the position of Director, Leon S. McGoogan Library of Medicine and Midcontinental Regional Medical Library Program, University of Nebraska Medical Center

The University of Nebraska Medical Center invites applications for the position of Director, Leon S. McGoogan Library of Medicine and Midcontinental Regional Medical Library Program (MCRMLP). The Library is a major academic health sciences library serving the patient care, education, and research needs of the Medical Center which includes the Colleges of Medicine, Nursing, Pharmacy, and Dentistry; School of Allied Health; Graduate Studies Program; University Hospital; and several research and service institutes. In addition, the Library serves as the Headquarters for the MCRMLP (Region 4) coordinating regional medical library services for a six-state region under contract with the National Library of Medicine. The Director provides leadership for and has overall administrative responsibility for a library with an integrated library system, a collection of over 215,000 volumes and 2,300 current subscriptions, and a budget of over $1.6 million for the library and the MCRMLP. The combined staff numbers 49 FTE of which 17.5 are Professional. The Director reports to the Vice Chancellor for Academic Affairs.

The successful applicant will be experienced in library administration in an automated environment, familiar with current trends in academic information management, be capable of planning and implementing comprehensive information services in a comprehensive academic health sciences center, and be active in scholarly and professional activities. In addition, an ALA-accredited Master's degree and 5–7 years of progressively responsible experience required; advanced graduate study is desirable; capability of working with academic, library, and governing groups and individuals; and administrative experience in program planning, personnel management, and budgeting will be expected.

This is a specific term faculty appointment leading to tenure with appropriate rank, privileges, responsibilities, and fringe benefits. Salary from $54,000, commensurate with experience and qualifications. Deadline for applications is October 31, 1986. Send letter of application, curriculum vitae, and names of 3–5 references to: William Berndt, Vice Chancellor for Academic Affairs, University of Nebraska Medical Center, 42nd and Dewey Ave., Omaha, NE 68105-1065.

The University of Nebraska is an Equal Opportunity, Affirmative Action employer.
ROMANCE LANGUAGES LIBRARIAN. The University of California, Irvine invites applications for the position of Romance Languages Librarian in the Main Library. This is an entry-level appointment at the Assistant Librarian rank at a salary of $24,012. Upward adjustments may be made for appropriate advanced degrees. Applications received by October 15, 1986, will receive first consideration, but applications will be accepted until the position is filled. Responsibilities: The incumbent serves as a reference librarian reporting to the Head of Reference and as a bibliographer reporting to the Head of Collection Development. The reporting line is through the Reference Department. Reference librarians in the Main Library share responsibility for general and specialized reference services (including evening and weekend assignments). These responsibilities include reference desk assistance to library users in conceptual, intellectual, and bibliographic access to information; database searching; and bibliographic instruction. The incumbent functions as a liaison with the School of Humanities, and specifically with the Department of Spanish and Portuguese, and the Department of French and Italian. As a bibliographer, the incumbent shares with the Head of Collection Development and other bibliographers the responsibility for development and management of all library collections, with special responsibility for developing and maintaining materials to support the research and instructional needs of faculty and students in the School of Humanities, and specifically in the Department of Spanish and Portuguese, and the Department of French and Italian. Additionally, the position is responsible for Latin American studies. Qualifications: Required: ALA-accredited MLS degree, degree in Spanish or French or commensurate experience, including good reading knowledge of Spanish and French. Demonstrated commitment to public service; excellent oral and written communication skills. Ability to work effectively, independently, and cooperatively with all elements of the academic community. Desirable: Additional graduate degree in Spanish or French. Good reading knowledge of Portuguese and Italian. Experience in collection development, bibliographic instruction, and database searching. To apply: Send application letter with 1) a complete statement of qualifications; 2) resume of education and relevant experience; and 3) the names, addresses, and telephone numbers of three references. Letters should be addressed to: Karen Nassaur, Library Personnel Office, University of California, Irvine, P.O. Box 19557, Irvine, CA 92713. Telephone: (714) 856-5408. An affirmative action, equal opportunity employer.

