Classified Advertising

NOTICE

All advertisements submitted by institutions offering positions must include a salary range. The range should provide the applicant with an indication of the salary the institution is willing to offer for the position offered. All advertisements for the Positions Wanted and the Positions Open will be edited to exclude direct or indirect references to race, creed, color, age, and sex as conditions of employment.

Classified advertising orders and copy, and cancellations should be addressed to the Advertising Department, 30 East Huron Street, Chicago 60611, and should reach this office before the second of the month preceding publication of issue desired. Copy received after that time will be held for the next issue. Rate for classified advertising is $1.25 per printed line. Additional charge is made for nonmember advertising.

ASSISTANT PROFESSOR. The University of Colorado offers an opportunity for a qualified candidate to join the faculty of the Interdisciplinary Doctoral Program in Information Science. The appointment will be for the level of assistant professor and is to begin with the 73/74 academic year. An earned doctorate, or equivalent experience, in the behavioral sciences, with emphasis on human information processing, is desired. His background should be balanced with an understanding of the application of information science to the conduct of research and the development of systems in general. Alternatively, an earned doctorate, or equivalent experience, in the physical or computer sciences will be considered if it is accompanied by training in the behavioral sciences, again with emphasis on human information processing. The successful candidate will be expected to develop and teach several courses, conduct research, advise students, and develop and maintain professional involvements through professional societies and publications. Terms of the appointment will be determined by background and experience. Salary range is $11,000-$14,000. Applicants may send a curriculum vitae to Chairman, RDG Program, Room 310, IDS Building, University of Pittsburgh, Pittsburgh, Pa 15213. Further information may be obtained by mail or phone: (412) 682-3581, ext. 682. Deadline for applications will be February 28, 1973. The University of Pittsburgh maintains an employment policy under which all persons are hired and treated during employment without regard to race, color, creed, religion, or national origin.
