During the 2013 ALA Annual Conference in Chicago, the ACRL Board of Directors met on June 29 and July 1. The Board met with the leaders of its three goal area committees—Value of Academic Libraries, Student Learning and Information Literacy, and Research and Scholarly Environment—to assess progress on the Plan for Excellence. With feedback from the Board, these committees will finalize their reports and develop their Work Plan for 2013-2014. The ACRL Board of Directors also took the following actions:

**Enabling programs and services**

**Goal Area: Advocacy**—Strategic goal areas will be supported by financial and operational planning, and will guide the development and implementation of programs and services that target education, advocacy, and member engagement.

- Endorsed the ALA Council Resolution Supporting Librarians Sued for Doing their Professional Duty.
- Confirmed the virtual vote approving the 2013 Legislative Agenda. The document was issued prior to National Library Legislation Day on May 8, 2013. (www.ala.org/acrl/issues/washingtonwatch/legagenda)
- Confirmed the virtual vote approving a February 20, 2013, public statement expressing concern over the libel suit initiated by Edwin Mellen Press against Dale Askey, a librarian and faculty member at McMaster University.

**Enabling programs and services**

**Goal Area: Member Engagement**—Strategic goal areas will be supported by financial and operational planning, and will guide the development and implementation of programs and services that target education, advocacy, and member engagement.

- Approved a revision of charge for the Student Learning and Information Literacy Coordinating Committee.
- Confirmed the virtual vote disbanding of the ACRL Intellectual Freedom and Ethics Committees and the creation of a division-level Committee on Professional Values.
- Approved the name change from WESS De Gruyter European Librarianship Study Grant to the WESS-SEES De Gruyter European Librarianship Study Grant. This joint project of WESS and SEES will continue to support crucial research into international librarianship.
- Established a Technical Services Interest Group to better connect technical services librarians with ACRL. The interest group will provide a broad framework for information exchange on current developments and activities related to technical services including, but not limited to, collection development,
collection management, acquisitions, metadata services, and resource discovery and delivery in academic libraries.

- Established an ACRL Library Support for Massive Open Online Courses (MOOC) Discussion Group. The group will provide a forum for librarians wanting to exchange information about how libraries are supporting the provision of MOOCs created by their campuses.

### Enabling programs and services

**Goal Area: Education**—Strategic goal areas will be supported by financial and operational planning, and will guide the development and implementation of programs and services that target education, advocacy, and member engagement.

- Approved Beth Woodard, central information services librarian, University of Illinois at Urbana-Champaign, and Anne Zald, head, Instruction Department, University of Nevada-Las Vegas, as Immersion faculty co-coordinators for a three-year term, which began July 1, 2013, and will extend through the 2016 ALA Annual Conference.

### Enabling programs and services

**Goal Area: Operations**—Strategic goal areas will be supported by financial and operational planning, and will guide the development and implementation of programs and services that target education, advocacy, and member engagement.