SCIENCE LIBRARIAN. Assistant Professor (tenure-leading). Sciences & Technology Department, starting January 1, 1987. Responsibilities, including collection development, library instruction, online literature searching, and referral reference with the faculty and students in selected departments of the Institute of Agriculture and Natural Resources. Information desk responsibilities. Required: MLS from a program accredited by the American Library Association; undergraduate or advanced degree in a pure or applied science; and ability to relate to patrons and staff. Preferred: Experience and training with online literature searching. $17,500 minimum for a 12-month contract. Salary may be higher depending upon the qualifications of the successful applicant. Apply with full resume plus names and current addresses/telephone numbers of three references by October 15, 1986, to: Kent Hendrickson, Dean of Libraries, 106 Love Library, University of Nebraska-Lincoln, Lincoln, Nebraska 68588-0410. Affirmative Action, Equal Opportunity Employer.

SCIENCE REFERENCE LIBRARIAN. Science and Engineering Library, University of California, San Diego. Starting date: January 1, 1987. Rank: Assistant Librarian, Salary: $24,012–$30,720 or Associate Librarian, Salary: $29,340–$42,264. The Science and Engineering Library’s 144,000 volumes and 2,300 active serials comprise a collection that supports instruction and research in the fields of chemistry, physics, mathematics, computer science, and the programs in the Division of Engineering. The Science and Engineering Library staff is comprised of four librarians, an administrative assistant, seven library assistants, and approximately 4 FTE student assistants. The library’s public services include reference and online search service, library instruction; circulation and class reserves; interlibrary borrowing and lending, and photocopy services. Technical services include serial acquisitions, check-in and binding. Qualifications: MLS from an ALA-accredited library school. Academic background in science or experience in science libraries; understanding of scientific research and ability to work effectively with members of the academic community; experience with online literature searching and reference service; demonstrated communication skills and teaching abilities; familiarity with trends in scientific information services and automated systems. Desirable: knowledge of interlibrary loan operations; familiarity with uses of microcomputers in library applications. Will consider entry-level appointment with outstanding qualifications. Appointment at the Associate Librarian rank.

DIRECTOR OF LIBRARIES
North Carolina State University

North Carolina State University invites nominations and applications for the position of Director of Libraries. The University offers approximately 2,800 courses to 24,000 students and has a faculty and professional staff of more than 2,400. The Director has responsibilities for the D. H. Hill Library; four branch libraries serving the Schools of Design, Forest Resources, Textiles, Veterinary Medicine; and several departmental collections. The libraries have a staff of 165 persons who operate 21 specialized departments that contain 1,300,000 volumes, 2,000,000 microforms and 600,000 U. S. Government publications. D. H. Hill Library is an ARL Library and a member of the Triangle Research Libraries Network (TRLN).

The Director is responsible for the operation and management of the University’s library system, serves on the governing board of TRLN, and reports to the Provost. Candidates should have substantial experience in management of an academic or research library, experience in administering technological innovations in library automated services, and demonstrated effective leadership abilities. An ALA-accredited library degree is required; an earned doctorate is preferred.

The position is available July 1, 1987. Minimum Salary: $55,000. Applications and nominations should be received by October 31, 1986, accompanied by a resume and the names, addresses and telephone numbers of three references. Send applications to: William H. Simpson, Secretary, Nomination Committee, Director of Libraries, North Carolina State University, Box 7001, Raleigh, NC 27695-7001.

NCSU is an Equal Opportunity, Affirmative Action Employer.

rent resume and names of three references to: Mattie Rogers-Allen,
Executive Coordinator, Gelman Library, The George Washington
University, Washington, DC 20052. GWU is an equal opportunity, af-
firmative action employer.

ASSISTANT TO THE LILLY LIBRARIAN. Assistant or Associate Librarian, Indiana University, Bloomington. Responsible for scheduling and overseeing museum operations of Lilly Library, including exhibitions, special programs, tours for visitors; for planning and overseeing production of Lilly Library publications—catalogues, brochures, periodicals, media releases. Assists in activities of the Friends of the Lilly Library; supervises one full-time support staff member and six to eight part-time receptionists. Qualifications: Master's degree in library science from ALA-accredited school; ability to work on own initiative; to enlist cooperation among a wide constituency within and beyond the University; to meet responsibilities and requirements of tenure-track appointment. Desirable: subject and foreign language expertise in some areas (e.g., history, literature, theology, law, science, music) in which the Lilly Library has strong collections; training and experience in rare book bibliography; experience in writing and editing, experience with museum or library exhibitions. Salary dependent upon qualifications and experience. Minimum: Assistant Librarian $19,500, Associate Librarian $24,000. Benefits include vacation of 22 working days, Blue Cross/Blue Shield, major medical, group life insurance, TIAA/CREF retirement/annuity plan, eligibility for sabbatical and research leaves. To apply send letter of application and names and addresses of four references to: Anne Rimmer, Personnel Officer, Indiana University Libraries, Bloomington, IN 47405. Telephone: (812) 335-3403. Available date: January 1, 1987. Closing date: No earlier than September 30, 1986. EEO/AAE.

BIOMEDICAL LIBRARIAN, Bio-Agricultural Library. Major responsibilities for this position include: 1) Biomedical reference assistance, online searching, and end-user search training; 2) general science reference desk assignment and database searching; 3) Biomedical collection development; 4) library instruction; and 5) consultation on information retrieval and management. Qualifications: Required: Graduate Library degree or equivalent. Experience in a science or biomedical library in an academic institution or a scientific business research environment, or substantial coursework in health or life sciences or medical librarianship. Online search experience with MEDLARS, and DIALOG or BRS. Familiarity with microcomputers and software for information retrieval and management. Other desirable qualifications include good communication skills and experience with offering end-user search training. Salary range: $24,012-$36,828. Rank: Assistant or Associate Librarian. Send letter of application, resume, and list of three professional references to: James C. Thompson, University Librarian, University of California, Riverside, P.O. Box 5900, Riverside, CA 92517. Deadline for application is
October 31, 1986. The University of California is an affirmative action, equal opportunity employer.

CATALOG LIBRARIAN (Two positions available). Duties include original cataloging and editing OCLC copy in MARC formats (monographs and audiovisuals) for an online catalog. MLS from ALA-accredited school required. Two to three years experience preferred, especially with working knowledge of LC classification and subject headings, AACR2 and OCLC. Knowledge of at least one European language highly desirable. Twelve-month appointment. Faculty rank and salary commensurate with qualifications; $20,000 minimum; TIAA/CREF and State mandated benefits. Send resume and names of three references by October 15, 1986, to: Raymond A. Frankie, Director, J. Murrey Atkins Library, UNCC, Charlotte, NC 28223. The University of North Carolina at Charlotte is an Equal Opportunity, Affirmative Action employer. Women and minorities are encouraged to apply.

COORDINATOR OF CONTRIBUTED CATALOGING. Position to be filled between October 20 and November 18, 1986. Under the direction of the Head of the Cataloging Department oversees the quality of work performed by paraprofessionals engaged in editing OCLC contributed cataloging and CIP data for rush items. Trains, revises, and advises paraprofessionals who revise or supply LC classification, LC subject headings, descriptive cataloging, and OCLC/MARC tags and subfield and fixed field codes. Also oversees name, series, and subject authority work performed by paraprofessionals. Performs original cataloging of monographs and, as needed, participates in retrospective conversion. Participates with colleagues in the formation of departmental policies and procedures. ALA-accredited MLS required. Minimum two years professional experience in a cataloging department, preferably in an academic library utilizing OCLC or other online cataloging system. Supervisory experience desired. A second master's degree is highly desirable and is expected for tenure. Salary range $21,000 to $26,000 for twelve months, depending on experience and qualifications. Tenure eligible. TIAA/CREF, Blue Cross/Blue Shield, or HMO. Twenty-two days annual leave. Send letter of application, resume, and the names of three current professional references by October 10, 1986, to: Alexander T. Birrell, Head, Cataloging Department, Ablah Library, Box 68, The Wichita State University, Wichita, KS 67208. Finalists will be invited for an expense-paid interview. The Wichita State University is an urban institution with an enrollment of 17,000. Librarians at The Wichita State University have faculty rank, privileges, and responsibilities. The Wichita State University is an affirmative action, equal opportunity employer.

CURRICULUM CENTER LIBRARIAN. Responsible for all aspects of the administration, operation, and development of the Curriculum and Instructional Materials Center (CIMC). Resources in the CIMC include print, non-print, and microcomputer materials. As a member of the Library's Reference Unit, there will be some general reference desk duties including some night and weekend work; bibliographic instruction and computerized database searching in related disciplines will also be required. This position will be expected to work closely, cooperatively, and in coordination with the Education Reference Librarian and to maintain liaison relationships with appropriate on and off campus agencies and individuals. Qualifications: ALA-accredited Master's degree. Second advanced degree in Education or a related discipline, or substantial experience in Education, is preferred. Two years experience working with K-12 curriculum materials either in a library or classroom setting is preferred. Knowledge of K-12 microcomputing resources is highly desirable. Reference and computerized database searching is preferred. Benefits: Twelve-month appointment, tenure track position, rank commensurate with experience. State mandated benefits. Salary: $20,000 (minimum). Send
resume and names of three references by October 15, 1986, to: Raymond A. Frankle, Director, J. Murrey Atkins Library, UNCC, Charlotte, NC 28223. The University of North Carolina at Charlotte is an Equal Opportunity, Affirmative Action employer. Women and minorities are encouraged to apply.

ENGINEERING LIBRARIAN. The University of Minnesota Duluth Library & Learning Resources Service is seeking an Engineering Librarian for its Science Reference Department. Responsible for reference, bibliographic instruction, and online database service to the College of Science and Engineering and other scientific units of the university. Participate in general reference desk coverage, perform collection development and bibliographer duties in Engineering and related sciences, special projects and occasional administrative functions as assigned. Qualifications: Require a MLS from an ALA-accredited library school, educational background in engineering sciences, formal training and experience in online bibliographic searching, and 1 year experience in academic engineering or industrial technical library. Demonstrated ability in interpersonal communication and public relations desirable. Salary: $24,500. Resume and three references to: Joanne Line, Assistant Administrator, Library and Learning Resources Service, University of Minnesota, 10 University Drive, Duluth, MN 55812-2946 by October 31, 1986. The University of Minnesota is an equal opportunity educator and employer, and specifically encourages applications from women and minorities.

LIBRARIAN, The New-York Historical Society. The New-York Historical Society invites applications and nominations for the position of Librarian. The New-York Historical Society is an independent cultural institution which operates a research library and museum. Responsibilities: to provide bold and imaginative leadership in enhancing a major research library utilizing traditional as well as innovative technologies; participate in planning and evaluating the policies and procedures which support the Society's objectives and programs; maintain close communication between the library staff, Society staff, and the professional world; guide the expansion of present library holdings and facilities; implement further appropriate information technologies; assist in the solicitation of grants, benefactors, and prospective gifts; build a broader community interest and support for the library; plan and direct the library budget; administer the library process. The Librarian directly supervises the Assistant Librarian for Reference Services, the Assistant Librarian for Technical Services, the Collections Development Librarian, the Curator of Maps, and the Conservator for Library Materials. Reporting to the Director of the Society, supervises a large research library relating to the history of New York City, New York State and the United States. The library contains more than 600,000 volumes, 2 million manuscript items and a staff of over 40. The individual appointed will be responsible for the overall management of the library with primary emphasis on collection development, technology planning, reference and bibliographic services and staff development. Requires: management of budget; experience with RLIN and OCLC systems; Ph.D. preferred in a subject field related to the Society's library interests; MLS from an ALA-accredited library school, or equivalent professional training and experience; ability to communicate effectively orally and in writing; extensive demonstrated administrative and supervisory experience in a research library; knowledge of current trends and applications of library information technologies; proven leadership and motivational abilities; evidence of continuous growth through scholarly publication and active participation in the individual discipline and/or profession. Salary range mid 40's, dependent on qualifications and experience. Group life, major medical, disability insurance plans are in effect as is a TIAA/CREF retirement benefits program. Application deadline September 30, 1986. Send resume and three professional references to:
MANUSCRIPT CATALOGER. The Rosenbach Museum & Library seeks an experienced cataloger for its collections of 16th- to 20th-century American & British manuscripts. Records will be created using RLIN formats. Item-level descriptions, with subject analytics, will be required in most instances. Cataloger will have supervisory responsibility for two assistants. This is a 3-year, grant-funded position. Funding not yet finalized, but anticipated to begin October 1986. Qualifications: M.A. in Library Science or equivalent. 1-2 years' experience with MARC cataloging of manuscripts archives or rare books and experience with subject cataloging preferred. Salary range $16,000-$18,000 plus benefits. Application deadline: October 1, 1986. Send resume and names of 3 references to: Ellen S. Dunlap, Director, Rosenbach Museum & Library, 2010 DeLancey Place, Philadelphia, PA 19103.

PROGRAM OFFICER, Library Administration and Management Association, a Division of the American Library Association. Responsible for implementation of LAMA programming (regional institutes, preconferences and annual conference programs). Other duties include assistance with LAMA's publishing program, inquiries from members and others, and support for work of the LAMA Board of Directors, Sections, Committees and Discussion Groups. Reports to LAMA Executive Director. Qualifications: MLS degree from ALA-accredited school. Competence in planning and implementation of CE offerings. Publishing experience desirable. Salary: $24,283-$36,425. Letters of application and resume must be received at ALA by September 30, 1986. Send materials to: Personnel Office, American Library Association, 50 E. Huron St., Chicago, IL 60611. ALA is an Equal Opportunity, Affirmative Action Employer.

SCIENCE LIBRARIAN. The University of Minnesota Duluth Library and Learning Resources Service is seeking a Reference Librarian for its Science Reference Department. Responsible for reference, bibliographic instruction, and online database service to the College of Science and Engineering and other scientific units of the University. Participate in general reference desk coverage, perform designated subject-specialty collection development and bibliographer duties, special projects and occasional administrative functions as assigned. Require an MLS from an ALA-accredited library school, educational background in chemistry, mathematical sciences, or physics and formal training and experience in online bibliographic searching. Demonstrated ability in interpersonal communication and public relations desirable. Salary: $23,500. Resume and three references to: Joanne Line, Assistant Administrator, Library and Learning Resources Service, University of Minnesota, 10 University Drive, Duluth, MN 55812-2946 by October 31, 1986. The University of Minnesota is an equal opportunity employer and specifically invites and encourages applications from women and minorities.

SERIALS LIBRARIAN. Open August 2, 1986. Supervises serials section, needs knowledge of computers, OCLC, serials cataloging. Also selects materials in modern languages and literatures. ALA-accredited MLS required, plus appropriate subject competence. Faculty status and equivalent rank. 5-year probationary period of annual appointments; second Master's degree or equivalent required for tenure. Salary range $15,717-$23,138, depending upon education and experience. Library of 633,069 volumes, staff of 63 (22 librarians). Budget of $2,546,131 ($709,000 for materials). Enrollment of 11,000. Send letter of application, resume, references by October 17, 1986, to: Jessica A. Marshall, Head of Acquisitions, University of Northern Iowa, Donald O. Rod Library, Cedar Falls, Iowa 50613. An affirmative action, equal opportunity employer.
20,000 authoritative sources of information on every interest and activity of modern society!

ENCYCLOPEDIA OF ASSOCIATIONS

New 1987 Edition — Just Published

Edited by Katherine Gruber. 2,500 pages in 3 books. $220.00/set. Extra copies of the Index available for $35.00. Available at Gale's 5% Standing Order Discount.

The new, revised edition of Encyclopedia of Associations can help you answer more questions—with greater accuracy—than any other reference tool. Here are 20,000 sources to write, phone, or visit for information on business, consumer affairs, crime prevention, entertainment, family relations, health and medicine, hobbies, real estate . . . over 2,500 subjects from archaeology to nuclear issues.

Easy to use

For answers to general reference as well as productive browsing, EA-1987 is arranged in 3 books. Books 1 and 2 are divided into 17 major subject sections. Within each of the 17 sections, entries are arranged by specific subjects. This facilitates productive browsing for contacts and ideas.

Separate Index

Book 3 of EA is an all-in-one Alphabetical and Key Word Index. All organizations as well as their committees and programs are listed by Title and Subject Key Word. Cross references to over 6,000 research centers, consulting organizations, and information centers listed in other Gale directories are also included.
